WARRANT

STATE OF NEW HAMPSHIRE

Town of Newmarket

To the Inhabitants of the Town of Newmarket in the County of Rockingham in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said town on Tuesday, the 6th day of March, 1973, to act on the following subjects:

(POLLS WILL BE OPEN FROM 10:00 A.M. TO 6:00 P.M.)

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year; as may be necessary for General Government including Town Officers' salaries and expenses, election and registration, town buildings, for the protection of persons and property, including the Police Department, for health and sanitation, vital statistics, general expenses of the departments, for education and the public library, for charities, including decoration of soldiers' graves, for recreation, for indebtedness to other governmental divisions and to pay all other necessary charges arising within said Town.
3. To see if the Town will vote to authorize and empower the Selectmen to borrow money for necessary expenditures; in anticipation of the collection of taxes.
4. To see if the Town will vote to allow a discount of

two percent (2%) on all taxes except resident taxes, if paid within fifteen days after receipt of bill.

5. To see if the Town will vote to accept the budget as submitted by the Budget Committee.

6. To see if the Town will vote to pay members of the Fire Department One Hundred Twenty-Two Dollars (\$122.00) in addition to that required by law. (Recommended by the Budget Committee).

7. To see if the Town will vote to authorize the withdrawal from the REVENUE SHARING FUND established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

	<i>Amount</i>
Town Officers' expenses	\$ 5,000.00
Town hall and other town buildings	6,000.00
Fire Department	8,000.00
Police Department	5,000.00
Street lighting	6,000.00
Sidewalk construction	2,000.00
General expenses Public Works Department	4,000.00
Little League	4,000.00
Visiting Nurse Prgoram	1,700.00
Hot topping of street Program	16,000.00
Town dump and rubbish removal	5,000.00
Total	<hr/> \$62,700.00

(Recommended by the Budget Committee).

8. To see if the Town will vote to appropriate the sum of Three Thousand Dollars (\$3,000.00) for the design of the new public works building with provisions for housing the town's ambulance; and to authorize the withdrawal of Three

Thousand Dollars (\$3,000.00) from the Revenue Sharing Fund for this purpose. (Recommended by the Budget Committee).

9. To see if the Town will vote to appropriate the sum of Five Thousand Dollars (\$5,000.00) for the acquisition of a suitable area for a town land fill operation and to authorize the withdrawal of Five Thousand Dollars (\$5,000.00) from the Revenue Sharing Fund. (Recommended by the Budget Committee).

10. To see if the Town will vote to authorize the Selectmen to sell property of the Town acquired by Tax Collector's deed, as the result of tax sales, at public auction. (Recommended by the Budget Committee).

11. To see if the voters of the Town of Newmarket, New Hampshire, will vote to prohibit the sale of town water beyond the boundaries of Newmarket to any development of more than four (4) dwellings. (Submitted by Petition). (Submitted Without Recommendation of the Budget Committee).

12. To see whether the Town will authorize the Selectmen to purchase on behalf of the Town such lots and grave-sites as the Selectmen deem desirable and located in the Riverside Cemetery on Elm Street, said authority given the Selectmen under this Article to continue until otherwise revoked by the Town. (Recommended by the Budget Committee).

13. To see if the Town of Newmarket will vote to adopt the National Fire Protection Association's Life Safety Code 101. This code deals with life safety from fire and like emergencies. It covers construction, petroleum, and occupancy features to minimize danger to life from fire, smoke, fumes, or panic before the buildings are vacated. It specifies

the number, size and arrangement of exit facilities sufficient to permit prompt escape of occupants from buildings or structures in case of fire or other conditions dangerous to life. However, private homes are excluded. This code gives the local authority the jurisdiction.

14. To see if the Town will vote to raise and appropriate the sum of Three Hundred Fifty Dollars (\$350.00) to reimburse, in part, the Seacoast Regional Office of Child & Family Services of N.H., a private charitable organization, for services rendered to seven (7) families of the Town of Newmarket during the calendar year of 1972 who were unable to pay for said services. (Recommended by the Budget Committee).

15. To see if the voters of the Town of Newmarket will authorize the selectmen to take necessary action to get the town clock to strike the hour. (Submitted by petition). (Recommended by the Budget Committee).

16. To see if the voters of the Town of Newmarket will vote to adopt the non-partisan ballot system for town elections. (Submitted by Petition).

