Use Your Vote!

BY ARTHUR J. LaBONTE

As election day is just around the corner, I believe that it would be very appropriate to remind all voters for the last time of the importance of going to the polls on Tuesday, Nov. 8. By writing this article on this important issue, I hope to stimulate the interest of all eligible voters and maybe give a final shot in the arm to those who are not quite convinced yet to perform their patriotic duty, as they are requested to and should do.

Really one of the most shameful spectacles on the American scene is provided by the millions upon millions of indifferent citizen who steadfastly stay away from the polls on election day. History proved it. We should never forget that the right to vote by secret ballot in free election, is one of the most precious privileges of our citizenship. Yet as I said in my last editorial, nearly half of the people of voting age, care so little about their "American Heritage", their country and its future, that they do not even bother to take part in the election of a President of the United States once every four year. It is a shame.

The statistics from Washington, D.C. show that in the presidential elections during the past four decades (40 years), the percentage of eligible voters who cast their ballots, ranged from 43.6 per cent to 62.7 per cent, which is not what it should have been. And everyone will agree with me on these facts and proofs, because they have been verified and proved!

In other words, we could hardly care less about who led our nation in times which have been as troubled as any land has known in the past. Every American citizen has the duty to be not only a voter, but also an informed voter. The avenues of public communication, like the press, radio, and lately the debates and speeches on television, certainly give us

Elementary Schools List Many New Improvements

Kennedy Kavalcade To Form Here Mon.

Kennedy supporters from all over the State will join in a Kennedy Kavalcade to converge on Manchester, Monday, Nov. 7, for a meeting with their candidate, presidential hopeful Jack Kennedy, who is making a last minute appearance at "Victory Park" in the Queen City.

Newmarket and the seacoast area towns will meet at the junction of Rts. 101 and 125 in Epping. Kennedy supporters in the town of Newmarket wishing to join in the Kavalcade are urged to call Democratic chairman Arthur Beauchesne at OL 9-3702 for further information.

The Newmarket supporters will form their group in front of the Newmarket Town Hall at 1:30 Monday afternoon and will leave no later than 2:30.

Anyone not able to travel in the Kavalcade but wishing to attend the rally may find the Victory Bowl in the area directly behind the Manchester Post Office building on Hanover street.

Open House Is Planned At Stone, Central & H. S.

A number of improvements have recently taken place at our two elementary schools.

At the Stone School, as may people have probably realized by this time, the land adjacent to the building has been leveled and hot-topped. The hill in front of the school has been evened and will be grassed.

At the Central School, a transformation is in progress. The upper walls of every classroom have been painted. An old storage room on the lower level of the building has been cleaned out, painted and fixed up to serve as a teacher's room, nurse's room and will also be used by the music teacher, who will give individual instructions on band instruments.

The basements and stairways leading to the basement are now in the process of being completed. In these places we are painting the walls, floors and ceilings. Fluorescent lights have also been installed in the basements.

Probably one of the biggest improvement to have taken place thus far is that of the hot lunch kitchen. This has been completely cleaned out. The ceiling, pipes and walls have been painted and a blower hooked up for the stove. A new food mixer was purchased for the program last spring

and this summer the vegetable slicing attachments were obtained. Recently, a second hand meat slicer was purchased and is now being used.

All of the work being done at the schools is being done by our custodian, Fred Harclerode.

Edward O'Connor, principal of the elementary schools, wishes to announce that there will be an "open house" at the Central and Stone Schools on Wednesday evening, Nov. 9. This is being held in conjunction with National Education week.

The schools will be open from 7:00 p.m. to 8:30 p.m., with all teachers being present in their respective rooms. It is hoped that as many parents as possible will find time to attend. This will give you an excellent opportunity to meet your children's teachers.

An "open house" will also be held at the Newmarket High School on Wednesday evening, Nov. 9 from 7 p.m. until 9 p.m.

The School Board will also be in session Wednesday evening at the high school and all are welcome to attend the meeting.

Busy Beavers To Meet

Members of the Busy Beavers 4-H Club are reminded that there will be a meeting this Saturday, Nov. 5, at the home of leaders Mrs. Harold Szacik at one in the afternoon.

IMPORTANT MEETING OF LOCAL INDUSTRIAL GROUP

There will be a meeting of the proposed Industrial and Commercial Group on Thursday, Nov. 10, at 8 p.m. in the Court Room, Newmarket Town Hall.

