

Annual Reports

OF THE TOWN OF

NEWMARKET

NEW HAMPSHIRE

For The Year Ending December 31st, 1986

NEWMARKET SCHOOL DISTRICT

For The Year

July 1st, 1986 to June 30th, 1987

NOTICE TO THE PROPERTY OWNERS

Every spring you receive an inventory to be filled out and **returned to the Selectmen by April 15th**. These inventories are mailed prior to March 25th.

The 1977 General Court passed RSA 74:7A making it mandatory that the inventory be filled out and returned by April 15th each year. In 1981, the legislative body passed a law, RSA 74:4A, stating that by vote of the Board of Selectmen, they may elect to do away with the filing of the inventories annually. The Newmarket Board of Selectmen elected to continue having the inventories filed annually and therefore in order to get the exemption (elderly and/or veterans), **you must file**.

The penalty for failure to comply shall be one percent (1%) of the property tax bill. In no case will the penalty be less than ten dollars (\$10.00) or more than fifty dollars (\$50.00).

The penalty will be added to the current year's tax bill and becomes part of the tax.

PLEASE NOTE: These forms are very important and must be completely filled out and signed in the proper places, otherwise, you will be liable for the penalty.

Also, it is very important for you to get a receipt for the Inventory.

Signed,
BOARD OF SELECTMEN

Jo Anne L. Hauschel, *Chairman*

Ronald C. Bird

Richard F. LaBranche

— Dedication —

JOHN B. CARPENTER

The 1987 Town Report is dedicated to John B. Carpenter, a lifelong resident, businessman and volunteer member to various boards and commissions.

Over the years John has served unselfishly as a volunteer firefighter, member of the Newmarket Water Board, Trustee of the Community Church and for the last 19 years as a Trustee of the Town Trust Funds.

During these many years John has successfully owned and operated a retail plant and floral business and a wholesaler of geranium and other holiday plants.

In grateful appreciation for John's dedication, expertise and guidance, we honor him and express our sincerest gratitude on behalf of the entire community for a job well done.

Sincerely,

Jo Anne Hauschel
Richard C. Bird
Richard F. LaBranche

1986 TAX RATE 25.75 PER THOUSAND

1987 TAX RATE 30.44 PER THOUSAND

PROGRESS REPORT OF THE SELECTMEN 1987

1987—The eventful year!

The weather got us off to a less than favorable start. Heavy winter snowfall with flooding conditions in the Spring season gave us all a few anxious moments. Our essential services responded professionally and superbly to the task. Civil Defense, Ambulance Corps, Dispatch Center, Police, Public Works and Fire Departments all took the lead in maintaining control for the benefit of our safety and comfort.

1987 was the year of firsts. We of course were hurt by the devastating Town Hall fire in September but once again, thanks to all our volunteers and full time municipal employees, along with a host of accommodating folks, such as Saint Mary's Parish Council, the Newmarket School Board and our Town Office crew, the operating public services performed virtually uninterrupted. We can take special pride in the personal dedication our town office staff displayed in getting set up in temporary quarters under less than acceptable conditions.

In the interim, a Town Office Task Force has been appointed, charged with exploring all options for our immediate and future municipal housing needs.

The Task Force is busy at this writing, preparing to formulate some interesting possibilities which, we are confident, will lead to some solid option(s) for your consideration some time this spring or early summer.

Another first for us arrived in December, when we beamed the host community for the officers, crew and families of the U.S.S. Bluefish (SSN 675) a fast attack nuclear-powered submarine in dry dock at the Portsmouth Naval Shipyard for a major overhaul. We join together with you in extending a hearty welcome to the Bluefish crew and their families and invite them to share in Newmarket hospitality.

We have also fallen victim to an increase in lawsuits that, for the most part, can be attributed to the rapid growth the town has experienced in recent years.

We commend the Planning Board for the hard work and sincere effort in putting the Growth Control Ordinance proposal together for voter consideration, a laborious task for certain.

There will be three (3) major programs placed before you this year for consideration. We will of course be explaining each in detail at

Town Meeting. Unfortunately, each has a significant dollar value attached to it, but we would be remiss in our obligation if we did not present them to await your decision.

First is a plan to reconstruct three (3) roadways in addition to the New Village Project.

Second is the next step in the hazardous waste clean-up at the town landfill.

Third, and separate from the hazardous waste issue, is the State-mandated capping of the dump side of the landfill.

In closing, the Board of Selectmen recognize there are tough decisions to be made and important issues to address, but we feel confident that with your continued patient understanding and valued support, all will eventually level out to our collective benefit. We remain optimistic with unified purpose as our goal.

Newmarket is, after all is said and done, a great place to live and raise our families.

We remain proud to serve.

JoAnne L. Hauschel
Ronald C. Bird
Richard F. LaBranche

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Newmarket
Newmarket, New Hampshire

We have examined the general purpose financial statements of the Town of Newmarket as of and for the year ended December 31, 1987, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Town of Newmarket at December 31, 1987, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements and schedule listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Newmarket. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

February 10, 1988

TOWN OF NEWMARKET

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1987

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are the Federal Revenue Sharing, Public Library, Community Development Payback, Waterfront Improvement Project, Water, Sewer, Town Hall Fire, Land Acquisition, Community Development Feasibility Grant, Community Development Fish and Game, and Town Hall Memorial Funds.

Capital Projects Funds - Transactions related to resources obtained and used for the acquisition, construction, or improvement of capital facilities are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds and from Federal and State grants.

FIDUCIARY FUNDS

Trust and Agency Funds - Trust and Agency Funds are used to account for the assets held in trust or as an agent for others by the Town. The Nonexpendable and Expendable Trust Funds (which include Capital Reserve Funds) and Developers Performance Bond Funds are shown in this fund type.

TOWN OF NEWMARKET

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1987

B. Account Groups (Fixed Assets and Long-Term Liabilities)

All governmental funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the Town does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-Term Debt Account Group. This account group is not a fund. It is concerned only with the measurement of financial position and not results of operations. Since they do not affect net current assets, such long-term liabilities are not recognized as governmental fund type liabilities. They are instead reported as liabilities in the General Long-Term Debt Account Group.

C. Basis of Accounting

The accounts of the General, Special Revenue, Capital Projects, Expendable Trust, and Agency Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the State or, in the case of judgments and claims against the Town, when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. Exceptions to this general rule include: 1) accumulated unpaid vacation and sick pay, and 2) principal and interest on general long-term debt which is recognized when due. All Nonexpendable Trust Funds are accounted for using the accrual basis of accounting.

TOWN OF NEWMARKET

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1987

D. Budgetary Accounting

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. State Statutes require balanced budgets but provide for the use of beginning general fund unreserved fund balance to achieve that end. In 1987, the beginning fund balance was applied as follows:

Unreserved Fund Balance	
Used To Reduce Tax Rate	\$102,000
Beginning Fund Balance -	
Reserved For Encumbrances	<u>9,372</u>
Total Use of Beginning Fund Balance	<u>\$111,372</u>

E. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at December 31, 1987 and are carried forward to supplement appropriations of the subsequent year.

The General Fund reserve for encumbrances at December 31, 1987 is detailed in Exhibit A-2 and totals \$27,647.

The Special Revenue and Capital Projects Funds are detailed as follows:

Reserved For Incomplete Contracts

Special Revenue Funds

Sewer Fund	\$20,007
Water Fund	<u>1,832</u>
	<u>\$21,839</u>

Capital Projects Funds

Sewer Construction Project	<u>\$ 1,350</u>
----------------------------	-----------------

F. Cash and Investments

At year end, the carrying amount of the Town's deposits was \$2,524,927 and the bank balance was \$2,611,239. Of the bank balance, \$898,985 was covered by Federal depository insurance and \$1,712,254 was uninsured.

TOWN OF NEWMARKET

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1987

State Statutes authorize the Town to invest excess funds in the custody of the Treasurer, in obligations of the United States Government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire, or in certificates of deposit of banks incorporated under the laws of the State of New Hampshire, or in national banks located within this State or the State of Massachusetts. These financial statements report investments in certificates of deposit and savings bank deposits under the caption Cash and Equivalents.

The Town is further authorized to invest Trust Funds in obligations of political subdivisions and stocks and bonds, as they are legal for investment by New Hampshire savings banks. Capital Reserve Funds must be kept separate and not intermingled with Trust Funds. Capital Reserve Funds may be invested only in savings bank deposits of New Hampshire banks, or in United States or State of New Hampshire bonds or notes.

Investments in all instances are stated at cost or, in the case of donated investments, at market value at the time of bequest or receipt. Investments at year end are as follows:

	<u>Carrying Amount</u>
<u>On Deposit With Charter Trust Company</u>	
Corporate Stocks	\$ 68,560
Corporate Bonds	7,045
U.S. Treasury Bills	77,040
Other Investments	<u>86,819</u>
<u>Total</u>	<u>\$239,464</u>

G. Accumulated Unpaid Vacation and Sick Pay

Accumulated unpaid vacation and sick pay is not accrued in the governmental funds using the modified accrual basis of accounting. Employees may accumulate 12 days sick leave per year at a rate of 1 day per month, with a maximum accumulation of 90 days. Vacation is granted in varying amounts based on length of service. Vacation pay accumulation does not exceed a normal year's allowance. Accumulated sick leave is indeterminable.

H. Inventories

Inventory in the General and Special Revenue Funds consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased. The water department inventory is stated at lower of cost or market, with cost determined by the first-in, first-out method.

TOWN OF NEWMARKET

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1987

I. Taxes Collected For Others

The property taxes collected by the Town include taxes levied for the Newmarket School District and Rockingham County which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

J. Property Taxes

The National Council on Governmental Accounting, Interpretation 3, referring to property tax revenue recognition, requires disclosure if property taxes receivable, which are to be collected beyond a period of 60 days subsequent to year's end, are recognized on the balance sheet and not reserved. In accordance with the practice followed by other municipal entities in the State of New Hampshire, the Town of Newmarket annually recognizes, without reserve, all taxes receivable at the end of the fiscal year. The Town feels this practice of accrual is justified, as it more appropriately matches the liability to the school district entity at December 31 with collections which are intended to finance these payments through June 30 of the following year.

Annually, the Town establishes and raises through taxation an amount for abatements and refunds of property and resident taxes, known as overlay. All abatements and refunds are charged to this account. The amount raised in 1987 was \$75,633 and expenditures amounted to \$97,384.

As prescribed by law, the tax collector sells at tax sale all uncollected property taxes in the following year after taxes are due. The purchaser at tax sale has a priority tax lien on these properties and accrues interest at 18% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the two-year redemption period, the property is tax-deeded to the lien holder.

K. Interfund Transactions

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental and fiduciary fund financial statements reflect such transactions as transfers.

L. Interfund Receivable and Payable Balances

Individual fund interfund receivable and payable balances at December 31, 1987 were as follows:

TOWN OF NEWMARKET

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1987

<u>Fund</u>	<u>Interfund Receivables</u>	<u>Interfund Payables</u>
General Fund	\$ 45,118	\$ 8,761
Special Revenue Fund	4,761	
Capital Projects Fund		17,629
Trust and Agency Funds	<u>67,000</u>	<u>14,066</u>
<u>Subtotals</u>	116,879	40,456
<u>Add</u>		
Payments recorded in Water and Sewer Departments at December 31, 1987 but not recognized by General Fund and Trust and Agency Funds until January 1988		<u>76,423</u>
<u>Totals</u>	<u>\$116,879</u>	<u>\$116,879</u>

NOTE 2 - CHANGES IN LONG-TERM DEBT

The following is a summary of long-term debt transactions of the Town for the fiscal year ended December 31, 1987.

	<u>General Obligation Debt</u>
Long-Term Debt Payable January 1, 1987	\$1,033,700
Long-Term Debt Retired	<u>130,500</u>
Long-Term Debt Payable December 31, 1987	<u>\$ 903,200</u>

Long-term debt payable at December 31, 1987 is comprised of the following individual issues:

General Obligation Debt

\$852,000 1969 Sewer Bonds due in annual installments of \$45,000 through February 1, 1983 and \$50,000 through February 1, 1989; interest at 4.75%	\$100,000
\$41,000 1983 Library Note Due in annual installments of \$8,200 through April 28, 1988; interest at 7.65%	8,200

TOWN OF NEWMARKET

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1987

\$800,000 1985 Sewer Construction Bonds due in annual installments of \$40,000 through February 15, 2005; interest at variable rates from 8.80 to 9.00% (this issue is being serviced - principal and interest - by the Sewer Department Fund)	720,000
\$95,000 1985 Water Improvement Bonds due in annual installments of \$10,000 through July 15, 1994 and a final payment of \$5,000 on July 15, 1995; interest at variable rates from 6.25 to 9.00% (this issue is being serviced - principal and interest - by the Water Department Fund)	75,000
Total	\$903,200

The annual requirements to amortize all debt outstanding as of December 31, 1987, including interest payments, are as follows:

Annual Requirements To Amortize Long-Term Debt

<u>Fiscal Year Ending</u> <u>December 31</u>	<u>General Obligation Debt</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
1988	\$108,200	\$ 72,126	\$ 180,326
1989	100,000	65,112	165,112
1990	50,000	59,710	109,710
1991	50,000	55,389	105,389
1992	50,000	51,045	101,045
1993-2005	<u>545,000</u>	<u>306,065</u>	<u>851,065</u>
Totals	\$903,200	\$609,447	\$1,512,647

All debt is general obligation debt of the Town, which is backed by its full faith and credit.

