WARRANT

STATE OF NEW HAMPSHIRE

Town of Newmarket

To the Inhabitants of the Town of Newmarket in the County of Rockingham in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 14th day of March, to act on the following subjects:

(POLLS WILL BE OPEN FROM 10:00 A.M. to 6:00 P.M.)

1. To choose all necessary Town Officers for the ensuing year.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year; as may be necessary for General Government including Town Officers' salaries and expenses, election and registration, town buildings, for the protection of persons and property, including the Police Department, for health and sanitation, vital statistics, general expense of the departments, for education and the public library, for charities, including the decoration of soldiers' graves, for recreation, for cemeteries, for indebtedness to other governmental divisions and to pay all other necessary charges arising within said town.

3. To see if the town will vote to authorize and em-

power the Selectmen to borrow money for necessary expenditures; in anticipation of the collection of taxes.

4. To see if the town will vote to allow a discount of two percent (2 %) on all taxes except poll and head taxes, if paid within fifteen days after receipt of bill.

5. To see if the town will vote to accept the budget as submitted by the Budget Committee.

6. To see if the town will vote to pay members of the Fire Department \$97.00 in addition to that required by law. (Recommended by the Budget Committee.)

7. To see if the town will vote to purchase a well site and gravel pit 30 acres, more or less, from Robert G. Bennett for \$12,500.00. Money to be raised by short-term notes and to be paid for by Water Works Revenue. (Recommended by the Budget Committee.)

8. To see if the town will vote to appropriate the sum of \$5,500.00 for the purchase of a new dump truck and trade in a 1962 dump truck for the highway department and to authorize and direct the trustees of the capital reserve fund of the Public Works Department to pay the sum into the general fund of the town so that the cost of this truck will not be raised by taxation. (Recommended by the Budget Committee.)

9. To see if the town will vote to raise and appropriate the sum of \$500.00 to be used by the Planning Board, to have made by the Federal Government Soil Conservation Department a detailed map and several interpretations, and part of said appropriation will be used to conduct a survey. (Recommended by the Budget Committee.)

10. To see if the town will vote to authorize the selectmen to convey to Alice J. McLemore, of Newmarket any

interest belonging to the Town of Newmarket in and to a certain parcel of land known as the "School House Lot", so-called, whereon she now resides.

Given under our hands and seals this 27th day of February, in the year of our Lord, nineteen hundred and sixty-seven.

NICHOLAS ZUK
FRANK M. SCHANDA
ROBERT L. FILION

Selectmen of Newmarket, N.H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned by posting an attested copy of the Warrant at the place of meeting within named, and a like copy at the Post Office. Being a public place in said town, on the 27th day of February, 1967.

NICHOLAS ZUK
FRANK M. SCHANDA
ROBERT L. FILION

Selectmen of Newmarket, N.H.

ANNUAL PROGRESS REPORT OF THE SELECTMEN

It is our pleasure to present this progress report to the townspeople. We also wish to take this opportunity to thank all the department heads, employees and fellow citizens of Newmarket, who through their hard work, cooperation and tolerance, have made our jobs as selectmen a very pleasant experience throughout the year.

The sewerage treatment plant and line extensions are awaiting final approval from the New Hampshire State Board of Health. We expect construction to begin in the early spring.

The Industrial Park area has progressed to a point where we now have water, an access road and a survey of the area.

Epping Road has been widened, graveled and surface coated. This was done under Town Road Aid from the State. Lang's Lane is the town road aid project to be started next year.

The proposed new office in the town hall has been completed and is now in use.

The work on South Main Street is progressing. When finally completed, it will have a complete drainage system for surface water, sidewalks on both sides of the road from the railroad bridge to the high school area and a resurfaced and widened road with curbs. This should make the area much safer for all persons using this area.

The selectmen's meetings are the first and third Tuesdays of each month. We welcome anyone who wishes to attend these meetings.

Respectfully submitted,

NICHOLAS ZUK

FRANK M. SCHANDA

ROBERT L. FILION

Board of Selectmen

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

Summary of Findings and Recommendations

January 25, 1967

Board of Selectmen
Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Newmarket for the fiscal year ended December 31, 1966, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Public Library, District Court, Trustees of Trust Fund and Special Sewer Fund Construction Account.

