NEW HAMPSHIRE

For The Year Ending

DECEMBER 31st, 1976

DOG ORDINANCE FOR THE TOWN OF NEWMARKET

In the year of our Lord one thousand nine hundred and seventy-seven. An Ordinance — relating to dogs.

REGULATION OF DOGS

Section I - Definition of Terms:

As used in this ordinance, unless the context shall otherwise indicate, the following terms shall be defined as hereinafter set forth.

- A. Dog shall be intended to mean both male and female.
- B. Owner shall be intended to mean any person, group, association, firm, corporation or organization maintaining, keeping, harboring, or owning a dog.
- C. Running at large shall be intended to mean off the premises, residence, or property of the owner, and not under control of a responsible individual.

Section II - Running at Large Prohibited:

It shall be unlawful to permit any dog to run at large within the town of Newmarket.

Section III - Impounding of Dogs:

Any dog found running at large without the premises, residence, or property of the owner, and within the Town of Newmarket, may be restrained and impounded by the Animal Control Officer and/or the Newmarket Police Department. Any animal so impounded may be confined in a suitable animal shelter for not more than ten days. Impounded dogs not claimed by the owner may be humanely disposed of by the Town of Newmarket.

1975 Tax Rate \$2.30/Hundred

1976 Tax Rate \$2.65/Hundred

ANNUAL PROGRESS REPORT

OF THE SELECTMEN

The Selectmen respectfully submit to the citizens of the Town of Newmarket, a summary of the projects that were undertaken during the past year and their status to date.

The Town Road Aid Program for the year was to straighten and widen the Newmarket end of Bay Road. This project was completed to the Durham town line. We wish to thank the Pitman's and the Zuk's for their willingness to allow the Town to take part of their property for this project.

The community recreation area, behind the Central School, has been 90% completed. The area will be in shape to be partially utilized this coming summer.

The Manpower Program for the Rockingham Strafford County Area again funded several persons for work in the various town departments.

The Summer Employment Program, for young people who qualified, was again successful. The young people did an excellent job on the projects that they were assigned to, while earning money that they can put to good use in the future. The Selectmen take this opportunity to congratulate all of the people who participated in this program for a job well done.

The plan to install sidewalks, surface drainage, curbs and a new surface to Packers Falls Road has been initiated. 1977 should show a definite improvement along part of this road.

Thanks to the efforts of the Police Department and the Ambulance Corps, the Town now has a new police cruiser and a new ambulance. Both of these items were purchased with the help of federal funds.

The Selectmen wish to thank all of the townspeople for their help and interest in all areas of Town endeavors during the year.

In the year 1977, the Selectmen will be meeting every other Wednesday evening at the town office at 7:00 P.M. Everyone is welcome. Our first meeting was held January 5, 1977.

Respectfully submitted,

BOARD OF SELECTMEN

Frank M. Schanda, *Chairman*

Richard F. LaBranche

ANNUAL REPORT OF THE BOARD OF WATER COMMISSIONERS

In 1976 the Water Department produced a total of 115,362,675 gallons of water. 28,956,675 gallons were processed at the Water Works. The remaining 86,406,000 gallons were pumped from Bennett's Well and were untreated. The pump at Bennett's Well operates an average of twenty hours per day and produces about 240,000 gallons daily.

Twenty-three new housing units were connected to the water system in 1976.

The 10" water main in the Recreational Park was extended 400 feet toward Great Hill Terrace. Another 400 feet remain to be installed to complete the fire loop. This is to be completed in 1977 with water department funds.

A new furnace was installed in the water works to replace the old one which had developed cracks.

Efforts to have the ban on out of town water sales repealed have been unsuccessful. The citizens of Newmarket should be informed that refusal to participate in a regional water development plan (which may mean selling water to other communities which have an inadequate supply) could make Newmarket ineligible for Federal Funds for water system improvements and expansion. In recognition of this fact, the Selectmen have directed the Board of Water Commissioners to continue their efforts to have the ban repealed. Therefore, an article will appear in the Town Warrant for this purpose. It will then be up to the voters to decide whether to remove this obstacle from the way of possible federal funds or to pay for future expansion themselves by way of increased water rates. Which ever way voters choose the need for a new water storage tank becomes more pressing each year. There are at present tentative applications for water service

for three hundred eighty six housing units. This fact together with talk of the development of an industrial park emphasizes the need for a tank of greater capacity than our existing one. The fact that our present tank is older than most of our senior citizens makes it imperative that we start construction of a new tank as soon as possible. For several years the Water Commissioners have attempted to acquaint the towns people with the precarious condition of our old tank and impress upon them the necessity for a new one. Hopefully, when the time comes to approve the purchase of a new tank, the voters will be prepared to face up to their responsibility and stand behind the Water Commissioners in their decision to go ahead with this vital project.

Below is a complete list of improvements to the water system which this Board wishes to accomplish when funds are available.

1. Proposed 1,000,000 gallon storage tank on Great Hill.
2. 3,700 feet of 16" water main connecting new tank to center of town.
3. Improvements to existing water treatment plant.
4. Proposed fire loop — 1,400 ft. of 10" main from Great Hill Terrace to South Main St. at High School. (complete except for 400 ft. to be finished in 1977 with water department funds.)
5. Proposed loop — 675 ft. of 8" main from Great Hill Terrace to end of Maple St.
6. Proposed loop — 900 ft. of 8" main from Pine St. to Elm St. at Beech St.
7. Proposed loop — 900 ft. of 8" main from Beech St. to end of Nichols Ave., Main.

ANNUAL REPORT OF THE NEWMARKET SEWER COMMISSIONERS

A preliminary survey and design of sewage and sewerage treatment facilities was completed by Wright-Pierce-Barnes and Wyman Engineers and Planners of Portsmouth during the past year.

Proposals were reviewed and will be presented to the public for their approval at the Town Meeting as warrant articles. The sewer improvements, the Sewer Commissioners feel should be made as follows:

1. Secondary Treatment Plant Improvements.
2. Sewer System Evaluation
3. Sewer System Rehabilitation
4. Bay Road Pump Station and Lamprey Relief Sewer
5. Boston & Maine Relief Sewer
6. High School Relief Sewer
7. Elm St. to Creighton St. Relief Sewer
8. Beech Street Extension

These improvements to be accomplished by the year 1980. Also the improvements will be eligible for Federal & State funding as follows:

Federal (EPA) Funding	75%
State Funding	20%
Town Funding	5%

These improvements will upgrade the old sewer system which is over 50 years old and at the same time Newmarket will be meeting the Discharge Permit Requirements of the U.S. Environmental Protection Agency.

The preliminary survey also made other recommendations which should be accomplished by the year 2000, however, the Sewer Commissioners feel that

these recommendations be reviewed in future years as conditions warrant.

Funds raised by sewer rates should cover all expenses budgeted for the coming year. Also a Capital Reserve Fund will be established for replacing major equipment if breakdowns occur.

The Sewer Commissioners meet the first Monday of the month at 7:00 p.m. at the Sewer Treatment Plant.

Respectfully submitted,

BOARD OF SEWER
COMMISSIONERS

NEWMARKET

TOWN WARRANT

AND

BUDGET

W A R R A N T
STATE OF NEW HAMPSHIRE

Town of Newmarket

To the Inhabitants of the Town of Newmarket in the County of Rockingham in said state, qualified to vote in town affairs.

You are hereby notified to meet at the town Hall in said Town on Tuesday, the 8th day of March, 1977, to act on the following subjects:

(Polls will be open from 10:00 A.M. to 6:00 P.M.)

