DEDICATION

The Honorable Frank M. Schanda

Frank lived his entire life here in Newmarket growing up on the family farm with his many brothers and sisters on what is now Grant Road. Following the attack on Pearl Harbor in 1941 he immediately enlisted in the Marine Corps and found himself performing his first public service by landing on Guadalcanal in August of 1942 with the 1st Marine Division. A former President said “some people live an entire lifetime and wonder if they have made a difference in the world, but marines don’t have that problem”. Frank began early making a difference there and later here in Newmarket.

He began his local public service as the Town Moderator in 1951 and continued in that position until 1973. He served as a Selectman for 7 terms from 1953-1959 and later from 1965 to 1980. Following a “retirement” of ten years Frank served ten years on the Newmarket Housing Authority from 1990 to 2000. In 1996 he was elected to the New Hampshire General Court and served two terms in Concord as a member of the Criminal Justice and Public Safety Committee and also as a member of the Rockingham County Executive Committee until his death in June. Frank had a career of public service that spanned seven decades and continued until his untimely passing.

Frank’s leisure time activities of hunting, fishing and golfing were always planned around his various public service obligations and he is remembered as a straight shooter, a dedicated public servant, and for his crooked golf shots, dry wit, and ever present cigar.

This is the second dedication of a town report for Frank as he was so honored in 1980.

*TOWN OF NEWMARKET, NEW HAMPSHIRE
A PROCLAMATION*

WHEREAS, The Town of Newmarket is pleased to honor its most important senior citizen;
and

WHEREAS, The Town of Newmarket reserves such occasions to bestow custody of a copy
of the Boston Post Cane upon the Town's oldest and most worthy resident; and

WHEREAS, Charles Norton was born in the Town of Newmarket on July 14, 1903. Son of
Carl E. Norton, and Elsie M. French Norton; and

WHEREAS, there is no other resident of the Town of Newmarket known to have attained or
surpassed this age milestone; and

WHEREAS, Charles Norton has been nominated to be the recipient of the Boston Post Cane
in recognition of his distinguished age of ninety-seven years.

NOW THEREFORE, the Town of Newmarket is pleased to present Charles Norton with a
copy of the Boston Post Cane, to have for as long as he may desire; and

FURTHERMORE, the Town of Newmarket shall proudly display the Boston Post Cane and
engraved plate bearing the name of Charles Norton so that present and future generations will
know of the high esteem by which he is held in the forethought's of the Newmarket Town
Council.

Given at the Dover Rehab & Living Center, this 17th day of January, in the year of our Lord,
two thousand and one.

Presenting Charles Norton
with the Boston Post Cane
along with a Proclamation
from the Town Council are
Phil LePage, Council Chair,
and Town Administrator
Al Dixon.

REPORT OF THE NEWMARKET TOWN COUNCIL

The Council wishes to thank the many residents who continue to volunteer their time and expertise to the many boards, commissions, committees and organizations in Newmarket. It seems that never before have so many become involved and worked together so well to facilitate a planned Newmarket future and a great present. Space does not allow thanking all groups individually, but we would like to mention the special efforts of the Newmarket Gardeners. Their hard work has truly beautified Newmarket with plantings that are the envy of surrounding towns. The Council formally recognized their contributions this past year. Recently, the Council approved the merger of the Newmarket Fire Department and Ambulance Division. The members of Newmarket Fire and Rescue and their families deserve special thanks for their selfless volunteerism and on-going efforts to enhance public safety in our community.

As we begin the 21st century, the Town of Newmarket will bear witness to the inception of significant progress with respect to the adaptive reuse of our abandoned historic mill buildings. Three years ago, voters approved the establishment of two tax increment finance districts. This bold move significantly helped to facilitate the work that is currently in progress. We are now viewed as a community that is willing to invest in itself to help guarantee a great future. Soon life will return to the Bay Road side and Newmarket will experience the largest single project tax base increase in the last ten years. It is already becoming apparent that this project may be the catalyst for the adaptive reuse of the remaining portions of the mill complex on Main Street. The next several years will also witness the complete revamping of Main Street. The Downtown TIF District and Black Bear TIF District Advisory Committees were both established in the last year to assist in the overall facilitation of this process.

Some critical issues have been dealt with in the past year. Last year we reported on Newmarket's top priority: tax rate stabilization. Some communities had enacted impact fees as part of a long-term solution. Voters last year said yes to impact fees. Since then, the Planning Board, Town Council and Administration have worked diligently and now Newmarket has these fees in place, coupled with the most extensive and comprehensive capital improvements planning in our community's history. Because of our geographical location and demographic trends in the seacoast area of New Hampshire in general, Newmarket can expect to experience significant population growth over the next several decades. Capital expenditures for schools, recreation, road improvements, water, sewer and fire protection are inevitable. The nest egg that impact fees will provide will substantially insulate the taxpayer from tax rate spikes that these future improvements would otherwise create.

In the course of the last year, it became very apparent that there was a critical lack of affordable senior housing in Newmarket. Seniors went to work. The Planning Board went to work. The Council went to work. A developer was selected. Zoning to facilitate the placement of senior housing just about anywhere in Newmarket is about to be adopted. Hopefully, there will be some groundbreaking in the next 12 to 18 months that

will begin to address this critical need. We extend our thanks to all those who worked so diligently to keep this process on the fast track.

We reported last year on the potential establishment of a Historic District Commission. With the help of Linda Wilson and Nancy Dutton of the New Hampshire Division of Historical Resources, Newmarket's Advisory Heritage Commission is in place and already at work. We are now part of a small elite group of New Hampshire cities and towns that have established heritage commissions. Newmarket has an incredible stock of 19th century buildings in the downtown village area. It is only a matter of time before more property owners begin to capitalize on this resource, and coupled with the imminent infrastructure improvements downtown, we expect to see a dramatic increase in property values. The subsequent impact on our tax base is evident.

Last year we also reported on the work of the Newmarket Tomorrow Committee. This large dedicated group has since concluded its work and provided an extremely valuable master plan for downtown. The Council endorsed all recommendations and would like to thank all those involved for their efforts. Through their hard work it is clearly further evident that downtown Newmarket is on the leading edge of an incredible renaissance.

Lastly, we would like to comment on the Town of Newmarket's fiscal status. Please take the time to review the audited financial statements included in this publication. Under the diligent and careful stewardship of Al Dixon, Town Administrator, and Melodie Hodgdon, Finance Director, Newmarket's fiscal house is in incredibly good order. Careful management and fund balance maintenance at reasonable levels has enabled our town to take advantage of opportunities that arise. The recent voter-approved acquisition of land for parking at the Town Hall is an excellent example. Had fund balances not been adequately maintained, a critical opportunity could have been missed or cost the taxpayers much more at a later date. Fiscal conservatism and extreme accountability are clearly evident in the corner office at Town Hall. Our current administrative staff is doing an excellent job!

As always, we invite citizen input and ideas on "all" issues. Working together, we can continue to build the Newmarket of the future – the Newmarket we can all be proud of.

Respectfully submitted,

Philip G. LePage
Chair, Newmarket Town Council

Katharine L. Lockhardt
Vice-Chair, Newmarket Town Council

REPORT OF THE TOWN ADMINISTRATOR

I am pleased to have the opportunity to address the residents of Newmarket, and with the assistance of a capable staff, present a summary of the major accomplishments made on your behalf in the past fiscal year ending June 30, 2000. We have continued to enhance the financial strength of your town, construct improvements to our aging infrastructure, and obtain additional grant funds to assure the implementation of projects that have simply been visions in the past. The past year has been a busy and productive time for your municipal staff. Significant staff activities have included facilitating the visioning process for the Newmarket Tomorrow Committee, developing and implementing an Impact Fee Ordinance, providing support services to the Black Bear and Downtown Tax Increment Finance Advisory Committees, placing a new fire truck and ambulance in service, merging the Fire and Ambulance Divisions, and overseeing the reconstruction of the Elm Street and Nichols Avenue neighborhoods. The Public Works Staff deserves a special recognition this year for the admirable way in which they have kept our highways clear and safe for us to travel when Mother Nature dished up the toughest winter since 1995. The Administrative Staff, with the cooperation of the Department and Division Heads, have endeavored to be good stewards of the public funds you have entrusted us with, and I am pleased to state that all major departments lived within their respective budgets and the General Fund Balance grew from \$718,000 to \$1.2 million. This achievement, combined with controlling the growth in the cost of municipal services and the implementation of Impact Fees, will allow your municipal leadership to significantly stabilize the property tax burden as you struggle to pay your taxes to support the essential services you expect from your Town government. However, we still have to recognize that we need to attract more taxable investment to our community in the form of business and industry that will contribute more to the revenue side of our financial statement than they add to the cost of providing services to our people.

Last year I reported that by pulling together as a team, the municipal staff garnered more than \$700,000 in grant funds to implement community improvement projects. This year we successfully secured over \$800,000 in grant funds. These funds mean we will move ahead with rebuilding our Main Street at minimal cost to the local property taxpayer, and accomplish improvements at our Wastewater Treatment Plant at a substantially reduced cost to the users. Newmarket is truly entering an era of transition. The transition started last year with the start of construction on the Elm Street Project. It has continued with the announcement by the Newmarket Community Development Corporation that they had signed a private sector investment deal with the Chinburg Group to redevelop the McCallen Mills. This Project and the Elm Street Project effectively reverses the trend of many years of diminished investment in Newmarket's Village Business District by both the Town and the private sector. This is the new beginning many of us have been working for, but the work is just beginning. In the next several months, a group of citizens will be selecting a firm that will assist us in developing the plan that will result in the most significant public investment in the downtown since Newmarket's incorporation as a town. It is envisioned that this investment will entice the business community to invest in their existing properties and to encourage new private sector investment in revitalizing the remaining mill buildings located on our Main Street.

A significant amount of time has been and will be expended in our efforts to encourage investment in our downtown. This project will take several years to complete, but hopefully the projects that have been initiated to date meet with your approval and we can look forward to your continued involvement and support. This endeavor is a very important component that will lead to Newmarket's renewed economic vitality. The remaining component, in my opinion, is the development of the "Black Bear Business Park". It is as important, if not more important, because it will mean totally new private sector investment and will further feed the economic growth of our existing small businesses in the downtown business district. The Black Bear TIF Committee will be presenting the Town Council with a proposal to redefine the TIF District and to recommend a renewed emphasis to develop Black Bear Business Park in the very near future.

We are a community in transition, and I feel we are well prepared financially to deal with the changes and the challenges we will face if we continue to work together. We are prepared financially to deal with the transition we face mainly because you the people have offered your support to your municipal leadership's efforts to build reasonable financial capacity in a slow, calculated, and affordable manner. Renderings of the visions of the possible transitions/changes, as developed by the Newmarket Tomorrow Committee, are included within this Annual Report. The renderings have been included to specifically provoke and invite public comment and interaction. Please provide us the benefit of your thoughts. Call the Town Administrator's Office and tell us what your ideas are for possible landscape changes in town.

As you review the reports of the various Department and Division Heads, the report of the Certified Audit firm, and the proposed budget for the coming year, please feel free to contact or drop into the Town Administrator's Office if you have questions, suggestions, or concerns. I look forward to serving the needs of the residents of Newmarket in the coming year, and I wish to thank you for the cooperation you have provided me and the entire municipal staff.

I want to take this opportunity to thank the many residents who have volunteered their time and talents to the numerous boards, commissions, committees, and organizations that aid your municipal leadership in our efforts to improve our community.

In closing, I would like to acknowledge the cooperation and support I have received from the Town Council and municipal staff. The progress we have made is the direct result of the teamwork of a dedicated group of municipal employees, who have my utmost respect. I want to acknowledge the 20-year service record of Madeleine St. Hilaire to the people of Newmarket. Madeline is retiring May 31, 2001. I hope you will all join me in saying "Thank you Madeleine; may you enjoy a healthy and lengthy retirement. We will miss your friendly smile and sense of humor." Come back and visit us often.

Respectfully Submitted,
Alphonse R. Dixon

OFFICE OF THE
TOWN CLERK

INCORPORATED
DECEMBER 15, 1727
CHARTER JANUARY 1, 1991

Annual Town Meeting
Newmarket NH 03857
First Session
Minutes
April 4, 2000

Charles Smart the Town Moderator opened the meeting at 6:30 PM. He proceeded by reading the warrant and setting some ground rules.

Approximately 49 registered voters attended the deliberative session.

Al Dixon, Town Administrator spoke on the 2000/2001 budget. He explained some of the warrant articles to be discussed at this meeting and stated what affect the budget and warrant articles would have on the towns' portion of the tax rate.

The moderator then proceeded with the warrant articles before us.

Article 1. To choose all necessary Town Officers for the ensuing year.

Budget Committee	Three (3) for three years
Budget Committee	One (1) for one year
Moderator	One (1) for two years
Planning Board	Two (2) for three years
Supervisors of the Checklist	One (1) for six years
Town Council	Two (2) for three years
Town Council	One (1) for two years
Town Clerk/Tax Collector	One (1) for three years
Trustee of Trust Fund	One (1) for three years
Trustee of Library	One (1) for three years

This article will be voted on at the Town Elections to be held on May 9, 2000.

Article 2. Charter Amendment – Rescind Unnecessary Public Hearing

Shall the Town of Newmarket approve the Charter amendment reprinted below?

Please note the proposed deletions are underlined and proposed additions are in **bold type**.

Section 5.4.E

“A public hearing shall be held by the Town Council on the results of the first session at least 10 days, but not more than 20 days, before the second session. Notice of the hearing shall be posted in at least 2 public places in the town and published in a newspaper of general circulation at least 7 days prior to the date of the hearing.”

Delete entire section.

(This language corresponded to RSA 40:13V when the Senate Bill 2 legislation was adopted in the Charter. Since then RSA 40:13V was repealed.)

Recommended by the Town Council.

A motion to accept this article was made by Larry Pickering and seconded by Ranan Cohen. The moderator asked for discussion and there being none he called for a hand vote and the **article passed**.

Article 3. Sewer Outfall Pipe Bonding

To see if the Town of Newmarket will vote to raise and appropriate the sum of \$600,000 (gross budget) for the construction of a Sewer Outfall Pipe as prescribed in the Administrative Order from the US Environmental Protection Agency, and to authorize the issuance of not more than \$600,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (3/5 ballot vote required)

Recommended by the Town Council and Budget Committee.

A motion was made by Joe LaMattina and seconded by Phil Lepage. A discussion was held as to whether this was a firm figure and if this cost would increase the sewer fees. We were cautioned if this article does not pass and we do nothing we would be fined by the EPA and the work would still have to be done due to the order from the EPA.