FINANCIAL STATEMENTS

Comparative Balance Sheets:

December 31, 1965 — December 31, 1966

(Exhibit A-1)

Comparative Balance Sheets for the fiscal years ended December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$20,608.72 in 1966.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt

Net Budget Surplus	\$ 5,588.72
Increase in Petty Cash Fund	20.00
Sewer Bonds Paid	15,000.00
	<hr/>
Net Decrease	\$20,608.72

Comparative Statements of Appropriations and Expenditures

Estimated and Actual Revenues:

(Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$3,926.26, less a revenue surplus of \$1,662.46, resulted in a net budget surplus of \$5,588.72.

Summary Statement of Receipts and Expenditures:

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1966, is indicated in Exhibit B-2.

Special Sewer Fund Construction Account: (Exhibit H)

A statement of the activity in the special sewer fund construction account during the year is included in Exhibit H.

Statement of Bonded Debt: (Exhibit I)

A statement of outstanding bonded indebtedness as of December 31, 1966, showing annual debt service requirement, is contained in Exhibit I.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$14,568.42 to \$20,177.14 in 1966, as shown herewith:

	12-31-65	12-31-66
Total Assets	\$582,505.41	\$632,130.11
Current Liabilities	567,936.99	611,952.97
Current Surplus	\$ 14,568.42	\$ 20,177.14

Note, Bond and Coupon Register:

In accordance with the provisions of R.S.A. 33:12, the Town Treasurer should adopt the use of the standard form of Note, Bond and Coupon Register, in which all note and bond issues are recorded.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Newmarket for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Frederick E. Laplante, Auditor

Hugh J. Cassidy, Auditor

ANNUAL REPORT OF THE BOARD OF WATER COMMISSIONERS

There has been no let-up in our enthusiasm or efforts to provide a new water supply; and engineering firm representatives have sat in consultation with us to advise and discuss the physical location of a well in the proven area, construction of necessary buildings, erection of a storage tank, the installation of piping and associated equipment and recommended changes in the distribution system.

The many problems, practical and technical, to be resolved in the overall project, including land procurement and acquisition of monies to complete the program require extensive research, careful consideration, delicate decision making and will legislate that we proceed with deliberation toward a satisfactory and happy solution to our water problem.

To support this program we have caused to have submitted in the Town Warrant, an article requesting the town to purchase enough land in the proven area to accommodate not only our requirements, but additional land to provide for future municipal needs.

On other fronts, we have continued to make steady progress.

A water main, adequate for the immediate future, has been installed to the Industrial Park. Completion of the piping loop should follow very shortly.

The standpipe on Great Hill has been scraped, sand blasted and painted and should survive for another ten or twelve years.

A quantity of "outside reading" water meters have been purchased and can be installed where conditions are favorable.

We wish to take this opportunity to offer our thanks for every cooperative effort made in our behalf during the year 1966.

Respectfully submitted,

Board of Water Commissioners

LIBRARY REPORT

It is with pleasure that we submit the annual library report.

This year furnace repair work was necessary. Fallen plaster in the main room was replaced and painted. Several outside light bulbs were replaced and a new timer switch installed.

Roof repairs on the south side of the building have been started and will be completed in the spring.

We are awaiting delivery of another steel book stack which will complete our stack replacement program for the present time.

The library acknowledges with grateful appreciation gifts in memoriam for Mrs. Doris Holt who served as Library Trustee for several years.

Several gifts of books and magazines have been received throughout the year from patrons of the library, a mirror was donated by a member of the Home Extension Service group, and a coat rack for use in the Tower Room was presented to the library.

Respectfully submitted,

VELMA SZACIK

ELIZABETH GOWEN

REPORT OF POLICE DEPARTMENT

Above are listed all the cases heard in court and you will notice a total of 100 cases which is 24 cases more than we had in 1965. The increase is mostly in motor vehicle violations, while we had only an increase of 4 crimes against order and decency.

In the accident department, you will notice a decrease in the total amount of accident from 92 for 1965 as compared to 75 for the year 1966. That in itself shows good cooperation on the part of the townspeople and the willingness to help.

Business buildings, doors and windows checked total 144. These buildings are checked twice a night and of that, 191 of them were found unlocked. There were a total of 95 buildings found with no lights on inside. I would like to ask the merchants to pay particular attention to see that at least one light is left on in their building during the hours that they are closed. This will serve a double purpose — to help the officer that is making the checks and it will also discourage any attempts that may be made to enter the building. If a building is found with no light that normally has one, the officer will pay particular attention while checking this building. Once again I ask the merchants to give us all the help they can in this matter.