NOTE 3 - DEFINED BENEFIT PENSION PLAN

Most Town of Newmarket full-time employees participate in the New Hampshire Retirement System, a multiple-employer public employee retirement system. The payroll for employees covered by the system for the year ended December 31, 1987 was \$600,250; the Town's total payroll was \$728,701.

TOWN OF NEWMARKET

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1987

All Town full-time employees are eligible to participate in the system. Employees who retire before age 65 are entitled to a retirement benefit equal to approximately fifty percent of the employee's average final compensation. After attainment of age 65, the payment by the Retirement System is reduced by the amount of the individual's Social Security entitlement payments. The system also provides death and disability benefits which are established by State Statute.

Covered employees other than police and fire personnel are required by State Statute to contribute 4.6% of their salary to the plan; police and firemen contribute 9.3%. The Town is required by the same statute to contribute a percentage of the employee's salary, based on an actuarial valuation of the entire State plan performed June 30, 1983. These contributions represented 7.74% for police, and 9.76% for firemen, and 1.21% for all other employees through June 30, 1987. From July 1, 1987, the Town's contribution rates were 4.8% for police, 9.09% for firemen and 2.94% for other employees. The contribution requirements for the year ended December 31, 1987 were \$60,362, which consisted of \$23,104 from the Town and \$37,258 from employees.

The "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the system's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among retirement systems and employers. The State retirement system does not make separate measurements of assets and pension benefit obligations for individual employers. According to plan administrators, the pension benefit obligation at June 30, 1986 for the system as a whole, determined through an actuarial valuation performed as of June 30, 1985, was \$552,050,000. The system's net assets available for benefits on that date (valued at market) were \$568,786,602, leaving no unfunded pension benefit obligation. The percentage that the Town of Newmarket has in relation to the entire plan cannot be determined.

NOTE 4 - TRUST FUNDS

The principal amount of all Nonexpendable Trust Funds is restricted either by law or by terms of individual bequests, in that only income earned may be expended. The Town's Nonexpendable and Expendable Trust Funds at December 31, 1987 are detailed as follows:

<u>Purpose</u>	<u>Nonexpendable</u>	
	<u>Principal</u>	<u>Income</u>
Cemetery	\$241,827	\$121,701
Scholarship	36,911	3,392
Library	10,000	9,549
<u>Total Nonexpendable</u>	<u>\$288,738</u>	<u>\$134,642</u>

TOWN OF NEWMARKET

SINGLE AUDIT ACT
AUDITOR'S REPORTS AND SCHEDULE

CARRI PLODZIK SANDERSON Professional Association

193 North Main Street Concord, N.H. 03301 (603) 225-6996

**AUDITOR'S REPORT ON INTERNAL CONTROLS (ACCOUNTING AND
ADMINISTRATIVE) - BASED ON A STUDY AND EVALUATION MADE AS A PART OF
AN EXAMINATION OF THE GENERAL PURPOSE FINANCIAL STATEMENTS AND
THE ADDITIONAL TESTS REQUIRED BY THE SINGLE AUDIT ACT**

To the Members of
the Board of Selectmen
Town of Newmarket
Newmarket, New Hampshire

We have examined the general purpose financial statements of the Town of Newmarket for the year ended December 31, 1987, and have issued our report thereon dated February 10, 1988. As part of our examination, we made a study and evaluation of the internal control systems, including applicable internal administrative controls, used in administering Federal financial assistance programs to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards, the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U.S. General Accounting Office; the Single Audit Act of 1984; and the provisions of OMB Circular A-128, *Audits of State and Local Governments*. For the purpose of this report, we have classified the significant internal accounting and administrative controls used in administering Federal financial assistance programs in the following categories:

Accounting Controls

- Budgeting Cycle
- Payroll Cycle
- Expenditure (other than payroll) Cycle
- Data Processing Cycle
- Revenue Cycle
- Financial Reporting Cycle

Controls Used in Administering Federal Programs

- Political Activity
- Davis-Bacon Act
- Civil Rights
- Cash Management
- Relocation Assistance and Real Property Acquisition
- Federal Financial Reports

The management of the Town of Newmarket is responsible for establishing and maintaining internal control systems used in administering Federal financial assistance programs. In fulfilling that responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of internal control systems used in administering Federal financial assistance programs are to provide management with reasonable, but not absolute, assurance that, with respect to Federal financial assistance programs, resource use is consistent with laws, regulations, and policies; resources are safeguarded against waste, loss and misuse; and reliable data are obtained, maintained, and fairly disclosed in reports.

*Town of Newmarket
Auditor's Report on Internal Controls*

Because of inherent limitations in any system of internal accounting and administrative controls used in administering Federal financial assistance programs, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the systems to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study included all of the control categories listed in the first paragraph. During the year ended December 31, 1987, the Town of Newmarket expended 79% of its total Federal financial assistance under major Federal financial assistance programs. With respect to internal control systems used in administering major Federal financial assistance programs, our study and evaluation included considering the types of errors and irregularities that could occur, determining the internal control procedures that should prevent or detect such errors and irregularities, determining whether the necessary procedures are prescribed and are being followed satisfactorily, and evaluating any weaknesses.

With respect to the internal control systems used solely in administering the nonmajor Federal financial assistance programs of the Town of Newmarket, our study and evaluation was limited to a preliminary review of the systems to obtain an understanding of the control environment and the flow of transactions through the accounting system. Our study and evaluation of the internal control systems used solely in administering these nonmajor Federal financial assistance programs of the Town of Newmarket did not extend beyond this preliminary review phase.

Our study and evaluation was more limited than would be necessary to express an opinion on the internal control systems used in administering the Federal financial assistance programs of the Town of Newmarket. Accordingly, we do not express an opinion on the internal control systems used in administering the Federal financial assistance programs of the Town of Newmarket.

Also, our examination, made in accordance with the standards mentioned in the first paragraph, would not necessarily disclose material weaknesses in the internal control systems used solely in administering nonmajor Federal financial assistance programs.

However, our study and evaluation and our examination disclosed no condition that we believe to be a material weakness in relation to a Federal financial assistance program.

This report is intended solely for the use of management and the applicable state and Federal agencies and should not be used for any other purpose. This restriction is not intended to limit the distribution of this report, which, upon acceptance by the Town of Newmarket, is a matter of public record.

**AUDITOR'S REPORT ON COMPLIANCE WITH LAWS AND
REGULATIONS RELATED TO MAJOR AND NONMAJOR
FEDERAL FINANCIAL ASSISTANCE PROGRAMS**

To the Members of
the Board of Selectmen
Town of Newmarket
Newmarket, New Hampshire

We have examined the general purpose financial statements of the Town of Newmarket for the year ended December 31, 1987, and have issued our report thereon dated February 10, 1988. Our examination was made in accordance with generally accepted auditing standards; the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U.S. General Accounting Office; the Single Audit Act of 1984; and the provisions of OMB Circular A-128, *Audits of State and Local Governments*; and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The management of the Town of Newmarket is responsible for the Town's compliance with laws and regulations. In connection with the examination referred to above, we selected and tested transactions and records from each major Federal financial assistance program and certain nonmajor Federal financial assistance programs. The purpose of our testing of transactions and records from those Federal financial assistance programs was to obtain reasonable assurance that the Town of Newmarket had, in all material respects, administered major programs and executed the tested nonmajor program transactions, in compliance with laws and regulations, including those pertaining to financial reports and claims for advances and reimbursements, noncompliance with which we believe could have a material effect on the allowability of program expenditures.

Our testing of transactions and records selected from major Federal financial assistance programs disclosed no instances of noncompliance with those laws and regulations.

In our opinion, for the year ended December 31, 1987, the Town of Newmarket administered each of its major Federal financial assistance programs in compliance, in all material respects, with laws and regulations, including those pertaining to financial reports and claims for advances and reimbursements, noncompliance with which we believe could have a material effect on the allowability of program expenditures.

The results of our testing of transactions and records selected from nonmajor Federal financial assistance programs indicate that for the transactions and records tested the Town of Newmarket complied with the laws and regulations referred to in the second paragraph of our report. Our testing was more limited than would be necessary to express an opinion on whether the Town of

*Town of Newmarket
Auditor's Report on Compliance with Laws and Regulations
Related to Major and Nonmajor Federal Financial Assistance Programs*

Newmarket administered those programs in compliance in all material respects with those laws and regulations, noncompliance with which we believe could have a material effect on the allowability of program expenditures; however, with respect to the transactions and records that were not tested by us, nothing came to our attention to indicate that the Town of Newmarket had not complied with laws and regulations.

**AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION
SCHEDULE OF FEDERAL FINANCIAL ASSISTANCE**

To the Members of
the Board of Selectmen
Town of Newmarket
Newmarket, New Hampshire

We have examined the general purpose financial statements of the Town of Newmarket for the year ended December 31, 1987, and have issued our report thereon dated February 10, 1988. Our examination of such general purpose financial statements was made in accordance with generally accepted auditing standards and the standards for financial and compliance audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U. S. General Accounting Office and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying Schedule of Federal Financial Assistance is presented for purposes of additional analysis and is not a required part of the general purpose financial statements. The information in that schedule has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

TOWN OF NEWMARKET

NOTES TO SCHEDULE OF FEDERAL FINANCIAL ASSISTANCE

DECEMBER 31, 1987

NOTE 1 - Scope of Audit

All operations related to the Town of Newmarket Federal grant programs (Schedule I) are included in the scope of the OMB Circular A-128, *Audits of State and Local Governments* (the single audit).

Compliance testing of all general requirements, as described in the Compliance Supplement, was performed.

Compliance testing of specific requirements was performed for the following grant program (designated as a "Major" Program). This represents a program with an excess of \$300,000 of fiscal 1987 Federal expenditures and covers over 79% of total Federal grant expenditures.

<u>Grant Description</u>	<u>Fiscal 1987 Federal Expenditures</u>
<u>Environmental Protection Agency</u> Construction Grants For Wastewater Treatment Works	<u>\$965,230</u>

NOTE 2 - Period Audited

Single audit testing procedures were performed for the Town of Newmarket Federal grant transactions during the year ended December 31, 1987.

NOTE 3 - Summary of Significant Accounting Policies

Accounting policies and financial reporting practices permitted for towns in New Hampshire are prescribed by the New Hampshire Department of Revenue Administration and in general follow generally accepted accounting principles for State and local governments. The significant accounting policies followed by the Town of Newmarket are as follows:

Basis of Presentation

The accompanying Schedule of Federal Financial Assistance includes the Federal grant transactions and related local matching contributions and project income of the Town.

The receipts and proceeds from Federal grants are recorded on the modified accrual basis, whereby revenue is recognized when it becomes available and measurable. Disbursements of Federal grant funds are recorded on the accrual basis.

**ANNUAL REPORT
OF THE BOARD OF WATER COMMISSIONERS
1987**

In the year 1987, the problem of membership still haunts the Board of Water Commissioners. Membership has made somewhat of an improvement over the previous two years as the Board ended the year with seven members and two vacancies to fill. For a period of four months, the Board actually had the full nine members. Anyone interested in joining the Board of Water Commissioners, please contact the Selectmen's Office.

Maintenance of the Water Works Building and water availability were the two major issues this year. In December, approximately \$36,000 was spent on repairs to the Water Works Building such as new windows and structural repairs to the water tank. In regards to water availability, the tie-in of the Durell Woods loop from Grant Road to the water tank has helped since the wells can now be pumped at the same time. The Town of Newmarket still, at this time, needs other sources of water. The Water Board currently has 700 units on their availability waiting list and the number will probably grow. The only answer to this problem of water source is the Lamprey River.

The Board of Water Commissioners has hired the Engineering firm of Dufresne-Henry from Manchester, New Hampshire to investigate costs and feasibility of developing a new water treatment facility on another site. Dufresne-Henry has agreed to be present at the Town Meeting in March as well as any other meetings in order to provide information to the public and answer any questions that you, the taxpayer, may have.