The purpose of this meeting is to present to all interested persons the ideas and progress of the committees formed at the first meeting. This should be done in advance of calling

in an attorney and actually forming the organization. It has been suggested that an initial deposit of \$10 per person be contributed at this meeting as a show of good faith and to cover all organizational expenses.

There were about 35 persons in attendance at the first meeting. It is hoped that the Nov. 10 meeting will see these people and 35 more! It is the belief of the committees that only through cooperation and effective forward planning can the people of Newmarket share in the bountiful years to come.

Don't forget! Thursday, Nov. 10, at the Town Hall at 8 p.m.

Transportation To Polls Furnished

Transportation to the polls on election day will be furnished by the Democratic Town Committee. Those interested please call OL 9-3702 or OL 9-3451.

Mr. Wright graduated from Gordon College in 1950, attended Harvard Divinity School and now is in his last year at Gordon Divinity School. He will be ordained next spring upon graduation. Mr. Wright was born in Boston and lived in Quincy and Randolph, Mass. before entering the Navy where he served in the European and Pacific theatres during World War 2.

He served as pastor of the Silver Lake Chapel in Silver Lake, Mass., and for three and a half years was pastor of the Ward Hill Church of Christ in Haverhill, Mass. While in Haverhill he served on the radio program committee of the Haverhill Ministers Association and all through his career has been extremely active in youth work.

Mr. Wright married the former Betty Lou Heath of Brookline, Mass., thirteen years ago. The couple have five children, Deborah Lee, 10; Wendy,

9; Ethelind, 7; Allen, 4; and Jeffrey, 10 months.

Mr. Wright was director of the North Randolph Nursery School in Massachusetts before coming to Newmarket.

Also honored at the reception were Rev. and Mrs. George Carey of Haverhill Mass. Rev. Carey was interim minister at the Newmarket Community Church previous to Mr. Wright's appointment. Members of the church presented Rev. Carey with a leather desk set as a token of their appreciation.

Speakers for the evening were Miss Myrtle Auch, director of Christian Education for the Southern Conference of Baptist Society of New Hampshire and Mr. Hadley of Hampstead, representative of Christian Congregational Conference. Refreshments were served following the program by the deaconesses. The reception was in charge of the deacons, Roy Kent, chairman.

Through The Years . . .

With Mary Richardson

The Story of New Hampshire

During the greater part of its colonial existence, New Hampshire was united with Massachusetts and its history is therefore linked with the history of Massachusetts.

Two of the most active members of the council of Plymouth were Sir Ferdinand Gorges and Capt. John Mason. In 1622 they obtained from their associates, a grant of land lying partly in Maine and partly in New Hampshire, which they called Laconia.

In the spring of the following year they sent over two small parties of emigrants, one of which landed at the mouth of the Piscataqua, and settled at Little Harbor, a short distance below Portsmouth, the other proceeding farther, formed a settlement at Dover.

Rev. John Wheelwright and others purchased in 1629 from the Indians, all the country between the Merrimac and the Piscataqua. A few months later this tract of land, which was a part of the grant to Gorges and Mason, was given to Mason alone and it then

first received the name of New Hampshire.

The country was divided among numerous proprietors and the various settlements, during several years, were governed separately by agents of the different proprietors or by magistrates elected by the people.

The people of New Hampshire in 1641, placed themselves under the protection of Massachusetts where they remained until 1680, when after a long controversy with the heirs of Mason, relative to the ownership of the soil, New Hampshire was separated from Massachusetts by a royal commission and made a royal province. The new government was to consist of a president and council to be appointed by the king and a house of representatives to be chosen by the people. Everyone was satisfied with the government of Massachusetts and the change to a separate province was received with reluctance by all.

The first legislature assembled at Portsmouth in 1630. This legislature adopted a code of laws, the first of which declared that no act, imposition, law, or ordinance, "should be made or imposed upon them, but by the president or council." This declaration was received with displeasure by the king, but New Hampshire was as forward as any of the colonies in resisting every encroachment upon her just rights.

The next year Robert Mason arrived and asserted his right to the province, on the ground of the early grants which were made to his ancestor. He assumed the title of lord proprietor. But the people resisted his claims to the land and his demands for rent.

There was a long lawsuit and

a long controversy and judgments for rent were obtained against many of the leading men in the province, but so general was the hostility to the proprietor, that he could not enforce them.