The moderator called for a hand vote and the **article passed**.

Article 4. Rescind Landfill Closure Bonding

To see if the Town of Newmarket will rescind the May 11, 1993 vote authorizing the issuance of not more than \$1,902,500 of bonds or notes to finance the closure of the landfill off Ash Swamp Road in accordance with the provision of the Municipal Finance Act (RSA 33). The bonds were not needed since the costs were captured through United Technologies, Harvard Industries, insurance claims, grants from the State of NH and a prior bond issuance approved on March 8, 1988 of \$240,000. (3/5 ballot vote in SB2 towns)

Recommended by the Town Council and Budget Committee.

A motion to accept was made by Ranan Cohen and seconded by Karen Johns.

A hand vote was taken and the **article passed**

Article 5. Downtown Infrastructure Trust Fund

To see if the Town will vote to create a non-expendable general trust fund under the provisions of RSA 31:19-a to be known as the Downtown Infrastructure Trust Fund, for the purpose of providing funding to maintain public infrastructure within the established Downtown Tax Incremental Funding District and appropriate the sum of One Dollar (\$1.00) toward this purpose and to designate the Town Council as agents to expend from said fund. (Majority ballot vote)

Recommended by the Town Council and Budget Committee.

A motion to accept was made by Scott Foster and seconded by Joe LaMattina.

A question was asked as to the purpose of the fund and Al Dixon explained this would be used specifically for the downtown and was needed to set up the account for future grants, donations etc.

A hand vote was taken and the **article passed**.

Article 6. Aquifer Protection Easement Funding

To see if the town will raise and appropriate the sum of Seventy-two Thousand Five Hundred Dollars (\$72,500.00) to be placed in the 1999 established Aquifer Protection Easement Trust Fund. [Tax rate will increase by twenty five cents (\$.25) per thousand this year.] (Majority ballot vote)

Recommended by the Town Council and Budget Committee.

A motion to accept was made by Phil Lepage and seconded by Lorianne Caprioli.

After some discussion the moderator called for a hand vote and the **article passed**.

Article 7. Impact Fee Ordinance

To see if the town will raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) to be used to establish an impact fee schedule and ordinance that allows fees to be charged based on new construction that would impact the growth of the school's infrastructure. [Tax rate will increase four cents (.04) per thousand this year.] (Majority vote)

Recommended by the Town Council and Budget Committee.

A motion to accept was made by Scott Foster and seconded by Bill Healy.

Al Dixon explained the money would be collected when the building permit was paid for and this would be placed in reserve for six years. If the community at large fails to appropriate the costs associated with the capital improvement this would result in re-payment of principal and interest accrued to the party who originally paid the impact fee.

After some discussion the moderator asked for a hand vote and the **article passed**.

Article 8. Operating Budget

To see if the Town will vote to raise and appropriate for the purpose specified therein for the fiscal year 2000/2001 Operating Budget, the sums of money recommended by the Town Council and the Budget Committee.

(Town Council and Budget Committee Recommended \$5,937,329.00)

A motion to accept was made by Chief Rod Collins and seconded by Judy Ryan.

There being no discussion the moderator called for a hand vote and the **article passed with the operating budget at \$5,937,329.00**.

Article 9. Other Business

To transact any other business which may legally come before this meeting.

Recommended by the Town Council

A motion was made and seconded not to transact any other business before this meeting. All were in favor.

Non-Binding Referendum

Article 10. New Hampshire Land and Community Heritage

To see if the Town will vote to send the following resolution to the New Hampshire General Court

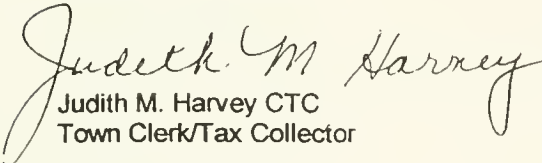

Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources.

A motion to accept was made by Judy Ryan and seconded by Priscilla Shaw. A discussion was held and Jim Hilton explained the importance of this referendum.

A hand vote was taken and the **article passed**.

A motion to adjourn was made by Scott Foster and seconded by Karen Johns. All were in favor and the meeting adjourned at 7:33 pm.

Respectfully Submitted,

Judith M. Harvey CTC
Town Clerk/Tax Collector

OFFICE OF THE
TOWN CLERK

INCORPORATED
DECEMBER 15, 1727
CHARTER JANUARY 1, 1991

**Town of Newmarket
Second Session
Annual Town Meeting
May 9, 2000**

Elections were held at the Newmarket Town Hall.

Specimen ballots were posted along with the absentee list.

Supervisors of the checklist were: Jennie Griswold, Martha McNeil and Jane Arquette.

Tally clerks were: Dorothy Nash, Ethel MacIntosh, Becky Yeaton, Lillian Charron ®. Doris Nelson, Elaine Puchlopek, Helen Pelezar and Sandy Allen (D).

The Moderator Charles Smart and the Town Clerk Judith Harvey.

The ballots were verified and counted on May 2, 2000 at 4 PM. with the Town Clerk, Moderator and a registered voter.

Note: Total registered voters 6308.
957 votes were cast.

The warrant was read and the polls declared open at 7:00 AM.

Priscilla Shaw was sworn in as Assistant Moderator for this election.

Results of the election are as follows:

Article #1. To choose all necessary Town Officers for the ensuing year.

For Budget Committee for three years (Vote for three)

*Joseph LaMattina	667 votes
*Drew Kiefaber	45 write in votes

Larry Pickering received 17 write-in votes but has refused the position.

Budget Committee will appoint third member until the next town election.

For Budget Committee for one year (Vote for one)

Drew Kiefaber received 21 write in votes but declined this position to accept the three year position.

Budget committee will appoint a member until the next town election.

For Moderator for two years (Vote for one)

Ronald Lemieux received 15 write in votes but declined the position.

Moderator will be appointed by the Supervisors of the Checklist.

Article 2. Charter Amendment – Rescind Unnecessary Public Hearing

Shall the Town of Newmarket approve the Charter amendment reprinted below?

Please note the proposed deletions are underlined and proposed additions are in **bold type**.

Section 5.4.E

“A public hearing shall be held by the Town Council on the results of the first session at least 10 days, but not more than 20 days, before the second session. Notice of the hearing shall be posted in at least 2 public places in the town and published in a newspaper of general circulation at least 7 days prior to the date of the hearing.”

Delete entire section.

(This language corresponded to RSA 40:13V when the Senate Bill 2 legislation was adopted in the Charter. Since then RSA 40:13V was repealed.)

574 Yes 180 No

Article 3. Sewer Outfall Pipe Bonding

Shall the Town of Newmarket vote to raise and appropriate the sum of \$600,000 (gross budget) for the construction of a Sewer Outfall Pipe as prescribed in the Administrative Order from the US Environmental Protection Agency, and to authorize the issuance of not more than \$600,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon? (3/5 ballot vote required)

562 Yes 238 No

Article 4. Rescind Landfill Closure Bonding

Shall the Town of Newmarket rescind the May 11, 1993 vote authorizing the issuance of not more than \$1,902,500 of bonds or notes to finance the closure of the landfill off Ash Swamp Road in accordance with the provision of the Municipal Finance Act (RSA 33)? The bonds were not needed since the costs were captured through United Technologies, Harvard Industries, insurance claims, grants from the State of NH and a prior bond issuance approved on March 8, 1988 of \$240,000. (3/5 ballot vote in SB2 towns)

611 Yes 168 No

Article 5. Downtown Infrastructure Trust Fund

Shall the Town vote to create a non-expendable general trust fund under the provisions of RSA 31:19-a to be known as the Downtown Infrastructure Trust Fund, for the purpose of providing funding to maintain public infrastructure within the established Downtown Tax Incremental Funding District and appropriate the sum of One Dollar (\$1.00) toward this purpose and to designate the Town Council as agents to expend from said fund? (Majority ballot vote)

487 Yes 305 No

Article 6. Aquifer Protection Easement Funding

Shall the town raise and appropriate the sum of Seventy-two Thousand Five Hundred Dollars (\$72,500.00) to be placed in the 1999 established Aquifer Protection Easement Trust Fund? [Tax rate will increase by twenty five cents (\$.25) per thousand this year.] (Majority ballot vote)

453 Yes 338 No

Article 7. Impact Fee Ordinance

Shall the town raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) to be used to establish an impact fee schedule and ordinance that allows fees to be charged based on new construction that would impact the growth of the school's infrastructure? [Tax rate will increase four cents (.04) per thousand this year.] (Majority vote)

516 Yes 291 No

Article 8. Operating Budget

Shall the Town vote to raise and appropriate the sum of \$5,937,329.00 for the purpose specified therein for the fiscal year 2000/2001 Operating Budget, the sums of money recommended by the Town Council and the Budget Committee?

586 Yes 199 No

Non-Binding Referendum

Article 10. New Hampshire Land and Community Heritage

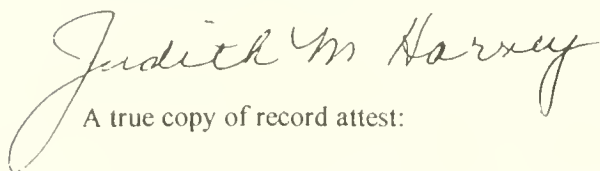

Shall the Town vote to send the following resolution to the New Hampshire General Court?

Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources.

600 Yes 195 No

REPORT OF THE TOWN CLERK/TAX COLLECTOR

A new motor vehicle law effective January 1, 2001;

Any 1988 or older vehicle registered on or after January 1st will require in addition to the bill of sale one of the following documents:

- a. Previous issued NH Registration.
- b. Valid Out of State Title.
- c. Verification of VIN (Form 19A).

RSA 261:2a

Remember to register your dog by April 30th of each year. License fees are \$9.00 for male or female. For spayed and neutered dogs, the fee drops to \$6.50 and for Senior Citizens over 65, the cost is \$2.00.

A face you have seen for many years at the Town Office will be leaving us this year. **Madeleine St. Hilaire will be retiring on June 1st.** Madeleine started with the Town in 1979, and after working for six years decided to leave, but her heart was really with the Town, as after just a year, she returned as Deputy Town Clerk/Tax Collector. She has been back with us since 1986. We are thankful for all her years of service. She has been such an asset to the Town offices, there certainly will be a void when she is gone.

I hope that everyone will take the opportunity to wish Madeleine good luck in her retirement.

The staff at the Town Clerk/Tax Collector's office is here to provide you with the best customer service possible, and look forward to serving you in the upcoming year.

Our office hours are: 8:00 a.m. to 4:30 p.m. Monday through Friday
First and last Thursday of the month we are open until 6:00 p.m.

Our Email address is: Nmktelkcol@aol.com

REPORT OF THE AMBULANCE DIVISION

The year 2000 proved to be the busiest year for the members of the Ambulance Division. We received 478 requests for medical aid and transported 310 patients to area hospitals. Our group of volunteers tallied a total of 12,774 hours of duty time. As the population of our town increases, the requests for aid also increases. As townspeople grow older and the number of elderly housing units increase, it will impact on the number of requests for medical aid.

In January, a committee was formed to start reviewing information and writing specifications for our new Ambulance. Many long hours were spent looking at different vehicles and creating specifications for an Ambulance that will meet our needs, for the lowest possible price for the Town of Newmarket. After reviewing bids, an order was submitted to Marque, Inc., for a new vehicle. The new vehicle should be operational by the end of January. This unit will replace our 1986 Wheeled Coach. At this time, I wish to publicly thank Alison Doherty and her committee for all of the countless hours spent on research and review of all equipment, which has enabled us to purchase a quality vehicle.

As I review the events of the past year, I am reminded of the recommendation of the committee that investigated the possibility of joining the Fire Department and Ambulance Division. The committee recommended the two groups join as one, and create a Paramedic level of service for Newmarket. As of January 1, 2001, Newmarket Fire & Rescue took over the Ambulance Division. The two groups are now one Division under one command. By doing this, more personnel will be available to cover EMS calls. Cross training of volunteers will also enable more personnel to respond.

The end of an era has arrived for the Ambulance Division. For approximately thirty years, the Town has had volunteers willing to give their time to train, become licensed, and respond for medical emergencies. Countless hours of lost sleep, missed meals, and being away from family has resulted. It truly takes special people to become volunteers in EMS. I extend my thanks to all of the members, past and present, who have given their time and expertise to others in the time of need.

As we continue our role of volunteerism in EMS, the members of Newmarket Fire & Rescue shall join together as one in our commitment to bring aid to all residents of Newmarket and Newfields. Hopefully, we can stave off the inevitable of hiring full-time personnel for a few more years. But eventually, the time will come when volunteers will not be able to fulfill the needs of the Town.

Respectfully submitted,
Ronald M. Bloom
Captain, Medical Coordinator

REPORT OF THE NEWMARKET FIRE DEPARTMENT

This past year the department concentrated on Fire Prevention and Training. We put one third of the members through Firefighter I and II. Several members received EMT and First Responder certifications.

In 2000 the department responded to 293 calls. The Fire Department has a strong and active membership with 28 members. All 28 members are continuing their education in Fire and EMS. Their dedication and volunteering of time is outstanding and a credit to the Town of Newmarket.

Please contact the Fire & Rescue Department at our non-emergency number 659-3334, with any questions you may have. If you would like to join, feel free to come to our general monthly meeting on the 1st Tuesday of each month.

Respectfully Submitted,
Richard Swindell, Fire Chief

Here is the brand new ambulance Newmarket EMS Personnel picked up in Goshen, Indiana in January 2001.

This vehicle replaces our 1986 Ambulance.

With this new ambulance, it allows us the ability to serve Newmarket residents more efficiently.

REPORT OF THE PLANNING BOARD

This year has been a very busy year for the Planning Board with applications and writing ordinances. By spring of 2001, The Planning Board hopes to have the Town Council adopt three zoning ordinances. The first one is a Sexually Oriented Business ordinance. This ordinance is to allow this type of business in areas in which they will not create a nuisance to the general well-being of the public. This is a business that is protected under the Constitution for Freedom of Speech and cannot be zoned out of any town legally. The new Planner/Consultant, along with the Planning Board, worked very hard to insure that the process for this type of business to come into town meets all the legal requirements before opening its doors. A copy of this ordinance is available at the Town Hall for anyone who wishes to see it.

The next ordinance that was worked on was updating the Aquifer Overlay District. This had become a serious concern for the Planning Board when recent years of little rain started to affect the quantity of water in the public water supply. The updated ordinance is written to protect both the quality and quantity of our drinking supply.

