

*We Carved not a line . . . we raised not a stone,
but we left him alone with his glory!*

There's been a lot said about Memorial Day. Maybe it's all been said, all there is to say, and there's nothing more. Nothing more.

Ah, but there *is* something more. Not in words, perhaps, not even in deeds; but something vital that we feel and know in our hearts; something that our fathers and sons and husbands and brothers died for, so that we might have something to live for.

Indeed, their very memory is something we cherish. May God Almighty grant that to their ranks no more may be added, but that we may enjoy in solemn gratitude the blessings for which they fought.

ON APRIL 1st, Shirley Gonet upon feeding her pet "Bunny Daisy" noticed her acting rather peculiar, instead of eating her portion of hay, she picked it up strand by strand and set it neatly in one corner of her cage. Being April Fools Day, Shirley cast it off as another April Fools joke. However, as we can see, Daisy wasn't fooling, as she surprised us all with a family of eight baby bunnies. (Courtesy Mrs. Karol Gonet)

Blood Donors Still Needed

The American Red Cross Bloodmobile will be in Epping June 27 at the Community Church on old Route 125. The drawing will be held from 1:45 to 6 p.m. Any Newmarket residents desiring further information may call Mrs. Wilfred Cloutier at Epping 2356.

There is a particular need for blood type O Negative. The Bloodmobile will also be in Exeter June 3.

Thanks Extended By Local Eagles

The committee for the Eagles Golden Anniversary celebration extends its appreciation to all of those who helped in any way to make this event most successful. We wish to give special thanks to all of the advertisers who supported our program book, the newspapers for their splendid news coverage and the members, their wives, friends and guests who attended the several affairs. We are particularly grateful to the Eagles Ladies Auxiliary for their wonderful help throughout the entire celebration.

Budget Committee And Selectmen In Session

The budget committee held its first meeting of the season last Thursday at the Court room of the Town Hall and elected Charles Dearborn as chairman. Mrs. Nellie Anderson was re-elected. Reappointed for three-year terms were; Mrs. Stella Cilley, Charles Bassett and Clarence Hodsdon. George Bergeron was appointed to complete the term of the late Benjamin Miller.

An itemized account of town expenditures during the first five months of the fiscal year was discussed. One item of town officers expenses showed that \$2,000 of the \$2,500 appropriated at town meeting has already been used.

The second in the series of meetings was held Wednesday night with Richman Walker, superintendent of public works, Mrs. Ruth Norton, Roy Kent, and the entire Board of Selectmen present. These meetings are designed to establish a program of effective cooperation between town departments and the budget committee and to better acquaint members with the funds required for each and the utilization of these moneys.

When quired by the commit-

tee, Mr. Walker stated that the time of the members of the town crew is charged to the specific department for which the service is performed and that the wage increase recently granted to town workers is primarily covered in the appropriation and that the new equipment purchased for use by the town crew at the cemetery has been deducted from the expenses allowed for cemetery maintenance.

It is hoped that the repairs to the tomb will cost less than

the \$950 designated for that purpose. Avenues in the cemetery are in need of grading and gravelling.

The chairman reminded town officers that an accurate estimate of department financial requirements is the only basis for satisfactory action by the budget committee. Department heads have been requested to make 12 copies of the financial needs of their departments for the coming year, to allow each member of the committee sufficient time to study those needs before the preliminary budgeting is begun by the committee next fall.

MEMORIAL DAY EXERCISES LISTED FOR NEWMARKET AREA

Memorial Sunday services will be held as usual at the Newmarket Community church. All members are requested to meet at the Legion hall no later than 10:45 p.m. We will be accompanied by the Durgin unit and other veteran organizations.

Memorial Day services will be held as usual with the services at Calvary Cemetery starting the days ceremonies. Members participating will please report to the Legion hall no later than 10:30 a.m. We will proceed to the cemetery in cars.

Services at Riverside Cemetery will be preceded by the Memorial Day parade. All organizations in the town have been invited to participate. The parade will start at Legion hall, proceed to and up Central street, picking up the Polish American group and down Elm to Main where we will pick up the Lamprey Eagles and their Auxiliary. Other adult organizations will also join, following the Eagles. The junior division will be lead by the Boy Scouts followed by the Girl Scouts and then other junior organizations. The final division of the parade will be lead by the Civil Defense organization and the equipment they desire to use and following them will be the Newmarket Fire department and their equipment. For the first time in years the parade will be lead by the police of the C. D.