In 1688, the government of Dudley and afterwards of Andros was extended over New Hampshire. Andros was seized and imprisoned on the arrival of the news of the revolution in England, the people of New Hampshire took the government into their own hands, and in 1690 placed themselves under the protection of Massachusetts.

Contrary to their wishes, two years later they were separated from Massachusetts and a separate royal government was established over them. But in 1699 the two provinces were again united and the Earl of Bellamont was appointed governor over both.

In 1691, the heirs of Mason sold their title to the lands of New Hampshire to Samuel Allen between whom and the people lawsuits and contentions continued until 1715, when the heirs of Allen relinquished their claims and gave up. The controversy finally ended by a relinquishment on the part of the claimants of all except the unoccupied portions of the territory. In 1741, Governor Belcher was removed and the provinces of Massachusetts and New Hampshire were separated, never to be united again and a separate governor was appointed over each.

During the 42 years previous to the separation, New Hampshire had a separate legislature and the two provinces were, in reality distinct, with the exception of their being under the administration of the same royal governor.

New Hampshire suffered greatly and perhaps more than any other New England colony by the several French and In-wars. Her towns were plundered and burned, her frontiers laid waste and her children murdered or led into captivity.

Cub Scouts Presented Awards At Season's First Meeting

An impressive opening ceremony started the first meeting of the season last week for Newmarket Cub Scout Pack #201. Lights were extinguished and out of the darkness tiny beams of light (provided by member of Den #1), shone on the American flag while the assembled group sang The Star Spangled Banner. The boys then led the salute to the flag.

Two new Den chiefs were welcomed, Jerry Eickholt for Den #1 and Robert Turcotte for Den #3 as well as Ronnie Bloom, who returned again this year to serve as chief of Den #2.

Every Den presented a skit centered around a Fire Prevention Week theme. Members of Den #1 displayed this posters and winners were awarded prizes. The boys then put on a skit where they extinguished an imaginary fire in a wastebasket.

Members of Den #2 visited an imaginary family's home, checking the house for possible fire hazards and reporting to the audience those they supposedly found. The boys stressed ways to eliminate fire hazards in homes.

Members of Den #3 staged a re-enactment of the disastrous 1906 Chicago fire, explaining how the cow knocked over the lantern and how the

firemen tried to put out the fire with buckets of water. The den also showed novel posters they made from alphabet macaroni painted gold and glued onto plates to form fire safety rules.

Awards were then presented by Forrest Shorey, who is in charge of Cub Scout achievement awards. Receiving first year stars were Richard Harclerode, Bruce Hodgdon, Jon Otash, George LePage, Arthur Miesowicz, Philip Mitchell, Edward Turcotte, Gerald Roy and Edwin Shorey.

Eligible to receive first year pins but not in attendance were Christopher Bargill, Raymond Hatch, David Clark, Gary Rodrigues and David Sner. These boys must attend a pack meeting in order to receive their stars.

Following the meeting, boys and leaders went to the fire station, where Chief Robert Keller and Assistant Chief Herbert Philbrick demonstrated the Newmarket Fire Department equipment and showed the boys how to use fire extinguishers. The boys then experienced the thrill of their lives when they were taken for rides in the fire truck.

The closing ceremony was held at the fire station upon their return with the scouts reciting the Cub Scout promise.

The November meeting will feature the Pine Wood Derby to which the boys are eagerly looking forward.

Letters to the Editor

October 25, 1960

To the Editor
THE NEWMARKET TIMES
Newmarket, N. H.
Dear Sir:

If our information is correct that a letter addressed to the Tax Commission by Mr. Richard Gallant of the Gallant Manufacturing Company pertaining to the assessment on a factory building owned by him this year, was published in last week's edition of THE NEWMARKET TIMES we would appreciate your publishing the enclosed letter in your next issue in reply to Mr. Gallant's letter.

Very truly yours,
LAWTON B. CHANDLER,
Commissioner.

October 21, 1960

Richard Gallant, President
Gallant Mfg. Co., Inc.
Newmarket, N. H.
Dear Sir:

This will acknowledge your letter of Oct. 14, copies of which were sent to the Newmarket selectmen, Governor Powell and various other individuals, concerning the value at which a building owned by you was appraised during the course of the complete revaluation of Newmarket this year.