17. Shall the Selectmen grant a permit to erect, install and maintain in, under or over streets, highways and other public ways of the Town of Newmarket, wires, cable and other equipment related to the delivery or enhancement of television signals and other electrical impulses in accordance with the provisions of Revised Statutes Annotated 254.

18. To see if the voters of the Town of Newmarket will authorize the Tax Collector, with the approval of the Selectmen, to appoint Deputy Collectors.

19. To see if the voters of the Town of Newmarket will vote to increase the Planning Board membership from five (5) members to seven (7) members.

20. To see if the voters will authorize the Town of Newmarket to withdraw from the Federal Revenue Funds the sum of Two Thousand Dollars (\$2,000.00) for a salt and sand spreading machine. (Recommended by the Budget Committee).

21. To see if the voters of Newmarket will authorize the Newmarket Conservation Commission to obtain land suitable for conservation projects. This land may be acquired by private gifts or land to which the town has acquired a tax deed or town property that is suitable for conservation projects.

Given under our hands and seals this 19th day of February in the year of our Lord, nineteen hundred and seventy-three.

NICHOLAS ZUK
FRANK M. SCHANDA
ALLEN M. VLODICA

Selectmen of Newmarket, N.H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned by posting an attested copy of the Warrant at the place of meeting within named, and a like copy at the Post Office. Being a public place in said town, on the 19th day of February, 1973.

NICHOLAS ZUK
FRANK M. SCHANDA
ALLEN M. VLODICA

Selectmen of Newmarket, N.H.

This is a true copy, attest:

1971 TAX RATE: \$4.95/HUNDRED

1972 TAX RATE: \$4.70/HUNDRED

ANNUAL PROGRESS REPORT OF THE SELECTMEN

It is our pleasure to present the progress report to the townspeople of Newmarket. We also wish to take this opportunity to thank all of the department heads, employees and fellow citizens of Newmarket, who through their cooperation, hard work and tolerance, have made the job as Selectmen a pleasant and rewarding experience throughout the year.

The tax anticipation loans were awarded to the Indian Head National Bank, Newmarket branch.

The new police cruiser bid was awarded to Foss Motors.

The Public Works Department truck bids were won by Great Bay Motors.

The fuel and gasoline bid was won by H.R. Haines Co., Inc.

The towns hot topping program was instituted this year, Short Street, Central Street and part of Elm Street were paved.

Three new offices were constructed in the town hall, they have been assigned to the Planning Board, The Housing Authority and the Health Clinic. The present town offices were also remodeled.

The Town adopted their first Zoning Ordinances in March and ammended them in November.

The rebuilding of Gerry Avenue was started and is expected to be completed in 1973.

The Sewer Treatment Plant was formerly accepted as complete and is in full operation.

We would like to take this opportunity to encourage any interested citizens to attend our Selectmens meetings. They are held at the town office on the first and third Tuesday of each month, starting at 7:00 p.m.

Respectfully submitted,

NICHOLAS ZUK
FRANK M. SCHANDA
ALLEN M. VLODICA

REPORT
OF AN EXAMINATION AND AUDIT
OF THE ACCOUNTS

of the

Town of Newmarket

For The Fiscal Year Ended

December 31, 1972

made by

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

STATE OF NEW HAMPSHIRE
TAX COMMISSION
DIVISION OF MUNICIPAL ACCOUNTING
Concord, New Hampshire

February 21, 1973

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Newmarket, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts and records of the Town of Newmarket for the fiscal year ended December 31, 1972, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent Town records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Public Library, and Municipal Court. The accounts of the Trustees of Trust Funds, however, were not examined during the course of this audit inasmuch as these were not ready for examination. An examination of these records will be made at a later date, and a supplemental audit report of our findings concerning the financial condition of the Trust Funds will be issued.

FINANCIAL INFORMATION

General Fund:

COMPARATIVE BALANCE SHEETS - DECEMBER 31, 1971 AND DECEMBER 31, 1972: (EXHIBIT A-1)

Comparative Balance Sheets which disclose the financial condition of the General Fund as of December 31, 1971 and December 31, 1972, are presented in Exhibit A-1. As indicated therein, the Current Surplus of the Town increased by \$3,400.54 during 1972, from \$22,934.38 (revised) to \$26,334.92.