The final ordinance that the Planning Board, Bruce Mayberry, Consultant, the Town Council, and Malcolm McNeill, Town Counsel have been working on diligently, is the Impact Fee Ordinance. This has been in discussion at the Planning Board level for 3 years. This past May election the voters of Newmarket voted in favor of a study to be conducted in order to see if we truly needed such an ordinance and to implement it based on the findings. Impact Fees help to alleviate some of the tax burden to the taxpayer by charging the developer a fee for future capital expenditures based on what the developer impacts.

The Planning Board and Conservation Commission were also awarded a grant to do an Open Space Plan. Currently, mgPlanning Consultants are working with the Conservation Commission to develop this plan; we anticipate this to be done in early fall.

This year, we also put a part-time planning position out to bid. We hired mgPlanning, who is now our planner. Next year we hope to allow for a full-time planner. With the Mills beginning to be developed and both TIF Districts now active with Advisory Committees, and the growth that the Seacoast is experiencing, it is important that we have a full-time planner to help the planning process for future development of the Town of Newmarket.

Last year the Planning Board, along with some Newmarket citizens, took on the huge task of updating the Master Plan. Look for this to be completed and go to Public Hearing sometime in March 2001.

We look forward to seeing and hearing from the Public at our meetings. We cannot stress enough how important it is to get involved in what happens in your Town.

Respectfully Submitted,
Lorriane Caprioli
Chairman, Newmarket Planning Board

PLANNING BOARD SUBDIVISION AND SITE PLAN APPROVALS

- 02/15/00 Hilton Family Trust, George W. Hilton, Trustee - Minor Subdivision of one 3.23 acres lot from a 101-acre parcel, located at 233 Grant Road, Tax Map R7, Lot 15, R1 Zone.
- 02/15/00 James & Margaret Bogan - Minor Subdivision to divide a 4 acre parcel into two 2 acre parcels at 81 Grant Road, Tax Map R4, lot 10, R1 Zone.
- 03/14/00 Charles & Rose-ann Kwaks - Minor Site Plan to expand within the existing facility limited food service. 332 Wadleigh Falls Road, Tax Map R5, Lot 83, R1 Zone.
- 04/25/00 Gary & Lynda Rodrigues - Minor Subdivision to divide one lot into one .87 acre lot and one 1.04 acre lot. 204 South Main Street, Tax Map U4, Lot 110, M3 Zone.
- 05/23/00 Thomas & Agnes King - Minor Subdivision to divide two lots into one 2.30-acre lot, one 2.61-acre lot, and one 1.18-acre lot. New Road, Tax Map R3, Lots 40 and 41-1, R1 Zone.
- 05/23/00 Nextel Communications/SBA, Inc./Town of Newmarket - Minor Site Plan for co-location on the existing telecommunications tower. Wadleigh Falls Road, Tax Map R6, lot 52, R1 Zone.
- 05/23/00 Vincent Jarosz - Minor Subdivision to divide one lot into one .504-acre lot and one .500-acre lot. 26 Dame Road, Tax Map U2, Lot 299, R2 Zone.
- 08/08/00 Dy-Vol, LLC - Minor Subdivision to divide one lot into two lots. 30 Grant Road, Tax Map R5, Lot 36, R2 Zone.
- 10/10/00 Jean-Pierre La Tourette/Irena Wegricht - Minor Site Plan to change the use from office space to restaurant. 171 Main Street, Tax Map U3, Lot 194, M2 Zone.
- 10/10/00 Carol Desmond-Miller - Minor Subdivision to change two lots to seven lots, with a 500' roadway ending in a cul-de-sac, on Ash Swamp Road, Tax Map R3, Lots 43 & 43-2, R1 Zone.
- 11/14/00 Prowash, Inc. - Minor Site Plan for a three-bay, self-serve car wash. 80 Exeter Road, Tax Map U4, Lot 2-1, B1 Zone.
- 11/14/00 George & Sharon Hilton/Jeff Caley - Minor Subdivision to divide one lot into two lots. Grant Road, Tax Map R6, lots 23 & 24, R1 Zone.
- 11/14/00 Brooks Pharmacy - Major Site Plan to locate an ATM kiosk outside of the existing building in the parking lot. 71 Exeter Street, Tax Map U3, Lot 134, B1 Zone.
- 12/12/00 Everett Bennett Revocable Trust of '97 - Major Subdivision of a 60 +/- acre parcel into 21 lots and 30 +/- acres of open space. Ash Swamp Road, Tax Map R4, Lot 40, R1 Zone.
- 12/12/00 Newmarket Community Development Corp./Eric Chinburg - Major Site Plan to renovate and convert mill buildings to 35 one and two bedroom condominium/townhouse units. Bay Road, Tax Map U2, Lots 357 & 358, M1 Zone.

ZONING BOARD OF ADJUSTMENT APPROVALS

- 03/27/00 Thomas & Agnes King - Variance regarding lot size requirements. Applicants would like to merge and subdivide two lots into three lots. The variance would allow one lot to be increased in size from .3-acres to 1.18-acres where 2-acre lots are the required minimum lot size. The remaining two lots would be of conforming size. New Road, Tax Map R3, lots 40 & 41-1, R1 Zone.
- 04/10/00 Janet Salvacion - Appeal of Administrative Decision, to allow the use of green neon lighting around the windows of the business. 162 Main Street, Tax Map U3, lot 163, M2 Zone.
- 08/07/00 James Bergeron - Variance to permit the construction of a barn partially within the 125' Shoreland Protection Overlay District. 51 Packers Falls Road, Tax Map U1, Lot 13, R2 Zone.
- 08/28/00 Thomas & Patricia Bernier - Special Exception to permit an accessory apartment in the top portion of a barn located on their property. 90 Langs Lane, Tax Map R5, Lot 49-1, R1 Zone.
- 10/23/00 John Deziel & Jane Stapleton - Special Exception to permit upward expansion of an addition in the same footprint of the existing two-car garage. 64 Packers Falls Road, Tax Map U1, Lot 41, R1 Zone.

NEWMARKET POLICE DEPARTMENT 2000 ANNUAL REPORT

In 2000, the Newmarket Police Department experienced a significant increase in activity. Calls for service increased from 8,876 in 1999 to 10,865. Custodial arrests were up from 275 in 1999 to 336 in 2000. However, criminal offenses reported dropped from 917 in 1999 to 780 in 2000. Traffic accidents also dropped from 132 in 1999 to 109 in 2000.

In regards to personnel changes, Master Officer Ted Korontjis, Officer Holly Rouleau and Officer Stephen Shultz were all appointed to full-time sworn positions. Master Officer Korontjis brings with him approximately 10 years of law enforcement experience. Executive Secretary Samantha Wibel was hired after serving the University of New Hampshire Police Department for many years. Dispatcher Karen Malasky was hired as a full-time employee after serving as a part-time dispatcher. Maryann Scheu joined the department as a part-time dispatcher.

For the year 2000, department awards were issued to Gregory Jordan as "Officer of the Year" and Attorney Michael DiCroce as "Employee of the Year."

The Newmarket Police Department has actively participated in an aggressive campaign to reduce illegal drugs with the Attorney General's Office. In addition, the department has actively been involved in the Alcohol Task Force, which originated from a grant, and targets violations of liquor laws. The Police Department has also agreed to participate in the Juvenile Offender Monitoring Program with the Division for Children, Youth and Families.

In September of 2000, the department initiated the school resource officer program, which consists of placing an officer within the school system. The review of this program has been very positive from school administrators, faculty, staff and students. I am pleased to report that Officer Wayne Stevens is doing an outstanding job in this new role.

The Police Department would like to remind residents that a winter ban ordinance prohibits parking on all public streets between the hours of 12 AM and 6 AM between November 15th and April 1st of each year. Violators are subject to being towed at the owner's expense, especially when impeding snow removal operations.

Again this year, the Police Department would like to encourage all residents to clearly affix their street address at a visible location from the road. Unfortunately, many residents have not attached their street number to their mailbox, house or nearby post. This has resulted in wasted seconds attempting to locate a particular residence in times of emergency. We need your address to be easily seen from the road for the purpose of finding it in times of emergency for police, fire and ambulance personnel.

As we start a new century of protecting and serving the citizens of Newmarket, we take great pride in providing you with professionalism and efficiency. The department maintains a progressive training program for the betterment of all of its employees in order to maintain basic and advanced skills. We hope that we will impact the quality of your life in some small way.

Finally, I am very proud of the enthusiasm, ambition and dedication to duty consistently demonstrated by members of this department. Officers and employees, both full-time and part-time, have excelled in various ways and have built a department for this town to be proud of. Their constant work ethic and attention to detail is critical in forming an effective department that is an honor to lead.

In the upcoming year the department will evaluate its mission, its value statement and its vision for the future. Fortunately, there is a solid base in which to grow and expand from due to the commitment to quality from its current personnel. I salute all of the officers and employees of this department who work around the clock and on weekends and holidays to ensure that your public safety is never breached. As always, I thank you the citizens of Newmarket, for your support of quality law enforcement throughout the year.

Respectfully Submitted,

RODNEY C. COLLINS
Chief of Police

REPORT OF THE PUBLIC WORKS DEPARTMENT

I am pleased to report the progress and activity of the Public Works Department for 2000.

Highway Division: The following roads were reclaimed and received new overlay; Neal Mill Road, Smith-Garrison Road, Stevens Drive, Moody Point Drive, and Cushing Road. Some drainage improvements were also completed in these areas.

The sidewalk on Terrace Drive was rebuilt and extended down to the Community Center, the curbing was replaced with granite.

Buildings and Grounds Division: This Division continued to maintain all Town buildings, parks, cemeteries and playing fields. This past spring "A" Field was over-seeded and the traffic islands were redesigned with the assistance of the Newmarket Gardeners. Their help was greatly appreciated and saved many man-hours.

Vehicle Maintenance Division: This Division continued to maintain all the Town equipment and vehicles. This fall, the Highway Division received a new dump truck and plow attachments.

Pay-by-Bag and Curbside Recycling: Curbside recycling decreased from 744 tons in 1999 to 653 tons in 2000. Pay-per-Bag increased from 753 tons in 1999 to 760 tons in 2000. Spring Clean-Up saw some very positive changes. In 1999, the cost of this program was \$32,311.85. In 2000 the program cost was \$22,340.56; a savings of \$9,971.29 and 52 tons were recycled vs. going to the landfill! I look forward to continuing with the same program.

Water and Sewer Divisions: The Water and Sewer Divisions completed many projects. The pumping stations at Packers Falls Road and Cedar Street were upgraded and new pumps were installed. The Creighton Street pumping station was remodeled and upgraded. Three fire hydrants on North Main Street were replaced. The Nichols Avenue Project was completed. Elm Street, Nichols Avenue, Washington Street, and Lincoln Street all received new water, sewer and drainage lines. New sidewalks, lighting, granite curbing and overlay were included with this project. We will be going out to bid shortly to extend the outfall pipe at the Wastewater Treatment Facility.

Should you ever have a problem or question, please call me at 659-3093.

Respectfully,

Rick Malasky
Director of Public Works

NEWMARKET PUBLIC LIBRARY TOWN REPORT FOR 2000

Two Library fundraising projects this year involved pictures of familiar local objects and scenes. One is an afghan whose design includes Newmarket schools, churches, the old firehouse, a firefighting hand tub, a Piscataqua gundalow, and a Revolutionary-era cannon. The other is a small ceramic medallion with a Newmarket waterfront scene set in a wreath, which can be used as an ornament to hang or can be displayed on a stand. Demand for each item was substantial, and Sharon Kidney, our Library Director, has decided to keep a supply of afghans and ornaments available at the Library for sale there and at future town events.

Spring and fall book, bake and plant fundraising sales, in which the Newmarket Gardeners joined forces with Library Trustees, were also successful. We are extraordinarily grateful to the Gardeners for their continuing donations of plants, time, effort, and creative skills, as they maintain our outdoor perennial gardens.

Year 2000 was a busy one for us, with increases in the patron list and in our ever-growing collection. Library staff and volunteers are working steadily on pre-automation conversion tasks. Among physical library changes made to meet local requests was the establishment of a Reference Room area providing Newmarket Conservation Commission materials for public use. This was accomplished with the help of Suki Casanave.

Regular Library programs continue, including our popular adult book club, open to everyone, which often meets at members' homes. Current reading choices are available as Library loans. Library preschool story hours are currently planned and carried out by a group of mothers, for whose volunteer efforts we are very grateful. About a dozen children attend these weekly programs.

Along with Library programs, the building has seen considerable community use by groups such as the Newmarket Business Association, the Newmarket Gardeners, the Gift of Reading Program, and GED and ESL tutoring. The Meeting Room is also rented by private organizations like individual condominium associations and for certain enrichment activities including Kindermusik classes and a Chinese language course.

The year 2000 saw the retirement from Library service of Margaret Nash, after 13 years of service. During those years Maggie won the affection and respect of countless patrons for her cheerful presence and her efficient Library skills. Since her official departure, she has joined the Library volunteers, and we are always happy to see her in the building.

In addition, the Trustees wish to thank other volunteers who help enormously to make the Library a welcoming, efficiently run part of Newmarket. Among these are Helen Mitchell, Forbes Getchell, Joan DeYoreo, Shawn Finnegan, Susan Legere, Ruthanne and Bill Rogers, Karen Macintosh, and Eugene Novak. We are also deeply appreciative of financial gifts over the past year, including one in memory of Adeline Martin, which was intended to enlarge our collection of material about Ireland. One purchase from that donation has been the PBS "Irish in America" video series.

ASSESSING DEPARTMENT REPORT

As many of us are aware, the Town has grown steadily and at a quicker pace, especially in the last few years. Growth has been tremendous but so has our demand for services. As a result our tax rate has increased. Property taxes remain the primary vehicle from which funds are obtained. It has become increasingly important to make sure that all taxpayers are treated fairly and equitably. In an effort to make sure that no one individual (s) pays any more nor less than is required, the Assessor's Office has been visiting properties in order to verify assessment data. If a taxpayer's property is visited when no one is at home, that person will receive a follow-up letter. Opportunities to make an appointment for interior inspections, if needed, will be given. Thus far, approximately 35% of properties have been visited. The Assessor's Office is appreciative of taxpayers' cooperation and patience as this verification process is expected to take another two years to complete.

ASSESSING STAFF

The Assessor's Office is made up of the Assessor and the Assessing Administrative Assistant. There are other personnel qualified through the State of New Hampshire, who are currently employed to help in the aforementioned verification of data. For those not acquainted with the staff, a brief history of their personal file and education is as follows:

ASSESSOR: Andrew L. Blais CAE. Town Assessor since 1978; together my wife Marcia and I have nine children and ten grandchildren. As a veteran, I previously served as an Army paratrooper both in Vietnam and the Congo Africa, and am a member of the Newmarket American Legion. I graduated from UNH and have attended numerous real estate related seminars and courses. I am one of only four active Assessors in New Hampshire who have attained the highest designation given (CAE) to Assessors.