We shall consider your letter to this commission as an appeal for abatement from the assessment and will review the matter at our earliest opportunity. It may be that we cannot at-

tend to this prior to Dec. 1 because of other commitments and we would, therefore, suggest that if you wish to avoid interest which accrues on taxes not paid by that date, that you either pay the tax bill as presented or that portion of it which you feel may be eventually due to the own. If you pay the tax bill in full and it is found that your complaint is justified, you will receive a refund upon order of this commission.

It might be well at this time to comment briefly on some of the remarks which you made in your letter. As you know, the revaluation conducted by employees of this commission was done at the request of the Town of Newmarket as a result of a vote passed at the Town Meeting of 1959 by a majority of the voters of that town. The re-appraisal was not forced upon the town in any way, but was a voluntary action of the people themselves. It must be assumed that in considering this matter, the voters felt that there were some inequities in valuation which should be corrected and that perhaps these included not only those which prevailed on residential properties but also the commercial and industrial holdings as well. Whether the figures shown in your letter indicating that factory property was increased percentage-wise more substantially than was other property is evidence that such inequities existed prior to the revaluation, can only be determined by a review of the situation in those cases where owners of this type of property request a review.

We do not contend that the valuation established on each piece of property by our appraisers is necessarily correct. It has been our experience, over the past ten years, while we have been doing such work, that sometimes errors are made

and the commission itself does not always agree with the findings of its staff. This may be true in your particular instance. We do feel, however, that there is no group of appraisers within the State who are any more competent to establish values than are our employees. They have had many years of experience in this work and have been occupied in evaluating all types of property for the commission day in and day out over a considerable length of time.

Our appraisers are in no way influenced or biased in making their appraisals. They have no interest in what the result is except that it be as nearly correct as is possible for them to determine. They certainly have no intention of raising the valuation on any industrial property for the purpose of deterring industrial expansion in this State. Their job is to see that every property owner pays his full share of the local tax burden and no more nor no less. We believe that this likewise was the feeling of the people of Newmarket when they voted to have the revaluation made.

We note in your letter that you comment on the efforts made by various organizations to develop industrial expansion in this State. This commission believes that such efforts are most necessary. Industry as you state, is most vital to New Hampshire in providing work to our citizens which will contribute to the welfare of the people as a whole. It is our feeling, however, that Governor Powell, the Planning and Development Commission, the local industrial development corporations and others who are making every effort towards this end, are primarily interested in obtaining those types of industry which will not only provide the jobs but which can also, because of their financial stability, take their proper places in the community and bear their own fair share of the local tax burden.

Businesses which must be subsidized in part by tax concessions indirectly reduce the income received by their property owning employees in that the latter must contribute a portion of their earnings to pay the balance of taxes which are properly due from the industries themselves.

USE YOUR VOTE —

(Continued from Page One)

ample information to enable us to cast an intelligent ballot and make a personal selection of our choice.

Certainly the American, who is not aware of the issues and does not know anything about the men who lead us in our government, is not trying hard to help himself or even help this country to this goal. Therefore, from now on, let us care a little more about the land we profess to love and let us all go to the polls on Tuesday, Nov. 8 and vote.

In conclusion, I would like, if I may, to give three bits of advice in order to help new eligible voters whom I hope are convinced that they should vote.

First: Make sure that you vote for the man of your choice and remember that the saying "Let my next door neighbor do it", is the motto of those who selfishly expect others to provide good government for them while they are doing nothing but complaining later on if something seems to be wrong in their judgment. So, don't be in that category of being an indifferent or a criticizer in politics, if you don't vote!

Second: When voting, always strive to put the welfare of the country ahead of political party, financial advantage or personal interest.

Third: Pray Almighty God, for government officials, so that they may have both the wisdom and courage to think clearly and to act intelligently on principle and not with expediency.

Therefore, it is up to all Americans of today to perform our patriotic duty and vote in the interest of "all the people" and not for "just the few". Finally, a last reminder to those who wish to register before election day. The Board of Registration will be in session on Saturday, Nov. 5 and on Monday, Nov. 7, from 7 to 8 P. M., at the Town Hall court room.

Be prepared, now, not Nov. 9! So register first and then vote as good Americans will do on Tuesday, Nov. 8, 1960.