ANALYSIS OF CHANGE IN CURRENT FINANCIAL CONDITION: (EXHIBIT A-2)

An analysis of the change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increases in Current Surplus:

Net Budget Surplus (Exhibit A-4)	\$3,761.56
Tax Collector's Excess Debits (Net of Credits)	14.16
	<hr/>
	\$3,775.72

Decrease in Current Surplus:

Tax Liens Transferred To Tax Deeds	375.18
------------------------------------	--------

<i>Net Increase in Current Surplus</i>	<hr/> \$3,400.54
--	------------------

COMPARATIVE STATEMENTS OF APPROPRIATIONS AND EXPEN- DITURES - ESTIMATED AND ACTUAL REVENUES: (EXHIBITS A-3 AND A-4)

Comparative statements of general fund appropriations

and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1972, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a revenue surplus of \$11,566.91, less a net overdraft of appropriations of \$7,805.35, resulted in a net budget surplus of \$3,761.56.

Long Term Indebtedness:

COMPARATIVE BALANCE SHEETS - DECEMBER 31, 1971 AND
DECEMBER 31, 1972: (EXHIBIT A-5)

Comparative Balance Sheets which disclose the outstanding long term indebtedness of the Town as of December 31, 1971, and December 31, 1972, are contained in Exhibit A-5. As indicated therein the long term debt of the Town decreased by \$65,400.00, from \$1,216,300.00 to \$1,150,900.00, during 1972; matured Sewer Bonds in the amount of \$57,000.00, outstanding Water Works notes of \$5,100.00, and the Little League Park note of \$7,000.00 were paid. A renewal note of \$3,700.00, on account of the Little League Park, was issued during the year, without formal authority of the Town.

With respect to the issuance of this note, we direct your attention to Section 8, of the Municipal Finance Act, Chapter 33, R.S.A., which requires that the issue of bonds or long term notes by a municipal corporation shall be authorized by a vote of two-thirds of all the voters present and voting at an annual meeting.

A statement of annual debt service requirements is contained in Exhibit A-6.

TREASURER

General Fund:

SUMMARY STATEMENT OF RECEIPTS AND EXPENDITURES:
(EXHIBIT B-1)

A summary statement of general fund receipts and ex-

penditures for the fiscal year December 31, 1972, made up in accordance with the uniform classification of accounts, is presented in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1972, is indicated in Exhibit B-2.

SPECIAL SEWER CONSTRUCTION FUND: (EXHIBIT B-3)

SEWER FUND: (EXHIBIT B-4)

The activity in the Treasurer's Special Sewer Construction Fund and Sewer Fund accounts during 1972 is shown in Exhibits B-3 and B-4.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the cutsody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. Consequently, the amounts of uncollected and unredeemed taxes as indicated in this report are subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Overdraft of Appropriations and Application of Municipal Budget Law:

As disclosed in the comparative statement of appropriations and expenditures (Exhibit A-3), there was net overdraft of budgetary appropriations in the amount of \$4,261.44 during 1972, computed as follows:

Overdrafts of Town Appropriations	\$ 22,515.37
Unexpended Balance of Town Appropriations	18,253.93

Net Overdraft of Budgetary Appropriations \$ 4,261.44

This overdraft resulted in a violation of the Municipal Budget Law, the provisions of which have been adopted by the Town of Newmarket. Under this law, Chapter 32, R.S.A., the Board of Selectmen or other expending agency may not agree to pay any money or incur any liability involving the expenditure of money for any purpose for which an appropriation has not been made in the budget or in excess of the total amount appropriated by the Town in any one year.

When an unusual circumstance or circumstances arise during the year which makes it necessary to expend money in excess of an appropriation or appropriations which may result in an over expenditure (overdraft) of the total amount appropriated for all purposes, or when no appropriation has been made, the Selectmen, with the written approval of the Budget Committee, upon application to the Tax Commission may be given authority to make such expenditure or expenditures. Such application must be made prior to the making of such expenditure or expenditures; provided, however, that the Tax Commission may accept an application after an expenditure, if caused by a sudden or unexpected emergency.

With respect to excess expenditures causing the net overdraft of appropriations cited above, the Selectmen acknow-

ledged that the emergency procedures outlined hereinbefore were not complied with. It must be stated, therefore, that expenditures in excess of 1972 budgetary appropriations were not properly authorized.

The purpose of the Municipal Budget Law is to control the appropriation and expenditure of money in municipalities. When its provisions are not adhered to the law becomes ineffectual. In addition, persons violating the provisions of R.S.A. 32:10 are subject to the penalty provided in R.S.A. 32:11 and 32:13.