1. To choose all necessary Town Officers for the ensuing year.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year; as may be necessary for General Government including Town Officers' salaries and expenses, election and registration, town buildings, for the protection of persons and property, including the Police Department, for health and sanitation, vital statistics, general expenses of the departments, for education and the public library, for charities, including decoration of soldiers' graves, for recreation, for indebtedness to other governmental divisions, and to pay all other necessary charges arising within said Town.
3. To see if the Town will vote to authorize and empower the selectmen to borrow money for necessary expenditures; in anticipation of the collection of taxes.

4. To see if the Town will vote to allow a discount of two percent (2%) on all taxes except resident taxes, if paid within fifteen (15) days. Deadline for allowance of discount to be printed on tax bills.
5. To see if the Town will vote to accept the budget as submitted by the Budget Committee.
6. To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the design of, and construction of a sewage disposal system and to authorize the Selectmen to borrow money in anticipation of said assistance as outlined in N.H. R.S.A. 33:7-b et seq., as amended, and pass any vote relating thereto.
7. To see if the Town will vote to raise and appropriate a sum of \$650,000.00, for the purpose of preparing plans and specifications and for construction of sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and will qualify the Town for federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$650,000.00 (which is the State and Local share of project funding) under and in compliance with the provisions of the Municipal Finance Act (N.H. R.S.A. 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of

the Town of Newmarket and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251 et seq.) and pass any vote relating thereto.

(Recommended by Budget Committee)

8. To see if the voters of Newmarket will authorize the Town to raise a sum not to exceed one hundred sixty thousand dollars (\$160,000.00) by issuance of bonds or notes to be paid back over a ten (10) year period from water department revenue for the purpose of constructing a seven hundred fifty thousand (750,000) gallon water storage tank.

(Recommended by Budget Committee)

9. To see if the Town will vote to adopt the provisions of R.S.A. 252 (supp.), with relation to sidewalks and sewers.

10. To see if the voters of Newmarket will authorize the Water Department to withdraw twelve thousand dollars (\$12,000.00) from the capital reserve fund to be applied to the construction of a new seven hundred fifty thousand (750,000) gallon water storage tank.

(Recommended by Budget Committee)

11. To see if the Town of Newmarket will vote to rescind Warrant Article II passed at the Town Meeting March 6, 1973, prohibiting the sale of town water beyond the boundaries of Newmarket.
12. Do you approve of having two sessions for the annual Town Meeting in this town, the first session for choice of town officers elected by an

official ballot and other action required to be inserted on said official ballot and the second session, on a date set by the Selectmen for transaction of other business?

13. To see if the Town will vote to raise and appropriate the sum of \$635.00 to reimburse, in part, Rockingham Child and Family Services a private, non-profit organization, for services rendered to 28 families of the Town of Newmarket during the 1976 calendar year. These families used 91 number of units of service with a resulting deficit of \$7 per unit. We therefore request \$635.00 to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing counseling for residents of the Town of Newmarket whether or not said residents are able to pay.

(Submitted by petition.)

(Not Recommended by Budget Committee)

14. To see if the Town of Newmarket will vote to purchase a new dump truck at a cost of \$12,000.00 with a trade-in. The money to be withdrawn from the Public Works Capital Reserve Fund.

(Recommended by Budget Committee)

15. To see if the Town of Newmarket will authorize the Selectmen to purchase two containers for recycling at a cost of \$1,200.00. The money for the two containers is from income received for recycling and salvage.

(Recommended by Budget Committee)

16. To see if the Town of Newmarket will vote to establish a Capital Reserve Fund for major equipment replacement for the Sewer Department.

17. To see if the voters of the Town of Newmarket will vote to appropriate the sum of One Thousand Dollars (\$1,000.00) as Newmarket's share of operating the Area Homemaker-Home Health Aide Service.

(Recommended by Budget Committee)

18. To see if the Town of Newmarket will authorize the Selectmen to purchase buoys to be used on the Lamprey River at a cost not to exceed \$820.00

(Not Recommended by Budget Committee)

19. To see if the Town will authorize the Newmarket Industrial Commission and/or the Selectmen to borrow up to \$75,000.00 to be used for surveys, plot plans etc., in connection with the development of an industrial park, said funds to be repaid from the proceeds of the sale of lots in said park.

(Recommended by Budget Committee)

20. To see if the Town will authorize the withdrawal of \$25,000.00 from the Capital Projects Fund to purchase the John Ham property on New Road to be used as part of the Newmarket Industrial Park.

(Recommended by Budget Committee)

21. To see if it is the sense of the voters of Newmarket to support the people of Seabrook, as expressed by their March 2, 1976 vote in the town election, not to allow a nuclear power plant in Seabrook, and further, that such facilities be located in towns or cities that have expressed a desire for them.

(Submitted by petition.)

22. Whereas the Town of Durham, in cooperation with the University of New Hampshire in response to an expressed interest of the Selectmen of its neigh-

boring towns in a joint Solid Waste Disposal Program, has proposed a feasibility study estimated to cost \$20,000.00 for the construction of Incineration facilities in Durham to accommodate a limited regional Solid Waste Disposal Program. The feasibility study to be initiated following approval at the March 1977 Town Meetings, with a report to be completed with recommendations for further action to be presented to the participating towns at their 1978 Town Meetings.

To fully cooperate with the Town of Durham and the University of New Hampshire be it resolved that the Town will vote to authorize the Selectmen to cooperate with the Town of Durham in its Regional Incineration Feasibility Study and to raise and appropriate the sum of \$5,121.16 as its share of the cost of the study.

(Recommended by Budget Committee)

23. To see if the voters of the Town of Newmarket will establish a capital reserve fund for the replacement of equipment in the Police Department.
24. To see if the Town will vote to rescind Articles #8 and #9 voted at the 1973 Town Meeting and to authorize the said \$8,000.00 of Revenue Sharing Funds to be used for the New Village Surface Drainage and Sidewalk project.

(Recommended by Budget Committee)

25. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund, for use as set-offs, against budgeted appropriations for the following priority purposes and in the amounts as indicated, or take any other action hereon:

Hot Topping and drainage ...	\$12,000.00
Old Age Assistance	10,000.00
Street Lighting	10,000.00
Police Department	5,000.00
General Expenses of the Highway	5,000.00
	<hr/>
	\$42,000.00

(Recommended by Budget Committee)

26. Are you in favor of the adoption of Amendment No. 1 to the existing town zoning ordinance as proposed by the Planning Board?
(Amend Article XII concerning the building inspector and building permits.)
27. Are you in favor of the adoption of Amendment No. 2 to the existing town zoning ordinance as proposed by the Planning Board?
(Add Article XIV - Regulations for Mining Operations.)
28. To see if the Town is in favor of having an adequate and reliable supply of electric energy available to its' residents in the future.
29. To see if the voters of the Town of Newmarket will vote to appropriate the sum of three thousand dollars (\$3,000.00) for the services rendered to residents of this town by the Seacoast Regional Counseling Center.

(Recommended by Budget Committee)

Given under our Hands and Seals this 21st day of
February, 1977.

FRANK M. SCHANDA, *Chairman*
RICHARD F. LaBRANCHE
RONALD C. BIRD

Selectmen of Newmarket

We hereby certify that we gave notice to the Inhabitants within named, to meet at the time and place and for the purpose within mentioned by posting an attested copy of the Warrant at the place of meeting within named, and a like copy at the Post Office, being a public place in said town, on the 21st day of February, 1977.

