Doll Carriages, Bicycles To Compete For Prizes

It will be doll carriage parade day at the playground Monday when all the little girls—and little boys, too—may enter the competition. The boys, of course, will want to decorate bicycles, carts, wheelbarrows and there will be prizes for these just as there are for doll carriages.

Anything on wheels may be entered in the annual contest, Miss Mary-Louise Lanoix, director, said this week in announcing the special event. Girls will not be limited to doll carriages. They may want to decorate bicycles or carts, too.

A great deal of ingenuity was shown last year when doll carriages, bicycles and carts appeared decorated with crepe-paper flowers and draped with colored cloth. Originality and beauty will be im-

portant factor in picking the winners.

About 150 children enjoyed the opening day at the Newmarket Playground Monday and the free orange popicles on which there were seconds. Miss Mary-Louise Lanoix and Miss Ellen Deem were in charge and directed a spirited program of relays and group games.

The equipment is being put into condition. There is a slide, swings and teeter board. Fine sand has been added to the new sand box for the little children and croquet, volley ball and basketball planned for the older children.

The handwork and photography club, where printing and developing will be taught, got under way this week.

Band Concert Friday Night

The Newmarket band will give its second concert of the summer season Friday night at the band stand. The opening concert was well received two weeks ago when they presented a varied program including marches, waltzes and overtures. There were vocal solos by Clinton Ellison, Sr. and specialty features by the swing quartet, Ozzie Jolie, Clinton Ellison, Jr., Arthur Emond and William LaPorte.

The personnel of the band includes:

Napoleon St. Laurent, advisor, solo baritone; Oswald Jolie, director, clarinet and saxophone; John Labranche, secretary-treasurer, trumpet; George St. Laurent, in charge of uniforms, 1st Alto saxophone; Arthur Emond, in charge of public address system, electric guitar.

Clinton Ellison, Jr., solo trumpet; Henry Homiak, 1st trumpet; William Bouse, 2nd trumpet; Clinton Ellison, Sr., 1st and 2nd Clarinet; Lionel Belmont, 1st and 2nd clarinet; Joseph McGrath, 3rd clarinet; Victor Seaman, 2nd baritone; Ernest Boievert, 1st alto horn; Robert Carder, B flat tenor sax; Thomas Rooney, publicity, 1st trombone; Fred Labranche, 2nd trombone; Virgil Grignon, 3rd trombone; Oliver Roberts, saxophone; Chesley Marshall, bass; William Laporte, snare drum; Terry Labranche, snare drum; Arthur Roberts, bass drum; Donald Labranche, cymbals.

Petition New Store On Mill Road, Durham

The Zoning Board of Adjustment will hold a public meeting at the Selectmen's office at 7:30 p.m. on July 10th to consider the request to construct a general store on Mill road now belonging to Chester H. Tenen.

War Honor Roll Names Continued

The Town has named a committee headed by Selectman Walter Gillis to prepare this list of names. The Great Bay Pilot has offered to assist by publishing the list, a few each week, so that corrections may be made and any possible omissions rectified. Atty. Robert Shaw, Adjutant of Robert G. Durbin post, A.I., is assisting also and his secretary, Miss Norma Neal, has contacted several families to verify names. Corrections may be made through The Pilot office or Atty. Shaw's office. Neither of these offices, however, have power to make final decisions about names which will or will not appear on the list. They will accept any information concerning them and turn it over to Selectman Gillis.

A man or woman must have served a minimum of 30 days during the actual combat period of the war—that is between Pearl Harbor Day and V-J Day—to be eligible for the honor roll. Selectman Gillis announced this week, recalling a ruling from the Adjutant General's office.

Owen Carragher Crashes Returning from Funeral

George F. Hardy Dies in Durham

Funeral services for George F. Hardy were held at the Community church Monday afternoon at 2 o'clock with Rev. Ernest McKenna, pastor, officiating. The deceased was Richard S. Hilton, Fred J. Dorell, Walter Webb, Fred B. Philbrick.

Burial was in the family lot at Silverdale cemetery where Rev. Mr. McKenna offered committal prayer.

Mr. Hardy died at his home, 2 Bagdad road, Durham, Friday evening. He was 68 years old. He has lived in Newmarket most of his life, going to Durham about a year ago. He was born the son of Simeon and Sarah (Evans) Hardy, and was a contractor by trade. He was a trustee of the Community church and a member of Rising Star lodge, A. F. and A. M. Mr. Hardy was keenly interested in civic affairs and his services were sought on many town committees.

He is survived by his wife, Mrs. Edna (Evans) Hardy, a daughter, Mrs. Elizabeth C. Hallowell of Pawtucket, R. I., a sister, Mrs. Emma F. Hale of Newfields, and a grandson.

School Meeting Tuesday Night

The regular Selectmen's Meeting will be held Monday night at the Town hall at 7:30. It is necessary to advance this meeting because of the special School District Meeting Tuesday night at 8 o'clock at the Town Hall.