The parade will then continue the usual route to Riverside Cemetery where services will be held at the waters edge and at the Unknown Veterans Urn with the sounding of Taps from the hall at the top of the cemetery. Following which we will form up outside the ceme-

tery and parade back to town and then to the Eagles Flag Pole at the Little League Park and dedicate the flag following which the parade will break up. Coffee and sandwiches will be served at the Legion hall following the parade.

The usual services at Stratham will be held and Legionnaires wishing to accompany them will leave for Stratham following the luncheon. The parade will start at 2 p.m.

Local Resident Among Graduates At St. Francis Xavier University

St. Francis Xavier University recently presented 225 degrees and diplomas in convocation exercises of the institution famed for its world wide program of adult education.

Mr. Leo G. MacDonald, son of Mr. and Mrs. Leo B. MacDonald of 23 Nichols avenue, Newmarket, was among the graduates. He previously graduated from Mategnon high school in Cambridge, Mass., and was a Finance major at St. Francis Xavier. He participated in football, basketball, softball and was a member of the Audio Society, Float committee and the Junior Prom committee. He expects to enter the service this summer.

Accepting honorary degrees at the University's 107th commencement were Henry Borden, C. M. G., Q. C., distinguished Canadian lawyer and business executive; Thomas G. Foran, Ph.D., retired professor of education at Catholic University of America; Joseph McCarthy, Ed.D., Principal of the Provincial Normal College; Malcolm F. MacNeil, K.C.H.S., Massa-

The appropriation for sidewalk construction was voted down at the last town meeting. No funds are available for sidewalks except of the type done by the town crew in conjunction with highway repair.

The next budget committee meeting is scheduled for Tuesday, June 7th. Officers of the fire and police departments will be invited to attend and explain their department spending programs and requirements for the coming year.

chusetts industrialist and Alexander G. Sampson, D. Sc., Toronto business executive and Catholic philanthropist.

The baccalaureate speaker was Very Rev. Patrick B. McCluskey, C.J.M. Superior of Holy Heart Seminary, Halifax, Nova Scotia.

NEWS FROM LEE . . .

By Mrs. Lloyd Stevens

Police Check

Over fifty cars were stopped during a road block set up by the Lee police department at Lee Hill Friday evening. Police deputies Staton Curtis and Bob Keniston checked for speeders, defective equipment and improper registration.

Fourteen members of the Lee Riders were present at a meeting held at the home of leaders, Mr. and Mrs. Wallace Dennis, Tuesday evening. Members worked on their 4-H evaluation sheets and held a general discussion on horsemanship.

Lee Hill 4-H News

The annual Lee Hill 4-H cookout for juniors and seniors was held at the town hall Thursday evening. Several members brought rakes and cleaned up around the town hall grounds. Following the cookout members were shown a movie on the new mouth-to-mouth method of artificial respiration. During the business meeting, plans were formulated for Achievement Night which will be held in June.

The 4-H Club plans to put on two chicken barbecues; one on the 21st of June for the state Youth Citizen Conference in Durham and the second for the Lee Fireman's Fair July 9.

PUC Inspector Reports

PUC Inspector Mike Menter started his patrolling job last weekend. Due to the large number of enthusiasts launching their boats, inspectors were put on the job before the customary date of Memorial Day. Menter covers the ponds and lakes in the southeastern section of New Hampshire.

Inspector Gilman Menter also reports that bouy work on Swain's Lake has been completed and suggests boaters and other interested persons become familiar with the bouy marker system as a safety precaution. A red bouy signifies channel open south and west, a white bouy with a black top marks the channel north and east and a plain white bouy mean beware of stump.

Fire Department Auxiliary

The May meeting of the Lee Firemen's Auxiliary was held at the home of Mrs. Staton Curtis at Lee Hill last Monday evening.

Mr. Nelson Evans, Lee resident and WENH-TV science teacher, explained and demonstrated a new-type, modestly-priced resuscitator which is now a part of the equipment of the Lee fire department. It is a lightweight, compact and easily operated device which has proven extremely successful on drowned victims, persons suffering from heart and asthma attacks and gas poisoning. In an effort to maintain as high safety precautionary measures as possible, a resuscitator will now be standard equipment at the Red Cross swimming lessons which the auxiliary sponsors each year for the children of Lee. Boy scout Paul Turner assisted Mr. Evans with the demonstration.