FRANK M. SCHANDA, *Chairman*
RICHARD F. LaBRANCHE
RONALD C. BIRD

Selectmen of Newmarket

AUDITOR'S OPINION

We have examined and audited the accounts and records of the Town of Newmarket, New Hampshire for the fiscal year ended December 31, 1976.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In accordance with the practices followed by the Town of Newmarket, there is no record of the fixed assets or capital contributions in the Water and Sewer Departments (Enterprise Funds). Because of the material effect of the omission of fixed assets and realted depreciation on the financial position, we do not express an opinion on the financial statements of the Enterprise Funds as of December 31, 1976.

In our opinion, subject to the qualifications in the preceding paragraph covering the Enterprise Funds, the accompanying balance sheets and statements of sources of revenue and expenditures present fairly the financial position of the Town of Newmarket, New Hampshire at December 31, 1976 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a consistent basis.

Respectfully submitted,

PLODZIK and SANDERSON

February 8, 1977

LETTER OF TRANSMITTAL

Board of Selectmen
Town of Newmarket
Newmarket, New Hampshire 03857

Gentlemen:

We have examined the books and records of the Town of Newmarket, New Hampshire for the fiscal year ended December 31, 1976 and have prepared the attached exhibits and schedules in conformity with the recommended format prescribed by the Municipal Services Division of the State of New Hampshire. Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Ambulance Corps, Public Library, Municipal Court, and Trustees of Trust Funds.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheet: (Exhibit A-1)

A comparative balance sheet disclosing the financial condition of the general fund as of December 31, 1975 and December 31, 1976 is presented in Exhibit A-1. As indicated therein, the current surplus of the Town increased by \$29,554 in 1976, from \$11,311 at December 31, 1975 to \$40,865 at December 31, 1976.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the change in current financial condition of the Town is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenue: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenue for the fiscal year ended December 31, 1976, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$50,423, less a net overdraft of appropriations of \$20,581, resulted in a net budget surplus of \$29,842.

Capital Projects Fund:

Comparative Balance Sheet: (Exhibit A-5)

A comparative balance sheet disclosing the reserves and fund balance of the capital projects fund as of December 31, 1975 and December 31, 1976 is presented in Exhibit A-5. As indicated therein, the reserve for amortization of sewer debt amounted to \$123,155 and the fund balance \$20,833 as of December 31, 1976.

Long-Term Indebtedness:

Comparative Balance Sheet: (Exhibit A-6)

A comparative balance sheet disclosing the long-term indebtedness of the Town as of December 31, 1975 and December 31, 1976, is included in Exhibit A-6. As stated therein, the long-term debt of the Town decreased by \$57,000 in 1976, from \$968,000 at December 31, 1975 to \$911,000 at December 31, 1976. New notes of \$15,000 were issued and notes and bonds in the amount of \$72,000 were retired in 1976.

Statement of Debt Service Requirements: (Exhibit A-7)

A statement showing annual debt service requirements of principal and interest is contained in Exhibit A-7.

Enterprise Funds:

Sewer and Water Departments:

Comparative Balance Sheets: (Exhibit A-8 and A-10)

Comparative balance sheets of the sewer and water departments as of December 31, 1975 and December 31, 1976 are presented in Exhibits A-8 and A-10. Cash statements of receipts and expenditures of the sewer and water departments are contained in Exhibits A-9 and A-11. As noted in our auditor's opinion, there are no fixed asset or contributions in aid of construction accounts maintained on a current basis for these funds. Therefore, we do not express an opinion on the financial statements of the Enterprise Funds as of December 31, 1976.

OTHER FUNDS AND OFFICIALS' ACCOUNTS

The accompanying supplemental exhibits covering segregated funds and the accounts of those officials entrusted with the custody, receipt or expenditure of Town funds, are presented in accordance with the current requirements of the Municipal Services Division of the State of New Hampshire. Although not considered necessary for a fair presentation of the financial statements and results of operations, our examination of these accounts included the same tests and auditing procedures applied in the examination of the aforementioned financial statements. In our opinion, these exhibits are stated fairly in all material respects when considered in conjunction with the financial statements taken as a whole.

COMMENTS AND RECOMMENDATIONS

Overdraft of Appropriations and Application of Municipal Budget Law:

There was a net overdraft of budgetary appropriations in 1976 of \$12,030. In accordance with the provis-

ions of the Municipal Budget Law (R.S.A. 32:10), application was made to the Commissioner of Revenue Administration by the Board of Selectmen, with the approval of the Budget Committee, to exceed budgetary appropriations in the amount of \$10,000. A certificate of emergency authorizing excess expenditures in the amount of \$9,000 was received by the Selectmen in a letter from the Commissioner of Revenue Administration dated December 22, 1976. However, the Town remained in violation of the Municipal Budget Law by exceeding authorized expenditures by \$3,030 (\$12,030 - \$9,000).

In addition to our certified examination and audit procedures, we have previously recommended certain bookkeeping and internal control procedures. All accounting and finance methods of the Town of Newmarket constitute the system of internal control for the safeguarding of the assets of the Town.

We again recommend that the Town consider the implementation of a mechanical accounting system that would perform multiple accounting functions in a single operation, thereby eliminating duplicate record keeping and facilitate monthly and year-end reporting.

We extend our thanks to the officials and the office staff of the Town of Newmarket for their assistance during the course of the audit.

Very truly yours,

PLODZIK AND SANDERSON

NOTES TO FINANCIAL STATEMENTS

Summary of Significant Accounting Policies:

Funds:

Under governmental accounting, self-balancing financial statements are prepared for each fund. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts: recording cash and other resources together with all related liabilities, obligations, reserves, and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations or limitations. Please refer to the exhibits enumerated in the table of contents for the funds included in this report.

Accounting Method:

The Town of Newmarket maintains its financial records using budgetary and single entry cash basis accounting. The financial statements have been prepared under the modified accrual method of accounting as applied to governmental entities of this type.

General Fixed Assets:

The Town does not maintain a record of fixed assets. Accordingly, a report of this type fund was not included within the scope of this audit.

Motor Vehicle Permit Fees:

The present system inaugurated by the State of New Hampshire in issuing motor vehicle permits to the Town Clerks creates an audit problem due to the fact that the permits are preprinted and are not issued by the Clerk and subsequently recorded in the cash book in numerical order.

Although our examination of the records included such tests as we considered necessary to express an opinion on the financial statements, it is not practical to account for 100% of the motor vehicle permits issued to the Clerk by the State of New Hampshire.

Enterprise Funds:

Sewer and Water Departments:

Controlling accounts for both the sewer and water billings should be established so that accurate accounting for all sewer and water rents billed can be determined. This would mean that subsidiary accounts totaling the amount billed for any period would have to be reconciled so that the sum total of collections, abatements and uncollected would equal the amount billed for that period. This has not been done and therefore our examination was limited to checking the list of names of uncollected rents to the individual subsidiary accounts. Therefore we express no opinion as to the fairness of the exhibits relating to the sewer and water departments.

The water department books are usually posted and brought up to date after the annual audit. Inventories are maintained, however, we did not physically test check the inventory to comply with generally accepted auditing standards and so therefore do not express an opinion on the financial statements of the water department.

REPORT OF LIBRARY TRUSTEES

The continuing efforts to improve the appearance of the Library and to increase pride in one of our finest public buildings, by judicious administration of Library funds, is always the main concern of the Trustees of the Newmarket Library. We take great pride in the work accomplished in the past several years and will continue to do the same in the future.