Two New Businesses Open

Day Nursery Opens Monday

Mothers who want to go shopping for a day, or who are working every day will be happy to learn there is a nursery opening in Newmarket today where their children can get the best of care in the pleasantest of surroundings. Mrs. Amelia Deschenons of 22 Spring street has always loved children and in transforming the three front rooms of her home into room for little folks, she is realizing an ambition of many years standing.

She hasco ts for their naps, newly installed lavatories for their use, a grassy yard which will be fenced in, and she plans to give the children morning and afternoon lunches in addition to their mid-day meal. Mrs. Deschenons has already secured an assistant, has all the proper local and state fire and health certificates, and is already receiving inquiries from Durham and Exeter mothers as well as Newmarket mothers.

Tax Rate Is Not Determined

What the tax rate will be for Newmarket property owners and business men is not determined yet, the Selectmen learned this week. The Tax Commissioners were here recently from Concord and requested books and Town valuations. They expressed pleasure with the cooperation they received from local industrialists.

The tax rate will be effected by the vote taken at the school meeting relative to accepting State Aid for the schools and will be determined sometime after the July 12 meeting.

Varney Laundry Fills Need Here

Families who have watched the Varney laundry building on Water street go up and have seen the machinery going into it are delighted now to learn it has passed all the operating difficulties and is operating efficiently. Basil Varney, the proprietor, is doing all types of laundry service—the family wash is being returned in three days and the finished shirts in five or six days.

He has the latest laundry equipment, a small wash wheel for woollens and chenille spreads (a specialty with him), and a large washer for routine work, extractors and ironers. Mr. Varney is proud to have the 50,000th extractor exhibited recently at the 50th Jubilee of this manufacturer in Boston, a beautiful piece of equipment brightly gilded.

He has a truck on the road now and hopes to have his telephone soon. Customers are welcomed at his new, modern building, 40 x 60 with its air-conditioned roof. Mr. Varney is an experienced laundry man with 17 years in the business in Rochester and Exeter.

Rams Enjoying Series of Wins

Adam Jakubowski Pitches For Rams

The Rams made it three straight in the Two-league by outclassing the American Legion 7 to 2.

The big surprise was Adams Jakubowski's appearance on the mound for the Rams.

The Rams took a 5 to 0 lead and were never threatened. Three runs were scored in the third with 3 hits, an error and a walk, climaxed by Ross' double. The Rams added two more in the fourth, but Buddy Fries came in to put out the fire as he whiffed Ross and Silver in succession.

The Legion scored when after Record hit a Texas leaguer into center, St. Pierre let Webb's ground ball through for an error.

(Continued on page 4)

Swamped Salmon Falls on Sunday

Coming from behind the Rams unleashed a 15-hit barrage to swamp the Salmon Falls Town team 13 to 6 for their fifth win of the season.

It was Lefty Ed MacDougall's third straight win as he tamed the visitors with a six-hitter after a very shaky start. Salmon Falls got just one hit in MacDougall's last four innings on the mound and the side was tired in order in the 9th when young Norm St. Pierre took over.

For two and one half innings, it was all Salmon Falls as they jumped into a 4 to 0 lead with the heavy sticking of hurler Eckenom.

Holiday Weekend Weddings

Randall-Erikson Wedding July 4th

Epping—Miss Ingrid Erikson, daughter of Mr. and Mrs. Axel Erikson of Epping, was the bride of Robert E. Randall, Jr., son of Mr. and Mrs. Hubert Randall of 34 Spring street, Newmarket. Fourth of July morning at 10 o'clock at St. Joseph's church. Rev. Fr. Drapreau officiated using the double ring ceremony.

Miss June Erikson, sister of the bride, was maid of honor, and Norman Langlois, best man.

There were 29 relatives and friends at the wedding breakfast at Hotel Willey, Newmarket, and the group adjourned to the home of Mr. and Mrs. Bernard Loughlin 27 Exeter street, for the reception. The bridal couple spend their honeymoon in the White Mountains and Canada and are making their home at 34 Spring street.

Out of town guests present for the wedding were Mr. and Mrs. Earl Friberg, Dorchester, Mass.; Mr. and Mrs. Herbert Bergquist, Dorchester; Mr. and Mrs. Eric Erikson and children, June, Astrid, Robert, of Epping; William and

Dorothy Dziedzic Theodore Budinski Wed Last Saturday

Miss Dorothy Dziedzic, daughter of Mr. and Mrs. Jacob Dziedzic of South Main street, was the bride of Theodore Budinski, son of Mr. and Mrs. Stephen Budinski of New York City, Saturday morning at 9 o'clock at St. Mary's church. Rev. A. J. Holde, pastor, officiated and the bride was given in marriage by her brother, Daniel Dziedzic.