You have stated that the revaluation made by appraisers of this commission will impose a hardship upon the town of Newmarket and will result in a considerable amount of dissatisfaction. In this connection may we state that the tax bills for 1960 were mailed to property owners on Sept. 22 and that payment of them by Oct. 8 permitted the taxpayer to take a discount. Despite the fact that there have been some substantial increase in assessed values on certain property between 1959 and 1960 as a result of the revaluation, and despite the fact that there have been efforts made by certain individuals in the town of Newmarket to stimulate dissatisfaction with the new assessed values, it is interesting to note that to this date this commission has received no complaint from any property owner other than yourself.

Very truly yours,
LAWTON B. CHANDLER,
Commissioner.

American Legion News

By Fred L. Beale

One of the most interesting and costumed-masked Halloween parties ever held by the Robert G. Durgin Post took place Saturday night at the Legion Hall. Seventy-five per cent of those attending were costumed and it was impossible to tell who a great many of them were until time to unmask. It showed much planning to come so well costumed that those who are associating with you every day are unable to tell who you are.

One of the most novel costumes was the little barrel man and it took the prize. He happened to be a member of the Post and immediately turned the prize over to the finance officer to be added to the donations which we are picking up for the Seacoast area fund, being created at the annual dance to be held on Friday night, Nov. 11, Veteran's Day. It was greatly appreciated Stan.

Our next simple but eye-catching costume was of Haystack Alice. A runner-up costume which must have been warm to dance in was one depicting a dough boy of WWI, gas mask and all. The other runner-up was a Charleston dancing fleuzie.

There were costumes from

the Indians of the Plain States to the laborers of the Orient, cowboys and the usual Mr. Bones and a late comer who would have surely ranked among the winners had she not been late in arriving was Old Honest Abe Lincoln. Pictures were taken and will be in a future edition of THE NEWMARKET TIMES as soon as we get them printed.

A new orchestra was used this time and they brought down the house and were heavily applauded all through the evening, the Jay-Dees of Dover. They will play for our 42nd anniversary party, Nov. 12 and also the New Years party on Dec. 30. When the tickets for this affair are out get them right away as they will of necessity be scarce and only enough to make the party enjoyable will be issued.

The following group of girls from the Auxiliary have joined with us in promoting an exceptional social year for the Post: Florence Turcotte, Mrs. Charles Hobbs, Mrs. Phyllis McKenna, Mrs. Edna Ferland, Mrs. Helen Levesque and Mrs. Libby Zych. This year will be one of the most sociable ones for the Durgin Post. The decorations for the Halloween party were prepared and placed by these girls with the assistance of Commander Bennett and Vice Commander McKenna.

All members of the Post and Auxiliary are invited to attend the anniversary party, Saturday, Nov. 12. The charter mem-

bers will be honored on this evening. The officers of the Post plus the girls compose the committee and they are going to do it up brown. Don't miss it.

The membership drive is surely in full gear. We have 75% of our membership quota in and only need 24 member's dues paid before Nov. 6 (fall conference date) to beat our whole membership for 1960. They have been doing a good job and we are hoping that they will come through so that when we have the membership supper on Nov. 7, it will really be a victory supper.

Won't those of you who have not got your dues in give these hard workers your undivided support. Membership, as you all know, is a hard job under the best of conditions. They deserve your help. To date we have 16 new members and 32 reinstatements. Total paid up for 1961 to date are 315. The longer you hold on to the dollar the less it will be worth, so pay your dues today.

In the very near future, the Post will present to the municipal court of this town, a fifty star American flag. It has arrived and arrangements for its presentation is in the process of being completed. There are many other community events scheduled for this season. Attend the meetings of the Post and be one of the go getters and help your Post and its community service program.

Will we see you Monday night, Nov. 7? The dues are only \$4.25 and is about as good insurance that you need as it embodies friends and their friendship.

hoped he would enjoy their year together.

At Monday's meeting the cub scouts made posters urging townfolk to get out and vote on Nov. 8. Next Monday, Nov. 7, after school, the boys plan to organize an impromptu band of bells and noisemakers and parade in uniform through town with their "Get out and Vote" placards and posters.

N.H.S. Class of 1950 Local Scout Troops Holds Reunion To Tour P.A.F.B.

Fifteen classmates of Newmarket High School's graduating class of 1950 recently enjoyed a wonderful reunion at the Sherwood Motel in Dover. Sparked through the efforts of Mrs. Roland Levesque, '50, the classmates were reunited to reminisce and compare notes on what ten years had accomplished in their respective lives.

