

BOY DROWNS IN LAMPREY

JUNIOR PROM — 1962

The Junior Prom is always the highlight of the high school social season and this year was no exception as many happy couples dance under a canopy of colored ribbons at the popular affair.

(Staff Photo by Allen Russell)

Slips From Rocks On North Side Of Bridge

The Lamprey River claimed the life of a seven year old Newmarket boy in a tragic drowning accident on Saturday afternoon.

The victim, David A. Hodgdon of 35 North Main street, a seven year old first grader was fishing with a friend, Carl Drew, also seven years old of 9 Bay road, on the rocks on the north side of the Lamprey River Bridge, when he slipped from the rocks and fell into the water and went under.

Carl ran for help, and John Dostie, 35 of Bay Road who was on the scene almost immediately dove in fully clothed and made several brave and futile attempts to locate the boy.

The police, led by Chief John Valliere were called to the scene at 3:10 p.m. They were assisted in rescue attempts by Fire Chief Robert Keller and Deputy Chief Herbert Philbrick.

A call for assistance was sent to the State Police and Cpl. Woods and Trooper Cray were soon on the scene. The

State Conservation Dept. sent the aide of four of their men, including Paul Tasker of Wolfeboro, Carl Akerly of Portsmouth, James Jones of Kingston and Floyd Potter of Hampton.

The body was eventually located by two Newmarket skin divers, Willis M. Stevenson and Wayne Russell at 5:40 p.m. on the east side of the bridge about 20 feet downstream. Rockingham County Medical Referee, Dr. Wendell P. Clare of Portsmouth pronounced death due to accidental drowning.

The body was taken to the Brisson and Kent Funeral Home and later transferred to the Edgerly Funeral Home in Rochester.

David was the son of Mr. and Mrs. Vernon Emro, who have lived in Newmarket for only a short time. Besides the parents, survivors include two brothers, Bruce E. and Jeffrey Hodgdon also grand-parents, Mr. and Mrs. Alf Johanne Anderson Swenson of Northwood, N. H.

John Jordan Resigns From Police Force

Police Officer John C. Jordan submitted his resignation in a letter on June 13th to the Board of Selectmen and the Chief of Police, to take effect as of June 20th.

Officer Jordan has resigned in order to accept the position of Liquor Investigator to which he has recently been appointed.

He expressed his appreciation for the help, cooperation and kindness shown to him by The Board of Selectmen, The Chief of Police, fellow officers and all town officers during his position with the Newmarket Police Department.

Final Child Clinic On Tuesday

There will be a final clinic of the season for the children on Tuesday at 8:30 a.m. for vaccinations, shots and boosters.

Dr. Gerald Shattuck of Portsmouth will be the attending physician and parents are reminded that school children who are in need of these shots may receive them at this time. This will be the last clinic until August.

Cruiser Sports New Decals

The new Police cruiser will soon be sporting its new Police Dept. decals. The decals which arrived this week according to Chief Valliere are black and gold and very nice looking.

BUDGET COMM., SCHOOL BOARD HOLD EMERGENCY MEETING

The Newmarket Budget Committee met with the school board at 8 p.m. Sunday at the Central School to consider a petition of emergency.

The first order of business was the condition of the first floor in the Stone School, it was agreed that this floor be repaired for the start of the next school year and it was recommended that the school board transfer the \$1000 that was appropriated for the fence in the '61-'62 school district meeting to make the necessary repairs.

The other item of business brought up for consideration, was the expansion of the hot lunch room in the basement of the central school, this would necessitate removing a partition and relocating the girls toilets an extensive job which was estimated at five thousand dollars.

After lengthy discussion, and in view of all the facts the following proposal was agreed on by the school board and the budget committee.

The budget committee approves of the suggested remodeling at the Central School, but does not consider it an emergency at this time and suggest that this proposal be presented at the next annual school district meeting.

This concluded the business for the evening. Those present from the Budget Committee were: Mrs. Charles Dearborn, chairman; Mrs. Nellie Anderson, Mrs. Stella Cilley, Mr.

Herman Hauschel, Mr. Leo Fillion, Mr. George Griswold.

Present from the school board were: Dr. Forbes Getchell, Mrs. Beatrice Geoffrion, and Mr. Clarence Hodsdon.

Also present was the Principal of elementary schools, Mr. Edward O'Connor.