She wore a white satin bridal gown fashioned in the princess style with a sweetheart neckline and a full skirt. Her finger tip length veil was caught in the crown effect fashioned in lace to match that used on the gown and she carried a shower bouquet of white sweet peas and roses. The altar was decorated with pink roses.

Miss Dorothy Zwiernan was maid of honor and wore a yellow gown and carried pink poms. Miss June Sapel, bridesmaid, wore pink and carried yellow roses. The reception was at the Polish hall. The spend their honeymoon in Canada.

BLAST ROCKS LOS ANGELES HARBOR . . . Only fate and foresight prevented the explosion of a 10,000-ton tanker in Los Angeles harbor from becoming a disaster equal in magnitude to the recent debacle at Texas City. The vessel, loaded with 2,940,000 gallons of gasoline, blew up in a series of three explosions that razed several docks and missed igniting huge petroleum storage tanks only because of favorable winds. Photo shows fireboats battling the flames which, with the blasts, caused damages of 10 million dollars.

CHILD PRODIGY . . . Paola Caffarella of Genoa, Italy, is only 10 years old, but already she has distinguished herself as a concert pianist. She will leave Italy soon for a series of concerts in the United States.

ASSISTANT SECRETARY . . . Charles Saltzman, vice-president of the New York stock exchange, has been named by President Truman as assistant secretary of state in charge of occupied areas affairs. He succeeds John J. Hilldring.

NO PRINCE CHARMING . . . When Albert F. Lange of North Arlington, N. J., stepped off plane in London, he announced that he had arrived in England to marry Princess Elizabeth. Officials promptly shipped him back to the United States.

THEY STARTED THE WHOLE AFFAIR . . . Co-authors of the much-debated labor bill which occasioned one of the hottest battles in modern congressional history are Rep. Fred A. Hartley (Rep., N. J.) (left) and Sen. Robert A. Taft (Rep., O.). Sponsors of the labor reform measure are shown here as they met on the senate side of the capitol to discuss the final showdown on the bill which took place in the senate.

ROCK-A-BYE BABY IN THE BACK SEAT . . . With her arms about her dog, Butch, Linda Henderson, seven years old, sleeps on the back seat of her mother's car. "Mommy left us here every night and came back and got us when the sun was up," Linda told Los Angeles, Calif., officials. The Hendersons lost their apartment, and the father stayed with a grandmother while Mrs. Henderson stayed with friends who had no place for the child.

Hallowed Sites Preserved In National Park System

WNU Features.

National Park service has become one of the great trustees of American history and tradition. In the system of national parks today are more than 80 sites hallowed by the events that have transpired there or by deeds which have been memorialized in marble and stone. Almost every phase of America's past finds expression in one or more of these sacred areas, where National Park service is endeavoring to present American history in a simple, straightforward manner in order that it may be readily understood and correctly interpreted by every visitor.

At most of the more important sites a program of educational service to the public has been established with competent historians in charge. Guides will be found in many of the areas as well as museums with interpretative and study collections. At other areas guide service has been supplemented or supplanted by self-explanatory maps, literature, outdoor signs and trailside exhibits.

Historic sites in the national park system fall roughly into six different groups or periods—Colonial, Revolutionary, Era of the Early Republic, War Between the States, Winning of the West and the recent Age of Industrial Expansion.

THE COLONIAL period is represented by the Castillo de San Marcos and Fort Matanzas national monuments at St. Augustine, Fla., Fort Raleigh national historic site in North Carolina, Colonial national historical park in Virginia, Fort Frederica national monument in Georgia, George Washington birthplace national monument in Virginia and Fort Mifflin national battlefield site in Pennsylvania.

The Castillo de San Marcos, moated and bastioned, was begun in the 17th century to defend the oldest settlement made by Europeans on land now included within the United States.

On Roanoke Island to the north, on what is now the coast of North Carolina, is the site of Sir Walter Raleigh's "lost colony." Here, each summer, is presented in pageantry the drama of the ill-fated first attempt of the English to plant a colony on the North American continent.

Still further north on Jamestown Island in Virginia is the site of the first permanent English settlement. Fort Frederica national monument on St. Simon's Island, Georgia, represents the English struggle with the Spanish for dominion of the South Atlantic coast.

On the banks of the Potomac river in Virginia is George Washington's birthplace national monument, and in Pennsylvania, near Farmington, a reconstructed pioneer fortification marks the site of Fort Mifflin and the scene of the opening battle of the French and Indian war.

THE GREAT Revolutionary war battlefields of Saratoga in New York and Yorktown in Virginia are included in the national park system as well as the site of Washington's winter encampments at Morristown, N. J.

Other important Revolutionary battlefield sites in the national park system are: White Plains in New York, Guilford courthouse and Moore's creek in North Carolina, Kings mountain and Cowpens in South Carolina.