ASSESSING ADMINISTRATIVE ASSISTANT: Patricia E. Orcutt, Assessing Administrative Clerk since 1996. Pat and her husband Ron, and two sons have lived in town since 1989. Pat has taken a Real Estate course in Massachusetts, and various courses and seminars through the State of New Hampshire. Pat does volunteer work for the American Cancer Society through various programs they hold through out the year. Pat also works for the Town Clerk/Tax Collector's Office, so is available at any time to help with questions when Andy is not available.

ASSESSMENT RATIO: As of April 1, 1999 properties were assessed on average at approximately 91% of their Fair Market Value. This year's (2000) study will not be completed by the State until March 1, 2001. Those wishing to know the results may do so by calling the Assessor's Office sometime after April 1, 2001.

TAX RATE: Year 2000 Tax Rate was \$30.61 per thousand of Assessed Value.

EQUITY: State Statutes require that the Assessor review the assessment roll every year to insure equity. All properties should be proportionately assessed so that no individual pays any more nor less than their share of the tax burden. As a result, the Assessor may adjust values of different types, classes or properties when significant differences exist.

ABATEMENT REQUIREMENTS: Legally a taxpayer can challenge his or her assessment each year and has until March 1st following the 2nd issue tax bill to do so in writing or preferably by filing an official abatement form, which can be picked up at the Tax Collector's Office. Requirements are explained on the form.

EXEMPTIONS: Property owners may be eligible for certain exemptions on their property. If you are elderly, disabled, blind, a veteran or veteran's spouse, or are unable to pay taxes due to poverty or other good cause, you may be eligible for a tax exemption, credit, abatement or deferral. For details and application information, contact the Assessing Office at 659-3073.

PUBLIC RELATIONS: Any taxpayer that may have assessment questions can contact the Assessing Administrative Assistant, Pat Orcutt, at the Tax Collector's office. Taxpayers wishing to see the Assessor can make appointments through the Assessing Administrative Assistant at 659-3073 ext. 106 or e-mail at nmktassess@aol.com. Also taxpayers may review their assessment "online" through the Internet by accessing visionappraisal.com. Please keep in mind that values are periodically updated.

TRIVIA: Effect on Tax Rate:

1. Every \$300,000. of additional expenditures will raise the tax rate approximately \$1.00 per thousand.
2. Every \$10 million of additional valuation lowers the rate by approximately \$1.00 per thousand.
3. Total gross value of all properties is approximately \$300,000,000.
4. Taxpayers on average pay taxes based on approximately 2½% of their market value. RE: \$100,000. property = \$2,500. in taxes on average.

Respectfully submitted,
Andy Blais, Assessor

Black Bear Tax Increment Finance (TIF) Advisory Board

In May 1998, the Town of Newmarket voters approved a Tax Increment Finance District along Route 108 per RSA 162-K: 3 and bonding authority totaling \$3,250,000. The development program for this District presented to the voters was:

- Acquisition of property to attract new business.
- Extension of water and sewer service.
- Construction of a bridge and access roadway to the property east of the railroad tracks.
- Necessary improvements to Route 108.

This year the Town Council appointed an Advisory Board pursuant to RSA162-K: 14. Our duty as an Advisory Board is to advise the Town Council on the planning, construction and implementation of the development plan presented to the voters.

This year we recommended to the Town Council to have the Town Administrator, Alphonse Dixon, be the District Administrator for the Black Bear Tax Increment Finance District. The Board felt that Mr. Dixon was a good choice due to his prior involvement in the "Black Bear" Project in 1998 and 1999.

Another aspect of the District we have been working on is the acreage of this District. According to RSA 162-K: 5, the total acreage of a district can only be 1½ percent of the total acreage of the municipality. This allows for only 140.25 acres to be allotted for this District. The Board has decided to recommend only the land that could finance the bond appropriately when development occurs. Within this redefining of the District boundaries, the Board has also considered many issues other than development. Some of the issues are wetlands, aquifer and open space.

This Board is dedicated to reviewing all issues when advising the Town Council. We feel all issues are important and they can all be addressed to make a great project.

Respectfully Submitted,

George Merrill
Chairman

REPORT OF THE CODE ENFORCEMENT OFFICER

Forty-two building permits were issued for single-family homes in Newmarket in 2000, which is a significant decrease of twenty single-family dwelling permits from last year.

Year-to-Year Comparison (not including plumbing/electrical permits)

	Building Permits	Single Family	Fees	Value
2000	198	42	16,867	6,957,900
1999	195	62	40,296	9,655,221
1998	188	61	32,460	11,833,432
1997	152	27	24,304	5,985,418
1996	105	22	10,640	2,456,900
1995	207	35	18,820	5,036,651
1994	109	26	12,390	4,723,745
1993	91	16	8,292	2,966,365
1992	93	14	7,174	2,664,180
1991	76	6	4,680	1,399,925

Building Permits by Type 2000

Type	Number Issued
Single Family	42
Multi-Family	1
Garages/Sheds	33
Additions/Alterations	42
Commercial/Additions	1
Swimming Pools	16
Demolitions	9
Mobile Homes	3
Miscellaneous	<u>51</u>
Total	198

The total number of all building permits issued increased by three. The reason the total number of permits remained so close to last year's figures, in spite of a large decrease in single-family homes, was a large increase of twenty-seven permits for miscellaneous projects, which covers jobs such as roofing, vinyl siding, replacement windows, porches, and decks to name a few.

I would like to address a topic on which I receive frequent questions. It involves adding accessory apartments or in-law apartments. The addition of ANY apartment involves going before the Planning Board or the Zoning Board of Adjustment, sometimes both. An accessory apartment, also commonly known as an in-law apartment, requires Zoning Board of Adjustment approval on a Special Exception PRIOR to obtaining a building permit. One accessory apartment shall be permitted per single-family residence if that Special Exception is obtained. The following conditions must be met in order to be granted a Special Exception:

1. The floor area of the accessory unit shall be not more than 50% of the floor area of the primary unit, but shall be at least 300 square feet.

2. The accessory apartment shall either be an efficiency apartment (without a separate bedroom), or a one-bedroom apartment.
3. A minimum of three on-site parking spaces shall be provided.
4. No exterior changes shall be made which significantly alters the appearance of the structure from the street.
5. Adequate water supply and sewage disposal shall be provided.
6. Granting of the Special Exception would be consistent with Section 1.05(A)(2).

The full text of this ordinance can be found at my office.

After approval, a building permit may be obtained. Sometimes a homeowner will install one of these apartments without these approvals. An unapproved installation will only cause problems for you as a homeowner in the end, in that your septic system may not support the extra number of people and fail. In addition, when you want to sell your home in the future and the appraiser comes to the Town Hall to research the property and does not find an approval from the Zoning Board of Adjustment, building permit and Certificate of Occupancy for the apartment, it may cause problems in the sale of your home. Certainly, the most important of all reasons is the safety of the occupants of your home. If you have a building permit, you have the Building Inspector looking over the shoulders of the builder, electrician, plumber and anyone else working on your home making sure that everything they do meets the building codes and the National Fire Protection Association Codes. Unfortunately, as in any profession, not everyone does quality work. The money the Town makes from these permits and approvals is minimal, around \$100 for a Special Exception application and hearing notices and 12.5 cents a square foot for a building permit. The potential cost to you and your family if something is not properly done is much greater. Safety is this office's highest priority.

If you are planning any project, you are encouraged to sit down with me and go over your plans, ask questions, etc., before you are ready to build. Please make an appointment at least 24 hours in advance, as my schedule can fill up quickly. Although most permits are usually approved in about one week, please do not wait until the last minute to get a permit. Every project is reviewed to make sure that it meets all regulations, and it takes time to go over each application. You need to allow ample time for questions to be asked and for the possibility that modifications may need to be made before a permit can be issued. If you are having a contractor do the work for you, I strongly urge you to have the contractor apply for the permit.

The upcoming year should be an exciting one, with a car wash coming to Route 108 and the Bay Road side of the long-abandoned mills finally being developed. I have enjoyed serving this community since coming on in February and greatly look forward to the coming year.

Respectfully submitted, Daniel Vincent - Building Official

REPORT OF THE RECREATION DEPARTMENT

Well, we make it! The year 2000 has already come and gone and that Y2K thing is behind us now! Not that the recreation Department was ever concerned. However, the year 2000 has indeed proved to be a year full of new and exciting changes for the Newmarket Recreation Department.

As you may recall, we began 1999 introducing "Rex" the "REC" tile as our newest member and mascot to the Recreation Department. You may recognize the cartoon character from our brochures and logo. However, in 2000 we decided to take the "mascot concept" a step further by adopting a real like 4-foot iguana from the local SPCA. Her name is Rexy, (that's right, he ended up being a she) and she's been just great to have around, especially with the kids. She also has become an educational focus for many of the children in this area as many have not seen an iguana before. In the summer we built her a brand new state of the art cage that allows her to see all the comings and goings of the Recreation Department. You might say she's our iguana watch dog! For those of you who haven't yet met Rexy, we invite you to come down to the Community Center and check out our latest friend! By the way, she loves fruits and vegetables!!!!

Newmarket Recreation continues to offer a variety of low cost activities and programs for all ages from toddlers up to senior citizens. Our very popular *Start Smart* Preschool Sports programs and *Teeter Toddler* program continue to get rave reviews from the parents. Every year we try to offer new and creative after school programming. This year was no different as we introduced Wildlife Art for Kids and Children's Rubber Stamping. In order to provide a more extensive gymnastics program we also began working with N.H.A.A.G.'s (New Hampshire Academy of Artistic Gymnastics) by providing transportation to and from their facility. This allows children to get a more complete gymnastic program by allowing them some time on actual gymnastic equipment. Once again our youth *Nike* NFL Flag Football league was a huge success with over 50 kids registered last fall. Our teen programming has also seen an increase in the year 2000. The addition of our new "state of the art" game room which features 5 TV sets, 4 Nintendo 64 game sets, and 1 play station game set most likely contributed to this factor. Also our very popular Ski Attitash program now wells itself via word of mouth from the teens. Our senior citizen activities are still in high demand! The seniors love to dance and boogie down for our very popular seniorcise chair aerobic class. This class is held both on Tuesday and Thursday afternoons at no charge to the senior citizen. Due to such a high demand to attend our monthly Lunch Bunches and Theatre Trips, many of the seniors have realized that "the early bird gets the worm," for these trips always sell out within the first week! All in all, we were especially excited to announce that we brought in over \$112,000 in revenue for the 1999/2000 fiscal year!

Once again we'll wrap up our 2000 report with a brief RECap of "a year in the life" of Newmarket Recreation's very successful Special Events programming:

It was a **Winter** Wonderland evening for one of Newmarket's favorite events, the 6th Annual Daddy/Daughter Date Night, with over 300 little snow angels and their escorts *dancing amongst the snowflakes* all evening long. We then quickly snowplowed our way into **Spring** and celebrated the new millennium by hiding 2000 eggs for our Annual Easter Egg Hunt! As spring progressed, we kept on a truckin' at our annual award winning *Touch-a-Truck* event as over 35 truckers caravanned their trucks of all sizes and shapes into the High School parking lot.

Finally, **Summer** arrived and so did 750 stocked rainbow trout and bass for our 11th Annual Fishing Derby which always allows for some easy fishing for all the 400 children who look forward to participating in this event each year.

Due to the amazing success of last year's summer camp program, we had Rex traveling again. However, this past summer he became "history" for our *Where in Time is Rex* Summer Adventure Day Camp. The whole concept being that the kids try to locate "Rex" in a specific time in history. We even went so far as to recreate the *Battle of the Bulge*, by bringing in two tandem trucks full of dirt, which we of course, turned into an Olympic size pool of MUD for the kids to submerge themselves in!! All in all, we feel the kids had fun with the idea doing the time travel thing via special events, field trips, and sports & game activities while learning a little bit about historical events at the same time. Due to the increasing popularity of our summer program, as predicted out registration numbers went way up this year with over 290 campers from preschool age children on up to 6th grade. The year 2000 also marked the year where more than 50 7th, 8th & 9th graders registered for our increasingly popular TEEN T.U.R.F. (The Ultimate Recreation "F"enomenon) Camp.

Fall came and so did the goblins as we slowly "creeped" into the Halloween season by hosting our 3rd (sold out) annual *Spooky sleepover* and our annual *Halloween Haunt*. We swear the costumes get more creative each year. This year's laser tag arena was also a huge success. We're not sure what happened to the slimy green monster that was hiding in our laser room. We think the kids may have vaporized him!

The harvest moon came and so did our 3rd Annual Harvest Moon Mother and Son Dance. As predicted, due to the previous year's success, we had to move the dance to the Rockingham Ballroom. We can't tell you how much feedback we get from the mothers on how much they love this event. The 2000 Season of Giving turned out to be a very generous year at the town's Annual Giving Tree and Tree Lighting Ceremony as more residents than ever donated gifts to Operation Santa Claus. We concluded our celebration of the new millennium with our Annual Christmas Party, which is always held at the end of December.

The C.L.I.C.K. Room, (Computer Learning Interactive Center for Kids), which offers 7 fully loaded computers plus 2 printers for kids to come in and do their homework after school was up and running due to a grant from DCYS (Division of Children and Youth Services). They provided us with enough grant monies to employ a part-time computer coach during the "kids" hours (3 p.m. to 8 p.m., Monday – Friday). Newmarket's adult

resident hours for the C.L.I.C.K. room are from 8:30 a.m. – 2:30 p.m. Monday – Friday). We have incorporated some educational computer learning classes in the year 2001.

Before we sign off on 2000, we would like to take a moment to give our volunteer residents of Newmarket a well deserved “round of applause”! That is why we would like to take this opportunity to thank all the seniors, parents, and teens who often volunteer their time to help run many of our successful events.

We would like to especially mention Harold Hood and Ethel MacIntosh whose pictures can be seen on page 47 of the Annual Town Report under the caption “volunteerism.” Harold has been a tremendous asset to the Recreation’s senior programming. His enthusiasm is contagious and all the trips he chaperones draw a crowd. We even named his annual trip that he coordinates for the seniors each summer *Harold Hood’s Annual June Jaunt*. Ethel’s continued commitment to the department has never wavered. She is always at hand to do anything we need her to do from feeding REXY on the weekends to decorating the Community Center Christmas tree each year.