Capital Reserve Funds - \$62,059.50:

Inasmuch as the records of the Trustees of Trust Funds were not available for audit, we were unable to verify the amount of Capital Reserve Funds in custody of Trustees of Trust Funds at December 31, 1972. Consequently, we cannot express an opinion as to the accuracy of the above stated amount.

Conclusion:

The provisions of Chapter 71, Section 27-A, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Newmarket for their assistance during the course of the audit.

Very truly yours,

FREDERICK E. LAPLANTE,
Director

Division of Municipal Accounting
State Tax Commission

FEL:sc

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Newmarket for the fiscal year ended December 31, 1972.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Newmarket at December 31, 1972, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities. applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

FREDERICK E. LAPLANTE,

Director

Division of Municipal Accounting
State Tax Commission

ANNUAL REPORT OF WATER COMMISSIONERS

This past year has seen a limited expansion of our water distribution system. One Thousand feet (1,000') of eight inch (8") pipe has been purchased for Langs Lane, which will be laid when weather and workload permit. Two hundred feet (200') of six inch (6") pipe has been laid on Maple Street. This pipe was paid for entirely by Cheney Enterprises and the Public Works Department laid the pipe.

A new insurance program was instituted for our pumping station and equipment which greatly increases our coverage.

Great improvement in the Lamprey River water has been made. A water analysis report of July 21, 1972 by the N. H. Water & Pollution Control Commission states that at the time the water was then safe for bathing.

We wish to again remind the citizens of Newmarket that a million gallon storage tank and new sixteen inch (16") main is very imperative to a growing town and for fire protection. This will be needed within a very few years.

The Board of Water Commission meets the second Monday of every month at the Pumping Station on Packers Falls at 7:00 P. M.

Respectfully submitted,

WATER COMMISSIONERS

LIBRARY REPORT 1972

The library had a busy year with many interesting exhibits on display. The month of January found an exhibit of Gothic Novels.

In February the Day Care Center children were treated to movies shown at the library. The attendance was between 50 to 75 children. Blizzards closed the library on several days this month.

March brought an exhibit of artifacts from the Philippines with related books. A S. E. District meeting was held in Newmarket.

Mr. Carl Fike of Garrison Road installed our book return in the front door as a service to the library. This was much appreciated.

A new door knob was also put on.

Mrs. Harding attended a Reference course for 10 weeks at U.N.H.

National Book Week was held in April with an exhibit of handcarved and stuffed birds with related books.

We have received many gifts of books. The family of the Rev. Dyrall Hamson donated 31 Landmark children's books. Gift of 27 books by Dr. Morse, Bay Rd., and 25 children's books from Mrs. T. F. Onufrak.

Mrs. Harding was chosen one of 15 librarians in N.H. to attend Outreach Library Network Seminar at U.N.H. sponsored by the U.S. Government for the 3 northern N.E. states. This was held June 11-17.

We are pleased to announce that Mrs. Harding completed courses in Library Techniques after 4 years at U.N.H. and is now a Certified librarian in N.H. Our congratulations to her.

Many more books were donated in the fall. Gift of 4 books, non-fiction by Mr. Fike. *The History of Barrington* by the lady co-authors in appreciation of the assistance given them by the library.

The Church of Latter Day Saints, Mormon, presented the library with a set of 7 books covering the history of their faith.

Gift of *History of Franconia* was sent by the selectmen of that town.

A book, *Quilts and Coverlets* given by Mrs. Carrie Grey and National Geographic *Book of Wondrous World of Fish* a gift of the Newmarket Women's Club.

Travel in Mexico a gift of Mrs. Margaret Nash and the *History of Kensington, N.H.* with the *P & O Catalogue of Wagons*, the gift of Mr. & Mrs. William Whitney, Newmarket Times.

We are very thankful for the assistance from Mrs. Carrie Grey and Mrs. Charlie Dearborn for the many hours they give to the library and Mrs. Harding.

We also make mention of the cooperation from the Newmarket Police for their assistance in the recovery of overdue books.

The County Extension Group and the Women's Club purchased 2 books in memory of the ordination of the Rev. Everett Gassett. The National Geographic *Book of the*

World's Religions and *Behold That Star*, Bible stories for Christmas.

The Tower Room is used by the County Extension Group for their meeting each month. Wednesday night is used by the Card Party Group. The Historical Society uses it in the winter months.

Mrs. Harding has gone through a lot of work to compile the History of the Newmarket Library. It is very interesting to see how far we have come since its beginning sometime between 1846 and 1856 when Captain John Webster made a gift of the building to the town. Our sincere thanks to her for her interest in our town.