At the business meeting following the guest speaker, the auxiliary voted to sponsor a free adult polio clinic which will be held Tuesday, May 24 from 7 to 8 in the evening. Mrs. Ralph Booth, co-chairman of the forthcoming Firemen's Fair announced a Stanley party will be held at her home May 19 at 8 p.m., proceeds of which will go towards raffle prizes. Anyone not able to attend may place an order with Mrs. Booth. Mrs. Ted Gooch, co-chairman of the Children's Grab Bag Table asked members to bring new or used toys in good condition to the next meeting. If members can not attend the meeting they are asked to leave their donations at the homes of Mrs. Gooch or Mrs. Oliver Kennard. Mrs. Ewell Morrison, chairman of the Fair's publicity committee gave a report of her committee's activities and asked for volunteers to assist with poster work.

Refreshments were served by Mrs. Charles Piper, Mrs. Marvin Davis and Mrs. Christopher Cook.

The next regular meeting will be held at the Lee Vestry June 13. A social evening is planned for members and husbands for Saturday, June 11, at the home of Mr. and Mrs. Johannes Johnson at Harvey's Mills, South Lee.

Final plans were made and jobs assigned to the members of the Snack Bar committee of the Fireman's Fair to be held July 9. The meeting took place at the home of Mrs. Sandra Morrison. Other members present included chairman Mrs. Almeda Durepo, Mrs. Hazel Preston, Mrs. Irene Lambert, Mrs. Claire Webb and Mrs. Helen MacDonald.

A household products party was held Thursday evening at the home of Mrs. Kay Booth,

proceeds of which are being donated towards premiums for the raffle to be featured at the Fireman's Fair. Mrs. Booth reports that members may still help gain points by placing their orders with her.

Fire Department

The fire department will have a work meeting Thursday, May 26. All members are invited to come and lend a helping hand.

Personals

We were pleased to learn that Mrs. Kennard, mother of Oliver and Bill Kennard of Lee, returned to her home last week after spending two weeks as a patient at Frisbie Memorial Hospital in Rochester.

Mrs. Charles Woodward of Mast road is a surgical patient at the Portsmouth Naval Hospital.

Alan Dennis, five year old son of Mr. and Mrs. Wallace Dennis of Mast road is recovering at his home following a severe asthma attack.

Mr. Charles Grange of Leicester, Mass., was a Sunday visitor at the home of his brother Ralph and his father, Charles Granger.

Jeremiah Smith Grange

"Our cooperative school district and improvement to our school system" was the well discussed subject of the Cracker Barrel Program as presented by lecturer Esther Garrity at the last regular meeting of the Jeremiah Smith Grange. Worthy Master Arthur McDaniel presided over the meeting; three officers, the Overseer, Assistant Steward and Ceres were absent. State Assistant Steward and Mrs. Joseph Parks of Stratham, Secretary of Eastern N. H. Pomona Grange Charolette Day and husband of Northwood, Master of Scammel Grange Gertrude Reardon and Mrs. Henry Davis of Durham were visitors. Twenty-five regular members were also present. One application was presented for membership.

Mrs. Parks, Mrs. Day and Mrs. Reardon judged the tight local entries in the dress sewing contest sponsored by the Home Economics Committee of Jeremiah Smith Grange. Mrs. Muriel Chapman captured first place in Class A, Mrs. Edna Woodward took first place in Class B (children's clothing), and two entries Mrs. Ruth Curtis and Mrs. Jeanette Lavoie tied for second place. Winning dresses will go to Great Bay Pomona Contest when Pomona meets with Rye Grange, May 19th.

Miss Alice Dudley reported \$152.16 was realized from the recent Opportunity and Food Sale held at the Grange. Miss Dudley was also appointed to serve on the building committee.

Mrs. Ida Randall, Mrs. Blanche Ball and Mrs. Marion Sanders served refreshments. The program and refreshments at the next meeting will be in charge of the Charity committee. Mrs. Etta Humber, Mrs. Eva Jennison and Robert Varney of Barrington will present a discussion on insurance.

Birthday

Steven Nugent celebrated his 5th birthday with a neighborhood party in his honor on May 5th. His guests included Spike and Wanda Morrison, Ernest Averill and Steven's sister, Caroline Nugent.

Joe Dixx's Sport Corner

By Richard Schanda

Lately, most of our conversations seem to center around the cussed weather. The brooks are way up, nesting areas are flooded out and most important, the fall feed for deer and game birds is in danger. This may sound a little far-fetched, but here is my opinion.