Also, a special thanks must go out to all the residents, contributors, and sponsors for answering our fundraising requests to upgrade our game room (which we mentioned earlier) by donating game equipment and furniture suited for kids and teens.

Finally, if you haven’t heard, this past fall we kicked off our next fundraising project, which is a new playground for Leo Landroche Field. We feel we are in definite need of a playground for our local families and their children to enjoy. We sincerely thank all who have already generously donated funds to this endeavor. We will continue to accept any dedication pledges/donations for this project. Our goal is to have a new playground installed before our summer camp program begins in June of 2001.

We would also like to congratulate Anneliese Fisher for her dedication to the Town of Newmarket. In July of 2000, Anneliese became the 3rd full-time employee for the Newmarket Recreation Department. It was undoubtedly her dedication and commitment to the Recreation Department and its consumers that led to the town voting in this position. For that we truly THANK YOU.

Newmarket Recreation currently sends out a quarterly brochure to all residents in our database that outlines our event calendar for the coming season. If you would like to be added to our mailing list, please give us a call at 659-8581. So if you *wanna iguana*, pick up the phone!

Respectfully submitted,

Jim Hilton
Director

Aimee Gigandet
Asst. Recreation Director

NEWMARKET RECREATION 2001

SPECIAL EVENTS SCHEDULE

The Newmarket Recreation Department prides itself in offering classes and events for all ages. However, rather than list all of them here, we invite you to come on down to the Recreation Department, located in the Community Center, and pick up our newest Winter/Spring 2001 activity brochure, or if you would like, to be added to our mailing list, then just give us a call @ 659-8581 with your name and address and we will be happy to send our quarterly brochures directly to you! It's that simple!

For those of you who have just moved to Newmarket and are unfamiliar with our Annual Special Events, you will find a calendar of our most "popular" events for the year 2001 below:

January		Winter enrichment classes begin
	27	<i>Kids Klutter Klothes Out Sale</i>
February	8	Daddy Daughter Date Night
February	16	<i>Walt Disney on Ice "Jungle Fever"</i> Family trip
March		Spring enrichment classes begin
		Pre-registration for our Summer Camp Program begins
April	4-5	<i>Foxwood's</i> overnight Trip
April	14	2001 Easter Egg Hunt
May	29	Community Garden begins
June		Summer enrichment classes begin
	16	Annual Fishing Derby
	23	Harold Hood's Annual <i>June Jaunt</i>
	25	<i>First Rec from the Sun</i> Summer Adventure Day Camp (8 weeks)
July	16-20	<i>Play Soccer Camp</i>
August	6-10	<i>Seacoast United Soccer Camp</i>
	13-17	<i>Nellie Soccer Camp</i>
	13	Drive In at the Movies
	17	End of Camp
September		<i>Little "Rec"tiles</i> Preschool Playgroup school term begins
		Fall enrichment classes begin
October	13	<i>The Spooky Sleepover</i>
	27	Halloween Haunt
November	8	Mother & Son Dance
December	1	<i>Giving Tree</i>
	15	Christmas Party

The Newmarket Recreation Department invites *every resident of Newmarket to participate and enjoy themselves in Newmarket Recreation activities! Don't be a couch potato, be a Survivor!*

*“Rexy”, our real life Iguana.
She is four years old.*

*Everyone is welcome to come to visit
her at the Recreation Center.*

REPORT OF THE ADVISORY HERITAGE COMMISSION

The Advisory Heritage Commission was formed on May 3, 2000, by a resolution of the Town Council. The goal of the Commission is to preserve the architecturally historic buildings and sites within the Town. The Commission has advisory responsibilities under authority of RSA 673 and 674.

The first Commission meeting was held on August 30, 2000. In attendance were members Forbes Getchell, Karen Johns, Judy Ryan, Preston Samuel, Phil LePage, and alternate member Sylvia Fitts Getchell. Doreen Howard joined the Commission during the September meeting.

The first several meetings were consumed with organization and training. During the September meeting, Linda Ray Wilson, of the New Hampshire Division of Historic Resources, gave a presentation on activities of her Division, and how it coordinates with Advisory Commissions and Historic District Commissions in other communities throughout the State.

During the October meeting, a resolution was passed supporting an effort by Wilfred Hamel to establish new protective rules for graveyards and cemeteries in town. Mr. Hamel is working with the New Hampshire Municipal Association to bring much needed attention to this issue.

During November, the Commission reviewed a draft of the Historic Resources chapter of the proposed new Town wide Master Plan, being prepared by the Planning Board. Comments were forwarded to the Chair of the Board of consideration.

During November and December, the Commission reviewed plans for redevelopment of the Essex Mill's property, and provided testimony during the Site Plan Review by the Planning Board. A major concern for this project was its conformance with Section 106 Federal Regulations governing removal of structures listed on the National Register of Historic Places. Work on that project is expected to continue into the spring and summer of 2001.

Meetings of the Commission are held in the Council Chambers at the Town Hall on the fourth Wednesday of every month. The general public is cordially invited to attend and provide input on all agenda items.

Respectfully submitted,

Preston Samuel,
Chair

NEWMARKET COMMUNITY DEVELOPMENT CORPORATION

Newmarket, New Hampshire

January 1, 2001

As Newmarket Community Development Corporation (NCDC) began the year 2000, it was ten months since we had acquired the mill property from The Essex Group. Those first months saw our Board of Directors identifying and correcting issues of immediate concern, ie; broken windows allowing easy access by birds, mainly pigeons, leaking roofs, cleaning of space for potential rental, etc. In the meantime, the Board determined it s priority should first be the redevelopment of the Bay Road portion of the mill complex.

The early months of 2000 saw our Board conclude that the most feasible redevelopment was going to result from it s use as residential housing, with mid to high end condominiums providing the best economic impact (highest potential tax base and least demand on Town services) for the benefit of the Town of Newmarket. The Board determined Eric Chinburg of Durham was a developer with favorable experience in the seacoast area. We completed negotiations with Mr. Chinburg by signing a purchase/sale^s agreement during October and look forward to conveying title to the property in early 2001. In the meantime and in accordance with our agreement, Mr. Chinburg has begun some of the environmental cleanup. We look forward to a much improved property in our downtown area, which will provide for attractive public pedestrian use, including access to the Lamprey River, and anticipate completion of the project by early 2002.

The Board of Directors continue to work with Architect Patricia Sherman of Sherman Greiner Halle' Ltd. in Concord to develop an overall view of how the total mill complex might look after a controlled redevelopment occurs. This involves determining possible access and egress from the property, parking issues, pedestrian flows, landscaping, structures that might be demolished, etc. In the meantime, we have a lease with Suflex to September 2004, with renewal options. We have cold storage tenants in some of the formerly vacant space.

The NCDC Board of Directors look forward to the future challenges and, especially, the opportunities of enhancing the mill property for the benefit of Newmarket's taxpayers, with an esthetic and an economic viewpoint being of equal importance.

BOARD OF DIRECTORS

John Ahlgren
Richard Bajger
Arlon Chaffee

Ranan Cohen
Alphonse Dixon
Leo Fillion
W. David Halloran

Michael Provost
Valerie Shelton
Caleb W. Whiton

The mission of the Newmarket Community Development Corporation is to promote economic and community development in an effort to expand the tax base consistent with the Town's master plan and for the benefit of the taxpayers, residents and visitors of the Town of Newmarket.

ANNUAL REPORT FOR THE NEWMARKET CONSERVATION COMMISSION

This was a very busy and productive year for the volunteers of the Newmarket Conservation Commission. We worked on many projects to enhance and preserve the natural resources of our Town and to educate citizens about conservation issues.

In February, we held our annual Wood Duck Box Day. We want to thank Boy Scout Troop 200 for their help with this project. (See picture) They cleaned out 35 boxes on two different wetlands in Town. They found less eggshells this year than in prior years.

In April, we held a joint open space workshop with the Durham Conservation Commission for the landowners around Follett's Brook. We are happy to report that this event was very well attended. Landowners learned about the importance of their land as a valuable habitat and as a potential water source for our Town.

In May, we held a joint Estate Planning Workshop with Newfields, Lee, and Durham. Landowners were provided with information on how they can preserve their land by using a conservation easement. They also found out that they can do this by either donating the easement to lower their taxes or, in some cases, they can receive some money for the easement.

In June, we held the 11th Annual fishing Derby at the Richmond's Pond with the help of Richie Shelton, Chris Schoppmeyer, Jim Hilton, and his staff at the Recreation Department. We would like to thank the Richmond family and everyone who works to make this event such a success for over 200 children each year. (See picture)

In July, the Conservation Commission, Planning Board, and the Town Council met to discuss how we could all work together for the future of our Town. The Commission presented a list of the most important open space areas for the Town to preserve. We found this open communication to be very beneficial and look forward to having another joint meeting in the future.

Two areas in Newmarket were approved for Erosion Control Grant Projects. One will involve replanting an embankment at Heron Point. The second will improve the Piscassic Street Boat Launch so that less sediment will flow into the river. We will be looking forward to completing both of these projects in 2001.

We have seen many new housing subdivision proposals this past year as residential development continues to increase in our area. Commission volunteers spent many hours walking around properties and working with the developers to try to preserve as much open space and natural habitats as possible within these developments.

This past year, with the help of the Great Bay Partnership, over 100 acres of land has been preserved in our Town on Great Bay. We truly appreciate their assistance and will continue to work with them to preserve more land on the bay and around inland areas.

Wood Duck Box Day: Feb. 3, 2001, Boy Scout Troop 200 standing in front of a Wood Duck Box on a local wetland in Newmarket. From left to right: Bob Clapp, Dan Gray, Jacob Wile-Marble, Eric Smith, Zach Smith, Josh Edgerly, Larry Gray, Zach Pawnell & Will Baillergeon. Missing from the picture is Hunter Brownlie from the Conservation Commission.

As Chairman, I want to thank everyone on the Conservation Commission (CC) who has put in so many hours of hard work to help preserve the natural resources in our Town. Our present Commission includes: Art Teska, Vice-Chair, Ellen Snyder, Secretary, Eric Smith, treasurer, Herb Dalrymple, Wilfred Hamel, Gerry Hamel, Patrick Marsh, Lou Chiarella, Rose-Anne Kwaks, and our Town Council Representative, Ranan Cohen.

I especially want to thank Suki Casanave for all of the hard work that she has put into the Commission for many years. She helped with our press releases, brochures, gave us a tremendous amount of her time, contributed ideas and the CC is better for it. We wish her the best in her new role as a mom and with all her future endeavors.

Respectfully submitted,

Hunter D. Brownlie
Chair

Newmarket Fishing Derby: June 17, 2000. From left to right Eddie Portyrata receiving a plaque for Jeffrey Schwartz of Timberland Co., Wayne Vetter Exec. Dir. NH Fish & Game & Richie Shelton. Missing from the picture Chris Schoppmeyer and Jim Hilton.

REPORT OF THE NEW MARKET HISTORICAL SOCIETY

The Society wrapped up another year of ten great programs. We were fortunate to have the New Hampshire Humanities Council provide grants for a total of three of our programs in the year 2000.

In February, George D. Cooper presented the fascinating story of Joshua Barstow and gun making in Exeter in the early 1800's. March brought Duane Schaefer of the N.H. Civil War Roundtable, back from last year, to continue the story of New Hampshire's role in the Civil War. In April, Professor Dishman spoke on Newmarket's soldiers and sailors of the Revolutionary War. Mary Ellen Wright appeared as a costumed role player in May and we all had lots of fun learning about Portsmouth's colorful past. Professor Robert Perreault, from St. Anselm's College, put human faces on the textile industry in his June presentation of archival images that focused on the daily lives of Amoskeag's textile workers in Manchester.

Valerie Cunningham, Director of the African American Resource Center in Portsmouth, visited the Museum in July and taught us all about the Portsmouth Black Heritage Trail. Peter and Laura Flynn were our guest speakers in August and presented a great program on Great Bay in the past and present. They certainly made us all aware of how precious this ecosystem in our own back yard is.

The Stone School Museum opened in September during the third annual Heritage Festival and we entertained another record number of visitors during this event. Later in September, we held our annual fund raising yard sale that was another tremendous success. We'd like to express many thanks to those who donated items for the sale.

Still later in September, Professor Richard Schubart, of Phillips Exeter Academy, took the time to present a program on President Lincoln at Gettysburg. We also learned about Lincoln's ties to our great state. Julien Olivier, past director of fraternal activities at the Association Canado-Americaine and owner of "Oliver International", was our guest speaker in October. He presented a program on the life and times of T.G. Biron, an Amoskeag Manufacturing Company worker in Manchester. November brought Newmarket's own Sylvia Fitts Getchell to the podium for a fascinating program on the early history of fisheries in the north Atlantic. This writer never thought too much about "salt" until he heard Sylvia speak on how this precious commodity shaped our history.

The 2001 calendar of programs is available. At the time of this printing some of the remaining programs include Les Warren of Durham speaking about Thomas Edison, Marshall Merrill on Ice Harvesting, Andrew Conroy on Oxen in New England and Michael Ploski on a visit to the Homeland – Poland. If you are not a member and would like a Calendar of Meetings, just send a card to the Society at POB 534 and we'll see that you get one. Society programs are always free and open to the public – please remember that children are always welcome at the Museum and at our monthly programs. Meetings/programs are held on the fourth Monday of every month from February through November at either the Town Hall or the Stone School Museum. The museum is open on

Thursday afternoon from 2:00 to 4:00 p.m. from June through August, and during the Heritage Festival on both Saturday and Sunday. We also try to accommodate all requests for special appointments – call 659-3652 to schedule.

Please try to join us for as many of our programs as possible in 2001 and beyond.

Respectfully submitted,
Phil LePage
Immediate Past President

Mary Ellen Wright as Madam Alta Rogerts April 2000 Stone School Museum.

REPORT OF THE LAMPREY RIVERWALK COMMITTEE

The Lamprey Riverwalk Committee was formed in December 1995 with the goal of increasing opportunities for public access to the river in the Village District.

During the first year, the Committee planned and oversaw the construction of the Lamprey River Park on the site of the former Town Hall on Main Street. The Town Hall had previously been lost to fire. The new park includes a bus waiting shelter. The distinctive semicircular shape of the structure was taken from the Town Bandstand, located several hundred feet north of the park, on Main Street.

A concept plan for a walking trail along the banks of the river was also planned during the first year of the Committee's work. In October 1997, the *Master Plan for Development of Lamprey Riverwalk* was completed by the Committee and accepted by the Town Council. The Plan divides the trail into nine "projects", corresponding to the nine properties over which the trail will pass. Since publishing the *Master Plan*, the Committee has worked with several of the property owners to refine it for their property, and it is hoped that the first "projects" will be going to construction in the near future.