"Red" Jablonski acted as master of ceremonies calling on each of his classmates to get up and give a short account of his or her situation. The members were then presented with little gifts with attached appropriate poems. It was decided to hold a fifteenth reunion in 1965 with hopes that there will be 100% attendance.

On Saturday, Nov. 5, members of the Newmarket Boy Scout Troop and the Girl Scout Troop will be treated to a completed tour of the Pease Air Force Base in Portsmouth. They will be met at the gate and transported by bus through the base, visiting points of interest and treated to lunch at the mess hall.

The trip has been arranged through the courtesy of Chief M/Sgt. Kenneth Eickholt, US-AF. Any parents willing to help transport the scouts to and from the base are urged to contact Scoutmaster Robert Willey. Scouts will meet at the library at 9 a.m.

RICHARD AVERILL IS POLICE SCHOOL GRADUATE

Judge Russell McGuirk and Newmarket Police Chief John Valliere attended Officer Richard Averill's graduation from the newly established New Hampshire Police Training School which has been held for four weeks in Durham. The graduation was held at Murkland Hall last Friday evening.

The school, which State officials hope can eventually be made a year round permanent institution, was established earlier this year with Nashua

Police Chief Joseph L. Regan as its director. Motor Vehicle Department funds were allocated for its operation.

Students have received instruction and on-the-job exercises in several police subjects from criminal law to highway safety and from investigations to arrests. Instructors have included FBI agents, Secret Service men, narcotics agents and two Northfester University traffic safety teachers, among others.

The students have dealt with public relations and law enforcement, laws of arrest, search and seizure, enforcement and patrol techniques, evidence, laboratory aids, narcotics and counterfeiting, criminal law, highway safety and accident investigations.

Officer Averill, one of 42 graduates, was offered the opportunity to attend the training school by the town of Newmarket.

About six dozen cancer dressings were made by the members of the Newmarket Home Demonstration Group when they met at the home of Mrs. Robert Bennett on Lee road recently. Miss Ruth Stimson, Home Demonstration agent for Rockingham County, joined the group for a short while to assist in making out this year's schedule of meetings. The schedule is as follows:

Nov. 22 — Gift suggestions,

to be held at home of Mrs. Henry Bosinger.

Dec. 27 — Making coffee cakes, to be held at the home of Mrs. Romeo Turcotte.

program on the heart, which will be open to the public.

May 23 — Flower arrangement, to be held at the home of Mrs. Raymond Brisson.

June 27 — Program planning for 1961-62. Place to be announced later.

Mrs. Brisson and Miss Stimson gave an interesting report on their trip to the "Better Taste In Living" home show at Jordan Marsh Co., in Boston last month.

Those present at the October meeting were Mrs. Raymond Brisson, Mrs. John Kitchin, Mrs. Romeo Turcotte, Mrs. Wilfred Fontaine, Mrs. Clayton

Bloom and hostess, Mrs. Robert Bennett.

EAGLES ACTIVITIES

With Arthur J. LaBonte

Last Sunday, Oct. 30 at 2 p.m., the Lamprey Aerie #1934 had an impressive ceremony at the Eagles Hall, the main attraction being a class initiation of 9 new candidates joining the Aerie. The lower hall was practically filled with members, their wives and guests, witnessing the performance of the new Home Degree Team recently formed for the benefit of the Order.

As we all know, FOE in Newmarket was first organized in 1910. Since then, many class initiations were performed in this Aerie, but always with the great help of other Degree Teams from out of town, as Somersworth and Manchester, N. H. and sometimes from Massachusetts. They all did a splendid job and I mean all of them.

So, thanks to all of them and their good examples, this year, 1960, our 50th anniversary, our Aerie #1934 is trying to follow in their footsteps or at least trying to follow their example. Of course, we do not intend to compete with any of them, but as I said before, we would like to do just as well as they did and try at least to imitate them in our own humble way and for the good of our Order.

As our two past State Aerie presidents (meaning Joseph A. Dupre as well as Thomas P. Jennings) said, "We can do it in our Aerie and we will do it some day." So two months ago,

our Home Degree Team was organized under the capable direction of Roderick MacDougall, also a member of the State Aerie, with the wonderful result of last Sunday's performance.

As I previously said, progress is our social activities password and therefore, I believe we proved it last Sunday.