The future will quickly become the present. Please attend the Town Meeting and other meetings and help the Board of Water Commissioners find the best solution to the Town of Newmarket's need for water.

Respectfully submitted,

Kathy Paquette, *Clerk*

Board of Commissioners:
Gary House, *Chairman*
Leo Fillion
Richmond Walker
Robert Daigle
Eldon Bender
Donna Reed
Richard Alperin
Robert Gazda

REPORT OF THE NEWMARKET SEWER COMMISSIONERS

The Newmarket Sewer Commissioners' efforts during 1987 were directed primarily at the completion of the 2.9 million dollar federally funded sewer project previously passed by the voters. Phase 1, the replacement of interceptors throughout the town, was completed during 1986. Phase 2, the Secondary Treatment Facility, was completed on schedule in the summer of 1987. The Secondary Facility is now in full operation.

The funding for the above project was a combination of Federal, State, and Local funds combined with a bond issue. As a result, the project has not increased rates for the sewer usage of the Town.

Sewer facility improvements and a new sewer line for South Main Street that had been designed in 1986 were completed during 1987.

The repair of the Exeter Street line also designed during 1986 was rehabilitated during 1987.

The 1988 focus for the Sewer Commissioners will be an engineering study of the entire Newmarket sewer system. This will be commissioned in order to review the impact of past and present growth and to be able to prepare adequately for the future growth of the Town in coordination with the Master Plan being developed by the Planning Board.

Meetings of the Sewer Commissioners are held on the first Monday of each month (except during the month of July) at 7:30 p.m. at the Wastewater Treatment Facility.

Respectfully submitted,

Nick Zuk, *Chairman*

Walter Schultz

NEWMARKET PUBLIC LIBRARY

REPORT OF THE BOARD OF TRUSTEES 1987

Use of the Newmarket Public Library has continued to grow during 1987, when circulation increased 25% over 1986. Circulation has increased 70% since 1983. The Library now owns a VCR, and is building a collection of educational videocassettes. Tutorials on English as a second language were held here, and will continue this in 1988. Programming during 1987 included four children's story hours, a puppet show and a summer reading program. We are fortunate to have the same staff serving the Library:

Librarian	Sharon Kidney
Assistant Librarian	Pat Haendler
Aides	Margaret Nash and Doris Mullen
Custodian	Roger Donovan

There are those who have worked in other ways for the Library. Thanks to Mary Persson, the Harmon Foundation has again awarded money for use in the children's area (children's programming and the VCR collection are the most recent beneficiaries). The Friends of the Library have purchased additional books and materials. Individuals who have given their time include Florence Pasquill, Barbara Webber and David Pelletier.

In response to public demand, nine more "open" hours were added in September. The new hours are:

Mon., Weds.	2 - 8 p.m.
Tues., Thurs., Fri.	9 a.m. - 5 p.m.
Sat.	9 a.m. - 1 p.m.

The Trustees plan to add more Saturday hours in the future. Another goal is to purchase a computer to take full advantage of state information resources, to expedite overdue book tracking, and to better process and keep track of the Library collection.

Exterior brickwork repair—an ongoing project for the last several years—was continued in 1987. However, continued problems of leakage and the inspection by several contractors indicate that there are some major repairs necessary on the roof. The Library also needs a fire/smoke detection system. That is painfully obvious to us now.

Due to increased use, the Library needs additional space: 1) the stack room for the main collection is filled nearly to capacity; 2) the reference/periodicals area is too small and should be in a quieter location; 3) as "open" hours increase, the Children's Room cannot continue

to double as a meeting room. The Trustees hope to retain an architect during 1988 to help develop an appropriate plan and budget for consideration by the town.

Respectfully submitted,

Kristin Carmichael
Board of Trustees
Newmarket Public Library

REPORT OF THE POLICE DEPARTMENT

The year's total police activities speaks for itself about the fast growth of the community. The seriousness of these incidents are also increasing likewise. The elements of danger is no longer an occasional possibility to the police officer but a frequent reality. Drug arrests, family disputes, assaults, etc., all lend their dangers to the police officer that responds to them. Only through complete community backing can an officer feel confident in his job. It gives him a sense of encouragement and worth.

Regardless of how aggressive in enforcing the law a police department may be, in the end, it is the community as a whole that sets the standards of what kind of a community it is. If the citizens stand by and allow drug dealers to ply their trade without notifying their police, watch property being vandalized, saying nothing, then it will not be the kind of a town that any of us would care to call home. Even though there are nine full time police officers in Newmarket, it is not often that there are more than one or two on duty at a given time. So maybe we can be forgiven if we don't happen to catch the vandal spray painting signs, or the reckless driver speeding down the road. Taking into consideration one or two officers monitoring the actions of seven or eight thousand people, one can plainly understand why we need the help and cooperation of the Townspeople.

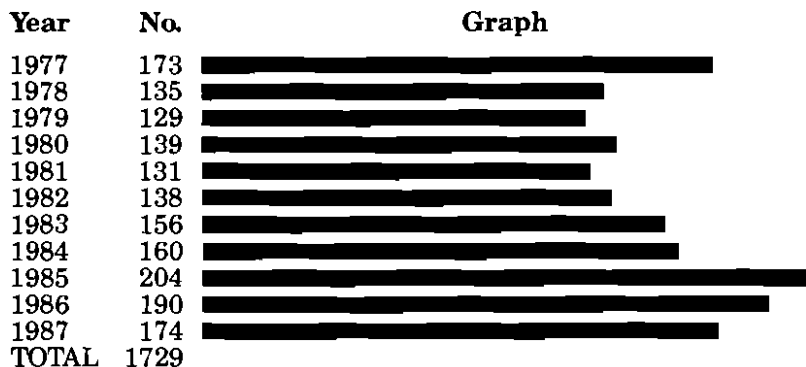

Again, let me stress the importance of numbering your residence with numbers plainly visible from the roadway. This can be extremely important in the case of fire or any other emergency. It is no understatement that it could literally mean a matter of life or death.

If you don't know your residence number, it may be obtained by calling the Town Offices for that information.

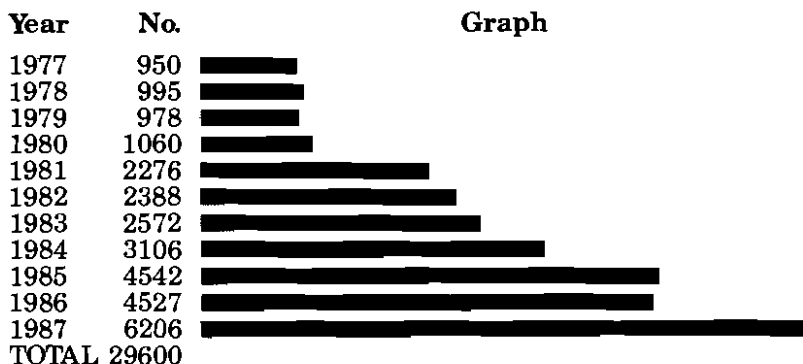

Sincerely,

Paul T. Gahan
Chief of Police

Court Cases by the Year 1977 thru 1987

REPORT OF THE NEWMARKET FIRE DEPARTMENT FOR 1987

Once again, the Newmarket Fire Department had a very active year. Although the number of actual incident responses handled by the department dropped ever so slightly from the 1986 level, all other areas of responsibility experienced a dramatic increase.

The fire alarm superintendent continued his routine programmed testing and maintenance of all municipal fire alarm boxes within the Town, with each street box being tested every 60 days. Several of the older street boxes were replaced with newly reconditioned boxes. Street box 55, at the pumping station on Packers Falls Road was added to the system. Additionally, 7 new master boxes were installed at various private properties through town during 1987.

During the past year upgrading and expansion of municipal fire alarm wire took place as all remaining open wire on North Main Street was removed. The open wire from the High School to Box 49 was replaced with new coated cable and extended to the new Elementary School. The municipal circuit was extended up Hersey Lane and along Route 108 to the Rockingham Country Club, thereby giving us coverage along the entire length of Route 108.

The fire prevention officer, appointed by the Board of Selectmen in February 1987, conducted a wide variety of fire prevention activities ranging from blueprint reviews for all types of construction and renovations, to site inspections for code compliance and/or occupancy permits to public education talks to the answering of general fire safety questions posed by local residents. Such varied groups as a Parks and Recreation babysitting class, a kindergarten class, and all 9th through 12th grade science students at Newmarket High School received lectures on basic fire safety, fire department operations, and proper use of portable fire extinguishers. More than 60 inspections of residential, mercantile and business occupancies in town were conducted to insure compliance with applicable life safety and fire codes.

Additionally, other officers of the Fire Department continued to perform oil burner inspections for all new oil burners installed in Town, and woodstove installation and chimney inspections for any resident requesting the service.

Regular department monthly training continued on the 1st and 3rd Wednesdays of each month. Topics covered included driver training of the apparatus, pump operations, vehicle extraction techniques, fire alarm operations, and building familiarization with several of

the new occupancies in town.

No report for 1987 would be complete without expressing the Fire Department's thanks to the various local social clubs, organizations, and businesses who generously supported our many projects throughout the year. A special thanks to Lamprey Aerie 1934 of the Fraternal Order of Eagles for their donation of many thousands of dollars worth of specialized rescue air bag equipment and accessories, to be used in conjunction with the "Jaws of Life" type air powered extraction kit purchased by the Fire Department as a result of the 1987 Town Meeting, and for the purchase of much needed portable radios and pagers for the Fire Department.

As we move forward into 1988, you, the residents of Newmarket can be of assistance to us, the volunteers of the Newmarket Fire Department, by doing two things:

1. Properly number your home, and/or mailbox with numbers that can be easily identified from the street.
2. Practice proper fire safety techniques.

Board of Engineers

Newmarket Fire Department

REPORT OF THE NEWMARKET HOUSING AUTHORITY

As Newmarket continues to grow, the Newmarket Housing Authority's purpose becomes more important. The Authority strives to provide and insure clean, safe, and sound housing for deserving and eligible families and elderly.

At any one time of the year, eighty-five (85) families are being assisted in Newmarket. Great Hill Terrace has fifty (50) units of public housing and the Section 8 existing program provides subsidy to thirty-five (35) families living in privately owned units throughout the community.

The Authority realizes the need for additional housing assistance in Newmarket, especially elderly housing. The Authority plans to pursue further development of Great Hill Terrace as federal funds become available. Eligible and interested persons are encouraged to apply as soon as possible, as a waiting list does exist. Newmarket residents do receive a preference.

In 1987, the Authority contributed \$7,993.97 to the Town as Payment In Lieu Of Taxes (PILOT). This payment offsets the Authority's tax-exempt status. The Authority also pays its full share of the water and sewer users fee.

Great Hill Terrace completed a \$225,000 plumbing renovation in 1987, has received a \$550,000 modernization grant for 1988, and foresees landing an additional \$500,000 grant for 1989.

Gross income guidelines for eligibility into the respective program are:

FAMILY SIZE	PUBLIC HOUSING	SECTION 8
1	\$18,750	\$11,750
2	21,450	13,400
3	24,100	15,050
4	26,800	16,750
5	28,500	18,100
6	30,150	19,450

Ernest A. Clark, II, Executive Director of the Authority, is assisted by Maintenance Mechanic Rick LaBranche, and the Coordinating Staff of Greta Price and Mimi Rubin.

Office hours are daily 9:00 AM to 4:00 PM (December through

March), and 9:30 AM to 4:30 PM (April through November). Anyone interested in housing information may call 659-5444.

REPORT OF THE CONSERVATION COMMISSION FOR 1987

Significant progress has been achieved by the Conservation Commission during the past year in many areas, most notably the areas of natural resource protection and identification of potential land acquisitions for open space and conservation use areas.

The first order of business identified by the Conservation and Recreation Commissions in the future management and protection of the town's natural resources was to solicit public input of various conservation issues with a questionnaire mailed to the registered taxpayers in town. In early February, 2100 questionnaires were mailed and 215 responses were received. The survey results were very positive in support of protecting and preserving open spaces in town. Property bordering Great Bay, the Lamprey River and Follets Brook has been recognized as lands needing additional protection. An analysis of the Conservation/Recreation Survey results has been included at the end of this report.

In conjunction with the questionnaire, a public meeting focusing on the various options available to landowners for maintaining their land as open space was held in February and attended by over eighty landowners and concerned individuals. Participants were educated in various land protection techniques: conservation easements, sale of development rights and donations of land.