2nd Oral Polio Vaccine Clinic Wed., June 27

Newmarket's second clinic for the distribution of the Sabine Oral Polio vaccine will be held Wednesday, June 27th from 6 to 8 p.m. at the Newmarket Town Hall. Dr. Irving E. Brown, Jr., will be the attending physician. The clinic is sponsored by the PTA of Newmarket.

This clinic is for everyone including pre-school children, school children and adults and is for the 2nd dose of the oral vaccine. There will be no charge for pre-school children up to 6 years of age and a fee of 25c for school children and adults.

This second dose of oral vaccine should be received by all who received the first dose before June 8th. The importance of the vaccine is once again stressed and everyone is urged to take advantage of this clinic.

For further information call Mrs. Kenneth Anderson, OL 9-3738 before 2 p.m.

UNH Graduates 5 Local Students

The University of New Hampshire's 92nd Commencement will take place in Cowell Stadium, Sunday afternoon with Mrs. Mildred McAfee Horton, former president of Wellesley College, delivering the Commencement address.

Former Dean of Harvard Divinity School, Douglas Horton will deliver the Baccalaureate address Sunday morning in ceremonies in the University Field House.

There are 639 candidates for baccalaureate degrees and 137 candidates for advanced degrees including seven Doctors of Philosophy.

Among the candidates for degrees from Newmarket are:

College of Technology
Edward Dutka, BS, Electrical Engineering; Robert Stanley Szaclik, BS, Mechanical Engineering.

College of Liberal Arts
Richard Jude Crooker, BA, Chemistry; Anita Geoffrion Keyser, Mathematics; Bruce Harold Dexter, BS, Business.

Present Class Day Awards At High School Exercises

Class Day exercises were held Wednesday, June 13 at 2:00 at the high school gymnasium auditorium. The address of welcome was given by David Bergeron. The Class History was read by Lyn Carpenter, John LaBranche, Charles Belmonte and Gail Lavallee.

The Class Will, by Ronald Bloom, Mary Lou Cassano and Rosemary Wojnar. The Class Prophecy was read by Janice Robie, Edward Finn, Daniel LaBranche and Margaret Roulo; Class Gifts by Walter Prescott, Richard Littlefield,

Edith Cashman and Eugene Beaudette.

Many special awards were also presented at Class Day, including an award from the Daughters of American Revolution presented by Mrs. Schartz to Janice Robie; the Citizenship award from the American Legion to John Pazon and Christine Carpenter; Principal, Leo Landroche presented the following awards: Scholarship awards \$25 from Fraternal Order of Eagles to John LaBranche; \$25 from the Woman's Club to Lyn Car-

DEATHS and
FUNERALS

Mrs. Edna Celia Mariotti

Mrs. Edna Celia Mariotti, 69 of Lee Hook road was pronounced dead at Exeter hospital Monday night after being rushed there from her home. The cause of death is undetermined.

A resident of Lee for the past 49 years, Mrs. Mariotti was the widow of Darius Mariotti. She came from Newmarket.

Born in Durham on March 24, 1893, she was the daughter of Fred and Nancy (Rand) Proctor.

Survivors include three sons, Dr. Charles Mariotti of Barrington, Edward A. Mariotti and Robert D. Mariotti both of Lee; five daughters, Mrs. Bernard (Marion) Marcotte of Epping, Mrs. Charles (Edna) Mills of Lee, Mrs. Edward (Pearl) Devlin of Windham; Mrs. Lawrence (Catherine) Pelletier of Barrington and

SPLASH

BROOKLYN, N.Y.—He may not be taking to the water like a duck, but he's happy to get away from the heat no matter how he does it. The young man is getting into the swim of things with a mighty big splash, at the beach in Coney Island.

Mrs. Albert (Jane) Harvey of Lee; 16 grandchildren, two great grandchildren and two nephews.

The funeral was held at the Brisson and Kent Funeral Home, Newmarket, Thursday at 2 p.m. the Rev. Richard Clark of Lee officiating. Burial was in the Lee Hill Cemetery.

Miss Nancy Pease Presented Foresters Achievement Award

Joliet Court 634, Catholic Order of Foresters held its regular monthly meeting at Eagle's Hall on Monday, June 11, 1962 at 7:30 p.m.

The meeting got underway promptly at 7:30 p.m., under the direction of Chief Ranger Terry LaBranche.