All of us at the station hope that next years report will show a decrease in all the area's which will help to make Newmarket a better place to live.

"An ounce of prevention is worth a pound of cure." With this familiar thought in mind we would like to direct our efforts toward prevention. Prevention of property loss which is tax loss, fires are expensive because rebuilding costs are high. Fire prevention is an activity in which all can participate regardless of age.

Look around your own home for likely sources of trouble, unsafe practices. Check on such things as oil storage, oily rags, smoking in bed, fuses too large for your electrical system, defective chimneys, cluttered stairways, boxes and paper allowed to collect. Give thought to an emergency exit at your house in the event that the regular exit becomes blocked. Does your baby sitter know where the exits are? Has your baby sitter been properly instructed in getting your children quickly out of the building in case of fire? Instructed well enough to save their lives in case of fire?

If you do have a fire call the fire department immediately on the Red Line Phone: 9-3334. There is no permanent man on duty at the fire station. The first few minutes of a fire are the most important. Give the department a chance to put it out before it reaches conflagration proportions. Using

this number you are certain of immediate response. Dialing this number: 9-3334 causes the Red Line Phone to ring in five (5) locations, Chief Keller's house, Assistant Chief Philbrick's house, Caswells' Grocery Store, Cedar Haven Nursing Home, and the Fire Station. The alarm can be sounded from each of these locations.

Also in the line of prevention, there are no outside burning permits from 9:00 a.m. until 5:00 p.m. This is a state-wide ruling. In the past two years it has cut down the number of brush and grass fires. The wind is usually calmer later in the day, the heat of the day has passed, and more help is available if the fire should get out of control. You may obtain a permit by calling Chief Keller: 9-3286 or Philbricks: 9-3216. The advantage of the permit system is that you will be informed if for any reason conditions have become unfavorable for burning. This system also cuts down on unnecessary runs by the department checking smoke after the look-out spots and reports it, it makes for less confusion.

With the invention of nearly fool-proof controls to prevent false alarms we have permitted the Smith Shoe and Gallant Mfg. to connect their sprinkler system to the town fire alarm system. This gives the fire department an early warning of any fire in that building.

A new transistorized radio base-station has been purchased for the fire station. This base along the radios in the tank truck, the Seagrave pumper and the two portable walkie-talkie sets, will result in more efficient radio communication. Additional protective equipment has been bought this year so that each man is as well equipped as possible.

The fire department holds meetings the first Wednesday of each month. These meetings give the members a chance to

practice and to be familiar with the equipment, methods, and skills of fire fighting.

In the past year several members of the department attended training sessions at the Lily Pond Fire School at Gilford and the Training School at Fitzwilliam. It is expected that others will attend this coming season.

All in all, we feel that the department is making progress and is ready for most any emergency. Our department is able to handle the needs of our town and is in good up-to-date condition.

Respectfully submitted,

ROBERT S. KELLER, Chief

HERBERT J. PHILBRICK, Deputy Chief

RICHARD J. BUTLER, Deputy Chief

REPORT FROM THE PLANNING BOARD

Newmarket is approximately 5 miles long and 3 miles wide, the location and characteristics of the land will never change. The physical use we make of it may change but the land itself remains to be used and reused by future generations.

We can however, use the land with varying degrees of intensity. We can, by choice, make it yield different amounts of social and economic product.

It is therefore important to assess the various possible yields that can be attained from given tracts.

The Industrial expansion in New Hampshire in the last two years has been far greater than any other state in the United States, also the Recreational expansion has far outdistanced any other state in the Nation, with these changes our population has grown tremendously, especially in southern New Hampshire.

It therefore becomes necessary for us to question ourselves, will we eventually be affected by this explosion and what will we do about it when it happens.

This is the function of your planning board, to plan the future of your town and to try to avoid costly mistakes created by unplanned expansion or changes.

Planning entails all active use of the land in your community, planning set up properly along State and Government (Federal) guide lines is time consuming and tedious, many benefits are to be realized from planning completed in this manner, Federal and State aid being a major consideration.

Zoning should not be confused with planning, planning

should come first, Zoning should only be a by-product of a well organized plan and should come only when planning has been completed.

Your planning board intends to take the necessary steps to set up a proper plan for Newmarket, the first two steps are mentioned in the Town Warrant, your vote in favor of this article will show your support for planning.

GEORGE E. GRISWOLD