As you can see there are many things going on in your library and we hope everyone will take some time to stop by and show Mrs. Harding our appreciation.

Respectfully submitted,

TRUSTEES OF THE LIBRARY

JO ANN HAUSCHEL,
Chairman

PHILIP HENDRICKX,
Treasurer

LORRAINE SHELTON,
Secretary

REPORT OF THE NEWMARKET POLICE DEPARTMENT

Again, the Police Department would like to take this opportunity to extend an invitation to the residents of Newmarket, to stop by the station at your convenience and get to know the department, and the men in it a little better.

From talking to others, it is startling to hear some of the of the misconceptions that some people have relative to the Department, or police work. Stop in, it will be interesting.

As you can see from the tally sheets, it has been another very busy year. It should be noticed, that not necessarily the number of court cases have risen, but the seriousness of these cases. This is an alarming trend that is prevalent throughout the country that should cause grave concern from each and every responsible person. Remember, crime costs YOU money.

It is disturbing to hear citizens discussing very hotly every item of appropriation at budget time, but the rest of the year, while witnessng a hit and run accident, or narcotics offenses, they say nothing. It is this idea that many people have that if they do not get involved in anything, it doesn't hurt them. It's wrong. It hurts each and every one of us, in the pocketbook, and in human misery.

The Department would like to make you aware that it can be contacted ANYTIME in an emergency by calling the Rockingham County Sheriff's Department at 772-4711, and they will call us by radio if no officer is at the station at the time of your call. It is suggested that you write this number by your telephone, and make your children aware of it. It could save a life—yours.

We, in the department, would like you to know that we NEED you. Without your help and cooperation, law enforcement is an impossible task. Please keep this in mind in the coming year. It will greatly help us both out.

Respectfully submitted,

PAUL GAHAN,
Chief of Police

NEWMARKET POLICE DEPARTMENT

COURT CARDS ON FILE FOR 1972

The following are cases brought before the Newmarket Municipal Court during the year 1972:

- 1 Allowing unlicensed person to operate.
- 1 Contributing to the delinquency of a minor.

Brush	9
Car	4
Miscellaneous	2
Request For Assistance	
(Mutual Aid)	8
Dump	3
Oil Burners	1
False Alarms	3
Still Alarm	44
TV	1

Our new truck has been in operation for over a year and has proved very satisfactory. Our only concern is the close quarters we have to operate in getting in and out of the station. It is fully equipped and ready to go and we hope the citizens of Newmarket are as proud of this piece of equipment as the members of the department.

Recently the Board of Engineers has satisfactorily completed a course at the University of New Hampshire dealing with NFPA 101 Life Safety Code. An item has been put in the warrant at the request of the State Fire Marshal's Office to have the citizens of the town vote on and accept this code. The code deals with life safety from fire and like emergencies. Again this year many schools have been attended by the officers and men of the Department. This better enables us to serve the town because of the knowledge gained.

More new equipment has been purchased by the department. We have added two new monitors and have gone into a tone alert system which is transmitted over these monitors

at the time of fires. A new portable radio has been purchased which makes the department much more mobile.

We feel that in the past year the calls received for grass and brush fires have been held to a minimum due to the cooperation on the part of the townspeople in acceptance of the statewide regulations governing all outdoor burning. Remember these regulations are still in effect and that a permit must be obtained before doing any burning. Remember it must be done before 9:00 a.m. or after 5:00 p.m. The following are names and numbers to call for a permit: Warden Wilfred Beaulieu, 659-3927; Dep. Warden Richard Butler, 659-5842; Dep. Warden Robert Pratt, 659-5392; Dep. Warden Herbert Philbrick and Dep. Warden Elizabeth Philbrick, 659-3216.

Respectfully submitted,

WILFRED L. BEAULIEU,
Chief

RICHARD J. BUTLER,
Assistant Chief

ROBERT J. PRATT,
Deputy Chief

NEWMARKET CIVIL DEFENSE — 1972

The year 1972 brought several changes in the Civil Defense program. One of the most significant changes was that the name Office of Civil Defense was changed to Defense Civil Preparedness Agency, at the Federal level. What this has done is put Civil Defense into the role of coordinating local, county and state agencies — Fire, Police, Ambulance, Rescue and Engineering — to work together in the event of a natural disaster.

Here in Newmarket the Civil Defense Director is a coordinator between all departments in the event of a natural disaster. On March 24th and 25th, 1972 your director attended a Seminar on Civil Defense Administration at U.N.H. This seminar was sponsored by the New Hampshire Civil Defense Agency in conjunction with the University of New Hampshire.