After much time and persistence, we were finally able to locate someone who could make the type of sign we wanted to be erected outdoors. Supplied with a design, Mr. Chiarito of Wood Artistry consented to make the sign. Made of pine wood, with letters and numbers carved into the wood itself, and stained a natural color, the sign is in keeping with the period and style of the building and visible to anyone traveling through our town. The new sign was set in place on August 24, 1976.

Stevens painters trimmed the outside of the windows and doors in a beige color in harmony with the brick of the building. This offers protection to the exterior surfaces, as well as enhancing the appearance of the building, and we thank them for a job well done.

Our Mini-Park suffered the effects of last winter. Several tree shrubs were damaged because of heavy snows. The ever-increasing cost of books and fuel continue to plague us, but the budget is held very tight.

The Library, along with the other public buildings in Newmarket, flew its Bi-Centennial flag during the year. Window buntings were also up all year.

A Memorial Fund was set up in the name of Carrie

Gray, a former assistant to our Librarian and herself a retired Librarian, who passed away this year. Many needed books were purchased with the funds.

The Home Department of the Women's Club Card Group, in appreciation of the many years of using the Tower Room, purchased a 16 mm. movie projector for the Library. Films are available from the State, and this is a useful and welcome addition to our Library, and one that can be enjoyed by all members of our community in viewing the films.

Events held at the Library during the past year included District Meetings held here and hosted by Mrs. Harding.

The Tower Room was used by the Historical Society for their winter meetings.

Drama classes were held for seven weeks, February through April.

A large collection of French books was received from the Baillargeon family.

The Tower Room was used by individuals during campaign time in July and August.

Girl Scout Troop #598 held a Bi-Centennial Exhibit at the Library.

Mrs. Harding attended Librarians' meetings at Concord, Raymond, Londonderry, Portsmouth, Exeter, and Bedford during the year, as well as a Memorial Service for Carrie Gray held at the Chapel in the Pines in Rindge, N.H.

Ice and snow storms forced closing of the Library on December 20th and 29th.

We wish to thank all connected with the Library for
their time and devotion this year.

Respectfully submitted,

TRUSTEES OF THE LIBRARY

JoAnne Hauschel, *Chairman*

Lorainne Shelton, *Secretary*

Robert Sewall, *Treasurer*

REPORT OF THE NEWMARKET POLICE DEPARTMENT

As you read through the list of police activities for the year 1976 try to visualize what each number means.

It is so impersonal to say on a certain date the Police Department answered seven complaints. What is not said is that these "complaints" may have had a lifelong impact on a person, or a family, or the officer himself.

It is so easy to look at the number of accidents that have been handled by the Police Department and not even think about the heartache, anger, financial loss, inconvenience that is represented by a simple number.

Maybe, if we all would think to put human feeling in the place of these numbers, we would be more aware of how much our Police Department is involved in the daily community life.

We should be aware that a policeman does not work his eight hour day and then go home and forget. A policeman cannot forget the ugly sight of a horribly injured person in an auto accident, nor can he block out the screams of a grief stricken mother who has lost her child, nor can he forget the nagging fear that he has for his family or himself when he has been told by a criminal that his house will be bombed, or he or a member of his family will be hurt in retribution for duty that a policeman has done.

We should be aware of the times a policeman has to cancel a dinner date because a citizen wants to talk to him at his home, because he doesn't like to be seen going to the police station or doesn't want anyone seeing a policeman at his home.

We should be aware of the obscene, harassing, and threatening telephone calls a policeman receives at his home.

We should be aware of the responsibilities of the police officer, other than one might commonly associate with police work, such as teaching classes about the Police Department and its functions so any young citizens will have a better understanding, and, hopefully, a better relationship with the police.

Attending meetings — Selectmen, Planning Board, School Board, Citizen Groups, Budget hearings, military — all have a role in a policeman's life.

Let us not forget the time that a policeman gives of himself for charity, blood programs, raising money for worthy causes, the list is endless.

No, a policeman does not leave his badge at the time clock when he "gets done" his work day. Indeed, sometimes his work day has just begun.

Maybe if more of us would just be aware of what a policeman really does we would not be so quick to form a negative opinion, or say a cutting remark. A policeman, too, is a member of the community, shares in its problems, its accomplishments, and its pride.

We of the Police Department are proud of Newmarket.

Respectfully submitted,

PAUL GAHAN,
Chief of Police

NEWMARKET POLICE DEPARTMENT
LOG ENTRIES MADE IN 1976

705 Citizens complaints answered (not including dog complaints nor subcategories listed below)

- 19 Burglaries
 - 8 Attempted burglaries
- 21 Prowler complaints answered
- 84 Larcenies (thefts)
- 67 Reports of malicious damage to property (vandalism)

- 6 Juvenile Cases
- 24 Dog Violations

357 MOTOR VEHICLE CASES

- 77 CRIMINAL CASES
- 6 JUVENILE CASES
- 24 DOG VIOLATIONS

464 TOTAL COURT CASES

ANNUAL REPORT OF THE FIRE DEPARTMENT

We the Board of Engineers would like to report to you the taxpayers of the Town of Newmarket.

This year more new equipment has been purchased. 600 feet of 2½" hose was purchased. We plan to replace hose that we have had since 1940. This will take about six years to do.

Two scott slings were purchased and a new Ajax tool cutting unit (for extrication at accidents) which gives us a unit on both Engine I and Engine II. Outdated and worn out equipment has been replaced to keep our department up to date.

Remodeling was done to our station this year. A new 29 foot by 10 foot single door was installed replacing the three single doors we had. This makes it much easier to get our trucks in and out of the station.

A new 35 foot by 12 foot addition to the rear of the station gives us much more working room especially in the cold winter months.

Our fire alarm lines were extended on Packers Falls Road and North Main Street. Two new street boxes have been added: #57 on Packers Falls Road and #67 on North Main Street. We plan on extending our lines on Exeter Road approximately 5,000 feet from its present end at Great Bay Motors.

A new master box was installed at St. Mary's School. This box is tied into smoke and heat detectors within the building for better protection of our children and property. This is also tied into the town fire alarm system.

We would like to thank the men of the Newmarket Fire Department who did most of the work last year on our fire alarm system at no cost to the Town.

Training requirements have been met again this year at many schools throughout the State.

A word to the wise from the Engineers of the Fire Department. Smoke detectors, properly installed and a plan for escape in case of fire should be on your minds in case of emergency. If smoke detectors can be afforded, they are one of the best means of early warning.

A reminder that a written permit must be obtained before having any outdoor fires. This does not pertain to a charcoal fire above the ground.

Under no conditions shall a fire be kindled at the dump without a written permit from the local Warden of the State District Fire Warden.

Remember that all fires shall be before 9:00 a.m. or after 5:00 p.m. No fires shall be kindled between 9:00 a.m and 5:00 p.m.

The following are the numbers to call for permits:

W. Beaulieu, <i>Warden</i>	659-3927
B. Beaulieu, <i>Deputy Warden</i>	659-3927
R. Butler	659-5842
R. Pratt	659-5392
H. Philbrick	659-3216
E. Philbrick	659-3216

We would like to express our thanks to all members

of our Fire Department for their cooperation and a job well done.

Respectfully submitted,

BOARD OF ENGINEERS
NEWMARKET FIRE DEPARTMENT

Wilfred L. Beaulieu, *Chief*
Richard Butler, *Assistant Chief*
Robert Pratt, *Deputy Chief*

REPORT OF THE NEWMARKET CIVIL DEFENSE

Your Newmarket Civil Defense has the following to report for the year 1976.