At the town meeting in early March, the Conservation Commission introduced a warrant article that requested the townspeople appropriate \$50,000 in a non lapsing account for the acquisition of conservation lands. A number of individuals spoke in support of the warrant article, which was overwhelmingly approved. Although the appropriation wasn't expended this year, a number of potential environmentally sensitive properties have been identified for acquisition. With matching funding programs, when a critical property becomes available, land acquisition procedures will be initiated. The commission has contacted various funding sources, including Trust for N.H. Lands, Land & Water Conservation Fund and the Great Bay National Estuarine Research Reserve Program.

Two interdepartmental meetings were conducted during the year to discuss the findings of the survey and provide advice and guidance on many issues. Representatives from the Board of Selectmen, Planning Board, Zoning Board of Adjustment, Recreation Commission and the Conservation Commission attended the meetings.

The Commission was also represented at the University of New

Hampshire, Durham, Lee, Madbury and Newmarket Natural Areas Ad Hoc Committee. The committee was organized to identify potential flora & fauna corridors within these towns. In addition, guidelines are being developed for contacting landowners and making them aware of programs available for protecting their land and maintaining it as open space.

A few major accomplishments of the commission during the past year was the sponsoring of three Newmarket children to a week long session at the N.H. Fish & Game Department's Barry Conservation Camp in Berlin, N.H. Letters received from the three participants related a very enjoyable experience.

In April, the Commission sponsored a Waterfowl Habitat Management Workshop, which included the construction of twenty artificial nesting boxes for Wood Ducks. The boxes will be placed on suitable marshes and beaver flowages when ice conditions permit this winter.

The Commission has been successful in working with local developers, who have taken the initiative to protect the town's natural resources and open space through deed restrictions, protective covenants and clustering developments.

During the past year the Commission conducted nine site reviews for dredge & Fill permits and sub-division projects, two site inspections of building permit requests that might impact the shoreline conservation zone and two reviews of plans for future sub-divisions.

The Commission is actively seeking additional members interested in conserving the town's natural resources. The commission would like to thank the various town agencies and residents for their continued support.

CONSERVATION/RECREATION SURVEY RESULTS

In February a survey was conducted by the Recreation Department and the Conservation Commission concerning the protection of Newmarket's OPEN SPACE AREAS. The main areas addressed were what should be preserved for open areas, what the needs of the town concerning open space and recreational areas, and ways to promote land control and prioritize ways to do this.

The following is the general information gathered from these surveys.

Of the approximately 2,000 people surveyed, 215 people responded and returned the questionnaire. The number of residents responding were 155, the number of visitors-2, the number of non-residents-7, and the number of landowners-76. (categories overlapped).

The type of land owned by the respondents are as follows: Forest-40, Fields-26, River-19; Wetland-13, Farm-8, Tidal-6, and other which included condos-49.

Questions concerning LAND AVAILABILITY FOR RECREATIONAL USES

Would you consider making your land available for recreational use?

170 people responded.

YES: 40 NO: 117 N/A: 13

Would you consider selling your land in the future?

156 people answered.

YES: 59 NO: 110 UNSURE: 28 N/A: 7

Questions concerning RECREATION NEEDS FOR THE TOWN OF NEWMARKET

Are you currently satisfied with the open space and/or the recreational activities of Newmarket?

134 people responded.

YES: 59 NO: 69 UNSURE: 6

COMMENTS: (included)

- Must protect what we have
- Need hiking and skiing trails
- Would like to see more direction towards Master Planning
- Not familiar with
- At present don't use any of these

What are the Recreation Needs of the town of Newmarket?

The top priorities are as follows:

- Swimming
- Teen Programs
- Ice Skating
- Open Space/Cross Country Skiing (tie)
- Trails/Snowmobiling (tie)
- Boating/Adult Programs (tie)

Questions concerning PRESERVATION OF HISTORICAL, SCENIC OR NATURAL FEATURES

What should be preserved?

The results were:

Great Bay, shore frontage	138
Large Tracts of Land	104
Town Buildings	98
Old Cemeteries	71
Trails	33
Other	8

There were many comments to this question. Comments for Great Bay:

- All river and Bay frontage
- Preserve shoreline trees
- Preserved through fair but strict zoning
- All shore frontage along the Lamprey and Great Bay
- Marshlands
- A tremendous resource must be preserved and saved from those who do not realize its true value

Comments for Large Tracts of Land:

- For wildlife/recreational enjoyment
- preserved
- All available

Forest, Old farms-Beaudet and Bennett

Comments for Town Buildings:

- Main Street
- Town Hall
- St. Mary's School
- Old Mills -Library
- Old Stone Church
- Those buildings singled out by having historical value

Comments for Old Cemeteries:

- Specific attention to the smaller and older roadside graves
- small family plots on roadside
- All that exist

Comments for Trails:

- Designated for snowmobiling and hiking
- Access to Great Bay on foot
- Specifically bicycles on major roadways-108
- Could be incorporated into development plans

How should this preservation be done?

Comments included:

- No more development Great Bay area and limit condo/apartment development
- Buying developmental rights
- Strong zoning-controlled development
- Careful, unbiased planning with restrictions on major developers
- Limit building permits per year
- Volunteer groups to clean up areas
- Planning Board with Conservation Commission and zoning
- Newmarket needs a viable, up-to-date zoning law to save whatever is left of underdeveloped lands

Questions concerning CONTROLS AND PRESERVATION METHODS FOR OPEN SPACES AREAS

What forms of community Land Controls do you favor?

Town Zoning	146
Regional Planning	137
Scenic Easements	126
Billboard Control	121
Subdivision Regulations	120
Current Taxation	88
Private Landowners	26

Comments included:

- Master Plan - Town zoning
- Sign ordinances (most towns have)
- Encourage people to will and/or donate land for park use
- All good programs - We can not pay more taxes - can others???

What are the priorities for preservation and recreation categories?

The top priorities are as follows:

Anti-Pollution
Natural Area Preservation
Wetland Protection
Native Wildlife Protection
Watershed Protection

Comments include:

- Less development
- Limit Growth
- Restrict condo building
- quality and quantity of water will be of utmost importance in future
- Although all items are important, the primary item is the protection and preservation of our water and air quality
- It is difficult to separate the above into categories of "more" or "less" importance - all important to me!
- Preserve large tracts of undisturbed parcels of wetlands which provide and support a diversified environment for a variety of species.
- Anti-Pollution act against Seabrook Nuclear Plant so that our environment will remain nice.
- People who own land should be allowed to do what they want with you
- Conservation Education is very important!
- We need preservation of sanctuaries for walking - *Stop Construction*
- Newmarket is too late to follow through with most of the conservation listed below.
- Once the bay, marshes, bogs, clean water and wildlife are gone, they are gone for all time. Open space is an endangered species.
- Marshes are our first line in the food chain

The survey results were very positive for the support of protection and preservation of OPEN SPACE AREAS in Newmarket. We hope to use some of the suggestions and the results to implement programs and plans to help preserve the OPEN SPACES in NEWMARKET.

We thank all those people who participated in the survey.

REPORT OF THE NEWMARKET AMBULANCE CORPS

Another busy year has passed. We had 257 calls and treated approximately 285 patients. On one call, the Town Hall fire, we treated 12 patients. Both Ambulances and full crews responded and stood by at the scene of the Fire to render aid when needed.

At present we have 17 members, 2 new recruits and 1 associate. Two of our members are entered into an EMT course and two in an Advanced First Aid course. When these two courses are over the 4 members will become fully licensed attendants.

We have 12 members who are D-Fib trained and most of them have been through a 2 day Critical Trauma Care course.

A generous donation from the Eagles again has allowed us to purchase much needed equipment, new back boards with straps, new stiff-neck collars, etc.

Training is always ongoing. This Spring we are hosting a 2 day workshop on Care at the Motor Vehicle Scene. This is a partially Federal funded course. Cuts have been made at Federal and State level of funds for training. This means that those courses that used to be free now have a charge to offset those cuts.

Some of our members are on the State Evaluation team. I remain a member of the Regional Council and Training Comm. Some members help on the area Bloodmobile. We have been represented at about ten Bloodmobiles this past year.

Please use 911 for an emergency and stay on the line to give Dispatch the necessary information. Please put your house numbers on your house. The Town has grown so much this is a necessary thing to help us locate you. Gone are the days when we knew where everyone lived without house numbers.

A special thanks to Public Works dept., Fire Dept. and the Police Dept. for all of their help and support when we need it. We are fortunate, after talking to other towns, to have such good working relations with our Town departments.

We always welcome qualified people to join the Ambulance Corp. Applications may be picked up at Dispatch.

Respectfully submitted,

Jennie Griswold, *President*

REPORT OF THE NEWMARKET DISPATCH CENTER

Rosanne C. Gilbert
Chief Dispatcher

PHONE: 659-3950

Looking back over the past year, 1987 proved to be a very busy year for the Newmarket Dispatch Center. Once again as in the past the center handled a large volume of calls. It was also a year that saw many improvements and advancements at the center. We received several new pieces of equipment which will help our efforts to better serve the community and the various departments we dispatch for.

One of the pieces of new equipment which we feel has been very helpful to the citizens of Newmarket was the installation of the Emergency 911 line, which was put on line in the beginning of January. We would like to stress to the Citizens of Newmarket that 911 is for emergency calls only. In order for all to be able to get the utmost out of this service, we would like to remind you that all non-emergency calls for Fire and Ambulance should be called on 659-3950 and police should be 659-6636.

In closing I would like to Thank all of the various departments with which the center works with, and I would like to extend a special thanks to the citizens of Newmarket for your continued support of the Dispatch Center.

Sincerely,

Rosanne C. Gilbert, *Chief Dispatcher*

REPORT OF THE NEWMARKET RECREATION AND PARKS DEPARTMENT

The Recreation and Parks Department will look back at 1987 as the year of change.

On August 7, 1987, Lesley Smith retired as Director of Recreation and Parks. Her 9 years of service to the Recreation Department shaped the development of programs and activities.

Following the tragic town hall fire on September 19, 1987, many adult and children's activities were interrupted. A great deal of time and energy was dedicated to continuing these programs. To date, all but four children's programs are back to normal thanks to the tremendous support from the Newmarket High School, Newmarket Elementary School, Senior Center, Great Hill Terrace, St. Mary's School and the Recreation Commission.

On November 30, 1987, Margaret Arnold, a University of New Hampshire graduate, began fulfilling the Director's position. Margie's energy has sparked a new enthusiasm in the department.

The Recreation and Parks Department serves all segments of the population. Our goal is to provide recreational and leisure opportunities at an affordable cost.

Together Margie and I, as a team, hope to meet the needs of the Newmarket community and surrounding areas. We are open to new ideas and suggestions to better serve you.

Hope you will take advantage of the wide range of opportunities that are available to you in 1988.

Sincerely,

Barbie O. Spencer, *Assistant Director*

RECREATION COMMISSION:

Donat St. Hilaire, *Chairperson*

Craig Pomeroy

REPORT OF THE ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

The Rockingham County Community Action Program, Inc. (RCCAP) is a private, non-profit anti-poverty agency which has served residents of Rockingham County since 1965. The Greater Raymond Community Action Center is an outreach office of RCCAP which serves 15 towns in the central part of the county, including the town of Newmarket.

In the 15 towns served by the Greater Raymond Community Action Center, well over 1,200 households are experiencing financial problems serious enough to leave them without the means to provide for basic necessities. Of these, nearly 40% are elderly individuals or couples living on fixed incomes. The remaining 60% include the disabled, the unemployed, the underemployed, single parent families and the working poor. Regardless of their particular situations, all of these people are forced to seek outside assistance to meet their most essential needs.

Community Action plays an important role in meeting these needs by offering direct service programs as well as the help and guidance of our agency's staff. Of the major direct service programs offered by Community Action, the following were provided to eligible residents of Newmarket:

- 109 households received Fuel Assistance, a program which provides a financial grant of up to \$500.00 to assist with energy-related expenses.
- 1 home was weatherized through the Weatherization Program, which provides quality materials and labor to weatherize homes in order to reduce heating costs and conserve energy.
- 1 household received the Supplemental Energy Program, which provides for the repair or replacement of furnaces and heating units and home repairs for low-income homeowners.
- 6 children were enrolled in Head Start, a comprehensive, early childhood development program for low-income and handicapped children and their families.
- 80 women, infants and children received help through the WIC Program, which offers supplemental nutritious food and nutrition counseling to pregnant women, nursing mothers and children up to the age of 5 who are nutritionally at risk.

- 3 households received Crisis Assistance, a program which provided a one-time financial grant for the payment of rent, mortgage, electricity or fuel for those in emergency situations.

- 2 elderly or handicapped individuals received Lifeline, an emergency response system which provides immediate twenty-four hour access to community medical responders.