LISTED AMONG the more interesting and significant sites which belong to the first 75 years of the republic are Fort Mifflin national monument and historic shrine at Baltimore, Md., birthplace of the "Star Spangled Banner," the Lee mansion national memorial at Arlington, Va., which was the home of Gen. Robert E. Lee and is typical of the plantation days of the old South.

Of interest also is the birthplace of Abraham Lincoln near Hodgenville, Ky.

Here at Abraham Lincoln national historical park in a magnificent memorial building is preserved what is thought to be the log cabin in which Lincoln was born.

NEARLY ALL of the great battlefields of the War Between the States are now under jurisdiction of National Park service.

By visiting them in chronological succession one may acquire a thorough understanding of the events of this vast internal struggle.

The better known battles of this war of which the sites are included in the national park system are: The first and second battles of

GETTYSBURG
Dedicated to Peace

Manassas in northern Virginia, Antietam in Maryland, Gettysburg in Pennsylvania, Shiloh in Tennessee, Vicksburg in Mississippi, Chickamauga and the Atlanta campaign in Georgia, Chattanooga in Tennessee, and Fredericksburg, Chancellorsville, Spotsylvania, Richmond, Petersburg and Appomattox in Virginia.

THE GREAT WESTWARD movement began long before the War Between the States and continued for many decades after. In this phase of history one finds in the national park system the Jefferson national expansion memorial at St. Louis, Mo., the Meriwether Lewis national monument in Tennessee, which contains the grave of the explorer who led the Lewis and Clark expedition through the northwest to the Pacific coast, and the Scotts Bluff national monument in Nebraska, a famous landmark on the Oregon Trail.

There are also the frontier military posts of Fort Laramie in Wyoming and Pipe Springs in Arizona, the site of the Whittman massacre in Washington and the site of Custer's last stand in Montana.

REPRESENTING MORE recent times are the Statue of Liberty national monument in New York harbor, the memorial at Kill Devil hill, North Carolina, marking the site of the first airplane flight by the Wright brothers, the Vanderbilt mansion and the home of Franklin D. Roosevelt at Hyde Park, N. Y.

Representing the world of tomorrow is the proposed national monument to mark the site of the first atom bomb explosion in New Mexico.

The most recently acquired national historic site is the Adams mansion at Quincy, Mass. This mansion, a part of which dates back to 1730, has been the home of two presidents and many statesmen and writers, and its history flows continuously through the whole American scene from earliest days of the republic to the present.

Watch Your
Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous activity and loss of pep and strength. (Other signs of kidney or bladder disease are sometimes burning, scanty or too frequent urination.)

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than fifty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

Church Suppers

Although church and club activity dwindles to a minimum during these warmer months, there are still events on both calendars which require participation—and with food.

For events such as these the requirements are simple but quite important. We want a dish that is easy to make and to carry; then, too, we want something that will appeal to a number of people. We also like to bring a dish that goes pretty well with anything else that may be served.

First, there are a number of main dishes from which to choose. Any of these will put you up with the top ranking cooks of the community.

Chicken Chow Mein.
(Serves 6)

- 2 cups cooked chicken
- 2 tablespoons fat or oil
- 2 cups thinly sliced celery
- 1 1/2 cups sliced peeled onions
- 1/2 teaspoon pepper
- 2 cups chicken broth
- 2 cups canned mixed Chinese vegetables
- 1/2 cup canned mushrooms
- 2 tablespoons cornstarch
- 2 tablespoons soy sauce
- Scallions
- 1 can fried noodles

Brown chicken slightly in fat; add celery, onions and pepper. Add chicken broth and cook, covered, until vegetables are tender. Add drained Chinese vegetables and mushrooms and heat to the boiling point. Mix cornstarch with soy sauce and add to hot mixture, stirring constantly. Let simmer 2 minutes or until slightly thickened. Arrange on deep platter or vegetable dish with scallions and serve with fried noodles.

Frozen Salmon Loaf.
(Serves 6)

- 2 cups cold cooked rice
- 1 1/2 cups salmon, drained and flaked
- 1 cup cooked peas
- 1/2 teaspoon salt
- 1/2 teaspoon paprika
- 1 tablespoon lemon juice
- 1/2 cup mayonnaise

Combine the ingredients lightly and freeze in a loaf or ring mold until firm enough to slice. Unmold on crisp greens and serve with lemon wedges.

*Dutch Hot Slaw.
(Serves 4)

- 6 cups shredded green cabbage
- 1 tablespoon butter
- 2 eggs, beaten
- 1/2 cup vinegar
- 1/2 teaspoon salt
- 1 1/2 tablespoons granulated sugar
- 1/2 teaspoon paprika
- 1/2 cup water
- 1/2 cup light cream

Cook cabbage until just barely tender. Drain, place in serving dish or casserole and keep hot. Meantime, melt butter in double boiler, then add eggs, vinegar, salt, sugar, paprika and water. Cook until thickened, stirring frequently. Remove from heat, add cream and beat until fluffy. Pour over hot cabbage.