All departments in your town which are responsible for town service are all part of the local Civil Defense Program. These local departments as mentioned in other reports are all on the local radio frequency. Use your phone in case of emergency of any type to call the department you need to assist you.

Fire 659-3334

Police 659-3451 or 772-4716

Ambulance 659-2022

The above numbers are also connected at the fire house so in case of emergency a dispatcher there can connect you with the proper department requested.

The dispatcher will be at the fire house only during emergencies such as: power failures, fire, wind storm damages, tornado, hurricanes and any other related emergency that might arise.

All necessary papers have been sent to the State Headquarters in Concord so that we are active in the State and Federal Programs.

In December of 1976 George E. Moses, Deputy Director of Civil Defense of New Hampshire retired. George was with the State Agency some 28 years. George will be long remembered for his accomplishments in working with towns and cities on a local level to coordinate needs of these communities with the State Agency.

Even though there is no National War Involvement, we must always be prepared to meet any national emergency on a local level. Please help support your local Civil Defense.

Respectfully submitted,

GEORGE HAUSCHEL, *Director*
ALBERT CASWELL, *Deputy Dir.*

ANNUAL REPORT OF THE HOUSING AUTHORITY

1976 saw several changes within the Housing Authority. During the months of January and February the Authority was without an Executive Director. The position was filled in March by Mr. John W. Craven who came to us from San Diego, California and remained in that position until mid-October when he resigned to accept a position in San Diego. The Authority was again without an Executive Director until Ms. Pamela L. Wakefield accepted the position and joined the staff on December 13, 1976.

Our new Section 8 Program was implemented in October with Mrs. Edith Beaudet as the Section 8 Coordinator. This new program will give us twenty subsidized, leased units for our elderly citizens.

Great Hill Terrace has been consistently filled and we maintain a waiting list for both elderly and family units. Several units were painted this year and new storm windows have been installed in each unit. Spiraling electric and heating costs have made it difficult to keep within the utility budget.

It is hoped that any elderly or families desiring low or moderate income housing will visit the office at Great Hill Terrace to discuss their needs with the office staff. The office is open Monday, Tuesday, Thursday and Friday from 9:00 A.M. to 4:30 P.M. It is closed all day Wednesday. Telephone: 659-5444.

The Housing Authority staff and maintenance crew make every effort to give our tenants comfortable,

adequate and attractive housing and will make every effort to continue to do so.

Respectfully submitted,

EDWARD TOURIGNY

Chairman

CLIFFORD ABBOTT

Vice Chairman

Housing Authority of the Town
of Newmarket, New Hampshire

ANNUAL REPORT OF THE BUILDING INSPECTOR

The following information is calculated from figures as submitted on Applications for Building Permits and is in no way intended to represent the present market value of property.

In 1976 the total construction cost in Newmarket increased 14% over 1975; however, this is 27% below the construction cost of 1973.

It's interesting to note, although 70 new homes were constructed in the last four years, no apartment buildings were constructed since 1973.

Because of the increasing demand for apartments, homeowners are converting spare rooms and obsolete buildings into living units. Converting buildings can be good business; it supplements the demand for additional living units and increases revenue for the property owner.

In 1973 a total of \$759,016 was spent for 33 new homes at an average cost of \$23,000 per home. In 1976 \$404,250 was spent for 17 homes at an average cost of \$23,779 per home; this is a 49% decline in new home construction since 1973.

For some hopeful reason we keep referring to the year 1973; the 'good old days', when gasoline was plentiful and inexpensive, compact cars were selling for \$2,000, and building material was priced within everyone's budget.

High unemployment, inflation and unstable economic conditions has changed all that. We no longer can apply past formulas in calculating present condi-

tions. We must be realistic, the days of buying 3 gallons of gas for \$1.00 are gone forever. Labor and material cost have increased considerably, and it's almost certain prices will continue to rise in the future.

The Washington Administration reports an improving economy and predicts increased growth in '77. This is encouraging news for the unemployed, but for the prospective homeowner it's the impossible dream.

If Newmarket is to reflect the growth and economy of this country, it clearly indicates we are still very 'deep in the woods', and no matter what direction we take, it will be a long time before we see daylight.

REPORT OF THE NEWMARKET AMBULANCE CORP

The year 1976 was both demanding and rewarding for the Newmarket Ambulance Corp handling 189 calls for a total of 212 patients cared for. This was a rise from the previous years.

We have a good mutual aid relationship with Durham and this year we responded for 42 mutual aid calls between Durham, Newfields and Lee. Of the 189 calls a total of 139 were in the category of emergencies which ranged from heart attacks and drug overdoses to Electrocution. Twenty-seven other calls were for basic transportation from hospital to home or Nursing home facilities locally. The remaining 23 calls were for traffic related emergencies. The 1966 ambulance is being used for transfer non-emergency calls leaving the 1976 ambulance for emergency calls.

In October ambulance members and Town Officials saw a dream come true as we received the keys to a new 1976 Classic Modulance Vehicle. The vehicle came fully equipped and after minor work and education into the whereabouts of various items by members it was certified by the state for service. Because of the cost of the vehicle being slightly more than anticipated the Ambulance Corp. donated \$1,362.17 out of savings toward the purchase. This account comes from individual donations. The Newmarket Polish Z. N.P Group #675 and the Polish Women's Circle donated \$500 each this year.

Due to the size of the new ambulance it is now housed at the H. R. Haines garage on Gerry Ave. Much work by the Corps members went into studding and insulating the garage which by state law must be kept at 55°. The cost of \$700 was paid for by the Corp funds.

In addition to our purchases many donations of supplies and labor were given by various people. Edward Tourigny, Richard Gallant, St. Mary's Church, Roland Rousseau, Raymond Merrill & many others donated their time, labor and materials. The Ambulance Corp would once again like to say "THANK YOU".

We are pleased to have the Explorers designate "The Newmarket Ambulance Corp" as their future project. These young people are training to be future ambulance attendants going on call after the age of 16, and after having passed an 81 hour E.M.T. course becoming Licensed Ambulance attendants.

Thanks goes to Edward Tourigny and David Moore for their leadership with the Explorers.

In closing we invite any town resident to come and tour the ambulance and garage. Our meeting nights are the first Monday and third Wednesday at 6:30 p.m. We are in need of new members and any one interested can contact any member or Roy E. Kent, President or Tom Stilwell, Vice President. The telephone number for the ambulance is 659-2022.

Respectfully submitted,

CORP

CONSERVATION COMMISSION REPORT

The Newmarket Conservation Commission continued with the planting project that was outlined three years ago. The areas around the Town Hall and the town line sign were landscaped and shade trees were planted in several areas.

Funds allocated for educational purposes were used to send two high school students to a conservation camp sponsored by the Society for the Protection of New Hampshire Forests for one week in June. Commission members, after hearing a report from the campers, felt that this was a valuable learning experience and would like to continue to sponsor two students each year to this camp.

REPORT OF THE NEWMARKET RECYCLING COMMITTEE

Your dump permit allows you to use the Newmarket dump during normal hours of operation. As you may know, the state has outlawed open burning. Cities and towns must now bury, incinerate, or recycle their solid waste. In Newmarket we have devised a combination program which involves a landfill and recycling operation. We hope that you will help save money for the town by participating in this program.

Landfilling is expensive. Heavy equipment must be purchased or rented, and someone must be paid to bury the solid waste. The cost is usually figured by the ton. If a town can decrease its volume of solid waste, it can save money. Newmarket, through its recycling program, is doing just that.