By 2001, the Committee has adopted the following goals:

1. Improve the Town Landing and Park on Wager Street as the first phase of work toward adapting the area for the Riverwalk.
2. Lay out an acceptable route for the trail through the Wastewater Treatment Plant property, and have the Plant perimeter fencing modified to allow access to the trail.
3. Work with Chinburg Builders to complete the trail through the portion of the Essex Mills, which is currently being re-developed for housing.
4. Secure donations from the general public to defray the cost of maintaining the Riverwalk.
5. Through the local court system, involve juveniles in the maintenance and improvement program to help build a broad base of pride in the trail.
6. Through the University of New Hampshire, establish a horticultural internship to assure proper care of landscaping associated with the trail.

Newmarket citizens interested in participating in the Riverwalk Program may contact the Town Administrator or any Town Councilor for further information and the date of the next meeting.

Respectfully submitted,

Preston Samuel, Chair

REPORT OF THE NEWMARKET MAIN STREET CORPORATION

The Newmarket Main Street Corporation was founded in 1997, to promote a downtown revitalization program that will maintain and strengthen the economic, historical and cultural characteristics of Newmarket.

The year 2000 has seen the Third Annual Heritage Festival. The festival was held on Main Street and brought downtown alive with activity. Local craftspeople displayed their goods with great pride. The current and past diversity of Newmarket was represented by a variety of entertainment. If anyone left the festival hungry it was not for lack of varied quality food vendors. This year's festival included a Town Crier who did his best to keep the town informed of current activities. The Town Crier also led an interactive children's parade from the Newmarket Library to the main stage area. I'm sure all of Newmarket heard our children shouting "Hear Ye, Hear Ye". This year's Heritage Festival also hosted the arrival of the gundalow, which opened for tours and provided local history lessons to young and old alike. Plans are already underway for Heritage Festival 2001, which is scheduled for September 14-16, 2001.

Richard and Priscilla Schanda were presented with the keeper of the Heritage Award for the year 2000. The Schandas have contributed greatly to Newmarket and helped to make it the wonderful town it is.

The restoration of Newmarket's first fire station is finally becoming a reality. An architect is in place and is completing the beginning phases of this project. The "Engine House", as it is more commonly known, is home to Newmarket Handtub Association, and to "Tiger #1". The hard work of The Newmarket Handtub Association deserves a restored firehouse to proudly show "Tiger #1" and their many trophies.

This year's "Catch the Spirit" awards were presented to Merle Norman Studio, and The Video Stop. The Christmas decorations that these and other businesses displayed helped to promote the holiday season in Newmarket. Plans are being made to light up Newmarket next year.

Main Street Corporation meets on the third Thursday of every month, at 7:00 p.m. in Town Council Chambers at the Town Hall. Much work needs to be done as our town revitalizes. Your help in this work will contribute to a town that our descendants will be proud of.

Respectfully submitted,
Michael E. Ploski, President

The Town Crier in action leading the Children's Parade from the Library to the main stage area.

A great picture of the arrival of the gundalow.

OLDE HOME WEEKEND

We would like to thank all those who helped to make Olde Home Weekend 2000 a success again, and those of you who attended, we hope will return again this coming year. The weekend kicked off with the traditional ice cream smorgasbord, and a concert. It was nice to see so many familiar and new faces at the Eagles' for breakfast and then go and watch world class runners compete in our town. Rides and entertainment for young and old, recreation department activities, fire department activities, ham & bean supper, chicken BBQ, food vendors, craft vendors, a car show with 150 old favorites, plenty of good music, with the fireworks ending the festivities of the weekend.

August 10, 11, & 12 will be the 29th year for the group of volunteers to put together a weekend event that the whole town can enjoy. We will once again have the ice cream smorgasbord, karaoke and a free concert on Friday night. The mornings will start off with the popular Eagles' breakfast, the USATF certified 5k road race, children's activities, Ragante—an Irish band, ham & bean supper, The Band that Time Forgot, 7th Annual Classic Car Show, Amoskeag Strummers, chicken BBQ, The New Horizon Show Band (a group from the US Air Force Band of Liberty, they bring to the stage a blend of rock & roll, country, pop and other American musical idioms), fireworks and so much more. We are hoping for this to be the best year so far as we are busy in the planning stage of the events.

We would like to thank the Town and its residents for their continued support.

Respectfully submitted,

Aaron J. Hopey, Chairman
Olde Home Weekend Committee

VOLUNTEERS ALWAYS WELCOME.

Members of the Olde Home Weekend Committee: Left to right; Glenn Dodds, Debbie Bonnell, Danielle Dodds, Kasey Malasky, Karen Malasky, and Gary Bonnell.

OLDE HOME WEEKEND PHOTOS (Fun was had by all)

Fun With Foam! These three youngsters, Michael Dodds, Danielle Dodds, and Kasey Malasky had lots of fun rolling around in the foam supplied by the Newmarket Fire Department.

The Grease Pole! This winning team consisted of Ashley Pickering on the top, Rick Malasky, behind the pole is Mike Poulin, then Mark Bradford, and on the ground is Wayne Stevens.

Having fun at the Bubble Table is Frances Colvin.

Taking a little break are: left to right Keegan Swindell, Tim Malasky, Michael Dodds, Taylor Johns, and Josh Schuppret.

JAIL AND BAIL: Recreation Director Jim Hilton had to stay his allotted time because no one would bail him out. He stayed about an hour!

NEWMARKET SENIOR CITIZEN GROUP

The active Newmarket Senior citizen Group has been organized since 1973, over twenty-eight years. Meetings are held on the first Wednesday of the month at 10:00 a.m. All meetings are open to anyone over age 55. Come and join us for fun and friendship.

The officers for 2000-2001 are as follows:

Helen Levesque, President
Joan McEvoy, Secretary

Ada Hayes, First Vice-President
Sophie Pazdon, Treasurer

Sophie Pazdon replaced Winnie Willey. Thanks to Winnie for her many years in office as treasurer. The six board members are as follows:

Stefie Miller
Leona Butler

Ethel MacIntosh
Dottie Green

Irene Garland
Harold Hood

Many others volunteered for committees.

In October a foliage trip was planned by Harold Hood by chartered buses to West Plymouth, Vermont to visit the Calvin Coolidge Homestead Museum. We had lunch at the Wilder House. Also, we visited the Plymouth Cemetery where Calvin Coolidge and his family are buried.

Dr. & Mrs. Forbes Getchell presented us with a slide show on their trip out West to the National Parks. Other presentations included: Great Bay Sound Quartet; Newmarket Hot Shot Jump Ropers; and Attorney spoke on estate planning and wills; State Senator Burt Cohen was a guest speaker on Senior Housing; Richard Delaney, a one-man band was scheduled for our March Meeting; a penny sale and free bingo; and pot luck lunches. We honored one of our members, Anna Pepek, on her 90th birthday, who happens to be one our original members since the forming of the Senior Citizen Group. She helped in many ways to get our center.

In December, we enjoyed our Annual Christmas Party, with the exchanging of gifts, and of course Santa Claus was there too. The Christmas music was provide by Nancy Bateman. We had 20 beautiful Poinsettias on the tables which were awarded to the lucky winners. The hall was decorated with the traditional Christmas decorations and a potluck lunch was had by all.

In June elections of new officers will be voted on. No meetings in July and August. Meetings will resume in September.

Sincere thanks to all who have helped me in any way to make the new Senior Citizen Group such a success.

Respectfully submitted, Helen Levesque, President

Newmarket Senior Citizen Group

Active members of the Newmarket Senior Citizens Group honored Anna Pepek on her 90th birthday. Anna has been a constant member, as well as one of the originals, since the Group was formed in 1973. A catered dinner was shared by all members.

INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS

To the Members of The Town Council
Town of Newmarket
Newmarket, New Hampshire

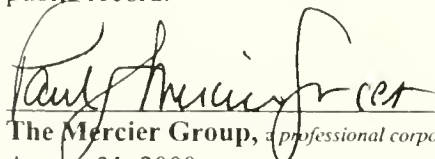

In planning and performing our audit of the Town of Newmarket for the year ended June 30, 2000, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the Town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or record keeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork. Areas of opportunity for further consideration include:

- **General Accounting**
 - Consideration of the impact of changing accounting principles under Governmental Accounting Standards Board Opinion No. 34

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the Town Council
Town of Newmarket
Newmarket, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Newmarket as of and for the eighteen-months ended June 30, 2000. These general-purpose financial statements are the responsibility of management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group that should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Newmarket has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Newmarket, as of June 30, 2000, and the results of its operations and the cash flows of its proprietary fund types and nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Newmarket. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

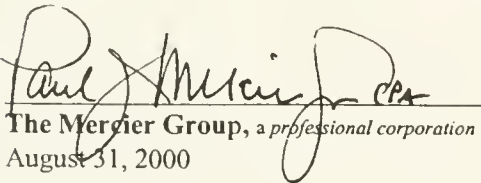

The Mercier Group, a professional corporation

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Town of Newmarket is a New Hampshire Municipal Corporation governed by a Town Council and other elected officials under a local charter form of government. Operations are directed by a Town Administrator appointed by the Council. The financial statements of the Town have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to the governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Town's accounting policies and its conformity with such principles are disclosed below. These disclosures are an integral part of the Town's financial statements.

FINANCIAL REPORTING ENTITY

As required by GAAP, specifically GASB statement No. 14, *The Financial Reporting Entity*, these financial statements are required to present the Town (primary government), and its component units (if any). A primary government is defined by the GASB as any state government or general-purpose local government. Additionally, a primary government may also consist of a special purpose government (such as a school district or school administrative unit) that meets *all* of the following criteria: (a) it has a separately elected governing body; (b) it is legally separate; and (c) it is fiscally independent of other governments.

A component unit is defined by GASB as a legally separate organization for which the elected officials of the primary government are financially accountable. In addition, component units can be other organizations for which the nature and significance of their relationship with a primary government is such that the exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Based on the foregoing criteria, no other related organizations are included in the Town's financial reporting entity.

BASIS OF PRESENTATION - FUND ACCOUNTING

The accounts of the Town are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures/expenses, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The Town uses the following fund types and account groups:

Governmental Fund Types

Governmental Funds are those through which most governmental functions of the Town are financed. The acquisition, use and balances of the Town's expendable financial resources, and the related liabilities are accounted for through governmental funds. The following are the Town's Governmental Fund Types:

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. The following funds are included in this fund type:

Public Library	Conservation Commission	Drug Forfeiture
Water Department	Recreation Revolving	Dare
Sewer Department	Community Development Corporation	Pistol Permits
Solid Waste		

Capital Projects Funds - Transactions related to resources obtained and used for the acquisition, construction, or improvement of capital facilities not included in Enterprise Funds are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds and from Federal and State grants. The following funds are included in this fund type:

Landfill M2	Sidewalks & Route 108
Landfill Closure/Site Impact	Nichols Avenue
Sewer System Improvements	Council Public Access
Downtown Business District	Black Bear Business Park

Fiduciary Fund Types

Fiduciary Fund Types - These funds account for assets held by the Town as a trustee or agent for individuals, private organizations, and other units of governments. The following funds are included in this fund type:

Nonexpendable Trust Funds

Town Trusts
Library Trusts

Expendable Trust Funds

Town Trusts
Health Insurance

Agency Funds

Newmarket School District – Capital Reserve Fund
Developers' Performance Bonds
Employee Benefit Plan Assets:
Deferred Compensation Plan - ICMA
Deferred Compensation Plan - Nationwide

Account Groups

Account groups are not "funds." They are concerned only with the measurement of financial position. They are not involved with measurement of results of operations. The Town uses the following account groups:

General Fixed Assets Account Group - General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by most other municipal entities in the State, the Town does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

General Long-Term Debt Account Group - This account group is established to account for all long-term debt of the Town.

MEASUREMENT FOCUS/BASIS OF ACCOUNTING

Governmental Funds, Expendable Trust Funds, and Agency Funds use the modified accrual basis of accounting. Under this method, revenues are recognized in the accounting period in which they become both available and measurable (flow of current financial resources measurement focus). Licenses and permits, charges for services, fines and forfeits, and miscellaneous revenues are recorded as revenues when received in cash. General taxes, intergovernmental revenues, charges for services, and investment earnings are recorded when earned (when they are measurable and available). Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except expenditures for debt service, prepaid expenses, and other long-term obligations, which are recognized when due.

All Nonexpendable Trust Funds are accounted for using the accrual basis of accounting. Their revenues are recognized when they are earned, and their expenses are recognized when they are incurred (flow of economic resources measurement focus).

BUDGETARY ACCOUNTING

General Budget Policies

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements that govern the Town's operations. Town adopts an annual budget by ballot vote for the General and all significant Special Revenue Funds. Project-length financial plans are adopted for all Capital Project Funds. Except as reconciled below, budgets are adopted on a basis consistent with generally accepted accounting principles. Management may transfer appropriations between operating categories as they deem necessary, but expenditures may not legally exceed budgeted appropriations in total. All annual appropriations lapse at year-end unless encumbered. State

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

statutes require balanced budgets, but provide for the use of beginning unreserved fund balance to achieve that end. In 1999/00, \$75,000 of the beginning General Fund and \$1,189,807 of the beginning Special Revenue Fund balances were applied for this purpose.

Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year-end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at June 30, 2000 and are carried forward to supplement appropriations of the subsequent year.

Amounts recorded as budgetary and expenditures in the Statement of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual - General Fund (Exhibit C) are presented on the basis budgeted by the Town. The amounts differ from those reported in conformity with generally accepted accounting principles in the Combined Statement of Revenues, Expenditures and Changes in Fund Balances for All Governmental and Similar Trust Funds (Exhibit B) as follows:

	<u>General Fund</u>
<u>Expenditures and Other Financing Uses</u>	
Per Exhibit C	\$ 8,992,577
<u>Adjustments</u>	
Encumbrances – June 30, 1999	<u>67,195</u>
Per Exhibit B	<u>\$ 9,059,772</u>

ASSETS, LIABILITIES AND FUND EQUITY

Cash and Investments

For financial reporting purposes, cash and equivalents include amounts in demand deposits and money market funds, as well as certificates of deposit and short-term investments with original maturities of 90 days or less. With the exception of Library and Trust Fund monies, which are held by separately elected trustees, the Town Treasurer is required by State statute to have custody of all monies belonging to the Town and shall pay out the same only upon orders of the selectmen. The Town Treasurer shall deposit all such monies in solvent banks in the state or in participation units in the public deposit investment pool established pursuant to RSA 383:22. Funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits in value at least equal to the amount of the deposit in each case.