For the past 50 years, since 1910, members had this dream and finally this dream came true. At 2 p.m., worthy president Harold Dawes opened the meeting in form and dispensing with regular business, he passed the gavel of authority to the Degree Team president, John A. Schanda, in order to initiate the 9 new candidates waiting in the hall upstairs.

Before the initiation, President Schanda introduced a few of the guests to the Aerie: Paul Chabot, State Aerie officer, Somersworth; Arthur LeClair, president of Somersworth Aerie; Al Demers, trustee at Somersworth Aerie; Joseph A. Dupre, past State president, Newmarket; Roderick MacDougall, State Aerie officer, Newmarket; and Thomas P. Jennings, past Aerie president, Newmarket, who was the principle speaker at this meeting.

He made an interesting talk, stressing the importance for the new candidates to cooperate with the Fraternal Order of Eagles in whatever they ask them to do and to help this organization 100 per cent. He explained what the FOE are doing to help the Veteran's Organizations in the U.S.A. to a better future and his short, very appropriate stories kept the audience's attention for over half an hour. Our thanks to Brother Jennings for his cooperation.

Now I would like to mention the names of the FOE Degree Team and they are as follows: Worthy President John A. Schanda, Past Worthy President Ken H. White, Sr., Vice President Ted Allen, Jr., Chaplain Edward Dostie, Conductor Harry Doucette, Outside guard Richard LaBranche, Secretary Ralph Larrivee, Soloist Roderick MacDougall and Pianist Arthur J. LaBonte.

The new candidates just initiated are William J. Roy, Roland Laplume, Richard Morin, Willis Mailhot, Camille Bernier, John Bernier, Robert LaBonte, Raymond Latour, and Maynard Teed.

Our sincere thanks to Bro. Raymond Bernard, who took these pictures and put them in THE NEWMARKET TIMES.

After the ceremony, refreshments were served by the committee in charge, where a good get together took place with the newly elected members who were happily to have joined the Fraternal Order of Eagles.

The Eagles bowling team bowled the Sam Smith bowling team on Tuesday, Oct. 25. The Eagles team took all four points and moved into a fourth place tie with the IGA team.

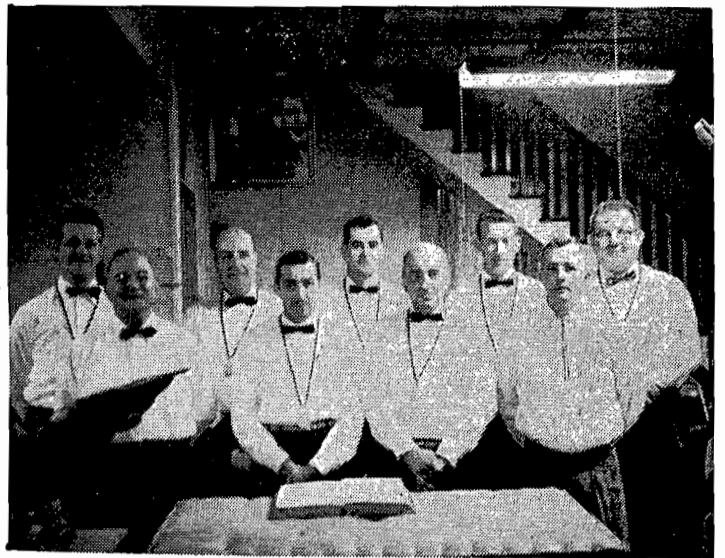

This is the highest position that the team has held this year. The team this year is composed of the following men: John Schanda, captain, Bob Harney, Dan MacDonald, Rainbow Lemieux, Eddie Dostie, Louie Chantre and Chicken Goudreau.

Last Tuesday the Eagles bowled the first-place Kington team. The league has expanded to 12 teams this year. With all the bowlers from Newmarket and the prospects of many more, it seems that a bowling alley would be a successful venture for someone in Newmarket.

The shuffleboard league started its second season on Monday, Oct. 3rd at the Polish Club. The Polish Club won this match against the Eagles 4 to 2 as the Eagles had to forfeit 4 games due to lack of players being present at playing time.

The following week the

American Legion, the new club in the shuffleboard league, were host to the Polish Club and the contest ended in a 3 to 3 tie.

On Oct. 18 the Eagles were host to the American Legion and the Eagles emerged victorious, 4 to 2.

On Oct. 25 the Eagles were host to the Polish Club and again were the winners 4 to 2.