Every Thursday the town picks up paper of all kinds: Newspaper, cardboard, containers — ALL KINDS! This should be left wherever solid waste is left on the regular pick-up day. Paper bags or cardboard boxes can be used to collect recyclables.

At the dump there are large bins used to collect glass and cans. These articles make up the heaviest portion of our garbage. We ask that you separate glass according to its color: Clear, brown, or green. Presently, the town does not pick up glass and cans, but, in addition to the bins at the dump, there is a collection center for recyclables on the old Dump Road, near the New Village area.

Paper and glass are weighed and then sold to a local recycling firm. The total income from sales for 1976 was \$3,305.60. You'll also save money by using fewer plastic bags. Sure, recycling involves a little effort; but it's worth it!

NEWMARKET RECYCLING
COMMITTEE

REPORT OF THE RECREATION AND PARKS DEPARTMENT

The Newmarket Recreation and Parks Department has enjoyed a very successful first year of full operation. Our recreation and park maintenance objectives have progressed for the year as planned, and sometimes beyond expectations.

We hope that the programs and services which the Recreation and Parks Department have provided during this year has reached a majority of the people within the community. We believe that recreation and leisure time activities should be a part of everyone's lifestyle. But, we can only provide and organize the activities. In order to have a successful recreation program, we need you, the members of the community, to participate in and enjoy the activities we plan. According to our attendance reports, there has been a strong showing of participants who have been taking advantage of our programs and services. Our hopes and goals for 1977 should include a higher attendance of participants, more varied activities and programs, more use and a new diversity of facilities, and a never-ending cooperation from the community.

Many thanks to the volunteers who worked very hard to support the Recreation and Parks Department. Without them, the programs which we offered would have been impossible. Because of the volunteers we were able to offer more activities, and keep the cost of recreation at a minimum. We do hope that volunteer participation in the recreation programs will continue in 1977.

PROGRAMMING — The Newmarket Recreation Department began its ten-week summer program on

June 21. Throughout the summer, utilizing the talents of leaders and volunteers within the community, a successful and diverse program of cultural events, special activities, and team sports was offered for the youth of Newmarket. Mike Provost directed the cast and crew of the Lamprey Village Players in two popular plays: "See How They Run" and "Youth! Spring! Love! and the United Nations." Peggy Salisbury assisted Mike with the arts and crafts program which included a town-wide arts and crafts show and a puppet show at the end of the summer. Among the daily schedule of activities for the young people of Newmarket in grades 1-12, were included some special activities of the following nature: an archery Silver Arrow Competition, instructed by Mike Provost; bike hikes, led by Leslie Fialk, a field-work student from UNH; Historical Society tours, conducted by Mike; free tennis lessons for the youth and adults, given by Sam Bishop, the Recreation Supervisor; treasure hunts and cookouts and hikes, led by Mike and Leslie.

The Recreation Department was very pleased with the enthusiasm generated by the summer's Special Events. Six trips were offered during the summer which included visits to: Benson's Animal Farm, Wallis Sands Beach, Fenway Park, Salisbury Beach, Canobie Lake Park and a Fenway Park trip for the Senior Citizens. A very special event was the Bicentennial Junior Olympics, from which thirty-three boys and girls representing Newmarket, traveled to the annual state meet in Laconia. Eight individual places, including one state record, propped Newmarket to a respectable fifth place in the final standings. An extremely popular Pet Show, organized and run by Mike, Peggy and Leslie, enticed forty people and a wide range of pets (pigs, horses, chickens and, oddly enough, dogs!) to the Little League Park for a fun time.

The summer team sports consisted of two Bay League

Soccer teams, for girls and boys aged 14 and under and for those 12 and under; and a Seacoast Softball League team for girls aged 13-15. Chris Desjardins worked with the kids in the soccer program and is to whom much of the team's skills, fun, and success can be attributed. Leslie Fialk coached the girls' softball squad. Their season was capped with a two-day tournament, hosted by Newmarket, for four of the regional teams.

During the fall, the Recreation Department continued to offer some of the special aspects of the program so as to complement the activities brought about by the school. Mike Provost directed another successful and entertaining production of the Lamprey Village Players in three one-act plays: "Tooth or Shave", "The Old Lady Shows Her Medals" and "The Bathroom Door". More drama productions are scheduled to be staged throughout the coming year. The soccer program continued when volunteer Craig Stirling offered to coach two Seacoast Soccer League teams, consisting of third and fourth graders and fifth and sixth graders. The Senior Citizens traveled to the state-wide Octoberfest at Lake Sunapee and had a grand time. And the Recreation Department, along with the support and exceptional assistance provided by the Woman's Club of Newmarket, organized a Ski and Skate Sale in which \$86 was raised and donated by the Woman's Club for use in the purchase of new playground equipment for the new park.

With the onset of the winter season, three different programs were added to the Recreation Department for the community. An adult tennis club, in cooperation with the Great Bay Tennis Center, was formed in December, and now with about thirty-five enthusiasts involved, the club can enjoy playing tennis each week throughout the year. Craig Stirling again offered his services as a coach for the newly formed Seacoast Recreation Basketball League team from Newmarket

for high school boys under the sponsorship of George Hauschel's Re-Run Equipment. The team competes in a league consisting of eight other participants and will play through March. Lastly, a Newmarket Karate Club was formed for kids in grades 3-8. Beginning lessons in Vechi-Ryu Karate are taught by instructor John Sanborn.

PARK MANAGEMENT & SERVICES — The Recreation & Parks Department has made a great effort to improve and service the town parks.

Great steps were taken this past spring and summer to improve the Little League Park. Fences and dugouts were painted, the infield was shaped and smoothed out, fertilizing, raking, seeding, and mowing was done, and the development of an archery range and horseshoe pits was accomplished. The condition of the park has drastically improved, and is today a very pleasant place to visit and to participate in recreation activities.

At the School Recreation Park, work has been done by the department to clear an area for a family picnic area. This will be available for use in the summer of 1977 for large groups and family picnics. Five picnic tables have been constructed to accommodate the new picnic area. Grills may be installed in the future, but for now, participants will have to provide their own grills.

The ice skating rink on the corner of Elm and Cedar Streets is flooded again for the second year. This lighted ice area should provide ample space for those who wish to free skate and play hockey. On the coldest of days you may see recreation personnel flooding the rink.

Nichols Avenue Field, a school facility, has been maintained by the Recreation & Parks Department this past year. Erection and breakdown of soccer and field hockey nets, lining of fields, mowing, painting of

the backstop, and general maintenance procedures have helped school and recreation activities for the past year. Improvements for the Nichols Avenue Field are planned for the near future.

It has been our objective, for our first year, to improve the quality of the playing surfaces, and make our parks a pleasurable place to visit.

Park services have been provided to a variety of groups in town. The high school's field hockey, girls softball, baseball, and soccer teams have enjoyed the pleasure of having their playing facilities cared for, prepared and readied for all games and practices. In addition, Little League Baseball, Girls Little League, Men's Softball, Pony League, and Men's Soccer have enjoyed the same services. As long as excellent cooperation with the above groups continues, the same services will be provided during 1977.

SCHOOL RECREATION PARK — The original phase of the recreation park has neared completion. Only some minor complications and work on the building needs to be cleared up. But, overall the park project seems to be in good shape.

The architect and construction personnel have foreseen early summer as a prospective date for the use of the facility. But, realistically it will probably be a wait-and-see situation. Hopefully the park will be ready for summer recreation programs and leagues, and for school teams in the fall. Additions to the original phase of construction will continue as time and the needs of the community progress.