The business meeting was short but interesting.

The Achievement Awards committee was happy to report that Miss Nancy Pease, daughter of Mr. and Mrs. Arthur Pease, and graduate to be of St. Mary's school, was chosen to be the recipient of the Missal award for having excelled in religion during her 8 years at St. Mary's. The award will be made at Manchester, N. H., on Sunday, July 1, 1962 by the Rt. Rev. Wilfred A. Chartier, Spiritual Director of the New Hampshire State Court. Catholic Order of Foresters.

Report was given on the Legion of Honor Testimonial which was held recently at the New Hampshire Highway Hotel, Concord, N. H., the committee reported that 580 members attended the Testimo-

nial honoring our Legion of Honor members.

A motion was duly made and carried that we dispense with the July and August meeting and that the next regular monthly meeting be called for Monday, September 10, 1962 at 7:30 p.m.

The jackpot was won by Raymond Bernard.

After the meeting a fine luncheon was served by our able Robert Ferland.

Polish Club Activities

The J. B. Trio of Dover will provide the music for Saturday's social on June 16th.

It was nice to see two long time members of the club here last week, Chester Kruczek and Mrs. Sally Wawrzkiwicz.

At the end of the three months series, we would like to announce the names of the "Pedro" champs. They are Eddie Szacik, Paul Dutka, Frank Shina and Charlie Miesowicz.

Four scholarship awards were donated from the P.A.A. fund. They went to Rosemarie Wojnar, Janice Robie, Jean Nesbitt and Lyn Carpenter.

Get well wishes go to Leo LaBranche who is in the Exeter hospital.

The Polish Club parking lot is progressing and the stairway will be finished this week, weather permitting.

Richard Pohopek, son of Mr. and Mrs. Dola Pohopek is stationed at Fort Dix, N. J.

Leukemia is often called cancer of the blood. Though its cause is unknown, a virus is suspected. It strikes the blood-forming system in the bone marrow and spleen, causing the blood to become over-run with immature white cells which can reproduce themselves wildly, but cannot do any work. Not only are these immature white cells useless in themselves, but they crowd out the healthy, oxygen-carrying red cells. With the important blood cells of the body rendered almost useless, the patient with leukemia becomes anemic, prone to infection and may suffer hemorrhages throughout his body.

Leukemia takes two forms, acute and chronic, depending on its course. In the acute form, which often strikes children, life last only a few months or years after diagnosis. Before present treatments, it used to be weeks. With the chronic form, some patients have lived 20 years. This is because the process is much slower, and the physician has time to combat the life-consuming effects of leukemia as they occur. I've known patients to live with leukemia for years and finally die from another, totally unrelated disease.

The treatment of leukemia

Father Eugene Dumas Celebrates 38th Priesthood Anniversary

Rev. Eugene Dumas was honored today on the occasion of his 38th anniversary in the priesthood. A Mass of Thanksgiving by the school children at 8:30 was in honor of Father Dumas.

A special program began at 1:30 with a reception in the school hall. First on the program were the Choir girls singing "Pale etoile du soir." Second was a choral recitation

depends on the kind of blood cells which are involved. Treatments include use of hormones such as cortisone; drugs which chemically retard production of the faulty cells; nitrogen mustard; blood transfusions; radioactive phosphorus, which the blood cells pick up; and radiation therapy with x-ray to the spleen, bone marrow and enlarged lymph glands. Such treatment can prolong life for months, sometimes years.

"Our Pastor's Anniversary" by the seventh graders.

Third a short play "The Shepherds at Fatima," the cast of which includes: Blessed Virgin — Mary Jordan; Jacinta — Catherine Dostie; Lucy — DiAnne Gazda; Francisco — Ramon Romero; Mrs. Dos Santos — Donna Gazda; Mrs. Marto — Barbara Wojnowski; Angel — Sandra Roy; Mayor — Stephen Kasiaras; Guard — William Gazda.

At the end of the play, the 7th graders sang "Our Lady of Fatima" accompanied by Sharon Mariotti at the piano.

Anniversary wishes were expressed by the eighth graders and a spiritual bouquet and a floral chalice was presented by the first graders.

Red Faces !!

Speaking of red faces — ours is scarlet this week. In last week's TIMES we committed not only one but THREE errors, two of omission and one of commission.