*Baked Beans With Hamburger.
(Serves 4)

- 2 tablespoons fat
- 1/2 cup sliced onions
- 1/2 cup sliced celery
- 1/2 pound chuck beef, ground
- 2 1/2 cups canned, baked beans

LYNN CHAMBERS' MENU

- *Baked Beans with Hamburger
- Relishes Rolls *Dutch Hot Slaw
- Beverage *Frozen Fruit Salad
- Cookies
- *Recipes given.

- 2 teaspoons Worcestershire sauce
- 1/2 teaspoon salt
- 1/2 teaspoon powdered sage
- 1/2 cup water or tomato juice

Heat the fat in a skillet. Then add onions, celery and beef, and cook, uncovered, for 10 minutes. Add remaining ingredients and heat thoroughly.

You'll want to make good use of garden vegetables; and nothing would be more welcome at church or pot-luck supper than some of your freshest vegetables, seasoned beautifully and cooked to perfection.

Spinach, Bacon Dressing.
(Serves 4)

- 2 1/2 cups hot, cooked spinach
- 4 strips bacon
- 2 tablespoons vinegar
- 1 tablespoon sugar
- 1 teaspoon salt
- 1/2 teaspoon pepper
- 1/2 teaspoon prepared mustard

Dice bacon and saute in skillet until golden brown. Add remaining ingredients, except spinach and heat thoroughly. Then add to spinach, toss and serve at once.

Make your desserts easy but delicious by selecting one of these two:

*Frozen Fruit Salad.
(Serves 6)

- 1 orange
- 2 slices pineapple
- 1/2 cup Royal Anne cherries
- 1 banana
- 2 canned pear halves
- 1/2 cup blanched, chopped almonds
- 1/2 cup maraschino cherries
- 1/2 cup boiled salad dressing
- 1/2 cup whipping cream

Remove rind and skin from orange and cut fine. Chop other fruits and combine with nuts. Add dressing and fold in whipped cream. Freeze in tray of automatic refrigerator until firm.

Lemon-Egg Pie.
(Serves 6)

- 4 egg yolks
- 1 cup sugar
- Grated rind of 1 lemon
- 4 tablespoons lemon juice
- 1/4 teaspoon salt

Meringue:

- 4 egg whites
- 1/2 teaspoon salt
- 1/2 cup sugar
- 2-inch baked pie shell

Blend first five ingredients. Cook over simmering water, stirring constantly until thickened, about 15 minutes. Remove from heat. Prepare meringue by beating egg whites until stiff, then adding salt and sugar gradually. Beat until glossy and firm. Fold yolk mixture into meringue. Pour into baked pie shell. Bake in a moderate (325-degree) oven until delicately browned, about 20 minutes.

Released by Western Newspaper Union.

LYNN SAYS:

Effective Cleaning
Methods Suggested

Remove brown stains from tea-cups by rubbing with dampened cloth to which has been added some baking soda. Wash off in warm water and dry. This prevents the stain from coming off the china.

Dishes are more sterile if you wash them in soapy suds, rinse in very hot water by pouring it over them, and let them dry on the drain-board.

Benefits
to Our Readers

THE PUBLIC nature of advertising benefits everyone it touches. It benefits the public by describing exactly the products that are offered. It benefits employees, because the advertiser must be more fair and just than the employer who has no obligation to the public. These benefits of advertising are quite apart from the obvious benefits which advertising confers—the lower prices, the higher quality, the better service that go with advertised goods and firms.

Rams-Salmon Falls

(Continued from page 1)
The Rams made it four all in their half of the third, when they bunched four hits and three walks. The visitors added two more in the fourth when G. Garneau walked and A. Theberge reached on an error. M. Garneau doubled home both runners and ended the Salmon Falls inning for the afternoon. The Rams tallied once in the fourth to trail 6 to 5. But in the fifth, after one was out, MacDougall and Pelletier hit successive singles and Roussin walked to fill the bases, and an error at short scored the tying run. C. Mongeon and Ross walked to force in two runs and put the Rams ahead for the first time 8 to 6. The Rams exploded again in the seventh by pounding out five hits for five runs and the ball game ended 13 to 6.

Silver was outstanding in the latter part of the game when he ripped two rallies. In the 8th with two on he scooped up Theberge's ground ball, stepped on third and threw to first for a double play. In the 9th with a runner on first, he leaped high in the air to rob L. Gagnon of a hit and doubled up P. Garneau at first.

Ted Fleming, hard hitting right fielder, was slightly injured sliding into third base in the fourth, but is expected to be back in action this Sunday when the Rams journey to Raymond to face the Raymond Vets.

Newmarket Rams Win Two Straight

The Newmarket Rams made it two straight to set the pace along with the Polish club for first place in the league standings, with an easy 10 to 1 win over hapless Newfields.