- 479 food packets were provided through the Surplus Food Program, which distributes USDA surplus cheese, butter, flour, dry milk, cornmeal and rice.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we received 97 calls or visits from Newmarket residents, many of which were crisis calls involving fuel or utility problems, the lack of food or clothing or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

Since the services we offer greatly relieve the towns we serve from the full burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 3.5% of the total dollar value of services provided during the previous fiscal year, which means that we request \$3.50 for every \$100.00 we provide in direct services.

From September 1, 1986 through August 31, 1987, Community Action provided \$119,659 in services to Newmarket residents. We are therefore requesting the town of Newmarket to contribute 3.5% of this amount, or \$4,188. The town of Newmarket has contributed to our agency for many years, and we extend our appreciation to you for your continued support.

Amy Mueller-Campbell
Director
Greater Raymond Community Action
Center

REPORT OF ANIMAL CONTROL OFFICER

The Animal Control Department ended the year 1987 with a total of 457 complaints. This is an increase of 149 complaints from 1986. There were three complaint areas that decreased in number such as dog bites, dogs struck by motor vehicles and dogs that were unclaimed by their owners. The areas that increased noticeably were livestock and wild animal complaints, and loose dog complaints.

The most common complaint was that of loose dogs. I cannot stress enough to the citizens of Newmarket that your cooperation is needed in this matter. For those of you that are not aware, there is a leash law in the Town of Newmarket. The law is there for the protection of you, your pets, and your community.

I would like to remind you that if you lose or find an animal to notify the Newmarket Dispatch Center and they will contact me. Please remember that this is a part-time position. Emergency calls will be handled as soon as possible and other calls will be handled on a timely basis.

Under New Hampshire State Law, all dogs over three months of age must be licensed by May 1st. Licenses may be obtained at the Town Clerk's Office and a valid rabies certificate must be presented at the time of licensing. If your dog has been spayed or neutered it may be licensed at a reduced fee with proof of the spay or neuter.

Please restrain your pets for their own protection and for the good of the community.

I look forward to working with you.

Respectfully submitted,

Jeffrey M. Simes

Animal Control Officer

REPORT OF THE NEWMARKET MOSQUITO CONTROL COMMISSION

The war with insects rages on. Control efforts in this town are aimed at reducing the mosquito as a carrier of disease as well as a pest species. Increased knowledge of insect lifecycles and habitats add insight to new strategies for control. Yet, effective control of a pest species requires cooperation by many individuals, developers, corporations, and federal, state and local government agencies.

An example of the close relationship between insects and industry occurs in the used tire trade. The United States imports nearly 4 million used tires from Asia each year for retreading. Many of these tires are discarded in tire dumps in this country. This adds to the estimated 2.8 billion discarded in the environment.

In August 1985, an Oriental mosquito, *Aedes albopictus*, first became established in Houston, Texas. By 1987, this mosquito had become established as far north as Delaware. This is not good news since *A. albopictus* transmits several diseases, among those are dengue, encephalitis and dog heartworm. This mosquito was imported in the used tires from Asia and continues to breed not only in tires, but in any artificial container. *A. albopictus* has not reached N.H. to date, although several other disease carrying mosquitoes breed in tires as well. *A. albopictus* is expected to survive at this latitude.

To aid in the control of mosquitoes and to prevent the spread of disease, individual homeowners should get rid of any stagnant water in tires, cans, bottles, barrels, etc. Source reduction is the most effective means of mosquito control. If the potential source encompasses a large area, then call the Town Hall and leave a message for the Mosquito Control Department. Mosquitoes only breed in stagnant water, but not all stagnant water breeds mosquitoes. This is why the mosquito control crew surveys each site before applying insecticides. This eliminates unnecessary use of chemicals.

If the mosquitoes have hatched into the air, then adulticiding, spraying adult mosquitoes at night, is the last alternative. Millions of mosquito larvae can be killed in isolated pools of water. Once the adult mosquitoes emerge and disperse, control is less effective. Therefore, it is important to control mosquitoes in the vulnerable, aquatic stage.

Adulticiding is conducted in the evening when mosquitoes are most active and to avoid spraying beneficial insects such as bees. Bees are daytime flyers and return to their hives at dusk.

The Mosquito Control Department currently owns a 1974 Chevy

pick-up truck which is approaching 100,000 miles of use. This truck requires a quart of oil every 100 miles. At this rate, we will have to purchase our motor oil in bulk quantities to keep up with the demand. I should mention the rust. This Chevy has a healthy crop. The Mosquito Control Department needs to replace this existing truck, otherwise, it will nickel and dime us to death.

This was the first season of use for the black boxes on the salt marshes. These boxes are designed to attract greenhead flies. The design, dark color and location of the boxes lure the greenhead flies into the trap. The flies enter the trap through a narrow slit in the bottom. They rest on a screen at the top of the trap. Unable to escape, they die from dehydration and drop into the corners of the traps. No chemicals are used. Insects and spiders enter the trap to take advantage of the free food. Thousands of these greenhead flies were caught this season. The Mosquito Control Department will be building more traps for the upcoming season.

A common question I received last season concerns the risk of mosquitoes transmitting the AIDS virus. Based upon the reports that I have read, there is NO evidence that mosquitoes transmit AIDS. To date, tests have shown that mosquitoes are capable of picking up the virus, but they are NOT able to pass it on to a victim.

Mosquitoes are more than just a pest at the family cook-out. They are medically important too. Mosquitos transmit many diseases, several occur here in N.H. The primary goal of the Mosquito Control Commission is to reduce the number of disease carrying mosquitoes in your area in an environmentally safe manner. The commission would like to thank the residents of Newmarket for your continued support.

Respectfully submitted,

Sarah T. MacGregor
Supervisor/Entomologist

REPORT OF LAMPREY HEALTH CARE

Lamprey Health Care (formerly the Newmarket Regional Health Center) will mark seventeen years of providing services in 1988.

Lamprey Health Care operates two medical offices—one in Newmarket and one in Raymond. The Medical Program provides primary health care for all ages, and social services. The medical staff consists of six Physicians—four Family Practitioners, a Pediatrician and an Obstetrician/Gynecologist—as well as a Certified Physician's Assistant, three Nurse Practitioners, a Nutritionist, Registered and Licensed Practical Nurses, and Community Health Workers.

A large part of the Medical Program is the Prenatal Program which provides prenatal, delivery and postpartum care. This program, directed by Cynthia Rasmussen, M.D., offers nutritional counseling, social services and health education for expectant mothers.

Lamprey Health Care has very active pediatric and adult medicine programs which provide in-office, home and hospital care. Preventive health programs include health education, screenings for diabetes, glaucoma, cancer and hypertension. Free flu clinics are provided along with one-time pneumococcal vaccines at a nominal fee.

Lamprey Health Care continues to operate the Senior Citizen Transportation Program. Senior Citizens and handicapped persons are transported for shopping, pharmacy, medical appointments, meals and recreational trips. Transportation services are provided in Newmarket three days per week with additional services provided for special appointments which do not fit into the regular schedule.

Service utilization in Newmarket has increased dramatically over the past couple of years. In response to the growth in demand for service, Lamprey Health Care will move its operations to 207 South Main Street in Newmarket by the end of 1988. The existing house has been converted into administrative offices and a brand new and modern medical building will be constructed on the site. The new facility will enable Lamprey Health Care to provide quality medical care in a facility adequate to meet the community's needs. We think the new building will be a source of pride for Newmarket and we are excited about our plans.

Our goal, as always, is to respond to the needs of this community in a cost-effective, quality and caring manner. The continued support of the Town of Newmarket is truly appreciated. Thank you.

Respectfully submitted,

Ann H. Peters
Executive Director

Giordani and Lortie

SUPERINTENDENT'S REPORT

Since my last report, there have been many changes.

The Elementary School was opened in time for students at the start of the 1987-88 school year. While not 100% complete at the time, it was available to the staff and students from the first day on, thus avoiding a mid-year move. The contractor should be complimented on having the building ready for occupancy at the beginning of September.

A major task in preparing for the opening of school was the transferring of elementary materials and equipment from the St. Mary's School building and the Central School Building to the new elementary. The custodians and summer helpers should be applauded for their efforts. In today's lingo, the task was "awesome." Regardless of whether the building was ready or not, there would not have been classes without the long hours and hard work put in by each of these workers. I congratulate and thank them for a job, "well done."

The gymnasium presented a different kind of problem. With the April rains, a fault in the south foundation wall occurred. Shortly after this occurrence, the original architect resigned. Because of these factors, it took longer than expected to complete the project and the building is just now (January 1988) ready for use. All problems have been corrected and the School District of Newmarket will have a very good facility for the years to come.

As I write this, there is much activity in the present Junior/Senior High School building. Renovations are being carried out in a three phase manner. The demolition for Phase I has been completed and the rebuilding process has started. The demolition for Phase II has started and the old gymnasium floor has cuts to allow pillars to be constructed to hold up a second floor, where science rooms will be built. Phase III completion which includes a Junior High Science area and administrative offices will begin after Phase II completion. The total project is due to be completed near the first of April.

Another change which took place in the last twelve months was that of the secondary school administrator. The School District was indeed fortunate to obtain the services of John P. Williams as Principal, upon the resignation of Lyman Goding. Mr. Williams was a Science Teacher in the Dartmouth, Massachusetts' system. He has done a fine job while learning the "ropes" of a new school and community.

Another change that has taken place was the successful completion of negotiations by the Teacher Association and the School Board.

The vote of the special School District Meeting on July 19, 1987 confirmed the results of the negotiating process. Another round of negotiations is due in the Fall of 1988. Every eligible voter should be interested in the results of these sessions.

As was voted at the March 1987 Newmarket School District Meeting, the Board Membership will increase from three to five members this year. This change could give better representation to the people of the community.

While the changes that have been listed above are important, the most important factor has not changed, and that is the education of the young people of Newmarket. It is a pleasure to report that education in the Town is alive and well. I can report that the students have the opportunity to receive a very substantial education, at the elementary level and in the general, college or vocational programs. The teachers and administrators are well prepared to impart knowledge to the students. The success rate of Newmarket High School students speaks for the education that is offered.

As I said last year, it has been a privilege to have been your first Superintendent. It has been a busy and enjoyable experience. The work could not have been done without the support of all the rest of the employees and the members of the School Board.

To each and every one of them, I give my thanks.

Respectfully submitted,
John P. Ball, *Superintendent*

JUNIOR HIGH AND HIGH SCHOOL PRINCIPAL'S ANNUAL REPORT

The 1986-87 school year has been a year of growth and change for Newmarket Junior/Senior High School.

The building program has continued with many of the projects coming to fruition. The new locker rooms were opened in October and the final touches were completed on the new gymnasium during the month of December. The old gymnasium is presently being converted into a new library and music area on the first floor and two new science laboratories on the second floor. These renovations, along with the completion of the new Home Economics and Industrial Arts areas, will give us the facilities needed to continue the growth of our educational programs.

We have had some changes to our staff this year. New staff members include Mrs. Lynne Kerr, Chemistry/Health Teacher; Mr. Gary White, Art; Mr. Robert Smith, Industrial Arts; Ms. Ingrid Emch, English; Mr. David Gocklin, Social Studies; Mrs. Louanne McLoughlin, Junior High Special Education Aide; Ms. Kristin Johansson, High School Special Education Aide; and Mrs. Kathryn Nichols, Junior High Physical Education.

Recognition came for the school in many directions this year. The boys' and girls' Cross Country team won the Class "M" League Championships. Senior Grace Murphy was the individual champion in the league meet. Ms. Murphy was also the recipient of the Daughters of the American Revolution Good Citizen's Award. Senior Eric Schuster was recognized as National Merit Scholar Commended Student based on his performance on the National Merit Scholarship Qualifying Test. Sophomore Stephanie Criss was chosen to represent our school at the Hugh O'Brian Leadership Seminar, which will take place in the Spring of 1988. Finally, the Boy's Soccer Team had an outstanding season and qualified for the State Tournament. They were led by Tee Chanthavisouk, who was chosen by the coaches as one of the top soccer players in the state of New Hampshire.

Student involvement continues to be an important part of our school life. Many of our Junior High students have been involved in activities such as the Outing Club, Boys' Soccer, Girls' Field Hockey, Boys' and Girls' Basketball, and Cheerleading. The seventh and eighth grades were also instrumental in a successful canned food drive to assist needy families at Christmas this year.

High School students were also very active this year. A Students Against Drunk Drivers Chapter was started by Mr. David Gocklin. The Band, under the direction of Ms. Roxanne Papp, has seen continued growth with over 25% of our student body participating in the program. Each class has been busy raising funds through bake sales, dances and other activities. Finally, the ground work for a Student Council is being done by several students and faculty member, Mrs. Carole Smart.