1. Connie Sharples and Arlene Heath are being sponsored at the Girl's State in Durham by American Home Department of the Woman's Club and NOT the Civics Department as stated in last week's TIMES.

2. In the list of Newmarket High School graduates, the name of Daniel Labranche was omitted.

3. In the write-up about the 25th wedding anniversary party for Mr. and Mrs. Ralph Larrivee, the names of Mr. and Mrs. Arthur Labonte were omitted.

For the above boo-boos, please accept our sincere apologies! (Editor)

REPETITION

IS THE
KEY TO
SUCCESSFUL ADVERTISING

INCREASE YOUR
BUSINESS WITH
'TIMES' ADVERTISING

For Women Only

The clever hostess can turn the easiest meal into a festive occasion with a few simple touches. Start with your prettiest dinnerware, put out elegantly simple silver, your best crystal and linen, and finish off with lighted candles and a floral centerpiece. In choosing a centerpiece, keep the bowl and arrangement low, so that your guests can see each other across the table. That's true of candles, too.

Using soft water for coffee saves on the amount you use, according to The Lindsay Company, manufacturer of the automatic home water softener. What's more it brings out all the delicious flavor that you enjoy in a good cup of coffee. Soft water saves coffee, because it gets more "action" out of the smaller amount of grounds needed. This action plus the absence of taste-destroying minerals make the coffee so tasty.

Here's a quick lunch menu that's deliciously satisfying. Make hot beef consomme and add skinless sliced franks. Serve with bread slices, stuffed celery, assorted relishes, the family's favorite beverages, and a gingerbread square. It will keep everyone going 'til dinner!

Try this trick next time you dissolve mild soap powder or flakes in a small amount of soft water. Store it for a dishwashing liquid that's economical and easy on the hands.

Children learn to be neat and tidy with compliments! Compliment the shining sparkle of a child's hair right after a shampoo. It costs nothing to say, "How pretty your hair looks when it's nice and clean." Compliments nourish the soul; criticism curdles it.

"SAVE EVERYDAY THE IDEAL WAY"

Sixty Children Enrolled For Community Church Bible School

Miss Marjorie Cashman, registrar for the Community Church Summer Bible school announced that about sixty children had registered for the classes which begin on June 18 through the 29th.

Plans for the school include a picnic, the date of which will be announced soon. At the end of the school the group will present a closing program at the church.

Thanks to the generosity of Richard Gallant the pre-school group will feature a rhythm band this year.

During the Bible School emphasis is being placed upon the "New Judson Series for God and His World".

Material for the kindergarten class is "God Loves Me," written by Petersen and it will be taught by Mrs. Carmichael and Mrs. Calvin Wright.

Primary Class' subject is "God is Great, God is Good" by Jones and will be taught by Mrs. William Cashman and Mrs. Mildred Livingstont.

Third middle class will have "Come Let Us Worship" by Lee and will be taught by Mrs. Ruth VanDusen.

Junior Class material is "God Speaks Through The Bible" by Flynt and will be taught by Rev. Wright.

Miss Carolyn Leland, a se-

nior at the University of New Hampshire will provide the music and games.

All children are welcome at the Vacation Bible school regardless of whether they have registered in advance or not.

Bright Ideas

IF YOUR HIGH SCHOOL or college age youngsters continue to fritter away their summer earnings no matter what you say, you might try letting your banker talk for you. The American Bankers Association suggests you take the youngsters with you the next time you visit the bank. Make the introductions, then bow out. Chances are your teen-agers will emerge with saving-spending programs that will last their lifetimes. If you're clever, they'll think they arranged it themselves.

• A rug sweeper should be used with just enough pressure for the brush to hug the carpet, yet still roll freely. Go over each section of the rug at least twice.

THE MOST IMPORTANT tip on car care that you should follow before taking to the road this summer is to listen to your service station man. He knows the best way to keep your car running at top performance, at the least cost to you. For instance, he knows that under perfect conditions your oil filter may continue to work well for several thousand miles, but if you must do stop-and-go-driving, your filter can get clogged up before you know it, and a clogged filter can lead to big repair bills. The Purolator Automotive Research Bureau reminds you to listen to the man—your service station dealer—when he suggests an oil filter change. He knows what he's talking about.

• Ink stains on the fingers can be removed if you will dip an old toothbrush or nailbrush into vinegar, then dip brush into salt, and scrub the stains until they disappear.