1972 NEWMARKET CIVIL DEFENSE HIGHLIGHTS

1. We again participated in several warning exercises which test the Alert Telephone Warning System.
2. An Army, 6 x 6, GMC, 2½ ton Truck, was donated to us at no charge under the Federal Government's Excess Property Program.
3. Telephone warnings of severe storms during the summer months were relayed to the local director who, in turn, notified the local department heads.
4. Newmarket became eligible for the P and A Program (Personnel and Administrative) in July of 1972, in which the federal government will match our local budget, dollar for dollar.
5. The usual program papers to keep Newmarket on the active list were filled out and sent to the State Civil De-

fense Agency which in turn forwards a copy to the Regional Office of D.C.P.A. in Maynard, Massachusetts.

6. The Econoline Van at the firehouse was put into service after many hours of volunteer labor to prepare the vehicle for painting and to install the emergency equipment. Many thanks to Rockingham Gas Co. and their facilities for the paint job on this truck, which was done at no charge to the fire department.
7. A meeting held at the firehouse of all the department heads has resulted in Newmarket having combined use of the local government radio frequency by all the departments: Highway, Sewer Department, Water Department, Police and Ambulance Corps. This local frequency has been in use for some time by the Highway Department.

For 1973 we have a lot working for us to keep the Civil Defense Program here in Newmarket one of the best in the State of New Hampshire.

Having all departments working together will result in better communications between departments and help in making Newmarket a better town.

In closing, I hope that you, the citizens, realize that we have built a tremendous Civil Defense Program during the past fifteen years and without the support of those with whom I have worked this would not have been possible.

Respectfully submitted,

GEORGE HAUSCHEL,
Civil Defense Director

PLANNING BOARD REPORT

The Planning Board, consisting of five members, meets at 7:30 p.m. each second Tuesday of every month in the Town Hall. Although most of the time spent by the Board is related to subdivision of land, other functions such as developing zoning legislation and making investigations, maps, reports and recommendations relating to planning and development of the Town are also important functions of the Board.

During 1972, the Newmarket Zoning Ordinance was approved in March and amended in November. Copies of this ordinance are available in the Town Hall Office.

The Board is composed of the following members:

Mr. Ethan Pearson, Chairman
Mr. Walter McEvoy, Secretary
Mrs. Janet Hendrickx
Mr. Allen Vlodica
Mr. William LaPorte

In order to improve its ability to serve you, the Board requests your support in increasing the staff to seven members. The larger staff will permit greater effort toward long-range planning projects such as parks and greenways along Great Bay and the Lamprey and Piscassic Rivers.

The public is invited to attend all meetings and is encouraged to participate in discussion.

ANNUAL REPORT OF THE HOUSING AUTHORITY

The Housing Authority of Newmarket held twelve regular meetings and several special meetings during 1972.

A great deal of progress was made.

The U.S. Department of Housing and Urban Development granted our application for fifty (50) units of subsidized housing.

Construction began last fall and the buildings should be ready by Summer, 1973.

The Housing Authority has also applied to the Government for fifty (50) units of Leased Housing for Elderly, which is pending at this time. If and when funds are allocated by the Government for this purpose, Newmarket will be in a good position to have its application approved.

An office has been opened at the Town Hall, Monday thru Friday, 9:00 a.m. to 12:30 p.m. The telephone number is 659-5611.

The Housing Authority appreciates the cooperation and assistance it has received from the Planning Board and the Board of Selectmen.

HOUSING AUTHORITY OF NEWMARKET, N.H.

WALTER SCHULTZ,
Chairman

WILLIAM CRAFTS,
Vice-Chairman

EDWARD TOURIGNY,
Sec.-Treas.

ALBERIC LORANGER
RALPH WILLEY

OYSTER RIVER HOME HEALTH ASSOCIATION

The Oyster River Home Health Association is a Visiting Nurse Agency incorporated February 12, 1967, to serve the towns of Durham, Lee, Madbury and Newmarket. The Board of Directors consists of five residents from each of the towns; standing committees include representatives from related professional fields.

In 1971-72, great steps have been taken in the growth of your Home Health Agency. Most important among these steps was our move to our new office at 13 Newmarket Road. This is the building which houses the Durham town offices and through the generosity of the Pearson Trust of the New Hampshire Charitable Funds, Oyster River Home Health was able to secure funds to renovate a room in the new town office building. We are located on the second floor and our phone number remains the same—868-5055. The nursing staff may be reached on weekday mornings from 8:00 to 9:30 A.M. In addition, the Administrative nurse may usually be reached in the afternoons at the same number.