It was a good chance to test the Rams reserves as a good portion of the Rams' power watched the game from the bench.

The Rams wasted no time and climbed aboard Coffin for three runs in the first inning without a safety and added another in the second, still without a hit.

The big guns boomed in the fourth when after two were out, Dostie laced a single to left and Ray St. Pierre reached on an error by Sheehy. With the hit and run on, C. Mongeon lined a drive to center scoring Dostie and Silver drove in St. Pierre and Mongeon with his sharp drive to left. Ross followed suit and knocked in Silver with his single, making it eight for the Rams.

Two more runs scored in the sixth on one hit and more of the Rams' dazzling base-running.

Newfields' lone tally came in the second when they bunched two hits and an error.

Norm St. Pierre, 14-year-old high school freshman sensation, was masterful in his debut and proved that he again will be heard from in local two-league encounters. His control was near perfection as he tamed Newfields with seven strikeouts and two walks.

New Air Letters Proving Popular

Upwards of 600 words may now be sent to any part of the world for ten cents by means of the new Air Letters recently instituted by the Post Office department.

In order to answer the many questions which have been asked concerning this new Air Letter Sheet, Postmaster Frank Labranche offers the following information. They are somewhat similar in appearance to the V-Mail sheets which proved so popular in World War II. However, the new Air Mail Letter Sheets will not be micro-filmed as were the V-Mail but will be sent in their original form, as written or typewritten, to any part of the world by the fastest air mail service. Regardless of what country to which the letter is addressed, the one uniform rate of 10 cents each will apply, provided that air mail service is available to that particular country.

Tests taken show that upwards of 600 words can be written on this sheet. The mailer then folds the sheet on the marks shown into the form of an envelope and addresses in the usual manner. These sheets, which include printed postage in the amount of 10 cents can be purchased in any quantity and can be deposited at any postoffice or in any street letter box.

The Postmaster expressed the hope that they public would use this new low-rate service to communicate more frequently with correspondents overseas. He suggested that they purchase a number of Air Letter Sheets for home and office use. It should be remembered at you cannot place a 10 cent stamp on your own personal letter for overseas air mail—you must use the distinctive air letter sheet which has postage already affixed. This new Air Letter Sheet is now on display at the local post office and are also being sold in large numbers.

Jakubowski Pitches

Again in the 6th after Fewless reached on Silver's bad throw to first, Butler doubled to left.

Jakubowski was hit freely but in the pinches the Rams tightened and squelched the potential rallies.

Next week's schedule calls for the Rams vs. Newfields on Tuesday and American Legion faces the Polish club on Thursday.

Editor: Great Bay Pilot
Newmarket, N. H.

Dear Editor:

While I was sitting in my tent tonight, having nothing to do, I got the idea that you might possibly put a small article in the Pilot as to my doings here in Arizona. No doubt you have heard something about Task Force "Fur nace".

The purpose of the Task Force is just the opposite of that of Task Force Frigid. We are here to test over one hundred different types of clothing, tanks and Ground Force equipment, under terrific dry and hot conditions. At the present time, I am testing three types of gas masks. I wear one type for three days then change to another and wear that for three days. There are three closets, of which I am one, three tank men and three men from odd jobs. We have to wear these one hour a day for 27 days. We wear these while we are doing our work to see if a man can wear a gas mask while working at his job.

The highest temperature we have had since my arriving here around the 28th of May, has been 129 degrees. The temperature is supposed to hit the high of 145 degrees in the months of July and August.

Last night, 4 of us went to the local radio station and were interviewed. We had a wonderful time.

We are pretty well settled here now. We have an open air theatre built here and we get the latest pictures. There is one picture 4 nights a week and a double feature on Thursdays, Saturday and Sunday the theatre is closed as many of the boys go into Yuma, about 30 miles away, over the weekend. We have a daily paper which started its circulation yesterday. It is published five days a week. We have swim tanks every night and can go to Yuma on pass Wednesday evenings and from Saturday noon to Monday morning. We have buses for those of us who go to church. Starting last Thursday, a Chaplain from the Yuma Test Branch, an Engineer outfit, came over here and we had a church service. So we go to church on Thursday.

I hope this will give you a little idea of the conditions we have here. We are making the best of it despite the strong winds and hot weather.

Sincerely,

Ernie Eldridge

P.S. There are about 350 men here. I am the company clerk.

Prof. C. F. Jackson Retires as Chairman

Durham — Professor C. Floyd Jackson has retired as chairman of the department of biology and director of the Biological Institute at the University of New Hampshire, President Harold W. Stoke announced today.

Although relinquishing his administrative posts, Prof. Jackson will continue as an active member of the University faculty. President Stoke said. As professor of zoology he will continue his teaching duties, with emphasis on his specialty of animal ecology.