BUS-ING WITH BABY? Long-distance bus trips with baby aboard can be easier for everyone if you do a bit of advance planning. Take along disposable diapers, pre-mixed formula, throw-away plastic jars and spoons and a favorite cuddly toy to keep baby contented as the miles whizz by. On the air-conditioned, lavatory-equipped Five Star Buses, you'll find the added luxury of a steel galley, where the hostess will warm baby's bottle for you—and the extra service of a free baby travel kit. (P.S. On Trailways, there's no charge for children under four years of age.)

MUNICIPAL COURT

Municipal Court was held on June 8th with Justice Roy Daubenspeck presiding.

Robert Cheney of 36 Morrill road, Hooksett was charged with disobeying a police officer. He entered a plea of not guilty and upon hearing the evidence presented by Officer John Jordan he was found guilty and ordered to pay a fine of \$10.

Robert Blouin of New road, Newmarket was charged with operating and unregistered motor vehicle. A second charge of operating an uninspected motor vehicle was also brought against him. He entered a plea of not guilty on both charges and on evidence presented by Officer Gilbert he was found guilty on both charges and was fined \$15 for operating an unregistered vehicle and \$10 for operating an uninspected vehicle. He appealed both charges and put up a bond of \$25 pending this appeal.

WHAT EVERY FATHER SHOULD KNOW

The third Sunday in June is his day. And if the family remembers him with camera and film, he can begin this day to capture the precious childhood moments that make priceless picture records. Picture-taking opportunities begin at home. And indoors, flash has wonderful action-stopping power. It's a wise Dad who watches Baby's moods for the best pictures. Chances are good for smiles after the youngster has had his nap, for tears before he is fed, and for contentment after he is fed. Versatile aim-and-shoot cameras, such as the Brownie Starflex, may be used to capture all moods—in color or black-and-white snapshots, or color slides.

PERSONALS

Sister Aime of the Sisters of the Holy Cross, who recently returned to this country after three and a half years of missionary work in Pakistan is spending several weeks with her parents, Mr. and Mrs. Terry LaBranche of Epping road. Sister Aime paid a visit to St. Mary's School on Tuesday and showed pictures of Pakistan to the children.

Mrs. Ernest Cutter has returned to her home in Durham after spending about three weeks at a Boston hospital.

Mrs. Alice LaPointe of Syracuse, N. Y., is visiting her son and daughter-in-law, Mr. and Mrs. Raymond LaPointe of Beech street for several weeks.

Too many Americans go in for weight - lifting with wrong equipment - a knife and a fork.

COMMUNITY CHURCH NEWS

Summer services will be held at 9:30 a.m. every Sunday. A nursery will be provided for pre-school children during church services. Mrs. Betty Wright will be in charge of the nursery.

The postponed business meeting for consideration of the constitution will be held Monday, June 18th at 8 p.m.

Children from the 2nd and 3rd grade Sunday School classes who were not present on Sunday for Children's Day are reminded there are still a few Bibles available and they may receive theirs by contacting Mr. Wright.

Fingerprinting Now Completed

State Troopers, Clifton Hildreth and Cpt. Bean and Newmarket Police officer John Jordan this week completed fingerprinting of all the Newmarket school children from the 5th grade up.

The prints will be on record at Concord and are strictly for identification purposes in case of disaster or emergency.

There was a total of 343 children fingerprinted.

WASHINGTON REPORT

By
U. S. SENATOR
MAURICE J. MURPHY, JR.

It is hard to believe, for many years, the federal government has been spending more than half of your tax money, building up our defenses to meet the threat of communist aggression, while at the same time, we have spent more billions to build-up the economy of some of these communist countries.

The beginning of the end of this policy may well have come last week in the Senate. There

is a growing realization on the part of the Congress and most American citizens, what started out as a necessary and desirable program of helping friendly nations after the last war, has grown into a fool-hardy effort to "buy" the support of both friendly and unfriendly governments around the world.

This year, the administration proposed to spend 4.7 billion dollars on foreign aid, including aid to communist Yugoslavia and communist Poland. When the bill came up for action last week in the Senate, Republicans and Democrats joined together to ban aid to

any country having a "communist or marxist form of government." The amendment, offered by Democratic Senator Frank Lausche of Ohio, received the support of 23 Republicans and 34 Democrats, and was overwhelmingly passed by a vote of 57 to 24. In making the amendment, Senator Lausche declared, "any aid granted to a communist country can never be in the interest of the security of the United States — it can only be in the interest of the promulgation of international communism."