The wild apple, cranberry, tea berry, blueberry and many other plants are in partial bloom, as any apple grower will tell you, you must have a few days of hot, dry weather so the

bees can work. Without the bees efforts a poor set will result. A poor blossom set means a poor apple crop, wild or cultivated. This same rule applies to other early blooming plants. Without these natural fruits and berries which build the fat on the game birds and animals, they cannot stand the real cold below zero weather. Of course, Mother Nature usually knows what she is doing and it has been going on for years but I still like to see the wild life population go up in number.

If you would like to know officially where the Fish and Game Department stocked all these trout we read about, drop a line to Fish and Game Dept., 34 Bridge St., Concord. Ask for the "Angler's Guide to Trout Streams", which gives the dope on brook trout. The salmon book which is titled "Angler's Guide to Salmon Lakes and Ponds." This second book also includes brown, splake, rainbow, lake and golden trout. There is no charge for these books. You can be the best informed guide in N. H. just for a 4c stamp.

Atherton and Shultz and Co. opened the deep sea fishing season with a bang. Last Sunday they rigged up and ran out to Whale Back light to wet a line. The first real fish they caught was truly a beauty. It was a 4 1/2 ft., 24 1/2 lb. cat fish. This fish was really a big fish and it took some doing to get this fish into Shultz's boat. It is said that a full grown cat fish can cut an oar in half with it's mouth full of teeth. This fish must be seen to be appreciated. They boys also picked up some fine rock cod.

The brooks up country are still cold and high. We need some dry, hot weather to warm up these brooks before the brookies start hitting the various baits. With a long weekend

just ahead of the fisherman, I'll bet there has been some slightly off-color remarks directed at that cold East wind and rain.

The first fawn of the season has been spotted at Four Corners on the Epping road. The large herd which nightly put on a show in Sewall's field, has now broken up. The high water which flooded the swamps may have been the reason for this large herd. With summer well on the way this herd will spread from the bay down on the New road to Camp Lee and Littlefields crossing. That sounds like a lot of area, but to a deer it is just a short hike.

Eagles To Hold Annual Carnival

The Lamprey Aerie #1934, F.O.E., will sponsor a carnival to be held May 31st to June 4th inclusive. This event is under the direction of George Pelletier and Ralph Larrivee and as in the past will be held at Adelard Beaulieu's field on Pine street. Unfortunately last year the weather was not favorable for

LITTLE LEAGUE NEWS

By Joe Dixx

The Little League meeting held at the town hall last Monday was well attended with over 20 members present. The main subject discussed was the opening day double header. These games will be held May 30th, at the Little League ball field, directly following the flag raising ceremonies at 1:30, give or take 10 minutes.

In case of rain the games will be held on Tuesday, May

31st, at 6 p.m. and on Thursday, June 2 at 6 p.m.

The Little League raffle will be drawn between games and for you people who have not been able to get a book of tickets the Little League ball players will pass through the grandstands.

We have run into a snag concerning the formation and management of the Minor League teams. Adults help is needed to coach and train these boys. If you are interested, feel free to drop in and talk it over with Barney Turcotte. I might add that if Barney can not talk you into joining the gang, no one can.

We all hope for a big turnout of fans for the big double header.

Stamp Collectors News

By Mrs. Ione Kent

The first day covers sent by much interest in the history of missile are now bringing fantastic price — fifty dollars was known to have been turned down. One was bought for \$300 and another is said to have brought \$1000. These should have had any sale value. The fact that such mail was to be sent was never given to the public. The covers carry an ordinary 4c Lincoln stamp where an ordinary citizen would have had to use at least an airmail stamp. These were even sent to personal friends and political helpmates. They remind us of the Farley Park stamps with the scandal of imperforates and ungummed stamps.

The Postmaster General has decided to honor Paderewski on two Champion of Liberty stamps — 4c and 8c — sometime in the fall. As Paderewski's birthday (1860-1941) was Nov. 18th, that date is expected to be chosen.

The stamp commemorating the inauguration of Brasilia as the new capital of Brazil should be a good set to buy and hold.

The Pony Express stamps and envelopes which are to be issued July 19th have caused

the express. It was instigated when the stage coach proved to be too slow for mail. The cost of starting the route seems tremendous at that time. Five hundred best blooded American horses were required as well as one hundred and ninety stock tenders to care for them. Eighty of the toughest, bravest western youths were needed. The stations at first were built 25 miles apart but as that distance proved to be too great, stations were built between the original ones. Each station had to be supplied with plenty of hay and grain for these horses. A distance of 75 to 100 miles a day meant seven changes of mounts. The mail was carried from St. Joseph, Mo., to Sacramento, Calif.