I would like to thank the community for their support and encouragement during my first six months as Principal. The faculty, staff and I will continue to work diligently to provide excellent educational opportunities for our students.

Respectfully submitted,

John P. Williams
Principal

ELEMENTARY SCHOOL REPORT

The 1987-88 school year began in our new and beautiful facility. We were able to start the school on time largely due to the efforts of a number of parents and students who came in to help us move into the building, as well as to the teaching, secretarial and custodial staffs.

As school began, we showed an increase in student population of 12% from September of 1986. By the Christmas break, that figure had increased to 18%, making the school enrollment a total of 480 students in grades 1-6. (At the Christmas break of 1983, we had an enrollment of 210 students in Grades 1-6.)

We have had some changes and additions to our staff this year. Ms. Ann Zarli is replacing Mrs. Gail White in grade 1; Ms. June Adams is replacing Mrs. Katherine Wentworth in grade 4; and Ms. Lili Casciari is replacing Mrs. Diane Jackson in Physical Education. All of these teachers are on a leave of absence for the year.

New staff members include Ms. Kim Gentile and Mrs. Melinda LeBlanc, grade 3; Mr. Donald Vedeler, grade 5; Mrs. Jean Plourde, grade 6; Mrs. Carolyn Marvin, Librarian; Mrs. Joan Frank, Art; Mrs. Maureen McGael, Nurse; and Mrs. Van Gsottschneider and Mrs. Mary Lee as E.S.L. Tutors. The secretaries at the school are Donna Dugal and Edie Beaudet.

In addition to their teaching duties, teachers have been working on a number of committees this year.

Awards Committee: Leslie Mays, Ann Zarli, Mary Stone, Kim Gentile, Katherine Calcutt, Janet Greenwood, Mike McKenney, Anne Keefe, Ruth Anderson and Elaine Nollet. The following parents are also part of this committee: Janet Prescott and Janet Boyle.

Math Adoption Committee: Donna Mills, Carol Szurgot, Dawna Lieber, Shirley Cobb, Patricia Gardner, June Adams, Donald Vedeler and Jean Plourde.

Student Council Formation: Anne Keefe, Jean Plourde, Donald Vedeler, Mike McKenney, Sheila Kendall, Ann Kost, Elaine Nollet.

Readiness Committee: Ann Kost, Ann Zarli, Carol Szurgot, Donna Mills, Leslie Mays, Shirley Cobb, Janet Greenwood, Mary Stone, Cassandra Rodier, Dawna Lieber and Pamela Mitchell.

Report Card Committee: Pamela Mitchell, Melinda LeBlanc, Gregg Sargent, Shiela Kendall, Joan Frank, Betty Stow, Wendy Mattson, Ann Kost, Lili Casciari, Ann Keefe and Leslie Mays.

As I write this report to you, our fifth and sixth graders are putting up campaign literature for their first election of a student council. The election will take place on January 15, and will select representatives from grades five and six. The purposes of the student council are as follows:

1. To promote good citizenship by respecting all individuals in the school and community.
2. To provide an opportunity to experience democracy in action by keeping students, faculty and principal informed of each others' ideas, needs and opinions.
3. To involve students in the sharing of ideas to help make our school the best in can be.

We have received from the State Department of Education our status in regards to Minimum Standards for this year. We have been rated in category 1B which means that we have met all standards except for kindergarten. This goal has been accomplished due to the support of our School Board, Superintendent and you. This designation is something of which we should all take pride.

The PTA again this year has been very supportive of our many programs. They have donated money to the Art and Library programs; bought additional computer tables; sponsored cultural events; and many of its members have spent a great deal of time here at school helping out in many activities.

We here at school would like to express our heartfelt thanks to the PTA, the Newmarket School Board, the Budget Committee and all community members for your continued support of education in Newmarket.

Edward O'Connor
Principal

P.O. BOX 459
EXETER, NEW HAMPSHIRE 03833

Newmarket School Board
Newmarket School District
Newmarket, New Hampshire 03857

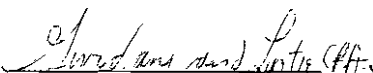

Newmarket School Board:

We have examined the combined financial statements of the Newmarket School District for the year ended June 30, 1987, listed in the foregoing Table of Contents. Except as noted in the following paragraph relative to the Statement of Changes in Assets and Liabilities of the Student Activity Funds, our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described fully in Note #1, the combined financial statements referred to above do not include the financial statements of the General Fixed Assets Account Group. Also, the Food Service Fund, a Proprietary Fund type, does not maintain a record of its General Fixed Assets and accordingly, a Statement of General Fixed Assets is not included in the financial statements. These statements are required to be included to conform with generally accepted accounting principles. In addition, due to a lack of evidential matter, we were unable to audit the Statement of Changes in Assets and Liabilities of the Student Activities Funds. The effect of this matter on its financial position is not reasonably determinable.

In our opinion, except for the omission of the financial statements referred to above, which results in an incomplete presentation, and the unaudited Statement of Changes in Assets and Liabilities of the Student Activities fund, the combined financial statements referred to in the table of contents present fairly the financial position of the Newmarket School District as of June 30, 1987 and the results of its operations and the changes in financial position of its Proprietary Fund types for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

GIORDANI & LORTIE, PROF. ASSN.

NEWMARKET SCHOOL DISTRICT
NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The accounting policies of the Newmarket School District conform to generally accepted accounting principles for local educational governmental units except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis of accounting is used for all Proprietary (Food Service) and Fiduciary (Agency) Funds. Governmental funds utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis) except:

- a. Disbursements for inventory items (materials and supplies) are considered expenditures at the time of purchase.
- b. Prepaid expenses are not normally recorded.

General fixed assets are not capitalized in the accounting records when acquired. Funds used to acquire general fixed assets and/or make debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made. The food service fund has never maintained a record of its fixed assets and related depreciation accounts for measuring their operations. Generally accepted accounting principles require that general fixed assets be capitalized and accounted for in a separate fixed assets group of accounts.

The procedures used to account for the Activities Funds do not entail documenting the sources of all revenues received. Also, where expenditures are concerned, documentation is not always available to associate the expenditures with the related fund. Hence, the lack of evidential matter precludes an audited report on these funds.

Taxes Collected by Others

Under State Law, the Town of Newmarket collects School District taxes as part of local property tax assessments. As collection agent, the Town is required to pay over to the School District its share of property tax assessments through periodic payments based on projected cash flow requirements of the District. The Town assumes financial responsibility for all uncollected property taxes.

Interfund - Transactions

During the course of normal operations, the School District has numerous transactions between funds including expenditures and transfers of resources to provided services. The accompanying Governmental and Proprietary Funds Financial Statements reflect such transactions as transfers.

Retirement Plan

Substantially all full time employees of the District participate in the State of New Hampshire Retirement system. Under this plan, participants contribute annually a percentage of compensation which is fixed by law and dependent upon age when contributions begin. The District contribution rate for normal cost of the plan is based upon an actuarial valuation of the State plan as of June 1987 and has been set at .62% of annual compensation for teachers and 2.94% for other employees.

NEWMARKET SCHOOL DISTRICT
NOTES TO FINANCIAL STATEMENTS

For the fiscal year ended June 30, 1987 the normal cost of the retirement plan to the District was \$10,999. The amount, if any, of the excess vested benefits over pension fund assets for the Newmarket School District is not available. At June 30, 1987, the District had no past service cost obligation.

Sick Leave

The Newmarket School District school teachers may accumulate up to 120 days of sick leave, for which an annual provision is made in the budget. The District does not record the cost of sick leave when earned, because no provision is necessary. Upon retirement, teachers are eligible to receive as a bonus, their total accumulated sick days times fifty percent (50%) times the then existing daily substitute teacher pay.

Inventory

Inventories are stated at the lower of cost or market value.

2. PURPOSE OF FUNDS AND ACCOUNT GROUPS:

The School District reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the School District and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental Funds

These funds are intended to provide recurring general services. They are controlled by a budget approved by voters.

General Fund - used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

Capital Projects - used to account for the revenue and the construction expenditures of the School District building addition and improvements.

Special Revenue - used to account for all revenues and expenses of Federal Fund programs received by the District.

B. Proprietary Funds

Enterprise Funds - these funds account for operations of entities that provide services or user charge, or other basis to the general public or for food service operations.

C. Fiduciary Funds

Trust and Agency Funds - these funds are used to account for assets held by the School District in a fiduciary capacity for various purposes including student activities funds. Receipts and expenditures of each fund are governed by statutes or local law.

NEWMARKET SCHOOL DISTRICT
NOTES TO FINANCIAL STATEMENTS

3. BUDGET:

The School District's budget represents functional appropriations as authorized by annual or special School District meetings. The School Board may transfer funds between operating categories as they are deemed necessary.

4. CHANGES IN LONG-TERM DEBT:

Bonds Payable - July 1, 1986	\$ -0-
Plus: Bonds issued	5,260,000
Less: Bonds retired	<u>-0-</u>
Bonds payable - June 30, 1987	<u>\$ 5,260,000</u>

On July 21, 1986 the School Board signed an authorization to approve and secure \$5.26 million from the New Hampshire Municipal Bond Bank for the construction of a new elementary school facility and gymnasium for the District as well as the renovation of the existing High School. The funds were received in August of 1986 and have been invested. The interest rates on the bonds range from 4.45% to 7.65%.

General Obligation Bonds:

General Obligation Bonds are direct obligations of the School District for which its full faith and credit are pledged, and are payable from taxes levied on all taxable property located within District boundaries.

The annual requirements to amortize the above noted debt including interest payments of \$3,815,414 are as follows:

<u>Year ended June 30,</u>	
1988	\$ 624,185
1989	606,137
1990	591,877
1991	576,424
1992-2006	<u>\$ 6,676,791</u>
TOTAL	<u>\$ 9,075,414</u>

5. EXPENDABLE TRUST FUNDS:

The expendable trust funds (capital reserve funds) at June 30, 1987 total \$133,203 which are being held for the expansion of school facilities. The MacAllen Fund total at June 30, 1987 was \$17,750. The interest being generated by this account will provide scholarship funds to qualifying students.

NEWMARKET SCHOOL DISTRICT
NOTES TO FINANCIAL STATEMENTS

6. OPERATING LEASES:

The following represent material leases of the School District which are one year or less:

Bus Contract	\$	55,080
--------------	----	--------

7. MS 25 REPORT FOR FISCAL YEAR ENDED JUNE 30, 1987

	<u>MS-25 Report</u>
Fund Balance	\$ 168,411
Other receivables	2,130
Transfers from Capital Projects	227,120
Other payables	<u><509></u>
	<u>\$ 397,152</u>

8. State law requires that the Food Service Fund balance not exceed the average monthly expenditure for the fiscal year multiplied by a factor of three months. Newmarket is in compliance with that law.

9. On July 23, 1987, the School Board voted to encumber \$100,000 of the District's June 30, 1987 surplus for replacing the School District's underground fuel storage tanks as well as to defer any costs which may evolve from the reconstruction of the new gymnasium wall. (See Note 10)

10. The District is currently in disagreement with a former architect and/or contractor involved in the construction project at the high school. The contract between the parties designates that unresolved disputes are to be heard by an arbitrator. The amount of the disagreement is approximately \$100,000.

Newmarket School District
Newmarket School Board
Newmarket, New Hampshire 03857

To the School Board:

We have examined the financial statements of the Newmarket School District as of June 30, 1987 and for the year then ended, and have issued our report thereon, dated December 10, 1987. Our examination was made in accordance with generally accepted auditing standards and the standards for financial and compliance audits contained in the Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the U.S. General Accounting Office and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Our examination was made for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying Schedule of Federal Financial Assistance is presented for purposes of additional analysis and is not a required component of the financial statements. The information in that Schedule has been subjected to the auditing procedures applied in the examination of the financial statements of the District and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

CERTIFIED PUBLIC ACCOUNTANTS

NEWMARKET SCHOOL DISTRICT

NOTES TO SCHEDULE OF FEDERAL FINANCIAL ASSISTANCE PROGRAMS

June 30, 1987

A. AUDIT SCOPE

All operations related to the District's Federal Education Grants are contained in the scope of the OMB Circular A-128 Audit Requirements for Audits of State and Local Governments (the Single Audit concept).

Compliance testing of all general requirements, as described in the attached Compliance Supplement, were performed. Compliance testing of specific requirements was also performed on each of the programs.

B. PERIOD AUDITED

Single audit testing procedures were performed for District Federal Grant transactions during the year ended June 30, 1987.

C. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Newmarket School District conform to generally accepted accounting principles for local educational governmental units. The following is a summary of significant accounting policies.