I think that you should know that my concern over this problem prompted me to co-

sponsor an amendment to the foreign aid bill with my senior colleague, Sen. Norris Cotton and Sen. William Proxmire Democrat of Wisconsin. This action was taken before the Lausche Amendment was introduced, and would have cut off aid to communist Yugoslavia. The Lausche Amendment was substituted for the Proxmire - Cotton - Murphy amendment.

I believe that it should be pointed out that this action taken last week by the Senate does not, in itself, bring about either a reduction of foreign aid, or the exclusion of communist Poland and communist Yugoslavia as recipients of that aid. The House has not yet acted on the foreign aid measure and you can be assured that proponents of the bill will redouble their efforts to reverse, or at least modify the actions taken by the Senate. It should also be noted that the bill the Senate considered last week, only set the authorization of foreign aid spending. Actual appropriations will be acted upon in another measure.

As far as I am concerned, there are other areas of our foreign aid program that bear looking into. Not the least of these is our policy of providing aid to so-called neutral nations, such as India. These nations have established a policy of "playing both hands against the middle" in our desperate fight to maintain freedom in the face of the aggressive policy of world communism. Certainly India, to whom we have given billions of dollars and a great deal of technical assistance has displayed an attitude in many instances that has been harmful to this country.

I believe that we should cut off, or at least cut back aid to these nations to let them know that Americans will not forever put up with their extending one hand in friendship to the communists, while accepting our help with the other hand.

As an overall policy, it is my belief that all of our foreign aid dollars should be used on a person-to-person basis to help underprivileged people of friendly countries help themselves to better their lot and improve their standard of living. Military aid, when it is necessary should only be given to those nations who, by their actions, have demonstrated that they support the aims and the policies of the free world. I also believe that many of the nations whom we have helped since the war, and whose economies are now strong as a result of that help, should realize their duty in assuming more of the responsibility and costs of military preparedness.

Perhaps this year, for the first time in many, your elected representatives will apply some old-fashioned common sense to our foreign aid program. Those dollars that you have deducted from your pay envelopes or business earnings are the only way that your government can finance these programs. As long as I continue to be your Senator, you can be assured that I will make every effort to get full value from our foreign aid expenditures, and all other worthwhile programs of your federal government.

EAGLES ACTIVITIES

By Arthur J. LaBonte

"A STRAIGHT ROAD TO FOLLOW IN LIFE TO ACHIEVE TRUE FRATERNALISM"

Living these days in a troubled world of strife, economic and mental confusion, it might be well to recall the guiding philosophy of Abraham Lincoln who once said "No man was ever lost on a straight road." Lincoln in his days learned by experience that there are no short cuts to happiness and success in life because it is a long, long straight road to follow and one should not deviate from it.

Those working in the Fraternal Field as well as all of us are doing this week, June 10-16, can well apply the preceding statement that the road to practice true Fraternism is sometimes a long one to follow, also but indeed it is a straight one with no Short Cuts whatsoever.

There is another angle to this straight road philosophy and that is the old axiom. A straight line is the shortest distance between two points.

All too often as we go through life we are prone to forget this fact. We are sometimes inclined to veer off on a promising looking short cut, believing that this side road or path, looks smoother but often we are deceived. When we surrender to this impulse we always find that we have made a mistake and sometimes

too late to rectify it or come back.

There is one outstanding requirement to make our way easier on the long straight road of life that is "Service to others as we've learned so well during this "Fraternal Week." It might be called "a Friendly Toll" to bridge the "Low Spots" in the road.

We must be sure that in helping others, we help ourselves two fold. First, the appreciation of the other fellow and secondly the inner feeling of satisfaction at having done a "Good Deed."

This service to others need not necessarily be of material worth. For example, to one who is faced with sickness in his family even distressed over business conditions or just plain "Low in Mind," then a kind word of encouragement may be a personal get well card, a home visit or a hearty handshake to this friend means a great deal to him. We know also that a personal cheerful greeting with a "Friendly Smile" is sometimes the greatest tonic in the world to this man or woman who needs the comfort and encouragement of a compassionate friend.