This year, to show the contrast between the early and modern travel, a U.S. Air Force plane of the 707 type will carry the mails along the original route. Whereas the Pony Express riders a century carried between 50 and 100 pounds of mail, the plane flying eastward from Sacramento, Cal., July 19, will carry at least 20,000 lbs. or 1,000,000 letters, approximately as much will be sent from St. Joseph, Mo. The time element is rather striking. A trip by Pony Express took from 8 to 10 days thru Indian infested country which one plane will travel 3½ hours over a civilized area.

So much has been written about the Pony Express, both in history and fiction, that we might feel it was in existence a long time. However, it lasted only nineteen months, ending Oct. 6, 1811, two days before the transcontinental telegraph was completed.

The Vatican set to note the return of the body of Pope Pius X to Venice finally appeared April 11th.

U. S. Stamp notice:
May 28 — 2½c stamped envelope, Chicago, Ill.

May 31 — 4c Seato (So. West Asia Treaty Org.), Washington, D.C.

June 2 — 4c American Women, Washington, D.C.

June 10 — 10c regular air-mail (Lincoln), Miami, Fla.

GIRL SCOUT NEWS

By Carole Willey

The ninth meeting of Scout Troop 585 was held Wednesday, May 11th.

Following a brief business meeting the scouts broke up into patrols. The dues from now on will be collected within the patrols. The girls in each patrol elected a patrol treasurer and a scribe.

The Yankee Beavers elected Diane Gazda as treasurer and Donna Gazda as scribe. The Rebel Rousers elected Linda Marelli as treasurer and Jane Hazeltine as scribe.

The newly elected officers of the Cheyenne's are Donna Bukowski, treasurer and Sandra Paradise, scribe. Officers of the Check-Cha-May's are treasurer, Mary Jordan and scribe, Linda LaBranche.

The scouts brought in their first aid kits which are to be taken along on the hike.

Mrs. Irene Vidler has purchased and donated an American Flag to the troop. We appreciate this and thank her very much.

The troop has received an invitation to march in the Memorial Day parade. The girls are all looking forward to it.

The tenth meeting was held May 18th.

After the collection of dues the scouts were taught the basic marching skills by M/Sgt. Kenneth Eickholt of Pease Air Force Base.

June 17 — 1¼ regular and 1¼c card, Santa Fe, N. Mex.

June 18 — a new form of 5c airmail post card, (fire red), Minnesota, Minn.

June 25 — 1¼c stamped envelope, Birmingham, Ala.

July 4 — 4c 50-star Flag, Honolulu, Hawaii.

July 19 — 4c Pony Express, Sacramento, Calif.

July 19 — 4c Pony Express envelope, St. Joseph, Mo.

American Legion News

By Fred L. Beale

The next regular meeting of the Post will be Monday, June 6th. Jack pot and 50/50 awards will be drawn.

A shuffleboard competition will start Tuesday, May 24th, and continue for 13 weeks (no game the week of the 4th) and two trophies will be awarded to the winners of the high total and the runner-up. There will also be trophies given each 4 weeks of play to the high scorer of each team. This competition is for Legion members only and it is planned to have eight-man teams with substitutes.

It is planned to send four boys to Boys State this year and each organization has been asked to participate. Those organizations which usually participate are the Polish American clubs, the Lamprey Eagles, the Newmarket Service Club and the Robert G. Durgin Post, A.L. Any other organization which would care to send a boy please contact Comm. Charles A. Bennett, Jr., at OL 9-3688. The cost of a weeks training at the University of New Hampshire is only \$35.00 and is well spent.

The Post will award school

awards to the Junior high school boy and girl selected and also to St. Mary's school. New plaques have been procured and will be presented to the schools at the same time.

The members of the Post will flag the graves of veterans this coming week end starting Thursday night.

The Annual Outing this year will be held August 7th. All member's children accompanied by their parents will be admitted free. Tickets will be on sale soon by members of the Post.

Five 4-H Rangers To Attend Camp At Bear Brook

The 4H Rangers met at the home of Mrs. Ralph Jackson, club advisor. Five members; John Carmichale, John Carpenter, Randy Gage, Alan Knight and Ronald Sklarski, have signed up to attend 4H camp at Bear Brook for one week.

It was announced that John Carpenter and Stanley Wojnowski received a perfect score of 98 for the demonstration they presented recently at the Epping town hall. The pair demonstrated the every day materials needed to build a telescope, how to assemble and use the finished product. This entitles them to an all expense paid trip to Cape Cod during the coming summer vacation.

At the close of the meeting the members sang "Happy Birthday" to their club leader, Mrs. Margaret Jackson.