Veterans are reminded that only a few days remain for reinstating GI insurance under the present liberal health requirement. The deadline date, August 1, is the last day on which reinstatement in most cases is possible without taking a physical examination.

To reinstate GI term insurance, the kind most servicemen owned, the veteran must meet certain health requirements. In nearly every case, if his health is as good as it was when he dropped his insurance and if he applies by August 1 or within three months of the date of lapse, there is no need for a physical examination.

Besides satisfying the health requirement, payment of just two premiums is necessary to put GI term insurance back in force. Permanent plans of insurance, however, require payment of all missing premiums, plus interest.

Odd 12-Foot Alphorn Calls Cows, Announces Worship

A quaint, deep-toned alphorn, 10 to 12 feet in length, is still in use in certain parts of the Alps for two purposes—to call the cattle home at milking time and to announce the evening worship hour.

This peculiar Swiss instrument, of ancient origin, is mentioned in chronicles as far back as the Ninth century. It is made of wood, bound with bark fiber, and its wide mouth rests on the ground. In appearance it is as a huge smoking pipe.

By INEZ GERHARD

HUGH STUDEBAKER, "Dr. Charles Matthews" of the CBS "The Guiding Light," lost nine pounds in the first five days of his first dramatic assignment on the air. Mike fright! Yet he'd been appearing in vaudeville, drama and concert work, and been singer, organist and ad-libber on a radio show. That was in Kansas City. In 1934 he married his boss, Bertina Congdon. His most famous role is probably that of "Blackface Silly Watson" on the Fibber McGee and Molly show.

HUGH STUDEBAKER

though he claims to have portrayed Abraham Lincoln more often than any other radio actor. He once worked in 46 programs in one week on the same station!

MGM's Sam Marx has been studying a print of "The Four Horsemen of the Apocalypse"; wants to bring it up to date and refilm it with Ricardo Montalban in the role that shot Rudolph Valentino to stardom. Montalban makes his first appearance on the American screen in "Fiesta," with Esther Williams, and is now working in "On an Island With You," on location in Florida.

Dennis Morgan realized three boyhood ambitions while starring in Warner Bros. "Cheyenne" — he wore a 10-gallon hat, beat a bad man to the draw (took lessons from Raoul Walsh) and learned how to roll a cigarette with one hand.

Mel Torme, 21-year-old singing star, is to have a radio program of his own soon. Currently featured at a New York night club, he's made 12 pictures — is the male singing star of the new MGM release, "Good News." Somebody thought up "velvet fog" to describe his voice! Popular with the younger set, he'll aim his program at the preferences of the teen agers.

REO executives were so pleased over the performance given by Gloria Grahame in their "Crossfire" that they promptly took steps to buy her contract from Metro. Then they cast her in the top feminine role in "Roughshod."

The horse to be ridden by Jack Carson in "Two Guys From Texas" was picked because it matched Carson's vest in technicolor.

ODDS and ENDS—English cinemas have inaugurated "Alan Ladd repertory sessions," showing a series of his pictures... Peter Lorre, now in the Abbott and Costello spot on NBC, plans to present a series of classical psychological thrillers by such experts as Tolstoy, Poe and Bierce... H. V. Kaltenborn is set to leave for a round-the-world jaunt at the end of July, with three commentators filling in during his seven week absence... There's a budget of \$6,000,000 for Lugold Bergman's "Joan of Lorraine," in which she will wear a coat of mail specially made by the New York Museum of Modern Art.

Personality Course Offered in School

NEW YORK, N. Y.—Personality courses, designed to teach students how to acquire a "pleasant manner," are being offered in 27 vocational high schools here.

The program was started on recommendation of employers who said that "a far greater percentage of persons lose their jobs because of personality difficulties than because of inefficiency," George F. Pigott Jr., assistant superintendent, explained.

"That's okay, Alvin. Bring the whole gang with you. The folks can read in the kitchen!"

GET IN A DITCH

Policeman (at scene of collision)—You saw this young lady driving toward you. Why didn't you give her the road?

Motorist—I was going to, officer, as soon as I could discover which half she wanted.

He Got Trimmed

At a swank New York restaurant, a customer sat down at a table and tied his napkin under his chin. The manager told the waiter to let the man know, without hurting his feelings, that such things weren't done there.

Approaching his customer, the waiter smiled pleasantly, then inquired, "What will you have, sir? Shave or haircut?"

Really Serious

"Doctor," said the patient, rushing into his physician's office, "you've just got to do something about this insomnia of mine. It's driving me crazy."

"Now, now," soothed the medic, "surely it can't be as bad as all that."

"It can't, eh? Why, I can't sleep even when it's time to get up!"

INSIDE, LOOKING OUT

AT 5 A. M. the sleepy hotel telephone girl answered a buzz from a house phone. An intoxicated man demanded: "What time does the bar open?"