In addition to the regular home visits made at the request of attending physicians in the four town area, we are most proud of our Well Child Conference which is held in Newmarket on the third Monday of each month at the Fire Station. Our Conference has been used as a model for other ones set up by other Agencies in the State and we were fortunate enough to receive a grant for the year 1972-73 from the Bureau of Maternal and Child Health of the State of New Hampshire.

Clinics in which we participated this year included the Diabetic Screening Clinic in Durham and Newmarket; a Pap Smear Clinic in Newmarket run in conjunction with the Newmarket Health Center; an Audio Visual Clinic in Newmarket in November and Tine Testing done at the Lee Co-operative Nursery School.

The Agency has signed a contract with the Dover Area Family Planning Council in December. We are also involved in follow-up work in the Newmarket area for patients released from the State Hospital. UNH students in both Nursing and Occupational Therapy have affiliated with Oyster River Home Health for the purpose of observation of both our home visit techniques and also our Well Child Conference. We continue to make referrals to the Crippled Children's Clinic and the Heart program and to participate in any community activities which we feel will benefit any of the four communities which we serve.

A final feather in our cap for this year was to be chosen as one of the three Seacoast Home Health Agencies to participate in the Medicaid Screening Program. In this way we hope to reach all children who are in need of medical help and are on Medicaid.

The Association is supported by tax deductible contributions from organizations and individuals, by memorial gifts, memberships, nursing fees and funds voted by the participating towns. In addition, some grants have been made for special purposes by both the State and Federal Government for specific programs for specific periods of time. Continued support from the four towns through appropriations to be made at the 1973 Town Meetings is anticipated.

AMBULANCE CORPS REPORT

1972 Ambulance Calls

22 - Transfer Calls 59 - Emergency Calls
2 - Responded but not needed 31 - Non-emergency Calls

After the Ambulance Corps' first full year of ambulance service to the town of Newmarket, we find ourselves with fourteen members. Unlike all other town departments, the men and women of the Ambulance Corps receive no pay for their time. The Courses which they take, the meetings and practice sessions they attend and the day and evenings they are on duty, are all on volunteer time with no compensation.

During the past year the Corps has purchased a new Ferno-Washington Scoop Stretcher for patients with back injuries. A radio has been installed in the ambulance so the Corps can speak directly to the Emergency Room in any hospital, to the Rockingham County Sheriff Department or to the various Fire Departments in the vicinity. An electronic pulse monitor has also been added to the vehicle. Winter and summer jackets have been purchased for the Corps members so that they can be readily identified. The Corps members have been trained to take B. P. readings accurately. Some of the equipment in the ambulance includes: Poison Antidote Kit, Hot & Cold Packs, Extrication Collars, Obstetrical Kit, B. P. Cuff & Stethoscope and much more life saving equipment.

There is a new Ambulance Corps telephone number which has been in operation since the beginning of this year, it is 659-2022. It is hoped that anyone calling for an ambulance will use this number.

This year the Corps is hoping to purchase walkie-talkies for its members. These walkie-talkies will allow Corps members some liberty while they are on duty. The Corps has

already purchased some walkie-talkies with money they earned themselves. Since these men are strictly volunteer, we are trying not to make it a burden for them to be on duty.

The Newmarket Ambulance Corps is your Ambulance Corps. We try to serve you as fast and efficiently as possible. If you need us in the future, please remember our new telephone number, 659-2022.

Respectfully submitted,

EDWARD A. PELCZAR,
Ambulance Corps, President

CONSERVATION COMMISSION REPORT

During the past year, the Newmarket Conservation Commission initiated an on-going glass and aluminum recycling program which has received a very favorable response from our fellow townspeople. The 55 gallon drums which have been placed in front of the Food Co-op Building behind the Community Church are constantly being filled to overflowing, an indication that there is a strong interest in recycling as a possible solution to our solid waste problem and a willingness to cooperate in such a program on the part of Newmarket citizens.

The Commission is also publishing a newsletter, *Conservation Commission News*, currently being distributed to approximately 40 families. The purpose of this newsletter is to keep interested Newmarket residents informed about the activities of the Commission and the latest environmental news in the area. Pertinent articles from individuals and representatives of local groups are welcomed.