We all know also that next to laughter, there is no better emotional display more contagious than a "Smile."

Therefore all these kindly services to one of our family relatives or friends will make the long straight road of life shorter and even will help to soften some of the most rugged spots that they may encounter in their daily life.

Therefore, why not try to render that "Long Straight Road Easier," not only to us, but to all of our American fellows?

By doing this we will know

Future Astronaut

Thomas Graves, 8, of Glenview, Ill., is awed by the complex instrument compartment of a model space "laboratory." This cutaway rocket model—showing the type of spacecraft expected to carry sizeable crews of astronauts into the heavens in the next decade—is one of many scientific features in Chicago's Museum of Science and Industry's newly opened "Hall of Elements." The public display, sponsored by Union Carbide Corporation, reflects the rapidly expanding public interest in modern research.

WOMANS GOLF LEAGUE NEWS

Team 3 is holding their lead in the Women's Golf League as they won four out of five matches to give them a total of 21½ points. Team 1 with a total of 17 points moved ahead of team 2 with 12 points to second place. Team 4 is trailing with 9½ points.

Hazel Hanefeld of Somersworth, captain of team 3 turned in a 47 for low score of the evening.

The points were distributed as follows.

Team 1	
B. Munroe	2
H. Sharples	2
B. Haley	1½
A. Richard	0
G. Shea	2
TEAM 2	
I. Valliere	0
T. Albee	2

R. Carmichael	2
D. Paradise	2
TEAM 4	
C. Homiak	0
K. Malek	0
T. Carrigan	½
A. Varney	2
N. Otash	0

what "True Fraternism" really means and consequently the Fraternal Week Observance" will have "Reached its Goal."

Now, in conclusion I would like to bring out these few words we read in the Holy Scripture which I believe, is the best "Formula" for "True Fraternism."

"Do Unto Others As You Would Want Them To Do Unto You."

Shelton Softball Team Loses To Exeter; Beats Hampton Falls, 8-6

Shelton's softball team of Newmarket took it on the chin at the hands of the Exeter Independents on Wednesday, June 6th in Exeter by a score of 11-6.

Shelton's out hit the home team 11-5 but were unable to get the big hit in the clutch, as they left nine men stranded on the basepaths.

Poor fielding by Newmarket along with seven bases on balls enabled the Independents to make all their hits count and score all of their runs in the third, fourth and sixth innings.

The bright spot for Newmarket was the extended hitting streak of Dick Caswell who now has eight hits in three games and has been put out only once.

Shelton's got a poor game out of their system and are looking to start a long string of wins with their next game.

Gene Carrier, ace pitcher of the Shelton's softball team, pitched and batted his team to an 8-6 victory over Hampton Falls on June 11th at Nichols avenue field.

Gene had three hits and three rbi's and although giving up eight hits, he struck out five with four of them coming in the clutch. This was the third

Golfers Enjoy Scotch Foursome

The mens and womens Rockingham Golf Leagues enjoyed a mixed Scotch foursome and social on Sunday afternoon at the Rockingham Golf Course.

First prize was awarded to Alvina LaBranche and Val Richard. Second prize went to Loretta Belmont and Bob LaBranche; Booby prize to Alice Varney and Bob Carmichael; and the floating prize to Ed-die Malek.

Following the matches an outdoor buffet lunch was served and games including badminton, and horseshoes were enjoyed by all.

win in four starts for the local team in the Seacoast Softball League.

Hampton Falls scored two runs in the first and one in the second, but Newmarket came back with one of their own in the first, and four big runs in their half of the second to jump to a 5-3 lead. Lebbe, pitching for Hampton Falls ran into wildness in the second, walking three men and giving up two hits, his teammates also made two errors.

Shelton's scored three more runs in the fifth inning to take an 8-3 lead. Hampton Falls threw a scare into Newmarket when they scored three runs in the seventh inning but Buwky struck out to end the game with the final score of 8-6.

Y. D. DOINGS

by Bill Duffy

All the members of the Women's Shuffleboard League, who attended the banquet at the Y.D. Club on Wednesday, June 6, 1962, would like to take this opportunity to thank Big Bill Sobey and especially Mrs. Alice Marden and Mrs. Velma Nesbitt for their tireless efforts in the preparation and serving of lobster and all the other delicacies.