Basis of Accounting

Governmental funds, including the accompanying Schedule of Federal Financial Assistance, utilize the modified accrual basis whereby revenues are recorded when measurable and available. Expenditures are recorded when the liability is incurred (accrual basis).

PRACTICE SECTION

Newmarket School District
Newmarket School Board
Newmarket, New Hampshire 03857

To the School Board:

We have examined the financial statements of Newmarket School District for the year ended June 30, 1987, and have issued our report thereon dated December 30, 1987. As a part of our examination we reviewed and tested the School District's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards, and the standards for financial and compliance audits contained in the U.S. General Accounting Office Standards for Audit of Governmental Organizations, Programs, Activities and Functions. Under these standards the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable but not absolute assurance as to the safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily requires estimates and judgments by those managing the Newmarket School District affairs.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness, or any other of several factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented intentionally by those managing the Newmarket School District affairs with respect to the estimates and judgments required in the preparation of financial statements.

Further projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the Newmarket School District system of internal accounting control for the year ended June 30, 1987, which was made for the purpose set forth in the first paragraph above, would not necessarily disclose all weaknesses in the system. However, such study and evaluation disclosed the following conditions that we believe should be corrected as soon as possible.

NEWMARKET SCHOOL DISTRICT

Internal Accounting Control Recommendations

For the Year Ended June 30, 1987

Previously Mentioned Recommendations:

Outside Services (School and SAU)

Payments made to individuals concerning personal services should be accounted for on a calendar year basis. This is the responsibility of the payer to account for payments in excess of \$600.00 to any one individual in a particular calendar year.

These payments are reported on federal tax forms titled 1099 (similar to W-2 procedures). These outside services would apply to such persons as athletic officials and any other person who receives \$600.00 or more in any one calendar year.

General Ledger System:

All transactions for the School District should be maintained on a modified accrual basis, (general fund) as required by the New Hampshire Financial Accounting Handbook. This would mean that cash receipts, cash disbursements, accounts receivable, and accounts payable should be recorded on a consistent basis when supplying financial information to the School Board. A double-entry system is needed to conform with these recommendations.

Failure to record receivables and payables distorts the fund balance of the School District. This can cause over or under spending and lead to poor managerial decisions.

Property and Equipment (School and SAU)

The School District does not maintain records of general fixed assets as a matter of policy. Such assets would consist of such items as: land, buildings, furniture and fixtures, equipment, vehicles, etc. The recording of fixed assets fulfills the stewardship needs to provide for physical and dollar value control, and establishes accountability for capital expenditures over the years.

With the recording of fixed assets, the related depreciation could be determined on an annual basis for the purpose of measuring total costs of the School District's services and evaluating the efficiency of programs. This would be particularly true with the food service fund. In addition, there has been an increasing trend in government grants which consider depreciation as a reimbursable cost.

NEWMARKET SCHOOL DISTRICT

Internal Accounting Control Recommendations

For the Year Ended June 30, 1987

School Lunch Program (School)

The School lunch program is a very active financial program within the School system. Yet, no effective system of accounting control over its operation is in place at this time. Though the system has changed from past years, the system still does not balance the weekly receipts with the bank deposits or the daily student count with the tray count. Also, not all lunch invoices indicate the receipt of the goods by an authorized signature nor do all invoices indicate approval for payment.

Activities Funds (SAU, School Board, Treasurer)

The activity funds at the Schools are under the care and custody of the School Board. It is their responsibility to see that the funds are properly collected, expended, recorded, and secured.

Currently, the activities funds are being used as an "advance" for the general fund. The office fund, in particular, receives proceeds from the soda machine, reimbursements from classrooms for book purchases, and so on. There is no accounting trail to document the receipt of these funds. Expenditures from the office fund include donations, travel reimbursements, principals conference, AAA, coffee, cookies, and donuts, just to name a few. The revenue in this fund belongs to the students. The funds cannot be used as the school department pleases.

We recommend the following: First, that the School Board maintain tighter control over the operation of these funds. Second, that the funds be transferred to an interest bearing account. Third, that a separate "Office Fund" checking account be established via an advance from the General Fund. All transactions within the account should be fully detailed and documented. This account will be used to handle all general fund type expenditures as well as reimbursed expenses such as books purchased through the school by the students. Fourth, the title of the existing Office Fund account should be changed to the "Soda Fund". The activity shown in this account should reflect income generated for benefit of the students and payment for related expenses. The income provided by this account should be utilized for the benefit of the entire student body. Fifth, the balance in the Office Fund as of June 30 should be returned to the General Fund. Sixth, monies from graduated classes should be turned over to a class representative. Seventh, the \$833.32 balance in the Home Economics Account be returned to the General Fund in accordance with School Board vote of April 3, 1986.

NEWMARKET SCHOOL DISTRICT

Internal Accounting Control Recommendations

For the Year Ended June 30, 1987

Purchasing/Receiving (School, SAU, School Board)

Proof of receipt of goods or services is an area which merits attention. When invoices are paid, most are approved for payments by the principal. However, there is seldom an indication on the invoice or the attached paperwork indicating proof of receipt of the goods. If the principal's signature on the invoice is serving a dual purpose, acknowledging receipt of goods and approving payment, then let the District reduce that policy to writing. Otherwise, we recommend that all goods and services received by the District be acknowledged by a responsible official's signature or a receiving or packing report. This documentation should then be matched with an invoice, paid and jointly filed in a paid invoice file. The SAU employees should be made aware of the policy adopted.

Additional Recommendations

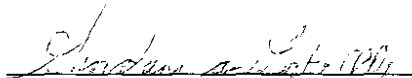

With fiscal year end June 30, 1987 being a transition year, much activity took place which lacked fundamental accounting controls; the General Ledger was out of balance for much of the year; the payroll records did not balance to the reports filed with Internal Revenue Service; detail expenditure reports were not available, etc. In the new fiscal year, there should be a concentrated effort to establish accounting controls and procedures to augment sound financial reporting practices.

We feel very strongly that the institution of the above outlined procedures will lead to more reliable and responsible financial reporting. With government funding being as it is, we know how important reliable financial reporting can be.

We would like to thank everyone involved with the audit for their help and cooperation.

If you have any questions regarding the audit or if we may be of further assistance, please do not hesitate to contact us.

Very truly yours,

GIORDANI & LORTIE, PROF. ASSN.

NEWMARKET
TOWN
WARRANT

**WARRANT
STATE OF NEW HAMPSHIRE
TOWN OF NEWMARKET**

To the inhabitants of the Town of Newmarket, in the County of Rockingham, in said State, qualified to vote in the Town affairs:

You are hereby notified to meet at the Newmarket Elementary School, in said Town on Tuesday, the 8th day of March 1988, to vote on the following Articles:

The Polls will close and action by balloting on the Article(s) will cease at 7:00 P.M. The ballots will then be counted and the results announced.

Further, in compliance with action provided by the Town meeting, March 10, 1981, Article 22, it was voted to restrict the second session to weekday evenings, starting no earlier than 7:00 P.M. Therefore, the second session of Town meeting will be held Thursday, March 10, 1988 at 7:00 P.M. at the Newmarket School Gym.

Polls Open — March 8, 1988
10:00 A.M. to 7:00 P.M.

ARTICLES

Article 1. To choose all necessary Town Officers for the ensuing year.

Article 2. To see if the Town will adopt the provisions of the ordinance governing Bicycle and People Powered Vehicles as adopted by the Board of Selectmen on July 29, 1987? *passed*

Article 3. To see if the Town will adopt the provisions of the ordinance governing an increase in parking fines as adopted by the Board of Selectmen on August 12, 1987? *passed*

Passed **Article 4.** To see if the Town will vote to raise and appropriate the sum of \$537,000. for the Road Reconstruction Fund and to authorize the issuance of not more than \$537,000. of bonds or notes in accordance with the provisions of the Municipal Finance Act (R.S.A. Chapter 33) and to authorize the Town officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon? (2/3 Ballot Vote Required.) Recommended by the Budget Committee.

passed
Article 5. To see if the Town will vote to raise and appropriate the sum of \$240,000. for the screening, conceptual design, state and federal approval of remedial action for the Mica pile and "M-2" plume and to authorize the issuance of not more than \$240,000. of bonds or notes in accordance with the provisions of the Municipal Finance Act (R.S.A. Chapter 33) and to authorize the Town Officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon?

(2/3 Ballot Vote Required.) **Recommended by the Budget Committee.**

Article 6. To see if the Town will vote to raise and appropriate for the purposes specified therein the sums of money as recommended by the Budget Committee?

passed
Article 7. To see if the Town will vote to allow a discount of two percent (2%) on all property taxes (paid in full), if paid within fifteen (15) days. Deadline for allowance of discount to be printed on tax bills?

passed
Article 8. To see if the Town will authorize the Board of Selectmen to apply for, accept, and expend money from the State, Federal or Governmental unit, or a private source, which becomes available during the fiscal year upon the conditions that, (1) the funds be used only for the legal purposes for which a Town may appropriate money, (2) that the Selectmen hold a public hearing on action to be taken, (3) that expenditure of other Town funds shall not be required, all in accordance with New Hampshire revised statutes annotated, Chapter 31, Section 95-b?

passed
Article 9. To see if the Town will vote to raise and appropriate the sum of \$59,500. for the purpose of a transfer station design, partial construction of a permanent bulky waste transfer station and associated costs for boring wells and lab work for the 1987 "M-2" study?

Recommended by the Budget Committee.

not

Not Recommended by the Budget Committee.

451,731 passed
Article 11. To see if the Town will vote to raise and appropriate the sum of \$41,056. and further to enter into an agreement with the N.H. Governor's Energy Office for the Street Light Replacement Demonstration Program; to convert the existing street lights in the Town to High Pressure Sodium lighting fixtures. Said agreement to

be contingent upon receipt of a grant from the Governor's Energy Office in the amount of \$5,640. which represents 15% of the equipment costs? *passed*

Recommended by the Budget Committee.

passed
Article 12 To see if the Town will vote to raise and appropriate the sum of fourteen thousand five hundred dollars (\$14,500.) to purchase a new Police Cruiser and to authorize the withdrawal of \$6,000. from Capital Reserve Fund created for that purpose?

Recommended by the Budget Committee.

passed
Article 13. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Five Hundred Eleven dollars (\$10,511.) for the acquisition of a S.P.O.T.S. Computer to be funded by the withdrawal of four thousand dollars (\$4,000.) from the Capital Reserve Fund created for that purpose and to authorize the receipt and expenditure of a Federal Highway Safety Grant in the amount of Five thousand two hundred fifty five dollars and fifty cents (\$5,255.50)?

Recommended by the Budget Committee.

passed
Article 14. To see if the Town will create and establish a capital reserve fund (pursuant to R.S.A. Chapter 35) for the purpose of revaluation of the town and to appropriate a transfer out in the amount of \$25,000. into this fund and to further authorize the Selectmen as agents of the fund?

Not Recommended by the Budget Committee.

no
Article 15. To see if the Town will vote to raise and appropriate the sum of \$5400. to contribute to a regional Household Hazardous Waste Collection Program. This program will enhance the proper disposal of hazardous household products such as paint thinners, solvents, pesticides and the like?

Not Recommended by the Budget Committee.

passed
Article 16. To see if the Town will vote to raise and appropriate the sum of \$5,588. to repair the Town Clock?

Recommended by the Budget Committee.

passed
Article 17. To see if the Town will vote to raise and appropriate the sum of \$30,000. to defray the cost of replacement of the Newmarket Public Library Roof?

Recommended by the Budget Committee.

Article 18. To see if the Town will vote to create and establish a Capital Reserve Fund for the purpose of acquisition of equipment for

passed
the Dispatch Center and appropriate the sum of \$2,000. to be further transferred into this fund as provided for under R.S.A. 35:1?
Recommended by the Budget Committee.

no
Article 19. To see if the Town will vote to raise and appropriate the sum of \$1,280. for the purchase of 13 new channel marking buoys and provides a stipend for placement and retrieval of the same?
Not Recommended by the Budget Committee.

passed
Article 20. To see if the Town will vote to raise and appropriate the sum of Two thousand nine hundred seventy-five dollars (\$2,975.) to assist the Newmarket/Exeter Child Care Centers, Inc., a non profit agency, located in the Town of Newmarket? (SUBMITTED BY PETITION.)

Recommended by the Budget Committee.

passed
Article 21. To see if the Town will vote to raise and appropriate the sum of \$5,265. to the Exeter Area Visiting Nursing Association for providing continued health care services to residents of the town? (SUBMITTED BY PETITION.)