Commission members recently attended a meeting with interested parties from surrounding towns to discuss the feasibility of forming a Lamprey River Watershed Association to work for the restoration, conservation and protection of the Lamprey River. Having found much interest and common goals among those attending, the Newmarket Conservation Commission intends to take an active role in assisting with the formation of the Association.

The Commission has a great number of interests and ideas for future projects. A few examples include:

- Conducting a conservation education program, providing films, speakers and displays.
- Studying Newmarket's solid waste problem.
- Assisting in the development of a recreation area for Newmarket.

The effectiveness of the Conservation Commission depends to a large degree on interest in the town and the willingness of individuals to become involved. Do you have any ideas and suggestions? What do *you* want us, the Conservation Commission to do for you and for the town? We invite you to come and sample our meetings, held the 2nd Monday of each month at 7:30 in the Town Hall. Come and express your opinions and suggestions and join us in our activities. We need you NOW!

STRAFFORD REGIONAL PLANNING COMMISSION — ANNUAL REPORT 1972

The Strafford Regional Planning Commission, one of seventeen delineated in 1968, is established under State Statute 36:45 which says in part: "the purpose . . . shall be to enable municipalities to join . . . in regional planning commissions whose duty it shall be to prepare a coordinated plan for the development of a region, taking into account present and future needs with a view toward encouraging the most appropriate use of land, such as for agriculture, forestry, industry, commerce, housing, . . . transportation, . . . parks, . . . shorefront development, . . . public buildings, . . . and for the improvement, redevelopment, rehabilitation, or conservation of residential, business, industrial, and other areas, . . . "

The Strafford Region includes all municipalities in the Strafford County plus the towns of Nottingham and Newmarket in Rockingham County. Of this number, Dover, Durham, Lee, Madbury, Newmarket, Rollinsford, and Somersworth, together with Strafford County are official supporting members, i. e., legally entitled to share in the management and services of the Commission and to acquire certain Federal funds available only to Commission members.

During the past year the Commission has completed two major regional studies: "Solid Waste Disposal" and "Open Space". Technical and financial support has been given to recycling efforts, especially in Dover. A pilot recycling proposal from Nottingham has received Commission endorsement and the University of New Hampshire has requested Commission representation in its waste disposal research efforts.

Commission Directors have tried to keep themselves up to date on recent state and federal policies by participating in area meetings on topics such as coastal zone legislation,

environmental priorities, natural resource policies, and federal revenue sharing.

Part of the obligation of the Commission is to participate in so-called A-95 reviews which consist of monitoring federal funding. Grants in excess of five and a half million dollars going to Dover, Durham, Rollinsford and Newmarket were reviewed and supported. "Community Viewpoints", a pictorial presentation of local resources and problems, were prepared for Madbury and Rollinsford.

The Commission notes with sorrow the prolonged illness and eventual death of its executive director, Charles Noyes. They nevertheless continued to meet in regular sessions to carry on the work in progress. The office at 600 Central Avenue, Dover has now been reopened with Silas Weeks, on loan from the University of New Hampshire, serving as acting director. Plans have been completed for an aggressive program in the coming year and permanent staff will be recruited.

Financial support for the Commission is divided approximately equally between local member communities and the federal government.

The late George Bartter was an active commissioner for most of the year.

ETHAN PEARSON, *Commissioner*
Newmarket

NEWMARKET DAY CARE CENTER REPORT

SUMMARY

Summer Program

Summer brought many school children to the Day Care Center for a summer camp type program. Along with the school children, the Center continued to serve pre-schoolers. The program consisted of field trips to many local places of interest, swimming, nature study, physical education and much fun for all involved. The summer activities were climaxed by a boat trip to the Isles of Shoals and a picnic on the Island.

School Year Program

During the school year, the Day Care Center offered a pre-school program for 75 children, ages 3-6. The Center opens at 6:30 and closes at 5:15 daily. Breakfast, hot lunch and two snacks a day are served to all the children. The staff consists of 18 persons and many volunteers. Each group of children has a head teacher who is a qualified pre-school teacher.

After-school care for children up to ten years old is also offered. The teacher of this group plans activities that will meet the needs of these children after a busy day at school.

The Building

A new chimney was put on the building during the summer. The cold storage room got a much-needed new roof. The plumbing in the bathrooms and kitchen was repaired and all put in good working order. Two classrooms, the kitchen and basement halls were painted.

NEWMARKET DAY CARE CENTER

Mary Jane Wallner, *Director*