"At eleven o'clock," the girl replied with forced politeness.

He called again at six and again at seven with the same question. So the girl said:

"Just a minute, sir. I'll let you speak to the manager."

Buzzing the night clerk, she said, "There's a drunk somewhere in the hotel. He's been pestering me for two or three hours. Will you tell him off?"

"Good morning," the clerk began gruffly. "You..."

"Good morning yourself, shay, when does the bar open?"

"Say, you!" the clerk exploded. "Let me tell you something. You're the kind of pest whose business we don't cater to. Just lay off... we don't care if you ever get into our bar room."

"Get into your bar room?" The drunk was mad, too. "Shay, mister, I'm already in here. I'm tryin' to get out."

A Big Booster

"Do you think the automobile has contributed to the prosperity of our city?"

"If sure has. Last year we built a new hospital and this year we have contracted for a 40-room addition to it."

Like Green Apples

Little Betty Jane (in the country for the first time)—Oh, mamma, look at the cute little green snake.

Mother (in the country for the first time)—Put it down at once. It might be as dangerous as a ripe one.

CLOUDY AND COOLER

Boarder—Madam, your steak is like the weather this evening—rather raw.

Landlady—Indeed? By the way, your account is also like the weather—unsettled.

Waiting for the Kickoff

Sonny boy, 4, came trotting into the house with an old, battered feed pail and shouted:

"Here, grandma, kick this quick!" "Why should I do that?" asked granny, puzzled.

"Because," said Sonny boy, "daddy told mamma we'll all have lots of money as soon as you kick the bucket!"

Back-Handed Compliment

"Good morning, doctor. I just dropped in to tell you how much I benefited from your treatments."

"But you are not one of my patients."

"No, but my uncle was, and I'm his heir."

Yankee Method

A cheeky young newspaper man whom Calvin Coolidge disliked for his pushing ways once asked the man from Massachusetts if the people where he came from said, "A hen lays," or "A hen lies."

"Where I come from," grunted Mr. Coolidge, "the people lift her up to see."

UGH!

He—I always kiss the stamps on your letters because I know your lips have touched them.

She—Oh, dear, and to think I dampen them on Fido's nose!

Overdoing It

The middle-aged, childless man and his wife resorted to prayer that a child might be born to relieve their loneliness. Presently, they were receiving congratulations on the birth of triplets.

Friend—Prayers are always answered.

Daddy—Sure, but if I pray for rain, I don't expect a cloudburst.

A Tip-off

A Hollywood hostess, giving instructions to her new maid just before a party, cautioned:

"Now please try to remember, Marie, when you serve the guests, don't wear any jewelry."

Maid—I haven't anything valuable, Madame, but thanks for the warning just the same.

How About Standing?

"I'm sorry that other engagements prevent my attending your charity concert, but I shall be with you in spirit."

"That's fine. Where would you like your spirit to sit? We have tickets for half a dollar, a dollar and two dollars."

Slim Pickings

"I live by my wits."

"Is that so? I've often wondered why you always look hungry."

An Insider

Two soldiers, one a Yank and the other British, approached the border between two European countries. The customs officer examining their passports remarked to the Britisher: "Why, you're a subject of the king!" The Tommy gave a brisk salute and answered: "Yes, and proud of it."

The officer turned to the G.I. "I see you're a subject of the United States."

The American soldier swelled his chest and replied in his best bragging manner: "Subject? Hell, no—I own part of it!"

Starting Small

Angry Customer—Look here, I've found a tack in this doughnut.

Waiter—Why the ambitious little thing. I'll bet he thinks it's a tire.

WORTH IT

"I fainted. They brought me to. So I fainted again."

"Why?"

"Well, they brought me two more."

SILENT SAM

By Jeff Hayes

Horrible Example

Aunt Irma (reproaching child for making faces)—When I was a child I was told that if I made ugly faces I would stay that way.

Little Helen—Well, Auntie, you can't say you weren't warned.

Plenty of It

Guest (to bell hop)—Do they have hot water in this hotel?

Bell Hop (nearly)—Yes, and I seem to be in it most of the time.

First Step

"What would you do if you were in my shoes?"

"First of all, I'd get a shine."

Needed Help

"But my dear man," said the manager, "you're too late. I've had a thousand applications."

"Well," said the "dear man" brightly, "why not hire me to classify the applications?"

Modern Wife

Tom—My, she's beautiful. Can she cook?

Joe—She can make the best ice cubes you ever tasted.

Wing and a Prayer

First Angel—How did you get into heaven so soon?

Second Angel—Flu.

Critchette Car Plunges Through Main Street Rail

Frank Critchette of E. Harrington, bookkeeper for Thomas Filton, was surprised to learn last Thursday that his car, which he parked near the Eagle club, plunged through the railing to the lower roadway. Apparently the vibrations from a passing truck released the brakes. The car was seriously damaged.