The standing are now: the Eagles with 10 pts. won and 8 pts. lost; Polish Club, 9 won, 9 lost and the Legion with 5 pts. won and 7 pts. lost.

The next matches are Nov. 8 when the Eagles play the Legion at the Legion Club. Why not attend and watch some of these matches. They have proved to be exciting and the competition is keen.

Second Prize In Fire Prevention Poster Contest

The second prize winning poster has been judged to be that of Susan St. Armou. 207 So. Main street, a fourth grade student at the Central School. The poster is being displayed in the Griffin Insurance Agency office window until Nov. 8, at which time the third choice will be displayed.

The prizes will be awarded by the Griffin Agency after the third prize winner is announced.

NEWS IN THE WORLD OF SPORTS!

Joe Dixx's Sport Corner

By Richard Schanda

A misprint in last week's column in the article concerning the allocation of license money may have confused some of our readers. The Fish and Game Department spends 28 per cent of its money for the propagation of fish and 2 per cent for game. This would indicate that about \$300,000 went for fish and only \$20,000 for game.

Fresh water duck hunting has dropped off so that pond shooting is fairly slow. Some ducks are still hitting the rivers and a few are still drifting into the beaver pond. Until the late southward flights arrive in the bay area, pond shooting will be slow.

The big Canadian red legs have not shown up at this time, but any cold snap above the border with start the reds down. Wood ducks are still around but will leave with the first hard freeze.

A Franconia archer has bagged the first deer of the 1960 season. The deer, a doe, was taken in Franconia on Oct. 16 and tipped the scale at 200 lbs. Sounds like a record size deer, but this was official weight as quoted by the Fish and Game Department.

The long trout, black bass, horned pout fishing season closed on Oct. 31. A good season was enjoyed by about 45,000 fishermen. It is estimated that about 4 million fish were caught during 1960 and if you average these fish at 1 lb. you would have enough fish to fill a few freezers.

While hunting partridge up

on "Smoke" street, we saw a trout fisherman working a beaver dam. He had a heavy hunting jacket with a pair of woolen gloves and high waders. That's what you call a real die-hard trout fisherman.

If any of you partridge hunters shoot a bird which has a winged tick or fly aboard, I wish you would put this fly in a bottle and give it to me. I will send this fly to the Fish and Game Department, who say they have never seen or heard of such a parasite.

Some local hunters feel this tick may be the key to the rise and decline of the grouse population. I will reserve judgment and report the Fish and Game Department findings.

Ted Turner, up at the Grain Shed, reports that his deer pool will remain open through the month of November. Anyone who enters the pool after the Nov. 1 will have to shoot his deer in the southern counties to be eligible for top prize.

The scale will be available at Ted's or official Fish and Game weights will be acceptable.

Walt Schultz, Jr., of Lamprey street, shot two geese up above the dam just out back of the pumping station.

It is a rare thing to limit on geese, so a hunter usually remembers the shoot for the rest of his life.

MANY ATTEND INTERESTING TALK ABOUT MEXICO

A record breaking crowd heard the fascinating first-hand account of a school teacher's journey into the heart of Mexico, when Mrs. Thomas Rooney, Newmarket grade six teacher gave an illustrated talk on her summer's visit to Guadalajara, Mexico, at the Parish Circle meeting Nov. 1.

Mrs. Rooney wore a native costume and showed many beautiful colored slides of places and people she visited. Two tables were covered with pottery, weaving and native dolls which she brought back and during the refreshment period members and guests were treated to recordings of the roving Mexican minstrels. Hostesses for the evening were Mrs. Philip Mitchell, Mrs. Roy Kent, Mrs. John Carpenter, Mrs. Ralph Waugh, Mrs. Milton Kimball, Mrs. Kenneth Anderson, Mrs. Ralph Kent and Mrs. Royce Carpenter. Mrs. Ross Tennant was devotional leader.

PTA To Sponsor Dance Nov. 12

The Newmarket PTA is sponsoring a dance at the high school gymnasium Nov. 12 at 8 p.m. with admission of 35c for students and 75c for adults. Theme will be "teenage record hits of yesteryear and now."

Any persons having records of musical hits during the late 1930's and 40's and willing to lend them are urgently requested to contact any of the following committee members: William Cashman, Mrs. Wyman Smith or Mrs. Harold Szacik.

It is hoped that a large turnout of adults and teenagers will come join in the fun. Money raised will go toward refurbishing the high school library.