The banquet of the Men's Shuffleboard League, as announced through the mail by Ted Allen, Jr., will be held promptly at 1 p.m. on Sunday, June 17, 1962 at the Y.D. Club with Big Bill as host. Come early and don't forget your appetite.

At the conclusion of six spiritedly contested games last Thursday, Roy Chapman with 171 points led the male contingent, while Alice Marden showed the way for the ladies with 12.

The scores to date are as follows:

WOMEN	
E. Lapan	59
C. Drew	48
D. Duffy	41
A. Marden	41
D. Pease	40
K. Szacik	38

MENS GOLF LEAGUE NEWS

There were a lot of mighty damp golfers tramping around the Golf Course last Tuesday as League play carried on in spite of the rainy weather.

Team 3 has 45 points to keep their lead by only 2 points over team 7 with 43 points. Team 2 36 points apiece. Team 4 follows closely with 35 points; moved up to tie Team 5 with Team 6 has 28½ points; Team 1 has 27½ and Team 8 has 26 points.

Rain must agree with Capt. Pete MacDonnell of Team 5 as he parred the course with a real sharp 35.

Joe Dixx's Sport Corner

by Richard Schanda

Recently a kinda tall tale came to my attention which needed looking into.

The story was that a young fisherman had found a 9 lb. Atlantic Salmon tangled up in the rocks up at Sinclair's Rapids. Because a friend of mine had planted a few Canadian Salmon eggs in the river I almost wanted to believe this story.

To set my mind at ease I took a run up to see the boy. Well the boy claimed it was a Salmon and if I wanted to see it he would guide me to the spot where he had stashed the fish.

We found the fish alright and it was a Atlantic fish. Not a Salmon of course, but a genuine Red Rock Cod. Some-

one was given or caught this fish and tossed it off the bridge above the rapids. Needless to say we were quite disappointed.

Stripers and bottom fish except Haddock are being taken in the Bay and off-shore. Good luck has been had this spring. Cusk which are running 4-8 lbs. Clams and clam worms still the top bait for bottom fish with small feathered lures and worms nailing the line siders. No big Bass have been taken but several fishermen report big heavy strikes with only straightened out hooks to back up their claims.

Fresh water fishing remains good to excellent with Bass getting a big play up-river. Trout has dropped off locally, but up-country, low water and few fly hatches has filled most limits.

Check your fish law book for stocked ponds and lakes. Many a sport has limited up after a glance at that list.

Land locked Salmon fishing

up to Lake Winnepesaukee and Winnisquam is reported to be the best in years with plenty of limits bagged. Papers in Mass. and Maine have had full sport sections from time to time pushing N. H. Salmon fishing. It's strange that Maine and Mass. would rush N. H. fishing. I wonder why?

News from up Concord way.

A field day or open house will be held down at Adams Point which was recently purchased by the state of N. H. Watch your area papers for time and date. This would be a chance to see how your tax dollar was spent.

The annual grouse line walk by members of the fish and game department will take place shortly. This hike will try to determine the size of the spring broods and overwintering adults. The check will show up-swings or as the case may be, the downward trend.

In years past this system gives a fairly reliable forecast on fall hunting.

ANNOUNCING

The Establishment of the

LAMPREY RIVER

MARINA

We are in the process now of making available to boat owners in the area a place to keep your boat where you know it is safe, in deep water ready to go at all times and including the following services:

1. GASOLINE AND OIL
2. FRESH WATER
3. PARKING FACILITIES
4. THE RENTAL OF SLIPS BY DAY, WEEK, MONTH, OR SEASON
5. WATCHMAN SERVICE PROVIDED
6. WINTER STORAGE FACILITIES

The following are a few of the advantages of using our facilities:

1. Your boat is in deep water all times.
2. You have direct access to Great Bay, Little Bay, Piscataqua River, Portsmouth and the ocean without going under a low bridge.
3. The basin is the most protected spot in the Bay area.

Our plans include the sale of Pen Yan boats, sale of "Celebrity" class sloops, "Enterprise" sloops and other marine supplies.

We have already rented our first slips. If you have a boat and want to keep it available for instant use and take advantage of the above facilities, come and see us in the office of Gallant Mfg. Co., Main St., Newmarket or call 659-5586. We will be glad to show you where the Marina is to be located. For those who know the lay of the land, it will be in back of the mill on Main St. now occupied by Gallant Mfg. Co. and Newmarket Shoe Corp.