Whenever the Town Treasurer has an excess of funds which are not immediately needed for the purpose of expenditure, State statutes require the Treasurer, with the approval of the Town Manager, to invest the same in obligations of the United States government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire or in certificates of deposits of banks incorporated under the laws of the State of New Hampshire or in national banks

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

located within this state or the Commonwealth of Massachusetts. Any person who directly or indirectly receives any such funds or monies for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.

The Town Trustees are authorized by State statute to invest Trust Funds, including Capital Reserve Funds, in obligations of political subdivisions and stocks, bonds that are legal for investment by New Hampshire savings banks except mutual funds unless the mutual funds are registered with the Securities and Exchange Commission, qualified for sale in the State of New Hampshire in accordance with the New Hampshire Uniform Securities Act of the New Hampshire Secretary of State's Office, and have in their prospectus a stated investment policy that is consistent with the investment policy adopted by the Trustees of Trust Funds in accordance with RSA 35:9. The Trustees may also invest trust funds in New Hampshire credit unions and in the public deposit investment pool established pursuant to RSA 383:22. Capital Reserve funds must be kept in separate accounts and not intermingled with other funds.

With the exception of investments in the New Hampshire Public Deposit Investment Pool (the Pool), investments are stated at market value. Under the terms of GASB Statement #31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*, the Pool is considered to be a **2a7-like pool** which means that it has a policy that it will, and does operate in a manner consistent with the SEC's Rule 2a7 of the Investment Company Act of 1940. This rule allows SEC-registered mutual funds to use amortized cost rather than market value to report net assets to compute share prices if certain conditions are met. Therefore, the Town reports its investments in the Pool at amortized cost, which equals the Pool's participation unit price.

Receivables

Revenues for the most part are recorded when received, except for the following items for which receivables have been recorded:

Tax revenue is recorded when a warrant for collection is committed to the Tax Collector. However, any taxes not liened or deeded within statutory time limits and 4.743% of the remaining uncollected balances have been reserved.

The National Council on Governmental Accounting (NCGA), Interpretation 3, Revenue Recognition - Property Taxes, requires that if property taxes are not collected within 60 days after year end, the revenue is not considered an "available spendable resource" and should be deferred.

As prescribed by law, the Tax Collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

liens and accrues interest at 18% per annum. If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town.

Interest on investments is recorded as revenue in the year earned.

Certain *grants* received from other governments require that eligible expenditures be made in order to earn the grant. Revenue for these grants is recorded for the period in which eligible expenditures are made.

Various *service charges* (Water, Sewer, Landfill, Ambulance, etc.) are recorded as revenue for the period when service was provided.

Interfund Receivables and Payables

During the course of normal operations, the Town has transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental and fiduciary fund financial statements reflect such transactions as transfers. To the extent that certain transactions have not been paid or received as of June 30, balances of interfund amounts receivable or payable have been recorded.

Long-Term Liabilities

General Obligation Debt - General obligation bonds, notes, capital leases, and other forms of long-term debt supported by general revenues are obligations of the Town as a whole. Accordingly, such unmatured obligations of the Town are accounted for in the General Long-Term Debt Group of Accounts.

Compensated Absences - Employees may accumulate a limited amount of earned but unused vested benefits, which will be paid to employees upon separation from the Town's service. In Governmental Fund Types and Fiduciary Fund Types, the cost of vested benefits paid or expected to be liquidated with expendable available financial resources are reported as an expenditure and fund liability of the fund. Amounts of vested or accumulated leave benefits that are not expected to be liquidated with expendable available financial resources are reported in the general long-term debt account group. No expenditure is reported for these amounts.

Fund Equity

The portion of fund balance which has been legally segregated for a specific future use, or which indicates that a portion is not appropriable for expenditures, is shown as reserved. The Town used the following reserves during the year:

Reserved for Endowments - represents the principal balance of Nonexpendable Trust Funds that must be held for investment purposes only.

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

Reserved for Encumbrances - is used to account for open purchase orders, contracts and other commitments at year-end for which goods and services have not been received.

Reserved for Special Purposes - is used to account for the unencumbered balance of restricted funds. These include the uncommitted balances of bond proceeds, grant revenues, the Town's Expendable Trust Funds, and the income portion of the Town's Nonexpendable Trust Funds.

TOTAL COLUMNS (MEMORANDUM ONLY) ON COMBINED STATEMENTS

Amounts in the "Total (Memorandum Only)" columns in the combined financial statement line items of the fund types and account groups are presented for analytical purposes only. The summation includes fund types and account groups that use different bases of accounting, includes interfund transactions that have not been eliminated and the caption "amounts to be provided," which is not an asset in the usual sense. Consequently, amounts shown in the "Total (Memorandum Only)" columns are not comparable to a consolidation and do not represent the total resources available or total revenues and expenditures/expenses of the Town.

STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

DEFICIT FUND BALANCES

Project Deficits

The following projects had fund deficits at June 30, 2000:

Capital Project Fund

Sewer System Improvements

\$1,005,640

Generally, this deficit arises because of the application of generally accepted accounting principles to the financial reporting for these funds. Bonds or notes authorized to finance the projects are not recognized on the financial statements until issued.

TOWN OF NEWMARKET, NEW HAMPSHIRE

Based on Governmental Accounting Standards Board (GASB) Statement No. 3, investments with the **New Hampshire Public Deposit Investment Pool** are considered unclassified. At this time, the Pool's investments are limited to short-term U.S. Treasury and U.S. Government Agency obligations, State of New Hampshire municipal obligations, certificates of deposit from AI/PI-rated banks, money market mutual funds (maximum of 20% of portfolio), overnight to 30-day repurchase agreements and reverse overnight repurchase agreements with primary dealers or dealer banks.

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

During the fiscal year, the entity realized a net gain of \$15,430 from the sale of trust fund investments. The calculation of realized gains and losses independent of the calculation of the net increase or decrease in the fair value of investments. Realized gains and losses on investments that had been recognized as an increase or decrease in the fair value of investments reported in the prior year. The net decrease in the fair value of investments during this fiscal year was \$17,174. This amount takes into account all changes in fair value (including purchases, sales and market price changes) that occurred during the year.

PROPERTY TAXES

The property tax year is from April 1 to March 31 and all property taxes are assessed on the inventory taken in April of that year. The 1999 property tax levy was based on a net assessed valuation as of April 1, 1999 of \$283,625,631. State Education Taxes were based on a State-wide equalized valuation of \$280,918,231.

The Town subscribes to the semi-annual method of tax collection as provided for by RSA 76:15-a. Under this method, tax bills are sent on or around June 1 and November 1 of each year, with interest accruing at a rate of 12% on bills outstanding for more than 30 days. The June 1 billing is considered an estimate only and is one half of the previous year's tax billing. The remaining balance of taxes due is billed in the fall after the State Department of Revenue Administration has calculated and approved the Town's tax rate for the fiscal year.

In connection with the setting of the tax rate, Town Officials, with the approval of the New Hampshire Department of Revenue Administration, establish and raise through taxation an amount for abatements and refunds of property taxes, known as overlay. This amount is reported as a reduction in tax revenue and is adjusted by management for any tax reserves at year-end. The property taxes collected by the Town include taxes levied for the Newmarket School District and Rockingham County, which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

The tax rate for the year ended June 30, 2000, was as follows:

Municipal Portion	\$	9.64
Local School Tax Assessment		9.03
State Education Tax Assessment		6.92
County Tax Assessment		<u>1.09</u>
	\$	<u>26.68</u>

As prescribed by law, within 18 months of the date assessed, the Tax Collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum. If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town. During the current year, the Tax Collector on April 30, 2000 placed liens on related properties for all uncollected 1999 tax accounts not otherwise protected by court decree.

RISK MANAGEMENT

The Town is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets, errors or omissions, injuries to employees, or acts of God. During the fiscal year, the Town was a member of the New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. and the compensation funds of the New Hampshire Workers' Compensation Fund. These entities are considered public entity risk pools, currently operating as a common risk management and insurance program for member towns and cities.

The New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. is a Trust organized to provide certain property and liability insurance coverages to member towns, cities and other qualified political subdivisions of New Hampshire. As a member of the NHMA Property-Liability Insurance Trust, Inc., the Town shares in contributing to the cost of, and receiving benefits from, a self-insured pooled risk management program. The membership and coverage run from July 1st to July 1st. The program includes a Self Insured Retention (SIR) from which is paid up to \$500,000 for each and every covered property, auto physical damage, and crime loss, subject to a \$1,000 deductible, and each and every covered General Liability and Public Officials Liability loss. Contributions paid in 1999 for FY00, ending June 30, 2000, to be recorded as an insurance expense/expenditure totaled \$59,467. Workers Compensation Plan totaled \$34,433. There were no unpaid contributions as of June 30, 2000. Claims submitted to the Trust

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

that has been billed to the Town for their portion of payment (i.e., deductible) as of December 31, 1999 totaled \$0. During November 1999, \$5,455.59 was returned to the Town of as its 1999 "dividend" for the years 1992, 1994 and 1995. The Trust Agreement permits the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. At this time, the Trust foresees no likelihood of an additional assessment in any of the past years.

Compensation Funds of New Hampshire - Workers' Compensation Fund is a Trust organized to provide workers' compensation and employer's liability self-insurance to member towns, cities, school districts, and other qualified political subdivisions of New Hampshire. As a member of Compensation Funds of New Hampshire - Workers' Compensation Fund, the Town of [client] shares in contributing to the cost of and receiving benefits from a self-insured pooled risk management program. The membership and coverage runs from January 1 to January 1. The coverage is for the statutorily required workers' compensation benefits and employer's liability coverage up to \$1,000,000. The program includes a Loss Fund from which is paid up to \$350,000 for each and every covered claim. The Trust Agreement permits the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. At this time, the Trust foresees no likelihood of any additional assessments in any of the past years.

LIABILITIES

INTERGOVERNMENTAL PAYABLE

Amounts due to other governments at June 30, 2000 were as follows:

Expendable Trust Funds

Newmarket School District – Capital Reserve Fund	<u>\$ 260,004</u>
--	-------------------

DEFERRED REVENUE

Deferred revenue at June 30, 2000, consists of revenue collected or levied in advance of the fiscal year to which they apply as follows:

Deferred Tax Revenue

2000/01 Property Taxes Billed May 15, 2000	<u>\$4,014,548</u>
--	--------------------

DEFINED BENEFIT PENSION PLAN

Full-time employees participate in the State of New Hampshire Retirement System (the System), a multiple-employer contributory pension plan and trust established in 1967 by RSA 100-A:2 and is qualified as a tax-exempt organization under Sections 401(a) and 501(a) of the Internal Revenue Code. The plan is a contributory, defined benefit plan providing service, disability, death and vested retirement benefits to members and their beneficiaries. Substantially all full-time state employees, public school teachers and administrators, permanent firefighters and permanent police

officers within the State of New Hampshire are eligible and required to participate in the System. Full-time employees of political subdivisions, including counties, municipalities and school districts, are also eligible to participate as a group if the governing body of the political subdivision has elected participation.

The New Hampshire Retirement System, a Public Employees Retirement System (PERS), is divided into two membership groups. State or local employees and teachers belong to *Group I*. Police officers and firefighters belong to *Group II*. All assets are held in a single trust and are available to pay retirement benefits to all members. Benefits available to each group, funding policies, vesting requirements, contribution requirements and plan assets available to pay benefits are disclosed in the System's annual report available from the New Hampshire Retirement System located at 4 Chenell Drive ~ Concord, NH 03301-8509.

The payroll for employees covered by the System for the year ended June 30, 2000, was \$1,791,299; the Town's total payroll was \$1,480,959. The Town's contribution requirements for the year ended June 30, 2000, was as follows:

Town's Portion	\$ 88,584
Employees' Portion	<u>38,024</u>
	<u>\$ 126,608</u>

DEFERRED COMPENSATION PLAN

Deferred Compensation Plan - The Town offers its employees deferred compensation plans through the International City Manager's Association and Nationwide Insurance Company. Both plans were created in accordance with Internal Revenue Code Section 457. The plans, available to all employees, permit employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. Plan assets and a corresponding liabilities to employees for deferred compensation is recorded as agency funds. Plan assets are reported at fair market value.

Both plans are administered by independent companies and the Town remits all compensation deferred to this administrator for investment as requested by the participant employees. All compensation deferred and funded under the plans, all investments purchased and all income attributable there to are solely the property and rights of the Town (until paid or made available to the employee or other beneficiary), subject only to the claims of the Town's general creditors. Participants' rights under the plan are equal to those of general creditors of the Town in an amount equal to the fair market value of the deferred account for each participant. It is the opinion of Management that the Town has no liability for losses under the plans but does have the duty of due care that would be required of an ordinary prudent investor. The Town believes that it is unlikely that it will use the assets to satisfy the claims of general creditors in the future.

LONG-TERM DEBT

The following is a summary of the Town's general long-term debt transactions for the fiscal year ended June 30, 2000:

	General Obligation Debt Payable	Compensated Absences Payable	Landfill Closure and Long-Term Maintenance	Total
Balance, July 1, 1999	\$ 1,936,522	\$ 50,000	\$ 1,170,000	\$ 3,156,522
Retired	(250,668)			(250,668)
Net increase (decrease) in				
Compensated absences payable		1,500		1,500
Balance, June 30, 2000	<u>\$ 1,685,854</u>	<u>\$ 51,500</u>	<u>\$ 1,170,000</u>	<u>\$ 2,907,354</u>

Long-term debt payable at June 30, 2000, is comprised of the following individual issues:

<u>Description of Issue</u>	<u>Original Amount</u>	<u>Issue Date</u>	<u>Maturity Date</u>	<u>Interest Rate %</u>	<u>Outstanding at 6/30/00</u>
General Obligation Debt Payable:					
Sewer Construction Bond	\$ 800,000	8/15/85	8/15/05	8.8-9.0	\$ 200,000
Road Construction Bond	437,000	7/15/88	7/15/04	6.95-7.55	100,000
Landfill Bond	240,000	1/15/89	1/15/05	7.5-7.62	60,000
Water Facility Bond	2,300,000	1/15/89	1/15/10	6.8-6.875	1,150,000
Wastewater Treatment Bond	537,073	11/21/93	11/21/03	2.605	<u>175,854</u>
					1,685,854
Compensated Absences Payable					51,500
Landfill Closure & Long Term Maintenance					<u>1,170,000</u>
					<u>\$ 2,907,354</u>

The annual requirements to amortize all general obligation debt outstanding as of June 30, 2000, including interest payments, are as follows:

<u>Fiscal Year Ending June 30,</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2001	252,118	111,588	363,706
2002	253,604	95,786	349,390
2003	255,132	79,625	334,757
2004	195,000	63,724	258,724
2005	155,000	50,037	205,037
2006-10	<u>575,000</u>	<u>118,594</u>	<u>693,594</u>
	<u>\$ 1,685,854</u>	<u>\$ 519,354</u>	<u>\$ 2,205,208</u>

All debt is general obligation debt of the Town, which is backed by its full faith and credit. All debt will be repaid from general governmental revenues.