Respectfully submitted,

JAMES A. ST. ONGE
Recreation and Parks Director

SAMUEL K. BISHOP
Recreation and Parks Supervisor

REPORT OF THE HEALTH OFFICER

Each year the budget includes an appropriation for the Health Officer. What does the health officer do? Where does the money go?

Generally, the Health Officer enforces Public Health laws and regulations. These for the most part are outlined in the New Hampshire Statutes. The Board of Selectmen, however, constitute the local board of health and the Health Officer is the executive officer and secretary of this local board.

Almost 100% of the Health Officer duties are concerned with the abatement of nuisances. The term nuisance as described in the state laws is; anything, condition or practice which can be deemed adverse to the public health or generally offensive to the sense of smell.

In 1976 approximately 75 complaints were investigated consisting of:

1. Non existant or inadequate heat in the home or apartment.
2. Lack of sufficient hot water to wash or bathe.
3. Contaminated drinking water from private source.
4. Overloaded or inadequate/improper septic system.
5. Decomposing animals within housing areas.
6. Food poisoning from retail food establishments.
7. Garbage or other matter deposited on public street.
8. Discharge of toilet into public water stream.
9. Inadequate rubbish receptacles.

Although only a partial list, it should provide some insight as to what a health officer does. As for the appropriation of \$250.00 per year, after considering auto expense, telephone, administrative time spent, etc., I believe I came close to compensation of 50¢ an hour.

We should be proud of our town and it's appearance, if you see something that bothers you and you think something should be done about it, call the Health Officer. Maybe something *is* being done about it.

Respectfully submitted,
RICHARD F. LaBRANCHE

STRAFFORD REGIONAL PLANNING COMMISSION REPORT

The Strafford Regional Planning Commission is an organization of nine communities in the Strafford Region which includes all of the county plus Newmarket and Nottingham. This area covers about 450 square miles and over 80,000 people. These nine towns have joined together to 1) mutually solve regional problems such as growth and development and solid waste management, 2) receive direct local assistance for municipal needs, and 3) receive federal and state grants to carry out these services. The commission is now in its 8th year. Since 1968 the commission has grown from three to nine members and the staff has grown from two to four full-time people. There are also part-time members paid through such programs as Student Work-Study, WIN and CETA.

The commission's programs fall into four major categories: (1) review of applications and permits, (2) regional programs, (3) local assistance projects, and (4) information and education.

Review of Applications and Permits

One of the requirements of receiving federal grants is that the commission evaluates proposals for projects within the Strafford Region which involve federal funds. Proposals for waste treatment systems mandated by EPA are an example. Review of the Local Public Works applications is another.

Regional Programs

The commission works with its member towns to solve common problems through mutual cooperation. The various regional programs undertaken by the commission provide valuable information and guidelines for making decisions on both the local and regional level.

Assistance to Newmarket

- Assisted the planning board in evaluating a proposed sewer system.
- Met with planning board several times to set priorities for assistance.
- Provided information on Capital Improvement Budgeting.

THE OYSTER RIVER HOME HEALTH ASSOCIATION

The Oyster River Home Health Association, incorporated in 1967, is the Visiting Nurse Association serving the towns of Durham, Lee, Madbury, and Newmarket. The Agency is staffed by an administrative nurse, one full time nurse, three part time nurses, a physical therapist and a part time book-keeper-secretary. Its governing Board of twenty directors is made up of five members from each of the four towns. Standing committees of the Board include qualified representatives from related professional fields.

Patients are referred to the ORHHA by physicians, hospitals, families, and other agencies. A 1976 contract with the Exeter VNA Discharge Planner facilitates referrals from the Exeter Hospital. Similar programs are being worked out with other area hospitals. The working day is 8:00 a.m. to 4:00 p.m. Requests for visits or medical questions are best phoned in before 9:30 a.m.

In addition to skilled nursing service and therapy visits to patients in their homes, the ORHHA has contracts to continue these programs: Maternal and Child Health, Aftercare, Communicable Disease Control, Family Planning and Dental Screening.

Under the Maternal and Child Health Program, the Child Health Conference, held the third Monday of each month at the Newmarket Fire Station, serves the pre-school children of the four towns who meet certain eligibility requirements. Dr. JoAnna Munger of the Exeter Clinic is the pediatrician for the Conference. She is assisted by Mrs. Judy Hallisey, Pediatric Nurse Practitioner who provides additional follow-up for those children and mothers needing this service. The Mater-

nal and Child Health contract also provides that the ORHHA nurses make a free visit to each new baby in the four town area.

The Dental Screening Program is held twice a year for all children between the ages of three and six who are enrolled in the Child Health Conference Clinic. Children who are in need of additional dental work are referred to local dentists.

The State Public Health Department Bureau of Communicable Disease Control refers T.B. patients to the ORHHA for follow-up. Most of these visits are monthly visits. Tine testing is also done in households where T.B. may be present.

The Aftercare Program involves visiting patients referred to the ORHHA after they have been discharged from the State Hospital. It also involves regular conferences with specialists in reviewing cases. Although this year funds for this program have been diverted elsewhere, the ORHHA continues to service all referred patients.

Under the Dover Pre-Natal and Family Planning Contract expectant mothers in the Durham, Lee, Madbury area are referred to the ORHHA for pre-natal assistance as well as postpartum and new born visits.

In addition to the above contractual services, the ORHHA this year held a four-in-one screening clinic for glaucoma, diabetes, oral cancer, and high blood pressure. Some 400+ residents of the four towns were tested. Results of the testing were sent to the State Public Health Department for analysis. Follow-up was done by the State and ORHHA nurses.

The ORHHA nurses also provide assistance to the Newmarket Day Care Center and the Little People's

Day Care Center in Durham as well as assistance with the Newmarket and Oyster River Pre-School Hearing and Vision Testing programs, the Oyster River School Health Fair and other community services. They also participate with the State Public Health nurse and local school nurses when assistance is needed in the public schools, i.e. for the screening and follow-up of head lice.

With the assistance of more than a hundred volunteers and at the request of the State Department of Public Health, which supplied the injector teams, the Swine Flu Innoculation Program was administered by the ORHHA at two locations — Durham and Newmarket — for residents of the four towns during the latter part of October. ORHHA nurses also assisted at the Swine Flu Clinic for first graders in the public schools in December. More than 2,000 individuals received the vaccine.

Nurses and staff of the ORHHA maintain their professional competence through In-service Education conferences and meetings designed to make the Association better able to serve the four communities.

Financial support for the Oyster River Home Health Association comes from tax deductible contributions of individuals and organizations, memorial gifts, memberships, nursing fees, and funds voted by the four towns. In addition, grants are received from the State and Federal governments for specific programs for defined periods of time. Continued support from the four towns at the 1977 Town Meeting is anticipated.

Nursing Staff

Administrative Nurse: Mrs. Linda Gill, RN
Full Time Nurse: Mrs. Janet Guernsey, RN
Part Time Nurses: Mrs. Suzann Griffith, RN
 Mrs. Brenda Jackson, RN
 Mrs. Karen Mullaney, RN
Physical Therapist: Mrs. Lillian Charron, RPT
Bookkeeper-Secretary ...