Recommended by the Budget Committee.

passed
Article 22. To see if the Town will vote to raise and appropriate the sum of Eight hundred dollars (\$800.) to assist the Richie McFarland Children's Center in financing its efforts to provide services to developmentally delayed infants and toddlers who live in Newmarket? (SUBMITTED BY PETITION.)

Recommended by the Budget Committee.

passed
Article 23. To see if the Town will vote to raise and appropriate the sum of Five thousand five hundred dollars (\$5,500.) to purchase a sand-salt spreader for the Holder Sidewalk tractor?

Recommended by the Budget Committee.

passed
Article 24. To see if the Town will vote to raise and appropriate the sum of Thirty thousand dollars (\$30,000.) for the purchase of a new mosquito control truck and a Public Works truck?

Recommended by the Budget Committee.

renewed
Article 25. Are you in favor of limiting the increase in the property tax to 2% (two percent) of the previous year's property tax? In case of an emergency limit may be overridden by a two-thirds vote of a Town Meeting? (SUBMITTED BY PETITION.)

Not Recommended by the Budget Committee.

passed
Article 26. To see if the Town will appropriate the sum of \$8510.65 and accrued interest, which represents the unexpended balance in

the Federal Revenue Sharing Account, to be used for general road maintenance along Main Street?

Recommended by the Budget Committee.

W/C **Article 27.** Shall we adopt the provisions of R.S.A. 72:1-c which authorizes any town or city to elect not to assess, levy and collect a resident tax? *Will collect resident taxes.*

Recommended by the Budget Committee.

Article 28. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To establish a new zone, the residential coastal zone or RCZ, by adding proposed Section 302.8 to the present zoning ordinance and by making appropriate, corresponding changes to the official map and Tables 1 & 2 of the zoning ordinance, with this new residential coastal zone including the area designated as RCZ (upper) on the proposed official map and with the permitted uses and uses by special exception in the RCZ being the same as in the low density residential zone but with a minimum lot size requirement in the RCZ of three (3) acres? *not passed*

Article 29. Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To establish a new zone, the residential coastal zone or RCZ, by adding proposed Section 302.8 to the present zoning ordinance and by making appropriate, corresponding changes to the official map and Tables 1 & 2 of the zoning ordinance, with this new residential coastal zone including the area designated as RCZ (lower) on the proposed official map and with the permitted uses and uses by special exception in the RCZ being the same as in the low density residential zone but with a minimum lot size requirement in the RCZ of three (3) acres? *not passed*

Article 30. Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To establish a new zone, the commercial zone or CZ, by adding proposed section 302.7 to the present zoning ordinance and by making appropriate, corresponding changes to the official map and to Tables 1 & 2 of the zoning ordinance, with the commercial zone including the area designated as CZ (Rockingham Junction) on the proposed official map and with the dimensional requirements, town sewer connection requirements and permitted uses as specified in proposed Section 302:7 of the zoning ordinance? *pending*

Article 31. Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To establish a new zone, the commercial zone or CZ by adding proposed section 302.7 to the present zoning ordinance and by making appropriate, corresponding changes to the official map and to Tables 1 & 2 of the zoning ordinance, with the commercial zone including the area designated as CZ (Route 108 East) on the proposed official map and with the dimensional requirements, town sewer connection requirements and permitted uses as specified in proposed Section 302.7 of the zoning ordinance? *not passed*

Article 32. Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the Zoning Ordinance as follows: To amend the official map by changing certain sections thereof from high density and medium density to low density residential as shown on the proposed official map? *passed*

Article 33. Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To amend the section of the present zoning ordinance relative to the low density residential or LRD zone, Section 302.1 proposed by the Planning Board and by making appropriate, corresponding changes to Tables 1 & 2 of the zoning ordinance, which amendments would involve modifications of the permissible uses and uses allowed by special exception, an increase in the minimum lot size to two (2) acres and revisions to the minimum lot dimensional requirements? *passed*

Article 34. Are you in favor of the adoption of Amendment #7 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To amend present Section 302.2 (medium density residential or MDR zone), 302.3 (high density residential or HRD zone), 302.4 (town residential or TR zone), 302.5 (town center or TC), 302.6 (industrial park or IP zone) by substituting therefor the new sections 302.2, 302.3, 302.4, 302.5 and 302.6 proposed by the Planning Board and by making appropriate, corresponding changes in the permitted uses, uses permitted by special exception, minimum lot size and dimensional requirements in the MDR, HDR, TR, TC, and IP districts and imposing in certain of these specified districts additional requirements regarding Town water and/or sewer connections as set forth more fully in respective sections of the proposed amendment? *passed*

Article 35. Are you in favor of the adoption of Amendment #8 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To amend Section 305 relative to nonconforming uses by adding to subsection 305.2 thereof a new subsection C, which provides that to construct a one-unit dwelling on a nonconforming vacant lot, in addition to current requirements, the dwelling must conform to setback requirements for zone in which lot is located? *passed*

Article 36. Are you in favor of the adoption of Amendment #9 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To add a new section, 306, establishing limitations on the occupancy of a dwelling unit to one family or to four (4) persons not necessarily related by blood or marriage, with an exception for an accessory dwelling unit? *passed*

Article 37. Are you in favor of the adoption of Amendment #10 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To amend Section 401 relative to alternative design subdivisions by substituting for present Section 401 and its subsections the amended Section 401 and its subsections relative to cluster development? *passed*

Article 38. Are you in favor of the adoption of Amendment #11 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To amend Section 403 and its subsections relative to the shoreline conservation zone by substituting therefor a proposed amended Section 403 and its subsections relative to the shoreline conservation zone, thereby effecting some changes in the uses to which property within the shoreline conservation zone may be put and extending this zone an additional fifty (50) feet, from one hundred (100) feet to one hundred fifty (150) feet, along the shores of the specified bodies of water? *passed*

Article 39. Are you in favor of the adoption of Amendment #12 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To amend Article V, Sections 501-502.6, inclusive, relative to mobile homes by substituting therefor the amended Article V, Sections 501-502.6 and by making appropriate, corresponding changes to Tables 1 & 2, thereby modifying the ordinance with regard to the location of mobile home parks and buffer yards within said parks and making other changes with respect to mobile home parks? *passed*

Article 40. Are you in favor of the adoption of Amendment #13 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To amend Article VII, Section 701-751, inclusive, by

substituting therefor amended Sections 701-764 inclusive, thereby modifying or adding various definitions? *passed*

Article 41. Are you in favor of the adoption of Amendment #14 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To amend Section 901, Powers of Special Exception, by substituting therefor the amended Section 901, Powers of Special Exception, thereby modifying certain requirements for the granting of special exceptions? *passed*

Article 42. Are you in favor of the adoption of Amendment #15 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To Amend Article X, entitled "Amendment, Validity and Effective Date," by adding thereto new Section 1004, relative to the expiration of variances and special exceptions? *passed*

Article 43. Are you in favor of the adoption of Amendment #16 as proposed by the Planning Board for the Town Zoning Ordinance as follows: to amend the Zoning Ordinance by adding thereto a new article relative to signs and outdoor advertising? *passed*

Article 44. Are you in favor of the adoption of Amendment #17 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To change the reference to the 1980 Master Plan in Section 301 of the present ordinance to the 1988 Master Plan? *passed*

Article 45. Are you in favor of the adoption of Amendment #18 as proposed by the Planning Board for the Town Zoning Ordinance as follows: To adopt the Growth Management Ordinance as proposed by the Planning Board to replace the Interim Growth Management Ordinance? *passed*

Article 46. Are you in favor of increasing the Newmarket Board of Selectmen from three (3) to five (5) members to be first elected at the 1989 Annual Town Meeting. (SUBMITTED BY PETITION.) *passed*

passed **Article 47.** To see if the Town will vote to continue yearly appropriations for the maintenance and electrical costs to the Town Clock located in the Community Church Steeple?

passed **Article 48.** Shall we adopt the provisions of R.S.A 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes? (SUBMITTED BY PETITION.)

passed
Article 49. To see if the Town will re-affirm the vote taken at the March 4, 1975 Town Meeting, Article 27, whereby the Town agreed to pursue application to H.U.D. for funds granted under the Housing and Community Development Act, further, in conjunction with the Cooperation Agreement between the Town of Newmarket and the Newmarket Housing Authority vote to pursue application for the balance of the 25 outstanding units? (SUBMITTED BY REQUEST OF HOUSING AUTHORITY.)

Passed
Article 50. To see if the Town will vote to designate BAY ROAD as a scenic road from its origin at Route 108 to the Newmarket/Durham Town Line under the provisions of R.S.A. 231:157 and R.S.A. 231:158, for the purposes of protecting and enhancing the scenic beauty of the Town of Newmarket? (SUBMITTED BY PETITION.)

Article 51. To see if the Town of Newmarket will vote to regulate any and all types of real estate signs (for sale, for lease, Open House, etc.) whereas only one type of sign can be posted and utilized and only on that one particular piece of property up for sale or lease, and nowhere else? (SUBMITTED BY PETITION.) *not valid*

27
Article 52. To see if the Town of Newmarket will vote to rescind Article 22 in the 1985 Annual Report Booklet, returning jurisdiction of regulations of excavations and sand and gravel pursuant to R.S.A. Chapter 155-E:11 to normal Planning Board authority? (SUBMITTED BY PETITION.)

No
Article 53. To see if the Town of Newmarket will say NO to the creation of a full time position of Code Enforcement Officer and related funding, to continue with a part-time Building Inspector and part-time Health Officer? (SUBMITTED BY PETITION.)

Not Recommended by the Budget Committee.

Article 54. To see if the Town of Newmarket will vote to agree not to post any special Town Meeting during the Summer vacation months of July and August through the second (2nd) Friday in September? (SUBMITTED BY PETITION.) *not valid*

Article 55. To see if the Town of Newmarket will vote to exclude tax increases and/or re-assessments of single and duplex privately owned and occupied dwellings by the owner of record, who shall fix, repair, replace, his roof, which action shall be considered normal maintenance, and that no building permit be required for this maintenance regardless of cost of labor or materials? *not of record*
(SUBMITTED BY PETITION.)

Article 56. To see if the Town of Newmarket will vote to cancel/rescind/terminate Article IV Special Districts & Provisions Sections 401: Cluster Developments entirely, previously referred to in 1984 Zoning Ordinance as Alternative Design Subdivisions, should the proposed 1988 Zoning Ordinance be voted in by the Town of Newmarket? (SUBMITTED BY PETITION.) *out of order*

Article 57. To see if the Town of Newmarket will vote to cancel/rescind/terminate page eleven (11) of the 6 November 1984 Zoning Ordinance which refers to Section 401: Alternative Design Subdivision? (SUBMITTED BY PETITION.) *out of order*

Given under our hands and seals this 19th day of February, in the year of our Lord, nineteen hundred and eighty-eight.

Joanne Hauschel
Ronald C. Bird
Richard F. LaBranche
Selectmen of Newmarket, N.H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the times and places and for the purpose within mentioned by posting an attested copy of the warrant at the place of meeting within named, and like copies at the Post Office and St. Mary's School. Being public places in said Town, on the 19th day of February, 1988.

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Newmarket qualified to vote in district affairs:

You are hereby notified to meet at the High School in said district on the fifteen day of March 1988, at seven o'clock in the evening to act upon the following subjects:

1. To hear reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.
2. To see if the district will vote, under the provisions of RSA 198:20-b, to authorize the School Board to apply for, accept and expend without further action by the School District Meeting, money from any source which becomes available during the 1988-89 school fiscal year provided that such expenditure be made for the purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
3. To see if the district will vote to raise and appropriate \$20,000 to repair/replace the roof over the old section of the Central School. (Recommended by the Budget Committee)
4. To see if the district will raise and appropriate \$50,000 to replace the oil tank at the Central School as required by law. (Recommended by the Budget Committee)
5. To see if the district will raise and appropriate \$25,650 to pave the existing areas and to build and pave the new driveway on the east end of the Central School. (Recommended by the Budget Committee)
6. To see if the district will raise and appropriate \$3,000 for asbestos testing and management planning at the Central School. (Recommended by Budget Committee)
7. On petition of ten or more to see if the district will limit the increase in the property tax to 2% (two percent) of the previous year's property tax. (Not recommended by Budget Committee)
8. On petition of ten or more legal voters to see if the district will vote to raise and appropriate a sum of \$7,500 for half the cost of consultation, design, materials and construction of a playground at the Newmarket Elementary School, with the remaining amount of \$7,500 to be contributed by the Newmarket Elementary Parent Teacher Association. (Recommended by Budget Committee)

9. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for the School District officials and agents, and for the payment of statutory obligations of the District.

10. To transact any other business which may legally come before this meeting.

Given under our hands at said Newmarket this _____ day of _____ 1988.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the date of the meeting.