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

State Aid

In addition to local revenues, the "Amount To Be Provided For Retirement of General Long-Term Debt," includes the following amounts to be received from the State of New Hampshire in the form of State Aid to Landfill, Water Pollution and Water Filtration Projects:

<u>Bond Issues</u>	<u>Amount</u>
1985 Sewer Construction Bonds	\$ 161,340
1990 Water Bonds	316,929
1994 Wastewater Treatment Bonds	<u>34,740</u>
	<u>\$ 513,009</u>

Under various State of New Hampshire Funding Programs, the Town receives a percent of the annual amortization charges on the original costs resulting from the acquisition and construction of sewage disposal facilities, water filtration facilities and landfill closure. As of June 30, 2000, the Town is due to receive the following annual amounts to offset debt payments:

<u>Fiscal Year Ending</u> <u>December 31,</u>	<u>Governmental Fund Debt</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2001	82,365	15,075	97,440
2002	81,076	11,947	93,023
2003	79,797	8,811	88,608
2004	66,337	5,669	72,006
2005	64,755	2,834	67,589
2006-10	<u>138,679</u>		<u>138,679</u>
	<u>\$ 513,009</u>	<u>\$ 44,336</u>	<u>\$ 557,345</u>

Bonds or Notes Authorized - Unissued

Bonds and notes authorized and unissued as of June 30, 2000 were as follows:

<u>Per Town</u> <u>Meeting Vote of</u>	<u>Purpose</u>	<u>Unissued</u> <u>Amount</u>
1991	Wastewater Treatment Improvements	\$ 112,927
1998	Wastewater System Improvements	1,600,000
May 12, 1999 ~ Article 7	Infrastructure Improvements Downtown Business District	2,000,000
May 12, 1999 ~ Article 8	Infrastructure Improvements Black Bear Business Park	3,250,000
May 9, 2000 ~ Article 3	Sewer Outfall Pipe	<u>600,000</u>
		<u>\$ 7,562,927</u>

TOWN OF NEWMARKET, NEW HAMPSHIRE

Notes To Financial Statements

June 30, 2000

Bond Anticipation Notes Payable

State statutes allow the Town to incur debt up to the amount of the bond authorization in anticipation of the issuance of long-term debt in order to pay current expenses of a capital project. Notes issued in accordance with these statutes are general obligations of the Town. The following bond anticipation note payable was outstanding at June 30, 2000:

\$350,000 Notes payable to the State of New Hampshire Revolving Loan Fund
(notes to be reclassified as long-term upon project completion and determination
of a final repayment schedule)

LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS

Federal and State laws and regulations require that the Town place a final cover on its landfill when closed and perform certain maintenance and monitoring functions at the landfill site after closure. A liability is being recognized in the General Long-Term Debt Account Group based on the future closure and postclosure care costs that will be incurred near or after the date the landfill no longer accepts waste. The Town's Landfill closure construction was completed according to State and Federal regulations in 1995. Postclosure monitoring and other costs are estimated at \$45,000 per year or \$1,170,000 over the next 26 years (30 years from closure). This estimated total current cost of the landfill postclosure care is based on the amount that would be paid if all equipment, facilities, and services required to monitor and maintain the landfill were acquired as of June 30, 2000. However, the actual cost of closure and postclosure care may be higher due to inflation, changes in technology, or changes in landfill laws and regulations.

The State of New Hampshire Department of Environmental Services requires that all entities which receive licensing for landfills since 1991 meet general financial assurance requirements. The Town has met these requirements. The Town expects to finance the postclosure care costs by annual appropriations and fees collected through a pay-per-bag program.

FUND EQUITY

RESERVATIONS OF FUND BALANCES

Reserved for Endowments

The reserved for endowments at June 30, 2000 represents the principal amount of all Nonexpendable Trust Funds which is restricted either by law or by terms of individual bequests, in that only income earned may be expended. The principal balances of the Town's Non-expendable Trust Funds at June 30, 2000 are detailed as follows:

Nonexpendable Trust Funds (Principle Balances)

Town Trusts:

Cemetery Care	\$ 370,747	
Scholarship	120,657	
Community Recreation	75,000	
Unrealized Gains on Investments	<u>89,448</u>	
		\$ 655,852

Library Trusts:

SUMMARY DISCLOSURE OF SIGNIFICANT CONTINGENCIES

Litigation

There are various claims and suits pending against the Town that arise in the normal course of the Town's activities. In the opinion of management, the ultimate disposition of these various claims and suits will not have a material effect on the financial position of the Town.

Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the Federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount of expenditures which may be disallowed by the grantor cannot be determined at this time although the Town expects such amounts, if any, to be immaterial.

INCORPORATED
DECEMBER 15, 1727
CHARTER JANUARY 1, 1991

WARRANT STATE OF NEW HAMPSHIRE TOWN OF NEWMARKET

TO THE INHABITANTS OF THE TOWN OF NEWMARKET, in the County of Rockingham, in said State, qualified to vote in the Town Affairs: You are hereby notified of the annual meeting.

The first session, for the transaction of all business other than voting by official ballot, shall be held Tuesday, April 3, 2001 at 7:00 pm at the Newmarket Town Hall. The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations:

- a) Warrant articles whose wording is prescribed by law shall not be amended.
- b) Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to elect officers of the Town by official ballot, to vote on questions required by law to be inserted on said official ballot, and to vote on all budget warrant articles from the first session on the official ballot, shall be held Tuesday, May 8, 2001 at the Newmarket Town Hall. The polls shall be open from 7:00 am to 8:00 pm.

Article 1. To choose all necessary Town Officers for the ensuing year.

Budget Committee	Three for Three (3) years
Budget Committee	One for Two (2) years
Moderator	One for One (1) year
Planning Board	Two for Three (3) years
Town Council	Two for Three (3) years
Trustee of Trust Funds	One for Three (3) years

Article 2. Bonding Authority for Land Acquisition

To see if the Town of Newmarket will vote to raise and appropriate the sum of Six Hundred Thousand Dollars (\$600,000) (gross budget) for the purpose of acquiring land for open space on the Route 152 aquifer, and to authorize the issuance of not more than Six Hundred Thousand Dollars (\$600,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33:3) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (3/5 ballot vote required)
Recommended by the Town Council and the Budget Committee.

Article 3. Funding of Accounting Software – Lease/Purchase Agreement

To see if the taxpayer will authorize the Town of Newmarket to enter into a lease/purchase agreement for the acquisition of accounting hardware and software for a total of \$191,140 and to raise and appropriate the sum of Thirty-eight Thousand Two Hundred Twenty-eight Dollars (\$38,228) as the first of five payments to complete the purchase. [Tax rate will increase by thirteen cents (\$.13) per thousand this year.] (3/5-ballot vote in SB2 towns)
Recommended by the Town Council and the Budget Committee.

Article 4. Rescind Remaining 1990 Wastewater Treatment Improvements Bonding

To see if the Town of Newmarket will rescind \$112,927 of bonding authority for those bonds not issued for the May 15, 1990 vote authorizing the issuance of not more than \$650,000 of bonds or notes to finance the study, design and construction of wastewater treatment improvements that included sludge dewatering, disinfection and wastewater pumping facilities in accordance with the provision of the Municipal Finance Act (RSA 33). (In 1993 the Town of Newmarket bonded only \$537,073 of the \$650,000 approved.) (3/5 ballot vote in SB2 towns)
Recommended by the Town Council and the Budget Committee.

Article 5. Parking Special Revenue Fund

To see if the Town of Newmarket will raise and appropriate the sum of One Dollar (\$1.00) to be placed in a parking special revenue fund and to adopt the provision of RSA 31:95-c to restrict 100% of revenues from all parking revenue sources to be expended for the purpose of construction, maintaining, acquisition and all other related expenditures that pertains parking issues. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Parking Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. (Majority ballot vote)
Recommended by the Town Council and the Budget Committee.

Article 6. Petitioned Warrant Article – Newmarket Arts Association Community Arts' Development Special Revenue Fund

To see if the Town of Newmarket will raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to be placed in a Newmarket Arts Association Community Arts' Development special revenue fund and to adopt the provision of RSA 31:95-c to restrict 100% of revenues from all revenue sources pertaining to the arts to be expended for the purpose of obtaining and maintaining a site or space in Newmarket as a base for offering classes and displaying local artwork, enabling public access to and involvement in community and local artistic endeavours and other related activities, for providing funds for matching grant offers, for programs involving art outreach into the local schools, and all the related expenditures that pertain in the support and continuance of community arts' development issues in Newmarket. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Newmarket Arts Association Community Arts' Development Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. (Majority ballot vote)
Not recommended by the Town Council or the Budget Committee.

Article 7. Additional Funding of Building Improvements

To see if the town will raise and appropriate the sum of Twenty-nine Thousand Thirty-six Dollars (\$29,036) to be used to renovate the third floor conference room (i.e. replace asbestos tiles and build two offices to mitigate the overcrowded conditions on the second floor). [Tax rate would increase by ten cents (\$.10) per thousand this year.] (Majority ballot vote)
Recommended by the Town Council and the Budget Committee

Article 8. Aquifer Protection Easement Funding

To see if the Town of Newmarket will raise and appropriate the sum of Fifty-four Thousand Dollars (\$54,000) to be placed in the 1999 established Aquifer Protection Easement Trust Fund. [Tax rate would increase by eighteen cents (\$.18) per thousand this year.] (Majority ballot vote)
Recommended by the Town Council and the Budget Committee.

Article 9. Additional Funding of Public Works Projects

To see if the town will raise and appropriate the sum of Twelve Thousand Thirty-eight Dollars (\$12,038) to be used for drainage projects and reconditioning of roads. This amount is needed to cover additional costs of construction due to increase prices. [Tax rate would increase by four cents (\$.04) per thousand this year.] (Majority ballot vote)
Recommended by the Town Council and the Budget Committee.

Article 10. West Nile Virus Funding

To see if the town will raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to help stop the spread of the West Nile Virus in the Town of Newmarket. [Tax rate would increase by seven cents (\$.07) per thousand this year.] (Majority ballot vote)
Not recommended by the Town Council or the Budget Committee.

Article 11. Additional Funding of Recreation Facilities Capital Reserve

To see if the town will raise and appropriate the sum of Twenty-nine Thousand Five Hundred Dollars (\$29,500) to be put into the Recreation Facilities Capital Reserve to fund future construction of recreation facilities over the next ten years (i.e. additional field, playground structure, reconditioning existing fields, tennis courts, pool, gymnasium). [Tax rate would increase by ten cents (\$.10) per thousand this year.] (Majority ballot vote)
Recommended by the Town Council and the Budget Committee.

Article 12. Additional Funding of Public Works Vehicle Capital Reserve

To see if the town will raise and appropriate the sum of Five Thousand One Hundred Twenty-nine Dollars (\$5,129) to be put into the established Public Works Vehicle Capital Reserve for future replacement of vehicles (i.e. plow trucks, loaders, graders, etc). [Tax rate would increase by two cents (\$.02) per thousand this year.] (Majority ballot vote)
Recommended by the Town Council and the Budget Committee.

Article 13. Additional Funding of Police Vehicle Capital Reserve

To see if the Town will raise and appropriate the sum of One Dollar (\$1.00) to be put into the established Police Vehicle Capital Reserve for future acquisitions of Police Vehicles. (Majority ballot vote)
Recommended by the Town Council and the Budget Committee.

Article 14. Town Council Meetings To Be Televised Funding

To see if the taxpayer will authorize the Town of Newmarket to provide televised meetings for a total of Thirty-three Thousand Dollars (\$33,000) (gross budget) and raise and appropriate the sum of Seven Thousand Dollars (\$7,000) from taxes to televise meetings. The remainder of the amount, \$26,000, has already been dedicated by the ATT Broadband contract (which is currently on deposit with the Treasurer) [Tax rate would increase by two cents (\$.02) per thousand this year.] (Majority ballot vote)

Recommended by the Town Council and the Budget Committee.

Article 15. Additional Funding of Downtown Redevelopment Capital Reserve

To see if the town will raise and appropriate the sum of Nine Thousand Five Hundred Dollars (\$9,500) to be put into the Downtown Redevelopment Capital Reserve for future projects in the downtown area. [Tax rate would increase by three cents (\$.03) per thousand this year.] (Majority ballot vote)

Recommended by the Town Council and the Budget Committee.

Article 16. Additional Funding of Waterfront Improvements Capital Reserve

To see if the town will raise and appropriate the sum of Twenty-five Thousand Dollars (\$25,000) to be put into the established Waterfront Improvements Capital Reserve for future construction of the Riverwalk Project. [Tax rate will increase by eight cents (\$.08) per thousand this year.] (Majority ballot vote)

Recommended by the Town Council and the Budget Committee.

Article 17. Additional Hours for Planning Support

To see if the Town will vote to raise and appropriate Fifteen Thousand Eighty Dollars (\$15,080) for the purpose of providing additional planning support services. (Majority ballot vote)

Recommended by the Town Council and the Budget Committee

Article 18. Operating Budget

To see if the Town will vote to raise and appropriate Six Million Two Hundred Twenty-four Thousand Four Hundred Three Dollars (\$6,224,403) for the purpose specified therein for the fiscal year 2001/2002 Operating Budget. Said sum does not include special or individual articles addressed.

Recommended by the Town Council and the Budget Committee.

Article 19. Other Business

To transact any other business which may legally come before this meeting.

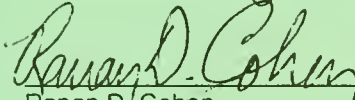

Given under the hands and seal this 12th day of March, in the year of Our Lord, two thousand one (2001).

Phil LePage, Chair

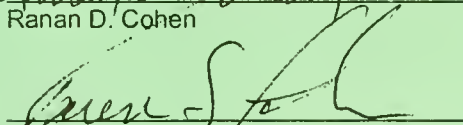

Katharine L. Lockhardt, Vice Chair

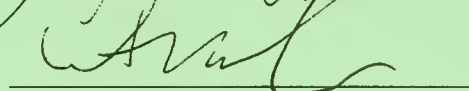

Ranan D. Cohen