Executive Committee

President: William L. Prince
Vice-President: Mrs. Roy E. Kent
Secretary: Mrs. Frederick E. Drew, Jr.
Treasurer: Dr. Everett B. Sackett
Member-at-Large: Mrs. Eleanore D. Evans

Statistics July 1, 1975 - June 30, 1976

<i>Town</i>	<i>Disease Control Visits</i>	<i>Disease Intervention Visits</i>	<i>Disease Prevention Visits</i>	<i>Physical Therapist Visits</i>	<i>Totals</i>	<i>% of Total Visits Actually Made</i>	<i>Pts. Not Found</i>
Durham	622	40	40	244	946	34.5	30
Lee	150	38	25	107	320	11.6	16
Madbury	41	10	11	7	69	2.6	1
Newmarket	<u>818</u>	<u>110</u>	<u>104</u>	<u>374</u>	<u>1,406</u>	<u>51.3</u>	<u>67</u>
	1,631	198	180	732	2,741	100.0	114

The above totals of 2,009 skilled nursing visits and 732 physical therapy visits covered patients ranging from birth to over 90 years of age. Seventy per cent of all visits are to patients over 65. A total of 6,318 ³/₄ working hours were spent by the nurses and physical therapist on the job. Of this time 79.5% was spent visiting patients, recording charts, and conferences and phone calls with physicians regarding these patients; the remaining 20.5% was devoted to clinics, community projects, staff development and in-service education.

Complete statistics on all patients are kept by the ORHHA as a requirement of the State of New Hamp-

shire. They are submitted bi-annually to the State which then compiles an annual master report from all visiting nurse agencies throughout New Hampshire.

Financial Statement

<i>Income</i>	<i>Actual 74-75</i>	<i>Actual 75-76</i>	<i>Budget 76-77</i>
Patient Services	\$18,041.55	\$22,558.10	\$23,266.00
Town Grants	7,550.00	6,125.00	10,120.00
Federal, State and Other Grants	3,896.00	4,750.00	3,357.00
Donations and Memberships	2,225.10	1,577.00	5,732.00
Interest & Miscellaneous	788.38	785.89	800.00
	<hr/>	<hr/>	
	\$32,501.03	\$35,795.99	\$43,275.00
<i>Expenditures</i>	<i>Actual 74-75</i>	<i>Actual 75-76</i>	<i>Budget 76-77</i>
Salaries	\$24,751.28	\$32,962.99	\$35,000.00
FICA Taxes	1,447.57	1,916.00	2,050.00
Travel (Mileage)	1,403.02	1,709.69	1,750.00
Legal and Accounting	75.00	100.00	250.00
Insurance	311.11	484.66	1,500.00
Operating Expense	2,163.91	2,844.61	2,675.00
Miscellaneous	—	21.90	50.00
	<hr/>	<hr/>	
	\$30,151.89	\$40,039.85	\$43,275.00

The operating loss for 1975-76 resulted from nursing visit costs being higher than nursing visit charges plus a decrease in State and Federal funds. As of now anticipated income 1976-77 is expected to maintain a balanced budget.

NEWMARKET BICENTENNIAL COMMITTEE

The 250 Anniversary Committee would like to
notify all residents of the community
that the Town of Newmarket will be
holding its 250th Anniversary Celebration from
Friday August 19, 1977
thru
Sunday, August 28, 1977

Sincerely yours,

L. FORBES GETCHELL
Chairman
250th Anniv. Comm.

REPORT OF THE NEWMARKET DAY CARE CENTER

SEPTEMBER 1975 - AUGUST 1976

We opened in September 1975 with a total enrollment of 50 children, with 34 of these being Newmarket residents. The over-all number serviced for the year is 63. Turnover here at the Newmarket Center is extremely low.

The county allocated \$7,500.00 in matching funds for another year of title XX monies.

The town of Newmarket allocated \$1,000.00 for basic support, and the money was used accordingly.

Ms. Marcy Anderson resigned and was replaced by Ms. Nancy Richardson.

Many changes have taken place, we now provide a qualified kindergarten pre-school program working closely with the first grade teachers here in Newmarket, preparing children for the fall entrance into public school.

All children are in developmental groups, ratios being 1 staff to every 5 children effective February 1976.

The side-walk fair this year was chaired by Mr. Robert Carroll and a great job was done.

As the year has gone by we have made many efforts to work closely with other agencies so that total services can be available for families through our referral program.

The new building will be located off Rte. 108 on the Durham-Newmarket line and will be hopefully ready for occupancy June 1, 1977.

Family Day Care is being planned so that those with infants and toddlers can also be employed and proper care is being given.

This is now the ninth year of the Newmarket Day Care Center, many fine changes have taken place and the Newmarket citizens are to be thanked for their fine assistance and cooperation in the continuance of this vital human service.

Respectfully submitted,

NANCY A. RICHARDSON
Executive Director

NEWMARKET HEALTH CENTER

The Newmarket Health Center provides a Medical Out-Patient Clinic, free Preventive Screening Clinics, Outreach Services by Community Health Workers, a Senior Citizen Transportation Service to health facilities and social services and a free Information and Referral Service.

The staff includes a physician who is the Center's Medical Director and who oversees and upgrades all medical protocols, a Physician's Associate, a Registered Nurse, Community Health Workers, van drivers and administrative and clerical personnel.

In 1976 there were 2,489 visits to the Medical Clinic by Newmarket residents; and the Center answered 1,089 queries from Newmarket with information and referrals; and the Senior Citizen Transportation Service provided 1,853 rides to the elderly of Newmarket. Of the total visits to the Medical Clinic in 1976 approximately 53% were by Newmarket residents, and overall, about 5,400 contacts were made by Newmarket people with the Health Center. The Health Center is pleased to have served the people of Newmarket in these ways.

In 1976 approximately 25,000 people in the Seacoast Area were served by the Health Center's various services. Funding for these services is derived by a combination of patient fees, private donations and local funds which can be matched on a 3-to-1 basis by state and federal monies.

Current plans of the Health Center include providing Parenting Workshops, individual counseling services on an appointment basis, the expansion of the Information and Referral Service to encompass the

entire Seacoast Area, a continuing effort to improve the Center's medical services, and expansion of the Senior Citizen Transportation Service.

The Health Center is dedicated to providing care for the "whole person," meeting his social and medical needs in a "caring atmosphere."

Respectfully submitted,

ROBERT G. PECK

Executive Director

Newmarket Health Center, Inc.

(Continued from inside front cover)

Section IV - Claiming Impounded Dogs:

Any owner or individual claiming a dog impounded by the Animal Control Officer and/or the Newmarket Police Department shall pay the Town of Newmarket a fee of ten dollars (\$10.00) plus, in addition, one dollar (\$1.00) for each day the dog has been impounded, plus, in addition, a three (\$3.00) dollar service charge for each day the dog is impounded.

Section V - License and Registration Required:

All dogs kept, harbored, or maintained by their owners in the Town of Newmarket, shall be licensed and registered as specified in the Revised Statutes Annotated of the State of New Hampshire, Chapter 466 as Amended.

Section VI - Restraint of Dogs:

Dogs, while confined to the owners or keepers premises, shall be maintained and kept in a humane manner having a maximum freedom of movement about the premises.

Section VII - Enforcement:

The enforcement of this ordinance shall be the responsibility of the Animal Control Officer and/or the Police Department of the Town of Newmarket. The Animal Control Officer and/or the Newmarket Police Department may, at their discretion, issue complaints alleging violation of this ordinance.

Section VIII - Penalties:

Any owner or individual in violation of this ordinance shall be guilty of a violation, and, upon conviction, therefore, shall be punished by a fine of fifteen dollars (\$15.00) for the first offense and by a fine of thirty-five dollars (\$35.00) for each subsequent offense.

Section IX - Conflicition with State Statutes:

This ordinance is intended to include not only those State Statutes specifically referred to by the title number, but also those made a part of the law and they are hereby included under this section by reference.
